The F.F.A. boys are very proud of their teacher, Mr. Kelley, who helped them prepare for the different contests at Hazel.

MISS JUANITA JONES

All through our school days this class of 1950 has been noted for our loudness, laziness, and just general "don't care attitude." That is, until our last two years, when a five foot, pert, diminutive, brunette teacher stepped into our lives. Since then nothing has been the same. She was "just what the doctor ordered." She gave us the push we needed to do the many tasks which are expected of a Junior and the help and guidance which is needed by all Seniors. It is said that your junior and senior years are the happiest days of high school. Well, she undoubtedly and wholeheartedly has made ours the happiest days of our lives.

She has successfully pulled us through two class plays, many programs, class parties, queen contests and coronations, and many other activities. Now the

### FLASH DEFEATS HEATH

The Lone Oak baseball team got off to a fine start by defeating Heath Tuesday, April 25, by a score of 4-2.

## GRADUATION EDITORIAL

This is the thing that comes to most seniors this time of the year. What does graduation mean to you? To me it means not only getting out of school but to start planning for my future life.

Some of us will go to school, others get jobs and do different things, but all of us are thinking about our future.

Some are glad to graduate but the majority of the classes regret this time of their life, but for the ones going to college this won't matter too much because they will still be going to school. It will be hard to leave all our school friends that we've come through school with, the nice teachers we've had, and all the things and fun we have been used to at school.

Although graduation means leaving school, we will always be glad to come back and dear old Lone Oak High School will never leave our minds and hearts.

## F.H.A. GOES TO HEATH

On Saturday, April 22, there was an F.H.A. sping meeting held at Heath. Lou Enderlin, Harriet Sinclair, Mary Jane Harris, Betty Reynolds and the leader, Mrs. Hooker attended from Lone Oak.

Harriet Sinclair sponsored the games which were enjoyed by several students. They also elected district officers.

Lou Enderlin was elected first vice president of Paducah F.H.A. district. Lou is a Junior and president of her class. She is very popular with all the students and takes part in many activities.

The members of the F.H.A. would like to congratulate her and wish her the best of success in her office.

## CLASS HISTORY

In reading this, the history of the class of 1949-50, may each member of the class and each non-member recall the incidents of their own lives that went into its making.

In 1946-47, sixty-one boys and girls entered high school as freshmen. Continuing up the ladder of knowledge with Mrs. Euna Mae Hicks as our sponsor, we readily took our places. We chose Jimmy DuLaney as our president.

Another step gained and we were sophomores. Mrs. Agnes Alderson was our sponsor and Junior Poyner our president. This year found a class member on the Flash squad, three on the cheering squad, and honors in the popularity contest. We also had representatives at Boys State.

With Miss Juanita Jones as sponsor and Bob Morris as president, our Junior year was full of activities. Our class play, "Here Comes Charlie," was successfully presented and the largest magazine drive in the school's history was carried out. With the proceeds of these projects and others, we entertained the Seniors with a carefully planned banquet at the Ritz hotel. We were successful in electing our candidate, Barbara Bolte, as basketball queen. Another important event was the arrival of our class rings. Again we had class members on the ball squad and cheering squad, winners in the popularity contest, and representatives at Boys and Girls State.

This year, our Senior year, is one we all have looked forward to for many years. Under the sponsorship of Miss Juanita Jones and the leadership of our president, Charles Simpson, the yearbook has been prepared; the class play, "The Angel of Red Canyon," was presented; again were successful in electing our candidate, Norma Jean Harris, basketball queen; and have edited the Oak "K" with the direction of our principal, Mr. Robinson. We were guests of the Juniors at a lovely banquet. Two class members are on the Flash squad, four on the cheering squad, and popularity honors were received.

Each year we have been represented in other extra-curricular activities, including music, F.H.A., F.F.A., baseball, library club, and public speaking.

As Seniors, we feel we are for-

## F. F. A. ELECTS NEW OFFICERS

The Lone Oak F.F.A. Department elected new officers to preside in meetings for next year.

Charles Douglas takes the place of Bobby Burnett as president. Walter Rein was elected to be vice president and will take the place of Charles Douglas. Charles Simpson will give up his secretary's post to Cletis Shaffer. Bob Bell was re-elected to the treasurer's post and Terry Goin takes over as reporter replacing Bobby Dexter. Glenn Dexter will take over the Sentinel Station to replace Robert Overby.

The new officers will take over the meetings when school is resumed next fall. The old members wish them luck and hope they will be successful in all they do. Mr. W. D. Kelley is still advisor of the group.

fortunate in getting to enter the new building and have enjoyed having our home room there. In memory of the class of 1950, a picture, which was donated by the class, hangs in the library.

We were sorry to lose one of our class members, Junior Poyner, who joined the Navy.

We, the fifty-one individuals of the class of 1950, have worked together in making this history. Although we are going elsewhere to continue our steps of knowledge, we shall never forget the years of joy and sorrow at L.O.H.S. and especially the teachers and friends who mean so much to us.

### The Junior-Senior Banquet Held On April 27, Cobb Hotel

By Betty Reynolds

The Junior-Senior Banquet was given April 27, 1950 at the Irvin Cobb hotel in honor of the Senior Class of 1950.

