LONE OAK HIGH SCHOOL

"I know not where the white road runs, nor what the  
blue hills are,  
But a man can have the Sun for friend, and for his guide  
a star;  
And come I may, but go I must, and if men ask you why,  
You may put the blame on the Stars and the Sun and the  
white road and the sky."

# FOREWORD

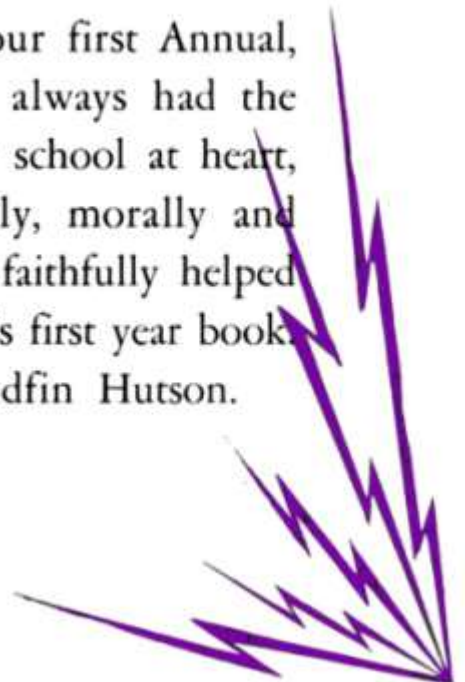

This is the first Annual published by a class in the Lone Oak High School. It is the product of our best efforts in the time allotted us. Take it for what it is worth. If you like it, our efforts have been rewarded; if not, our efforts have been in vain.

# DEDICATION

We dedicate this, our first Annual, to a man that has always had the advancement of the school at heart, educationally, socially, morally and spiritually. He has faithfully helped us in putting out this first year book. *We salute Mr. Woodfin Hutson.*

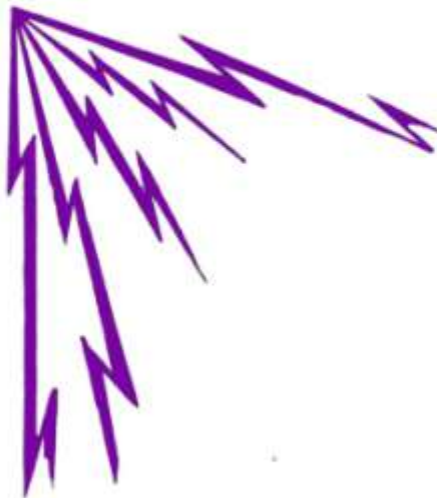

# *a*PPRECIATION ■

---

We the Seniors of 1937 give our thanks and appreciation to the faculty of Lone Oak High School.

*T*hey have faithfully and sincerely worked to better the school and not only teach us our lessons but lead us down the right paths of life. May Lone Oak always have a good faculty.

## Senior Class History

A group of fifty-two Freshmen met for their first time in the early fall of 1933 and elected the following officers:

President ..... H. H. JOHNSTON  
Vice President ..... JAMES BERRY  
Secretary and Treasurer ..... BIRDIE MAE JONES  
Paper Reporters—DWIGHT L. WILLIAMS and KATHRYN WARNER

We were green, bashful, and backward. We were run over by the upper classmen, but we were too scared to resent it. We were not able to accomplish much, but under the able leadership of Mrs. Herman Miller, we were able to present the first play of the year, "*Chintz Cottage*".

We met again the following year as Sophomores, but all the faces were not the same. As a group of thirty-nine Sophomores we were more confident and sure of ourselves, for we had put one year of High School behind us and we had learned some of the ways of the school. Also we had the Freshmen to boss and this gave us confidence in ourselves. We had for our officers the following:

President ..... H. H. JOHNSTON  
Vice President ..... JAMES BERRY  
Secretary and Treasurer ..... LAURA GRIFFITH  
Paper Reporters—DWIGHT L. WILLIAMS and KATHRYN WARNER

Under the leadership of Mrs. James Alcock we again presented the first play of the year, "*Short 36*". Our class was represented in the various activities of the school by various members of the class.

