## Basketball Queen Contest Won By Seniors

After a very exciting month of struggle between the classes to elect their choice for basketball queen, the senior class emerged a victor. The sophomore class broke through in the fleeting moments of the contest to capture second place. The junior class took third place and the freshman class was fourth. The queen, Lou Anna Beyer, was crowned Tuesday night, November 6, when our official basketball season opened. The three runners-up Norma Reber, sophomore, Betty Hopkins, junior, and Aimee Warner, freshman, served as attendants. The first game was played with Symsonia High School.

## High School Students Elect Cheer Leaders

The student body of the high school met Friday, October 26, in the gym for the purpose of electing cheerleaders. Very much interest was shown as there were several try-outs from each class.

The cheer leaders this year are doing their best to get new yells. They are also striving to get a united pep squad.

The cheer leaders for the 1945-46 ball season are as follows:

- Senior—Donna Baker.
- Junior—Mayme Sue Vanvactor.
- Sophomore—Shirley Downing.
- Freshman—B. B. Hook.
- Eighth Grade—Martha Lou Rushing.
- Seventh Grade—Joan Barksdale.

## 4-H NEWS OF INTEREST TO OUR SCHOOL

Lone Oak School should be proud of their record in McCracken County 4-H Club work. We have from our school, 5 county champions who represented us at the District 4-H Conference at Murray on October 18th. They are: County clothing construction champion, Helen Knarr, a senior; Style show champion, Aimee Warner, a freshman; canning and foods project winner, Beverly Hines, a sophomore; dairy champion, Joe Hurt, 6th grade; garden champion, Jim Hurt, 6th grade. These winners deserve a hand from our school.

## SENIORS RECEIVE CARDS

The seniors feel more dignified now as they received their calling cards. They received them on October the eleventh, and were seen desperately trying to hold on to enough to enclose in their invitations. Pushing their way through mobs in the halls with students saying "Are you a senior?" Do you have any cards left? Then give me one." The ones riding the first bus escaped with barely enough to show their parents what they spent their \$2.50 for.

## Annual Magazine Drive Opens At Lone Oak

Thursday morning, October 17th, one of the representatives from the Curtis Publishing Company visited our school and helped us to get started on the annual magazine drive.

Two members of each class were chosen in assembly to be captains of their classes. The following captains were chosen: Freshman—June Allen and Lavon Baker; Sophomore—Nolan Allen and Beverly Boyd; Junior—Mayme Sue Vanvactor and E. M. Evans; Senior—Emma Duncan and Amelia White.

Mrs. A. W. North served as the head of the drive. The contest closed October 31 with Betty Hopkins as the school's high point salesman. Billy Webb ran a close race with her, selling next to the highest amount of magazines.

The high salesmen for the first day were Carolyn Warren and Vernon May. They will receive a compact and checker set as a gift from the magazine company.

## Navy Day Celebration

The first Navy Day was observed in 1922 under the auspices of the Navy League, an organization formed in 1902 with National security as its main purpose. The real beginning of the Navy was during the Civil War when the Monitor and the Merrimac had a battle in the Atlantic Ocean. Of course other countries had navies, but that was the first time the United States boasted of having real sea power.

On October 27, we were very proud of our present U. S. Navy which had been fighting all over the world waiting for such a day. The boys were prouder than we, that the day could be celebrated as it was in every country of the world where our sons, brothers, sweethearts, and husbands had been giving their lives or seeing their buddies die.

In every leading city of the United States some kind of program was carried on for our returning veterans or those soon to return. In New York harbor President Truman reviewed air craft carriers, destroyers, and battle-ships, that led to the Japanese surrender. In Paducah there were thousands who viewed a LST (970) on Saturday, Sunday and Monday. All the other sea coast cities had great Navy ships to review.

As we saw the great celebrations we had to pause and give tribute to those boys who couldn't be home on Navy Day, now lying under white crosses. We bow our heads to those and others who have been injured while in the service. We thank those who have given their time and service, that would otherwise have been at home and enjoying their youth. On this Navy Day celebration it is more appropriate to give a reverent tribute than joyful celebration.