In the social hour from six-thirty to seven o'clock, there were many "Oho-o-s and Ah-h-s" over the lovely dresses the ladies wore. Every color of the rainbow was represented, a few dresses were strapless and some buttoned all the way to the top but everyone was simply beautiful. The men looked especially nice.

The theme of the banquet was Indian. You entered the room through a large tee-pee and everyone greeted Chief Rain in the Water Randall Robinson.

The table and room decorations were made up of traditional Indian colors, orange, green, brown and yellow. The center pieces for the table were ivy and dogwood. There were small tee-pees placed all around the room.

The Seniors and guests were welcomed by Carney Allen, the toastmaster. The invocation was given by W. D. Kelly. "Indian Summer" was the topic chosen for the toastmaster's speech. He compared the time of Indian summer to the time after graduation. Just like the changes of the weather so do we have to make changes. We have always felt the security of school but now we have to go out and work for ourselves.

The Junior President, Lou Enderlin expressed their appreciation to the Seniors for their outstanding work and loyalty to the school.

In response Charles Simpson, the Senior President, expressed that the Seniors have enjoyed their friendship and to commend them on the excellent work they have done on the banquet. They have worked hard to make the banquet a success.

The Girls Trio sang "Indian Dawn." The girls trio consists of Betty Reynolds, Mary Betty Sanderson and Jeanette Winchester. Charles Douglas sang a solo,

### Rev. B. R. Winchester To Give Baccalaureate Sermon This Year

REV. WINCHESTER

Rev. B. R. Winchester came to Lone Oak five years ago from Halls, Tennessee. He is forty-one years old and is very helpful in all school activities.

Brother Winchester attended college at Murray State College two years and graduated from Union University in Jackson, Tennessee.

We as the Senior class of 1950 are very glad to have Brother Winchester as our speaker for Baccalaureate. He is an active member of P.-T.A. and a person who is liked by everyone. The five years he has spent at Lone Oak have meant a lot to each and every one of us.

We are very proud of Brother Winchester as a Baptist preacher in our community and we appreciate his kindness and helpfulness in everything he does.

"Pale Moon." Then there was a stunt with ten little Indians. "By the Waters of Minnetonka," a solo by Betty Reynolds and the Girls Quartet, Betty Reynolds, Mary Betty Sanderson, Ann Overton, and Ann Padgitt, sang "Trees." Ann Overton rendered "Pass That Peace Pipe" and Betty Reynolds sang "Indian Love Call."

The menu was very attractive. Heap Big Rainbow was Fruit Cocktail, Fried Fowl was delicious Fried Chicken, Choctow Beads were Green Peas, and Storm Cloud was Potatoes Au Gratin. The combination salad was called Navajo Mixture, Indian Wheat and War Grease were Rolls and Butter, Waters of Minnetonka was the Iced Tea and Hiawatha's Twilight Dream was Lemon Pie.

There were 167 people at the banquet and everyone enjoyed the banquet very much.

#### SERVICE

### Our Love For L. O. H. S.

We are graduating from L.O.H.S. Of all the schools it rates the best. Now you think we'll want to shout,

But tears will be shed as we walk out.

They're crying as we graduate, you see,

In this famous year of 1950.

The teachers are swell and we love them all,

When we are in doubt, on them we call.

We took our time in Shorthand class;

It's really a wonder that anyone passed.

"Pitch your typing eraser" was a familiar cry;

"I ain't got it"—the familiar reply.

The Oak "K" was published with Mr. Robinson,

It required lots of work but we also had fun.

Home Ec. finds us with an apron on,

All the food burnt and half the dishes gone.

For English and Spanish we had Miss Jones,

"Si," how we trembled when Duncan rattled his bones!

So now we leave the things we love so dear,

And for the teachers we raise a cheer.

We realize our best days are gone, Full of memories as we pass on.

By Mary Jane Harris

### L. O. H. S. PRINCIPAL

MR. ROBINSON

Mr. John Robinson, one of the best known men in this community came to Lone Oak in 1946 from Clinton. He has done a great deal for this school and community. He is working hard to beautify the school ground.

Mr. Robinson is coach of our baseball team, a great supporter of our basketball team, journalism teacher, sophomore history teacher, and is a member of the Lone Oak Lions Club.

Mr. Robinson's hobbies are fishing and traveling. He is planning a trip to Old Mexico or the Smoky Mountains this summer.

The senior class is very proud to graduate from Lone Oak with Mr. Robinson as their principal. We hope that he will be back next year.

### Clifton Courtney Is Salutatorian Of Lone Oak Class Of 1950

Clifton has been going to Lone Oak for five and a half years. He also went to Lowes, New Hope and Kevil.

He is 17 and was born March 27, 1933 in Grace County. He has blond hair, and he is about five-four, and the youngest member of the class. But with his talent, who needs to be tall or old?

His plans for the future are Murray College where he will major in English and minor in Speech.

He has been in several activities at Melber Church, which are: president of the Young People's Class, also secretary one year and Director of Training Union. He also entered in at Murray with his speech and made excellent. He is always very active in the school activities.

