### "WHERE ARE WE?"

The class of 20 and 8 are separated from each other probably never to be together as they were in High School Days.

Each has found himself or herself traveling down the pathway of life, preparing or entering their career.

In the various institutions of our state, we find the following: Mr. Herman Perdew, attending Murray State Normal. Miss Neva Dinning attending Western State Normal at Bowling Green, also Margarete Holt attended Western the past summer and is teaching in McCracken County.

Bessie Johnson has entered the Commercial work at Tilghman. Lelia Jones, Mary Huie are planning to enter Murray State Normal in February.

J. B. Hodges, Marshall Gipson, Edwin Allen, "Pat" Bloomfield are working.

Edna Boaz, Mildred McMurtrie, and Joe Lindsey are working in Paducah.

## THE PROGRESS OF OUR SCHOOL

"For men may come and men may go, but I go on forever." Have you ever stopped to notice how the little brook glides smoothly down toward the river? It moves forever at the same rate, but such is not true with LONE OAK school.

During the past ten weeks, we have watched the students who are athletically inclined, develop into two of the strongest basketball teams in Western Kentucky. "It is said that work conquers all things", evidently the basketball teams are putting out some hard work. Those who saw the LONE OAK, LYNN GROVE game are convinced to the fact that the LONE OAK team can play ball, not only do they play ball but display good sportsmanship, while playing on the court or on the side-line.

Who would have dreamed this time last year, that today typewriters would be ticking, as stenographers transcribe their shorthand notes?

Indeed, this spells "PROGRESS".

Compare our play ground equipment with that of last year's. We are to thank Mr. Meredith and his agriculture boys, for the see-saws, swings, giant-stride and slide. They have also constructed many useful things for the Home Economics department. It is now possible to keep a check on the books in the library, this is due to cataloging, which was done before school started.

"Good food at cost", is the slogan of Mrs. Davis, who is in charge of the cafeteria. We certainly think she lives up to her slogan.

The addition of the Violin course to our music department by Miss Thalia Levy Rice has added much to the school. We expect to hear much from this department in the near future.

One of the important factors in attaining the AA standard in our school is the faculty. We have five bachelor degrees, one master, and the others are working on their bachelor degrees. We are made to believe we have the best school in McCracken county, with a faculty as wise as the wisest owl, and with these environments we know we have the best school.

Well a good beginning may not always mean a good ending but here's an exception to that good old rule—SENIORS OF '29—we've made a good beginning and we're here to tell you the ending is going to be enough to make old Lone Oak wake up!!!! So many things have been planned that our aged and experienced sponsor fears we'll never accomplish half of them but then that dear lady is known to be very pessimistic. The Talent Night program, which is to be given in January, is guaranteed to be a "WOW"!!! all the talent in school is to be presented according to size, age, and quality (?). Our class is sure to be well represented on the debating team and we have three of our boys playing ball and then—Oh well! you know we're a Grand Old Class—ARE THE SENIORS OF 1929.

Bank Clerk: "Now that you work in a theater you can send me a few tickets."

Theater Clerk: "Certainly, and in return you can send me a few bank notes."

Visitor: "And how is your boy getting along in New York?"

Fond Mother: "Oh fine; he wrote home only yesterday for some money and said that except for his room, board, and clothes he was self-supporting."

T. B. Gore: "Have you any animal crackers?"

Mr. Sanderson: "No, but we have some very nice dog biscuits."

Green Freshman: "A street car has just passed."

Mr. Meredith: "How do you know?"

G. Freshman: "I see its tracks."

Milton: "I know where you can get a chicken dinner for ten cents."

Mr. Holland: "Where?"

Milton: "At a feed store."

Henry Morris (the artist): "Have you any camel-hair brushes?"

Dr. Craig: "No, it wouldn't be any use. None of our customers keep them."

## SOCIAL NEWS

The Commercial club met and held its monthly business meeting and luncheon Wednesday, November 8. Miss Letha Harper was unanimously adopted a member.

At the speaker's table were seated: Mr. Meredith, Miss Harper, Miss Shemwell, Mrs. Wilhelmson, Randolph Gore, Marie Elliot, Robert Parker, and Mr. R. L. Montgomery.

Mr. Montgomery, supervisor of Tilghman high school's commercial department, gave an interesting and inspiring talk, taking each letter of the word Lone Oak and applying terms of salesmanship to it.

The program was as follows:

Short story.....Randolph Gore  
 Reading.....Miss Shemwell  
 Address.....Mr. Montgomery

Girl Friend: "John, throw that cigar away."

Boy Friend: "No. I hardly ever pay a dollar for a cigar and when I do—"

Girl Friend: "You get ninety-five cents change."