## P. T. A. Holds Meeting; Rev. Williams Speaker

The P. T. A. was entertained this month by an adagio and acrobatic dance by B. B. Hook and his sister, Shirley. They were accompanied by Mrs. Charles Wickliffe at the piano.

The following business was transacted: A Halloween Party was planned with the following feature attractions: Mr. Bonnie King presented a picture show; Miss Case, a style show; Mrs. Page, a picture galley; Mrs. Meyers, a fish pond; Mrs. Wickliffe, the Grand March; Rev. White, a side show; Mrs. Hubbs, the Hall of Spooks. There was a fortune teller, an amateur show and popcorn and hamburgers were served. Each attraction cost 5 cents. Also at the business session the Senior girls challenged the P. T. A. mothers a basketball game on October 16th. Program committees were chosen for the year. The following were selected: from the grades, Mrs. Meyers, Mrs. Lynch and Mrs. Lamm. From the high school, Mrs. Hicks, Mrs. Hinds and Miss Case. Delegates to the fall conference at Hazel, Kentucky, October 25 were Mrs. Miles Kincaid, Mrs. Enderlin and Mrs. Evans.

The guest speaker, Rev. Roy D. Williams, from the Fountain Ave. Methodist Church, spoke on "Building Together in An Atomic Age." Refreshments were served in the cafeteria by Mrs. Evans, Mrs. Ward, Mrs. Asher and Mrs. Enderlin.

Mrs. Lamm's first grade won the attendance award and Mrs. Myers second grade won the beautiful picture of Christ, as the "Back to Sunday School" award.

## GIRL SCOUT WEEK

The Girl Scouts is an American organization. Lord Baden Powell, founder of the Boy Scouts in England, realized the eagerness of girls for a similar program. With his help, Juliette Low of Savannah, Georgia, organized the Girl Guides in 1912.

In the week of October 21 through 27, the Girl Scouts observed Scout Week. Thousands of Scouts united their thoughts again for seven days. In this week more work was done by the Girl Scouts as a whole group than any other time.

They learn kindness, courtesy, and learn to be independent by doing things. Their motto is "Be ready to serve at all times." They really fulfill this aim.

## EIGHTH GRADE CONDUCTS CHAPEL PROGRAM

On Friday, October 5, the high school enjoyed a very entertaining chapel program presented by the eighth grade class.

The skit was an original one and the entire class spent much time and effort in making the entire program a success.

## KNOW YOUR Seniors . . .

Armistice Day holds a special meaning for all of us but it is especially important to Mr. and Mrs. R. W. Padgitt. On that day in 1928 they were blessed with a big bouncing boy. (By the way, he is still big and bouncing). His name is John Bob Padgitt. He is one of the honorary members of our senior class because he started to Lone Oak school in the first grade. He says his favorite colors are purple and gold. I wonder if the fact that he has been associated with them so long has anything to do with it. He can't stand for boys to brag on themselves and he says his favorite pastime is bird hunting. John Bob was a Boy Scout for three years. He is very prominent in school activities this year. He is captain of the varsity team, first bass in the boys' quartette and also in the boys' chorus. He is a member of the "Oak K" and annual staff. He doesn't know yet what he wants to do when he gets out of school but we wish you luck, Johnny.

It was a lovely, sunny, spring morning in April when she arrived in this world. I would be willing to bet that she played and cried and slept hard when she was a baby because she has always been a hard worker. Our interest in her began on August the 28th, when as a wide eyed, excited little girl she started to school at Lone Oak in the first grade. She has been with us ever since. She has always been a valuable member of our class in sports as well as studies. She proved her patriotism by saying that her favorite colors are red, white and blue. Being an athletic girl she likes basketball very much but she just can't stand sardines and spinach. She has been a member of the girls' chorus for 4 years, the Home Ec club 5 years, the Latin club one year and the Library club 2 years. This year she is on the Oak K and Annual Staff, and is program chairman of the Senior class for the first semester. Her highest ambition and favorite day dream is to own a ranch in Arizona or Texas and have 1000 race horses. Along with her ranch, she wants to own a cub plane. In preparation for this interesting career she plans to attend Union University in Tennessee. We're back of you, Jean, and we'll all come to see you and take horse back riding lessons.