In the fall of 1935, a small group of happy and cheerful students began their Junior year of high school. It was a much smaller group than the one which started in '33, with only thirty-six on roll. This class elected for its officers the following:

President ..... JAMES BERRY  
Vice President ..... H. H. JOHNSTON  
Secretary and Treasurer ..... GERALDINE BICHON  
Paper Reporters—DWIGHT L. WILLIAMS and KATHRYN WARNER

This was a very successful year, for with Mr. J. C. Dance as sponsor, we gave the largest Junior-Senior banquet in several years. Birdie Mae Jones, James Berry and Homer Harper were leaders from our class in the Glee Club. We were well represented in sports by Herman Fields, James Berry and Earl Metcalf. Our class play, entitled "*Two Days to Marry*," was given before one of the largest crowds of the year and was a decided success.

In this, our Senior year, we had almost the same group, with thirty-eight enrolled, an increase of two over last year. This group elected for its officers the following:

President ..... H. H. JOHNSTON      Secretary ..... DWIGHT L. WILLIAMS  
Vice President ..... JAMES BERRY      Treasurer ..... RUTH E. WEBB

This was one of the most successful years in the school's history. When the Seniors gave their play, "*The Heart Exchange*", it attracted one of the largest crowds ever to assemble in the school to attend a play given by any class. This was the first class in the history of the high school to ever put out an annual.

The Reverend J. E. Underwood delivered the Baccalaureate Sermon Sunday night, May 9. Mr. J. H. Richmond, President of Murray College, delivered the commencement address on the night of May 14, thus bringing to a close the history of the Senior Class of 1937.

### CLASS HISTORY

The class of 1939 entered high school in August, 1935, with an enrollment of sixty. As Freshmen, we felt very much oppressed, for it seemed to be the delight of the Sophomores to laugh at us. However, our Freshman year would have been very uneventful, had it not been for the many scuffs and scorns of the upper classmen, and the watchfulness of Mr. Bement, who was always ready to remind us of our inferiority. In the fall of '36, we again entered the halls of L. O. H. S., but under a new name—Sophomeres, a name of which every member was exceedingly proud.

And now Freshman frivolity is a thing of the past, and Senior seriousness is too far in the future to be a drag, so life is indeed sweet to us. We entered all school activities during the first semester, and we were especially well represented in athletics by Ed. Nall, John Percy McWaters, J. D. McIntosh, Harold Madden and James Edward Baldree. And we must not forget Virginia Thompson, our renowned giggler. Otis Vick for his famous wise-cracks or Royce Gregory, our little boy with the big voice. When music is mentioned we must remember Mary Virginia Gore, Sue Osborne and Robert Presley.

CLASS COLORS: *Blue and Gold* CLASS FLOWER: *Rose*  
CLASS MOTTO: *Middle C is the keynote to success*

The president, Joe Lee Boyd, has been president of our class for two years. He is very intelligent and is liked by all the members. Norman Williams, secretary and treasurer, has been secretary and treasurer for two years. James Grant and Bob Wilkins are debaters. We are trying to help them so they can help win the debating cup.

There are three representing this class in the Student Council, Belvie Yarbrough, James Grant and Joe Lee Boyd. They discuss with the other members of the Council what should be done around the school.

The Freshman Class has four representatives on the high school basketball squad. They are: Paul Johnston, Jack Clark, Norman Williams and Joe Lee Boyd. Johnston played his first game on the first team but a leg injury prevented him from playing the rest of the season.

Several of the Freshmen displayed their first dramatic ability in the presentation of the class play, "Poor Father".

### CLASS HISTORY

In the fall of 1935, a seventh grade class began its Junior High School days. It did all in its power to help build a strong school spirit. This year several of the eighth grade boys are in the Junior Basketball League. These boys are doing their best to help make our future basketball team. A few from this class are doing their part to make the Debating Team better.

The following members of this class were on the honor roll last semester: Forest Edwards, Mary Ellen Fields, Lela Johnston, Audrey Perdeu, Margie Peyton, Vera Louise Robertson, Russell Shelton.

With Mr. Rudolph as sponsor, this class has tried to go into the history of this school as a strong and dependable class.

## HOW THEY STAND

DWIGHT L. WILLIAMS was voted by the high school to be the best all-round boy on the campus. He is a Senior and is salutatorian of the 1937 class.

MISS ELLOUISE HARPER won the most votes for being the most popular girl among her friends in school. She is a Junior this year.

