### F. F. A. NOTICES

The Western Kentucky District Federation meeting of the F. F. A. was held in the new Reidland school, with delegates from twenty-four of the chapters being represented. Only one chapter was unable to attend this very important meeting. Delegates representing the Lone Oak Chapter were J. H.

Gross and Edward Knott.

Mr. Barns, principal of Reidland High School, gave a welcome address to the delegates, and a nice supper was served to the group by the F. F. A.

Officers elected for the year of 1955-56 are as follows: president, Bill Smith of Kirksey; vice-president, James Gough of Symsonia; secretary, David Rogers of Smithland; treasure, Gerald Sutor of Murray Training; reporter, Max Smotherman of Yynn Grove; sentinal, Eddie Green of Wingo.

All chapters in the state of Kentucky will observe National F. F. A. Week during the week of Feb. 19-26. In McCracken county the F. F. A. chapters consist of Heath, Reidland and Lone Oak.

### FLASH OWN BEST RECORD IN FIELD

When the Second District Tournament opens March 1st at Lone Oak, the Flash will support the best record in the six team field.

Lone Oak will play Tilghman in the upper bracket on opening night, with most of the spotlight being centered on this clash.

As of February 16, Lone Oak owns an impressive 21-2 record, which ranks with the best in the state.

Coached by Don Stephenson, the Flash have a well balanced attack with Dee Edwards and Carroll Kinsey, the best pair of guards in the Purchase leading the scoring with 17 and 16 point averages respectively. The rebound chores are shouldered by Colson, Freeman, Burnette and Ross.

Tilghman, coached by Otis Dinning, ranks high in the state ratings and owns the second best record in the tourney 13-4.

The Tornado own one of the taller teams in the area, and are sparked by Bobby Austin, a six-three all state candidate.

Heath and Ballard, who own identical 10-12 marks pair off in the lower bracket. The Pirates are sparked by six-eight center

Martin Holland. Holland owns a 23 plus scoring average, and is a great rebounder for coach Bill Carter.

The Ballard Bombers of coach Willard "Mutt" Carrol have only one veteran performer in Lee Molloy who sparks the attack.

St. Mary's was riddled by graduation, leaving Gene Kenny with only Pat Ward with varsity experience, causing a dismal 9-14 record for the Knights although Ward has been a steady performer.

H. L. Paul had neither a gym, height, or experience to begin with at Reidland, but of late the Greyhounds have improved, and could cause trouble. The Greyhounds have won 7 of 19 encounters.

### Home Economic News

The juniors and seniors of Lone Oak Home Economics class are studying units "Choosing and Making A Success of a Vocation." Problems that they are taking up.

1. How to choose a college or trade school which affords the best training in the field chosen. 2. What are the requirements and compensations of the vocation of homemaking. 3. How to decide whether to choose marriage or another vocation or both. 4. How to choose a vocation for which you are best suited. 5. How to choose a college which affords the best training in a field chosen. 6. How to apply for a job. 7. How to act and dress appropriately on a job.

The class has had debates, panel discussions and lectures made on various careers which has helped to enlighten the students to choose a vocation that they are interested in. This experience has helped each of the girls.

### FLASHMEN OUTLAST MURRAY HIGH 63-54

Lone Oak came from behind in the final period at Murray to defeat the Murray High Tigers 63-54, on February 11.

The Tigers of Coach Preston "Ty" Holland built up a 21-12 first quarter lead, only to have the Flashmen take over 29-25, at halftime.

Murray pulled into a 43-38 lead at the third quarter mark, and increased to seven points early in the period, before the Flash rallied to go ahead for good.

Kinsey scored 21 points to lead the Flash and Edwards added 18. Game honors went to the Tigers brilliant Dale Alexander, who poured through 39 points.

It was the Flash 8th victory in a row, and 20th in 22 starts.

Lone Oak (63). Forwards: Freeman 11, Colson 9; Centers: L. Burnette 2, Ross 2; Guards: Kinsey 18, Edwards 21.

WHERE YOUR PATRONAGE IS APPRECIATED

**GRADE NEWS**

**Mrs. McCarty's 1st Grade**  
Spring must be just around the corner! Robins and cardinals were reported for the news this morning by the children.

We have a newspaper in our room, called "Little Echoes". The children give interesting reports about news that has happened the day before. They are bringing news clippings, listening to the radio and watching television.

The flue epidemic has just about passed, and we are doing good work again. Gary Backs has been out of school two weeks but we think he will be able to be back Monday.

We had a fine Valentine party last Friday.

Mrs. Tullos took some pictures of the children who celebrated birthdays this month. Those in the picture were Joy Tullos, Peggy Wells, Jim Crower, Albert Pendergrass and Sherry Walker.

To our basketball team heres a great big salute—win, win.

We are fighting to win and will stay behind you and support you all the way—Flash with the Purple all the way!

**Mrs. Ray's 1st Grade**  
We are happy that about all are able to be back to school after the flue epidemic. Hope we have no more interference with our attendance for the remainder of the year.

We welcome one new girl this month. Judy Houser from Memphis, and have two withdrawals, Ronald and Patricia Slusmeyer.

Everyone enjoyed the Valentine party given by our room mothers. There were Valentines galore and delicious refreshments. Thanks, room mothers.

James Earl Brown is the only one in our room whose birthday comes in February, the month of noted birthdays. James' happens to be on February 2, Ground Hog Day.

**Mrs. Lamm's 1st Grade**  
February, the month in which two of our great presidents, Abraham Lincoln and George Washington were born, is fast

slipping away from us. Our history, poetry, and songs for the month have been centered around them.