Reba Caneer has just been with us one and a half years. She was born on November 6, 1926. She says that her favorite color is blue, and she just can't stand smart alec boys. She just loves pretty clothes and we believe it because she certainly has some. She has been in the Home Ec club one year and the 4-H club three years. Before she came to Lone Oak she was a student at Heath. After she graduates she

## President Dedicates Kentucky Dam

On October 10, all schools were recessed to go to Paducah to see the Dedication Parade. Thousands swarmed the streets of Paducah to see the President, Senator Barkley and Representative Gregory who were among the delegates from Washington.

From the airport, the procession went down Route 60 to Joe Clifton Drive, where the President was greeted enthusiastically by nearly 5,000 students from McCracken schools including those from Lone Oak; thence down Broadway before thousands of business and townspeople. They then motored to the Kentucky Dam for the dedication.

A large crowd of West Kentuckians had gathered at the Dam to hear the President's speech. Representative Gregory introduced Senator Barkley who in turn introduced the President. Mr. Truman gave the late President Roosevelt much credit for the completion of the Kentucky Dam which is the largest dam that the TVA has constructed.

The President's party then returned to the Municipal Airport at Paducah where they boarded their plane for the return trip to Washington.

## Victory

Our loan drive. We call it ours because through us and only with our backing can it be accomplished.

We put all of our efforts behind this drive as it is as important or more important than our other war loan drives. The price of peace will come high as all conquered countries are looking to us, not as the Allies, but the United States for food and protection.

We must pay the price of patrolling and policing these countries for possibly many years if we want to protect our peace. We must stamp out all traces of the imperialistic attitudes. Also, we must shoulder the task of transporting our war worn troops home and sending other troops to replace them.

Remember also that our lasting peace depends on you and you may lose it or buy it, as you own our government.

So remember:  
Bonds you buy with current earnings  
Help fulfill your future yearnings.

Money in your pocket  
Take it out and sock it  
Into Victory Bonds which  
Help to make you truly rich.

Save your pay  
Here's a way—  
Bonds and savings and insurance  
Give your future more endurance.

Mrs., Mister,  
Brother, Sister,  
Don't compete in buying things—  
That is whence inflation springs.

Now that the war is over, will prices rise or fall?  
We do not know the answer, and nobody does at all.  
But this much we can prophesy—  
whichever way they go:  
You will find it more convenient if you've saved a little dough.

## GRADE GOSSIP

Bobby Knight, a sixth grader was supposed to give a report, in history, on "Indian Babies," but instead he said this to the class, "I'm going to tell you about the papoose covers and what babies are made of!"

We really have some smart students in Lone Oak School. The other day Mrs. Wells asked Harry Max Clark what a llama was? He replied shortly, "I don't know, but I can tell you what a wolf is. It is a two-legged animal that whistles at girls."

Donnie Rushing, a second grader, is very popular with the girls. He can play the piano, dance and is very cute. That is what most girls like, isn't it?

Flash! Two new couples: Bobby Downing and Anita Brannon—Don Earl Elliot and Mary Alma Keeling!

## General Eisenhower

General Dwight D. Eisenhower led the Allies during a hard fought battle and a well earned Peace in Germany, during the years from December 11, 1941 to May 7, 1945. He is one of America's five star generals and had control over the Allies on the Western fields of war in World War II.

Eisenhower was one on the council that had absolute power to lay down the broad general policies of occupation. After the surrender of Germany in "The Little Red School House," at Rheims, France, the final papers were signed, using two fountain pens which are treasured very much.