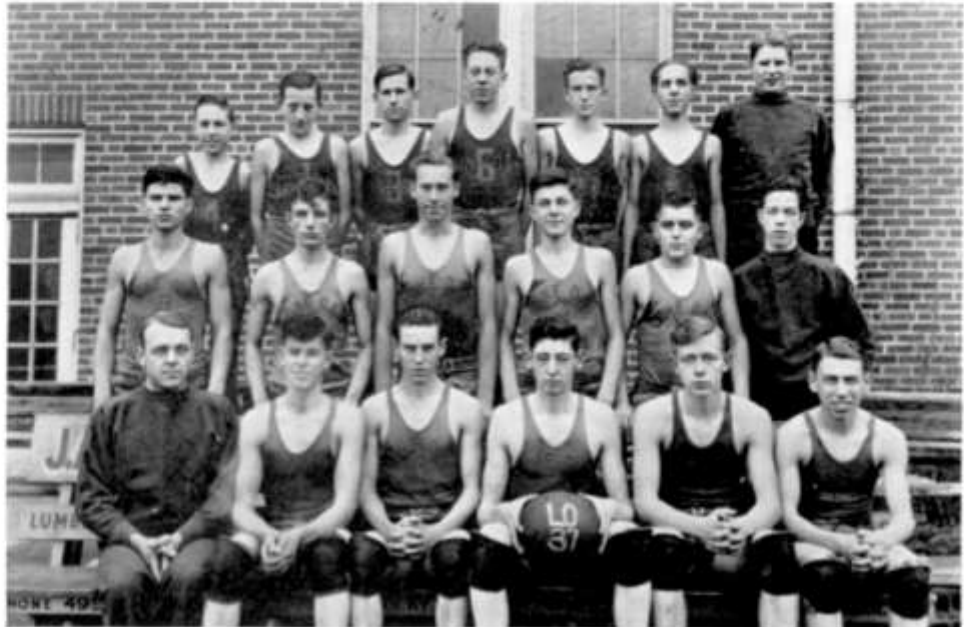

The honors for the best all-round girl go to MISS THELMA ROBERTSON, also a 1937 Senior. She is familiarly called "Rhythm" by her friends.

His friends decided by ballot that FREELAND HICKS is the most popular boy in school this year. He is a junior and is president of the class.

## BASKETBALL

Lone Oak High School Basketball team played .500 ball by winning six and losing six games. In the first game of the season Boaz, a long, tall team from Graves county defeated Lone Oak 32-12. In the next two games of the season Lone Oak came back to come in the lead by drubbing Lynn Grove and Reidland, 16-12 and 20-9, respectively. The mighty Heath aggregation defeated Lone Oak Flash 40-13. Lone Oak then snapped out of the slump to completely outclass La Center 23-12 and win a close decision from Blandville 25-24 in an overtime period. The Tilghman boys invaded the Lone Oak hardwood to trounce them in a hard contested game 17-13. They defeated the Alumni in the usual style 19-13. The Flash lost to Sharpe by the score of 17-13 and to Lynn Grove 36-22. This was the last game before the flood. Out of school for five weeks, Lone Oak next played La Center and triumphed over them by the score 25-21. The County Tournament was entered and Lone Oak met Heath March 5 and was defeated 46-12.

## Debate Club

Sponsor—MR. DEITSELL BEMENT

Out of this group came Lone Oak's Debaters for season 1936-1937. During the previous two years the Lone Oak debaters have engaged in at least 20 debates during each season, and have lost only two debates each season. The Lone Oakers won the State championship of Kentucky in 1935 and the McCracken County championship in 1936, and went to the semi-finals in the District tournament.

Due to Lone Oak's excellent record during the past two or three years we received invitations to four tournaments this season. This year, the team did not get to participate in as many debates as usual, but we do not feel, by any means, that our time has been wasted. *"Anyone can speak, but a trained speaker is an artist."*

## *Band*

Mr. Harrison, our band instructor, has made considerable progress with the band. At the beginning of the year most of his charges were beginners. The good training that they received has enabled them to join the advanced band and make a total of 20 pieces. The band played for many basketball games and other programs presented at the school. With the aid of the Lone Oak Parent Teachers Association and the Home Makers Club, the band was able to obtain flashy purple and gold uniforms.
