# The FLASH

1949

## Foreword

It has been the aim of the 1949 Flash staff to recall the memories and experiences of the years at Lone Oak High School.

We have had the privilege of working on the Flash and do sincerely hope that our meager efforts will serve to inspire the future publications at this institution.

It is with a sincere desire for these objectives that we compose and edit this book, The Flash of the year 1949.

Lone Oak High School

# *Dedication*

To Mrs. Mary North, our beloved teacher, we, the Senior Class of 1949, dedicate this annual. Because of her patience and guidance the class has learned to love her, and this dedication is a small token of gratitude for her help and leadership.

## History

In 1945, 66 boys and girls started their short journey through high school. As Freshmen, the road ahead looked long and hard but also interesting and inviting. By the leadership of our sponsor, Mrs. Euna Mae Hicks, and our President, Bill Bell, A Definite outline of our high school life took shape. When the year was completed, we felt we had gained a place for ourselves at Lone Oak High for honor had come to our class through winners in the popularity contest and the Rushing boy's gaining positions on the Flash basketball squad.

With confidence we entered our Sophomore year with Mrs. Agnes Alderson, our sponsor and June Allen, President. No outstanding events took place during this year, but our class members took part in many extra-curriculum activities and again we received popularity honors.

Our Junior year Miss Catherine Peebles was sponsor, and we chose Bill Bell, President. "This Girl Business," our class play, proved a success, and with the proceeds from this and other activities we honored the Seniors with a banquet at the Ritz Hotel. The highlight of our year as Juniors was the arrival of our class rings, an event we had long looked forward to.

This year we have enjoyed all the honors that were ours as Seniors. Under the direction of Mr. Robinson we have edited the Oak "K" successfully. With Miss Jane Outland as sponsor, we have presented our class play and prepared this yearbook for publication. Each of the three previous years we had won popularity honors, and this, our Senior year, we were proud to win the majority of the titles. We have been rewarded for our hard work with joy and satisfaction from it, and were honored by the Juniors with a lovely banquet. This year found B. B. Hook, president and Jimmie and Billie Rushing, captain and co-captain of our basketball team.

Each year we have been represented in various activities of the school, including music, public speaking, F.F.A., F.H.A., Basketball, Baseball, and Boys' and Girls' State.

This is the history of forty-nine individuals who have struggled together in good times and bad times for four years at L.O.H.S. The history of this class does not stop here for as these Seniors take their place in the world, their history will continue to be the history of the Seniors of '49.