His family has been in America since 1730. He was born in Denison, Texas, during the year of 1891, where he went to high school, taking part in all sports. This is where he acquired the nickname of "Ike" which has stayed with him all his life.

From high school he went to West Point, played on the Army football team, learned to fly and carried high honors. Upon graduation he was assigned to the 19th Infantry at San Antonio, where he met a girl, Mamie Doud. They were married soon after. During World War I, he was in charge of the Tank Training Center at Camp Colt, Pennsylvania. He also worked with MacArthur in Washington.

He came up in rank as chief of the Operations Division, second only to General Marshall. From there he was transferred to the European theater of war where he stayed until peace was declared.

### GENERAL CHIANG-KAI-SHEK BORN IN NOVEMBER

A new light dawned in China in the year 1896. Little did this great country or the rest of the world know what the birth of General Chiang-Kai-Shek would bring to modern civilization. After looking over facts and figures, one begins to wonder how so much could have been accomplished by one man in such limited time. We, in the United States, figure he owes much to his American-educated wife who certainly has a strong power of influence. He has built up China's resistance to the aggressive nation of Japan. He has an organized army, of which he is the head, while his wife is the commander of the air force. Many improvements in the modes of living have come about since his taking office. After mentioning only a few of the many things he has done for China, can you blame the outside world for joining with her and honoring him one day in November each year?

### SENIORS SPONSOR CHILI SUPPER

In the interest of making money for their basketball queen, the senior class sponsored a community chili supper which was given Monday, night, Oct. 29. The entire class worked very hard to make it a success. All those who attended were very much pleased with the meal and service.

## P. T. A. Succumbs To Seniors In A Thriller

On October 16, Lone Oak High was alive with excitement and anticipation. Strangers inquired and found the seniors had challenged the P. T. A. to a basketball game, and tonight was the big event.

Everyone was excited as the "kids" made ready to play the "ma's." The crowd was roaring under the able leadership of the P. T. A. cheer leaders, Rev. O. E. White, Mrs. Randolph Gore, Mrs. Miles Kincaid and Mrs. E. M. Evans. All adorned in red and white, Rev. White wore the latest "Lily Docks" creation and made a big hit with the crowd. Helen Knarr and Jeanne Carroll led the rooters of the seniors.

Th P. T. A. team, coached by Homer Holland, surprised everyone by really playing a grand game, tying and even leading the seniors by one point. (Related confidences of various seniors were very doubtful and bit leery after peeping in on the team at practice. We must give this team credit, as they starred in about 1928 and not 1946). On the team captained by Naurine Case, were Louise Osborne, as high point "gal", Anita Padgett, who was really "in there", Dorothy Kelly, quick as a cricket and Katherine Holland, wearing purple and gold. Subs were Bessy Rein, "Bill" Williams and Gereau Enderlin. Mrs. Enderlin also got the team together as manager and Billy Holland was towel boy.

The seniors really have a good team and played it clean all through the game. Those present saw some pretty good ball handling and the crowd went wild as little Peggy Wills "went to town." This makes the second victory this year for this team as they also beat the juniors last week. On the team were Emma Duncan, Myrian Doom, Jean Puckett, Amelia White and Peggy Wills. Subbing were Donna Baker, Winifred Burnley, and Dorothy Hendon. They were coached by Bill Rayburn.

The game, close all the way through, was very exciting and everyone enjoyed it. At the half the score stood 8 to 2, but the P. T. A. rallied and the score was 9 to 9. The seniors then came ahead with a spurt of power, led by Peggy Wills and won the game 17 to 11.

### KNOW YOUR SENIORS

(Continued from Page 1)

wants to take a beauty course and to own a beauty parlor of her own.

On a cold, blustery day in December in 1927, Margie Duncan greeted this world. She came to us in the 7th grade and has been with us ever since. She was a member of the library club for 6 years, the Home Ec club 5 years, the glee club 4 years. Her favorite color is blue. She has a yen for Navy uniforms but just can't stand conceited boys. She loves sports and especially basketball. After this year she will go to Draughton's Business college and fit herself to be a secretary.