We all know Clifton and what a swell guy he is. One who has spent almost all of his time at his work at school and church. If not that, reading which he likes outside church and school.

We want to congratulate Clifton for the time and work he has given to Lone Oak and to his friends throughout the years. Clifton will make good and we all know it.

We all want to tell you both that from the bottom of our hearts we wish you all luck and happiness, that life can bring to two of the finest people.

### Annual Lone Oak High FFA And FHA Banquet

Approximately 160 persons attended the inaugural father and son, mother and daughter banquet of the Lone Oak Future Farmers of America and Future Homemakers of America recently at Lone Oak high school. The banquet will be an annual affair. It was held in the study hall of the new \$80,000 addition to the Lone Oak school. The addition has been in use about a month.

Henry Chambers, superintendent of McCracken schools and president of the Kentucky Education Association, was principal speaker. Others on the program included Garvis Douglas, invocation; Bobby Burnett, welcome; Miss Peggy Galloway, recognition of guests, and Miss Harriett Sinclair, reading.

The Lone Oak FFA quartet, winner of second place in state competition last year, sang two numbers. The quartet includes Bob Bell, Billy Spears, Charles Douglas and Charles Simpson.

Douglas and Miss Betty Reynolds also sang solos.

A highlight of the program was introduction of Miss Reynolds, 18-year-old senior, as FFA queen and Harold Lynn, junior, as FFA king.

Miss Reynolds is the daughter of Mr. and Mrs. L. R. Reynolds, Lone Oak.

As we have therefore opportunity, let us do good unto all men.—Galatians 6:10

The first rule of education, in all lands, is never to say anything offensive to anyone.—Voltaire

It is always good to know, even only in passing, charming human beings; it refreshes one like flowers and woods and clear brooks.—George Eliot

## TOP VOCALIST

### Children Under 16 Not Allowed To Pick Berries During School

Children under 16 cannot be hired to pick strawberries or harvest any other crop that moves in interstate commerce while schools in districts in which the minors live are in session.

The wage and hour division of the United States Department of Labor has asked school officials to pass the word along to farmers.

Students 16 or older will be allowed to work during school hours if they get a certificate of age from their county attendance officer.

The student workers must carry the certificates with them to show to any farmer who employs them.

Officials in the Wage and Hour Department stressed the fact that it is not their desire to penalize growers for employing minors in violation of the law, but that the law will be enforced, and growers violating the law will be penalized. Field men will check during the picking season.

Whenever education and refinement grow away from the common people, they are growing toward selfishness, which is the monster evil of the world.—H. W. Beecher

## Health For All

TB ISN'T "LICKED"

Complete victory over the enemy is the goal of every war. No military leader or soldier is satisfied with mere "progress" against the enemy.

So it is in the battle against a communicable disease such as tuberculosis. Progress has undoubtedly been made in this country against tuberculosis, which has been forced down since the turn of the century from first to seventh place as a cause of death. Yet tuberculosis today kills more people in "the prime of life"—young adults between 15 and 34—than any other disease.

Tuberculosis is taking close to 45,000 American lives annually. It is estimated there are approximately 500,000 cases of tuberculosis in the United States, but only half of these cases are known to the health authorities. Most of the 250,000 "unknown" cases are people who do not even know that they are ill, yet their lives are in danger and they may be spreading disease.

We must find those quarter-of-a-million unknown cases so that treatment can be provided for the individual and the spread of the disease prevented. And these unknown cases of TB can be found. They can be found by means of the chest X-ray examination of every adult, even apparently healthy ones. The X-ray can detect signs of tuberculosis even before there are obvious symptoms.

Case-finding is only one weapon against tuberculosis used in communities all over the country. Other major weapons include health education, treatment, rehabilitation and medical research.

The individual can take an active part in the nationwide battle against tuberculosis. First of all, he should have chest X-rays at least one a year. He should also find out what is being done to

## Mary Alma Keeling Named Valedictorian Of Lone Oak '50 Class

Mary Alma has been with Lone Oak since the first grade except the sixth and seventh grades, and she went to Fremont school.

She is 17, and was born August 19, 1932 in Paducah, Kentucky. She is that quiet blue-eyed, brown hair, cute little lady you always see.

She plans to go to Murray or Paducah Junior College, to be a secretary or major in Home Economics.

Mary Alma is our class treasurer, which is a big job. She is a member of the F.H.A., and music also. She has been very active each year with her class. She is well liked by everybody. And she is the kind of person who will go far as she has the talent, fight, and personality.

We want to congratulate Mary Alma for the fine work she has done throughout the years. She has worked hard and she will go far we know.

fight tuberculosis in his community and give his active support to sound measures taken to bring tuberculosis under complete control.

driveway was put across the back. The next thing that was done, the boys put posts along the driveways and sidewalks and marked off a parking lot. The boys then leveled the end of the new building and sowed grass seed. Shrubs and grass seed were put over the entire school grounds.  
Mr. W. D. Kelley is supervising the boys in making a nice looking school yard and playground.  
The McCracken County Board of Education furnished money for the improvements being made at Lone Oak High School.