## AGRICULTURAL NOTES "SAVE AND HAVE"

The agricultural boys entered whole-hearted into the construction and erection of play ground equipment. More than 600 pounds of junk pipe were converted into swings, see-saws, a giant stride of four ladders, a chute-chute. Special attachments for the equipment were purchased from the Petter Supply Company.

The amount of equipment could not be purchased for less than \$350 if purchased complete, but it cost the school less than \$100. Therefore, we are convinced that we can save and have equipment at a very small cost.

The boys also responded generously when their teacher, Mr. Meredith sounded a request to gravel a parking space and also the ground in the vicinity of the newly erected play ground equipment. 50 yards of gravel were hauled and spread without cost to the school or county board. Let's give fifteen rahs for the agricultural boys... They deserve it.

Through the courtesy and the efforts of Wm. Johnstone, County Agent, the following boys were awarded a free trip to the National Dairy Show for having their heifers in show condition and for showing them at the McCracken County Dairy Show: Tate Meunier, James Biggs, Russel Biggs, Hylton Rust, Deitsell Bement, Shelton Barkley, Milton Sanderson, Charles Dexter, Clifton Overstreet, and Paul Tisdale.

New Boysin Ag. I Paul Owen, a freshman, has joined the Ag. I class. He came to us from Bandana high school. He is commendations. Paul, we are glad to have you.

### COMMUNITY FACTS

A forty-six family survey of the homes represented by the agricultural boys reveal the following facts:

	Size of Family	No Cows	Gallons of Milk Produced per Day	Gallons of Milk Used per Day	Gallons of Milk Sold per Day
Average per family	5.26	2.23	4.05	1.38	3
Average per person		.43	.77	.26	.56
Average for U. S.				.18	

### FARM PRACTICE

Two years ago I bought a Jersey calf, giving twenty dollars for her. The feed which was bought for her before she became fresh cost about five dollars. The calf was sold for eighteen dollars. The cream was sold, which brought about thirty-five dollars, the feed for this period

## SENIOR DRAMATIC CLUB

The Senior Dramatic Club has enrolled about thirty members, consisting of juniors and seniors.

The club is studying the lives of men who have given the best that they had to the Dramatic World.

The class officers for the following month has been chosen:

Nobel Buckingham—President.

Anita Sanderson—Secretary.

Mrs. Holland is directing the club.

costing about \$15. Besides this there was sufficient milk for home consumption.

During the past summer I raised enough corn to produce 120 bushels, worth about 90 cents per bushel. My total profit was \$126.00.

Farm practice pays and it would be profitable for any boy to spend his time in this manner.—B. O.

## BASKETBALL NEWS

The girls' basketball team of L. O. H. S. is holding a much better record over that of last year. They have won 3 games out of 3 this season. In the first game with Sharpe, which was a hard fought game the Lone Oak quintet defeated the Sharpe Five 17-15. The second and third games were with Heath. The score of the second game was close with a 2 point margin but the last game with Heath was won by a 10 point margin.

### BOYS' BASKETBALL TEAM OF L. O. H. S.

The boys' basketball team of L. O. H. S. hasn't shown up so well, due to lack of hard practice. Coach Holland and his team are now getting down to hard work. The boys have won 2 games out of 5, but with more practice they will be able to make a better showing.

Henley is back at his old position as running guard, Sanderson and Nall are working well in their position as back guard, Buckingham is back at his old position as forward, with Bohannon and Miller working with him. Gore has taken his old position as center, proving to be a very fine player.

## WITH THE SOPHS

"Are we busy, well I say we are."

The sophomores have been engaged in many activities these past three months. We not only study but have taken part in the carnival, and worked on the campus. The sophomore girls have been great assistants to Mrs. Davis who is in charge of the cafeteria.

The largest Sophomore class that has ever been known in Lone Oak high school history has enrolled this year with 39 in number. We are fortunate in having 4 members on the basketball team, who are proving to be real athletes.—D. B.

## HOME ECONOMICS I

The Home Economic class No. 1 has been doing some fine work under their capable instructor, Mrs. Miles W. Meredith.

The class has been working on the breakfast unit, so we are ready to show our friends we are really good cooks by now.

The Home Economic department has been transformed into a perfectly modern kitchen, with this equipment we can surely learn the fundamental principles of preparing healthful food.

Anna R.: "Why did you give up studying English?"

Bryon R.: "No sense! A goat's a 'butter'. You put 'butter' on bread. My wife wanted to go out 'butter' dress wasn't good enough. The boss said I was a 'butter' in. At the baseball game the umpire said, 'butter' out. When I reported at the office this morning the boss said, 'I see you are early of late' and I replied, 'Yes! I was behind before.' So what's the use."

She (at dance): "Isn't the floor slick?"