Things seem to be going all right this year with everyone. Especially those dignified seniors! Wonder if they ever study? They are always having some special activity. Have a good time, seniors, and the best of luck to you!

Say, did you know our principal, Mr. Lynch, who by the way, loves to make speeches, has students that have the pleasure of being his cousins. The lucky ones are the Hunt children. He is very fond of "Betty", who is still clinging to Frank Dunlap. I guess it will always be that way.

Have you heard that new romantic singer, Carl Howard, better known as "The Voice." All the girls are simply going wild over him. His latest girl is June Allen. Happy days ahead.

I wonder who will be the lucky girl with Richard Lynn. He is very chummy with the juniors, Vanvactor, Jones, and Koch. But, yet those words and looks he and Virginia Hinchey exchange are very romantic. Say, girls, what about his younger brother, Harold? He is really a darling!

Oh, yes! The latest couple is Jim Ida Bradley and Jackie Elliot. They are really for each other. Under the leadership of Rev. Smith, those eighth graders seem to be highly educated, not only in studies, but social life also. Rev. Smith is a marvelous preacher, as well as a teacher.

The sophomore class is very proud of Rev. C. O. Turner. He is a valuable member of our class.

Well, Margaret Johnson says it is Vernon May, now and forever. But it seems as though I've heard that song before. We are all hoping it will last this time.

I wonder why so many students are taking history this year? Could it be that new "Case" we have? She really is an intelligent and beautiful woman. But lay off boys, her heart is still in those wings.

So Aimee Warner and Jimmy Rushing are going together again. You'd better stay close by her Jimmy, until this queen's contest ends, because I understand Betty Hopkins despises the color "red." Watch that hair, Aimee!

So James Lee McLeod cries in the study hall. What was so funny, Mac?

What's wrong with Lawrence Burnett? Lovesick! Wonder who the lucky girl is?

Gee, all the boys like to go in and visit Mrs. "Agnes."

A certain first grader, after seeing the president, looked up at his teacher and remarked, "He didn't show us anything except his hat."

Don't Shirley Downing and Bobby Hunt make a cute two-some?

Did anyone notice the soldier at the intersection of 28th and Jefferson the day of the parade? He was casting eyes at Emma Duncan, Amelia White and Lorella Kirks.

Helen Knarr gets a letter from the same Air Corps guy every day. Sounds all right.

The ninth grade girls all run to the

## FRESHMAN NOTES

Everything has gotten under way and the freshman class has begun to settle down. We're supposed to be "Green Freshmen," but somehow we're catching on to the routine of high school pretty quickly.

Our class has several activities planned for the near future. We are sponsoring a program on Tuesday, October 23. It is entitled "Radio Stars On Parade." By the time this paper comes to you, the program will have already been given.

The boys of our class are going to play the sophomore boys on October 25. We know it will be a good game so don't miss it.

Our magazine contest is well under way. We aren't doing as well as we should, but we hope to do better before the contest is over.

We are still working hard for our queen. At the end of the second week, Aimee was ahead. We're proud of that and we hope to keep her there.

Margie Hicks and Robert Overby seem to be very good friends. From which point of view?

Winifred Kincaid says her age is a pet peeve. Does Frank Melber have any concern?

How many boy-friends does Norma Reber have?

It appears that Patty Owen and Charles Morris have something in common.

Why doesn't Gene Anderson and Carl Howard settle down to one girl apiece?

It seems that Betty Hunt and Frank Dunlap seem pretty well pleased with each other.

What sailor's picture has Anna Fay Koch been dragging around to all her classes.

How about the guy that Reba Caneer met in Detroit this last summer.

Tootsie Coleman, why don't you quit fussing at Billy Ferrell so much? He's a pretty keen guy they say.

Wonder why Margie Duncan will be glad when a certain boat will arrive in Paducah? Could it be because of some boy?

## Sophomores Give Chapel Program

A very good and entertaining chapel was presented October 19, 1945, by Mrs. Alderson and the sophomore class. Rev. C. O. Turner was in charge of the devotional which was very inspirational. The trio, Sue Leigh, Margaret Rein, and Shirley Downing sang "Dream" exceptionally well. The gossip column, read by Shirley Downing, was very interesting and entertaining. Marie Garrett assisted Mrs. Alderson in directing a play "Wildcat Willie Gets Girl Trouble." The characters were:

Wildcat Willie, a lively teen age with girl trouble—Joyce Word.

Gladys, his sister—Shirley Downing.  
Mrs. Wilkins, their mother—Beverly Hines.

Joe, Willie's pal—Nolan Allen.

Vernon, another pal—Vernon May.

Angel, the brat next door—Marianne Pryor.

Cory, her brother—Roy Buchanan.

Allison, a cute visitor—Margaret Rein.

Cole, Cory's pal—Robert Hunt.

The play took place on Friday evening in the living room of Willie's home. Wildcat Willie has girl trouble—and how! He is planning to go to the ball game with his pals, Joe and Vernon, when his sister Gladys ruins all by insisting that he take her week-end guest, Allison, to the operetta. To make matters worse, Angel, the brat next door, considers that Willie is her date for the operetta. She tells him confidentially that Allison is fat and homely. In desperation, Willie feigns sickness, bribes his pal, Joe, to take Allison. Joe in turn bribes Vernon. There is a merry mix-up when all three boys meet Allison and discover that she is the girl of their dreams. Now each plan to take her and there are further mishaps until Angel finds things and at the same time pulls a surprise of her own.

## Seniors Take Trip To Ft. Massac, Illinois

At the end of 5th period, October 2nd, the senior class went on an outing to Ft. Massac State Park, Illinois.

Five cars were filled with happy seniors. Of course, there would have to be car trouble for our trip to be complete. Jack Garland got about three miles beyond Brookport and had a flat tire. The occupants of his car were Jeanne Carroll, Myrian Doom and Lou Ann Beyer. Cause of the flat tire? Lou Ann received blame as she was on the front seat. The tire was changed in a very little time and the rest of the trip to the park was made just fine.

We ran all over the park until about 4:30 when John Bob began asking "When do we eat?" This question was answered with the hot dogs, bread, pickles and mustard which were soon prepared for lunch. Some of the boys went to a cold drink stand and got some drinks.

We all decided to come to Paducah and go to the show. So we bade Ft. Massac "adieu" and left for Paducah.

We'll let you guess how many went to the show.

## Seniors Enjoy Hay Ride

The senior class went on a hay-ride Friday night, October 19. The truck of H. E. Beyer was used. Due to the fact that we left the school later than expected and missed our road, we didn't reach the Kentucky Lake, but a happy group arrived in Benton. We stayed there a while and then returned to Lone Oak after a pleasant ride.

Those enjoying the hay-ride were: Mr. and Mrs. Bernard Alderson, Margie Duncan, Winifred Annette Burnley, Helen Knarr, Amelia White, Emma Duncan, Mayme Sue Vanvactor, Peggy Wills, Richard Lynn, "Hank" Malary, Marjory Anderson, Bill Malary, Virginia Hinchey, John Bob Padgitt, Lou Anna Beyer, Maurice Ward, Tootsie Coleman, Donna Baker, Dorothy Hendon, James Claypool, Jeanette Jarvis, Donald Parker, Milton Tilley, Bill Rayburn, Ralph Chalker, Jack Garland, Chris Long, Jeanne Carroll, James McLeod, Eugene Ragland, and Myrian Doom.

## WHEN THE PRESIDENT PASSED THRU

Today the President passed by,  
Old Glory was flying high;  
There was a big parade and banners too,  
When the President passed thru.

All McCracken County was there,  
It looked like a great big fair,  
He waved at me and you,  
When the President passed thru.

—A 5th Grader.