He: "You're mistaken. I've just had my shoes shined."

Man (at magazine counter): "Do you have Life?"

"Judge for yourself," said the girl as she gave him a Punch.

## SUPERIOR WORKER'S

The following students worked their way into the superior worker's group last month:

### SENIORS

Louise Padgitt  
Byron Ross  
Anna Rice  
Elizabeth Warner

### JUNIORS

O! what is the matter with the Juniors?

### SOPHOMORES

Aline Humphrey  
Pauline Kennedy  
Eula Mae Rogers

### FRESHMEN

Louise Hoffman  
Marguerite Shelton

### JUNIOR HIGH

Juanita Pembers

The superior worker's are those that make all A's and B's.

## JUNIOR CLASS REPORT

The Junior class is composed of twenty-two members. The class met the first week of school and organized to begin its work for the year. Noble Buckingham was elected president; Juston Henley vice-president; Hilda Baldree, secretary; and Gladys Dinning, class reporter.

The Juniors are striving to make this the best Junior class in the history of Lone Oak high school.

To the other classes and the faculty we extend our hearty cooperation to make this a "banner year". The Juniors were the first class to reach the standard of one hundred per cent in the subscription of our school paper. The class sponsored a popularity contest in the Hallowe'en Carnival given by the school, which was a decided success.

The Juniors are also well represented in basketball by three girls and four boys on the basketball teams. In the class matches the Juniors were undefeated. If the Juniors remain as loyal as they have started there is nothing to keep us from making history for old Lone Oak this year.—N. B. and G. I.

We, the Junior class extend our thanks and appreciation to the Senior class for their good work in sponsoring our school paper.

## NEWS FROM THE GRADES

The Mothers League had a general meeting in Mrs. Page's room October 23. The following program was rendered:

Reading.....Mary Louise Allison  
Dramatization.....Second Grade  
Song.....Fifth Grade  
Reading.....Barbara Nell Morrow

Following the program was a business session.

The club was divided into three working circles. The aim of each is to raise money to serve the under nourished children in the cafeteria at ten o'clock each morning and buy a victrola and records for exercise and rest periods.

Mrs. Page has been very kind to lend the grades her victrola and the 12 exercise records which we find very appropriate.

Mrs. Gore was chosen captain of working circle number 1, with Mrs. Page and Miss Fisher sponsors.

Mrs. Boaz was chosen captain of circle number 2 with Mrs. Taylor and Miss Moore sponsors.

Mrs. German Sanderson was chosen captain of circle number 3, with Miss Mabry and Miss Shemwell sponsors.

Miss Shemwell is working on the Story Book Ball to be presented by Miss Mabry's room at an early date. This will be one of the first programs of the season. The proceeds will be used by circle 3 to aid in buying milk for the under nourished children.

## FRESHMAN NOTES

The Freshman class took their half holiday Wednesday afternoon, October 31st which they won for having the most parents present at the parent teachers league.

Mr. Holland, their sponsor accompanied them on their picnic, which was in Noble Park, and they found that "Homer" was a jolly good fellow.

The outing proved to be a good success, we played games, ran races, and afterward explored the park. After this was finished we found we had a ravenous appetite, which was remedied by a supply of buns, weiners, marsh-mellows, etc.

On this outing we organized "The Jolly Seven".

"They all started on the first car bound for heaven, but they couldn't get by Mr. Meredith."—L. M. A.

## Junior High Basketball News

The Junior High boys are working hard to have a winning team this year in basketball. Juston Henley is the coach for the second year and is well pleased with the number of boys who are coming out for the team with about forty boys trying for team. The team is expecting to play the following teams in the near future: Massac, Hendron, Concord, County Line, and some others later in the season.

## SENIORS

Plans are well under way for a talent night program to be sponsored by the Senior class sometime in January. The program will consist not only of senior talent but also local and school talent. The following committee has been appointed to arrange the program: Paul Miller, Robert Parker, Byron Ross, Elizabeth Warner, Anita Sanderson, and Louise Padgett.

\* \* \* \* \*

The Senior class will be represented in the preliminaries to the debating contest, which will be held in the school auditorium November 23. Three or four of its members are entering the tryouts.—A. L. R.

## FRESHMAN PICNIC

The Freshmen took advantage of their half holiday a few days ago which they earned by having the best representation of fathers and mothers at Parent Teachers League. They visited Noble Park. The afternoon was spent in games and contests. After refreshments they journeyed home and resolved to bring their fathers and mothers to P. T. A. again.

The Mothers League voted to meet every fourth Tuesday of the month at the school building at two-forty-five o'clock in the afternoon.

Every teacher is preparing to take work to Murray, November 30-31 and they hope to win a \$20.00 prize for having the best school work on exhibit at the First District meeting.