As for the bad luck on the return trip, it fell upon Jack Garland again. This time his passengers were Lou Anna and Marjorie Anderson. The lights on his car went out and the white line through the highway was his guide home, but all arrived home safely.

Those enjoying the trip were: Mrs. Hinds, Miss Case, Ralph Chalker, Jeanette Jarvis, Louise Graves, Jean Puckett, Winifred Kincaid, Billy Webb, Emma Duncan, Amelia White, Helen Knarr, Jeanne Carroll, Lou Anna Beyer, Tootsie Coleman, Margie Duncan, Dorothy Hendon, Bill Reyburn, Jack Garland, Eugene Kaler, Virginia Hinchey, Richard Lynn, John Bob Padgitt, and Chris Long. Myrian Doom, Lawrence Burnett and Winifred Burnley.

## GRADE REPORT

### FIRST GRADE

Honor Roll—Jerry Vincent.

Mrs. Lamm's little folks are having a good time in school. Group 1 is at a party in Tom and Don's home in their pre-primer. Group 2 is searching for Muff who is down at the barn with three little kittens. Group 3 is trying to learn "Mother and Father" in their Mac and Muff pre-primer.

They enjoy their gold fish that were brought by Jerry Vincent and Billie Ross.

Billie Osborne has brought us a beautiful red geranium to brighten up our room.

J. T. Richardson, who is out with a broken limb, is improving. Margaret Rose Ward, who has been ill is improving.

Our goal—To learn to read.

The children of Mrs. Ray's first grade are enjoying the work on the Science Center and Rock Garden. They are making Hallowe'en designs, and making plans for a Hallowe'en party.

Those on Honor Roll on Group 1 are Joan Smith and Bobby Cunningham. There were Elizabeth Clark and Sue Aldridge on the Honor Roll of Group 2.

### SECOND GRADE

Mrs. Myers' second grade has 49 enrolled. Philip Howle of Cairo, Illinois, has joined their class. The first group has finished three readers and they are ready to start on their third-second reader.

The boys and girls are working hard to keep the Sunday School attendance picture. They get to keep the picture for one month for having the most attendance in the first month of school.

The room gathered up 25 cans of food for the War Relief. One bushel of tomatoes and one bushel of beans were given by some of the pupils.

### 2nd and 3rd GRADE

Mrs. Riddick's second and third grade has 35 pupils enrolled. The class has five objectives which they are trying hard to reach; (1) stress reading, (2) a new picture each month, (3) Sunday School and church attendance, (4) correct bad habits, (5) each pupil read a story to the room.

Those on the Honor Roll in the second grade were Alice Carol Bone and Glenda Jo Key and in the third grade was Peggy Jo Yates.

### THIRD GRADE

Mrs. McGehee is substituting for Mrs. Page, third grade teacher, while she is away from the city. The third grade children have been making spooky looking decorations for Hallowe'en and the hob-goblins are all over the room.

### FOURTH GRADE

Mrs. Thurmond's fourth grade have brought several more potted plants for the room. They have an aquarium ready for some fish when they can get some in town.

They have framed a large picture of George Washington to hang on the wall.

They have more room now since an unused cabinet has been moved out and we changed our book bins and coat racks to another corner.

They have covered an unused black board with pretty colorful health pos-

ters. This gives more light in our room. The last month the boys and girls have really settled down to work.

### FOURTH GRADE

Miss Futtrell's fourth grade gave the following chapel program on October 25:

Bible Reading—100th Psalm—Clara McGrew.

Lord's Prayer—Led by Betty Jean Skaggs.

Group of Songs by the class accompanied by Mrs. Wickliffe.

Piano Solo—Barbara Sullivan.

Play, "The Good English Fairy"—by 1 girl and 18 boys.

Piano Duet—Patsy and Nancy Hinds.

Exercise, "Flowers Asleep"—21 girls.

### FIFTH GRADE

Mrs. DuLaney's fifth grade had 12 on the first month's honor roll. They are as follows: Patty Ross, Patty Pippin, Jean Gain, Claudette Sturm, Andra, Harper, Marella Gore, Wanda Davenport, Walter Rein, Billy Houser, Harold Bearden, Brivel Fetcher and Richard Lynn.

They have completed a unit on cleanliness. Some of their accomplishments were: wash their hands in the room before lunch, a mirror hung conveniently for self inspection and learn to do and look their best.

Two new pictures have been added to their room. They are "Pilgrims" and a sampler of the United States.

Andra Harper has made an attractive Sunday School chart.

Their first visit has been made to the library. The help Jeanette Jarvis gave them in the selection of books was greatly appreciated.

Shirley Ann Bellum has kept the room attractive with flowers.

### SIXTH GRADE

Mrs. Lynch's sixth grade gave the chapel program October 11. The main high lights starred Bill Gore as Sunshine Franklin and Martha Womble as Kizzie in a wedding. Another play was given, "Opal's Three Lovers."

Those on the honor roll are: Joanne Chalker, Charles Douglas, Ruth Douglas, Betty Foster, Sonny Hubbs, Sue Lynch, Tommy Stephenson, Oliver Yates, James Hurt and Joseph Hurt.

Ann Padgitt has recovered from a bad case of tonsillitis and is back with us. Nancy Moore had a bad case of poison ivy but is back with us in school.

### SIXTH and SEVENTH GRADE

Mrs. Wells' sixth and seventh grade has organized both classes. Those elected in the seventh grade are: Pres., Mary Ellen Sanderson; vice-pres., Zolan Wallis. In the sixth grade Bob Bell

## Sports Highlights

A charming style show was one of the feature attractions enjoyed by the public at the Hallowe'en Carnival here October 30. The latest fashions were modeled by the basketball boys, each of whom was given the name of some delightful girl.

Roars of laughter and much excitement went up from the crowd when such distinguished notables as Gloria Padgitt and Emmy Evans tripped upon the stage in bathing suits. Then to the amazement of everyone, out stepped Barbara Baldwin in pajamas followed by Barbara Anderson in a nightgown not too far ahead of Paulette Snellings who looked very lovely in a housecoat dotted and outstanding with bright colors. Next in line came the suit masters Rosilinc Taylor and Jane McLeod, complete with all accessories and we might add, looking very dignified as they turned on the pedestal designed for them.

While the applause from the audience was slowly dying away out stepped Betty Rushing in a jumper and blouse outfit followed by Joy Word in a sweateh and skirt looking very modest and self-poised.

was elected as president and the vice-president was Mary Ruth Watlington.

They also had a popularity contest: popular girl, Norma Sue Wallis; popular boy, Zolan Wallis; Lady Beautiful, Mary Ellen Sanderson; Lord Handsome, Bobby Bell; cheer leaders, Mary Ellen Sanderson, Norma Sue Willis, Shirley Freeman, Barbara Ann Johnson, and Norma Jean Sandeful. The ones that make the best grades next month will be president and vice president.

### SEVENTH GRADE

Mrs. Knarr's seventh grade went on a picnic Thursday, October 18. About 15 bicycles were ridden by the children. Some children towed their friends and others rode in the car with Mrs. Knarr. They went to Jack Elliot's farm about three miles from Lone Oak. They made an excursion through the wood and brought back moss, ferns, and wild plants for the terrarium.

In geography they are studying Latin America. A committee of boys is working on a large product map.

In a maze of excitement, Fanny Fields breezed out onto the stage looking very prim and cute in one of those last minute "mid-drif" and skirt styles. Shortly, that little darling, Roy Pate, wearing a black monogrammed evening dress, glided before the audience with the grace and poise of a model. And not to be exceeded or outdone by anyone, Nlan Allen bounced out before a cheering crowd in shorts and mid-drif.

Then last, but not least, came the most charming bride of a generation, Jeanne Rushing, accompanied by the lovely bridesmaid Dora Parker. If you missed these beauties, we hope we have portrayed them to you as they should have been.