This month is loved by most all the children due to the coloring, cutting and drawing. The making of the American Flag seems to give the most trouble.

Several children have been out with colds and flu but none seriously, we are glad to report.

We wish to thank our room mothers for our lovely refreshments for our Valentine drawing.

We regret to lose Brenda Fox who has moved to Paducah.

We want to thank each one who has contributed to the "unfortunates" in the Polio Drive.

May we say happy birthday to Nancy Kay Duff, which was overlooked last month. Mollie Beth Stone and Malinda Kay Evans.

Our thought for the month: "May we always be as truthful as Washington was when he was asked who cut down the cherry tree. And the answer came, 'Father I cannot tell a lie, I did it with my little hatchet' ".

**Mrs. Athon's 2nd Grade**  
We are very proud of the money we won in the talent show and of the boys and girls who did the stunts. Every boy and girl in the room helped in some way so we are having a large feltboard made so that all of us will enjoy the prize.

We need old felt hats to use as cut-outs. If you have an old hat, especially a light colored one, in the attic or storage box, please give it to a second grader.

Many thanks to all of the mothers for the beautiful Valentine party.

Of course our February projects are the stories of George Washington and Abraham Lincoln.

Linda Diane Fitzgerald has moved to Tampa, Florida. We wish her happiness but miss her.

Happy bithrday to Delana Maquire and Jimmie Jones, both having birthdays on February 4th.

**Mrs. Record's 2nd Grade**  
We still have pleasant looks on our faces because of our Valentine party. I think everyone enjoyed it a great deal. Every child was present that day for the fun. This was a surprise for our room has been hit quite hard by the flu epidemic.

There are seven children in the room who have not missed a day of school yet. There were several more who got pencils for perfect attendance the last six weeks.

The children who made 100 in spelling all through the third grading period are as follows:

Gary Reecer, Donald Streetman, David Waltmon, Linda Joyce Churchwell, and Linda Flint.

We have a new girl, Gale Surles, who comes to us from Sharpe.

Birthday greetings go to Ewin Jackson, Cheris Ann Steger and Mary Margaret Strong.

**Mrs. Peyton's 2nd Grade**  
These beautiful days make us feel better, since so many have been out sick.

We are all enjoying writing, our Friendly Village Workbooks and reading our newly ordered Weekly Readers. We are learning many new and interesting things about the world.

Our Valentine party was real nice "thanks" to our room mothers, Mrs. Floyd, Mrs. Hodges and Mrs. O'Brien. Our hearts were really poured out to everyone. Mrs. Peyton would like to thank you for her candy.

We are happy to have Deanne Walker, Roseville, Michigan, who enrolled in our room.

Birthday greetings to Darline Karas, Gary Alkins and Bruce Wilkins.

**Mrs. Haselip's 3rd Grade**  
Over half of our children have had the flu but are back in school now.

We enjoyed our Valentine party which Mrs. Leeper, Mrs. Kelley, Mrs. Newman, and Mrs. Johnson gave us. The following children received prizes: Robert Lough, Preston Clark, Dennis Charlton, Terry Barkley, Randy Grief, Nelson Hall, Eugene Roag, Linda Richardson, and Janie Steele.

Thanks, Mrs. Leeper, for the Valentine box and for the new record, "Grandfather's Farm."

We thank our parents for helping us to win the first prize in P. T. A. Maness and Terry Burnett.

Happy birthday to Judy **Mrs. Allcock's 3rd Grade**

We have started the second half of a busy year in school. Due to the flue and other illness our attendance this month has been lower than usual but we are hoping to be back to normal soon.

The Valentine party on Monday afternoon was a very happy occasion for us. We wish to thank our room mothers who made it possible.

We congratulate our basketball boys for the fine record they are making this year.

Those who have birthdays in February are Anita Goins, Beverley Henderson and Michael Hoton.

**Mrs. Boyd's 4th Grade**  
We say thanks to our room mother chairman for such a nice Valentine party. The children made original valentines, (Continued on Page Four)

### GRADE NEWS

(Continued From Page Three)  
and prizes were won by Kris Bellent, Dickie Throme and Michael Padon.

Iris Fox has moved to the city. We will miss her.

We have finished our Health book, and are now beginning to study history. All the children are very much interested in the new book.

We are looking forward to the tournament. Boys, we are backing you all the way.

Happy birthday to Betty Davania.

#### Miss Futrell's 4th Grade

We have a new pupil, James Scott from Carbondale, Ill. We now have 44 girls and boys enrolled.

We are very proud of June Burks for winning 3rd prize on the Talent Show.

We want to thank our room mothers for the Valentine party. Everyone received a lot of Valentines, and had a nice time.

We have had so many out sick with the "Flu". We will be glad when everyone is well and back in school.

February birthdays: Joe Sloan, L. E. Carney, Kenneth Grief, and Gerald Smith.

#### Mrs. DuLaney's 5th Grade

The high light of this month's interest was our Valentine party given by our room mother. Games were played with Houston Godfrey and David Shelton as winners. Refreshments were valentine candy, and cookies and punch.

Mr.s DuLaney wishes to thank the 5th grade, the room mothers, the students, and the faculty for the beautiful flowers and all expression of sympathy during her recent sorrow.

Jere Buckingham is enjoying a trip to Florida.

Birthday greetings to Lynn Trainor, Becky Johnson and Marilyn Wallis.

#### Mrs. Helfer's 5th Grade

Influenza and colds have kept many of our boys and girls home this month. We missed them everytime they were absent. Hal Rees had an operation and was out. We hope he gets along all right.

The ball team has certainly done a wonderful job this year. They have had good support from the fans too. With that combination we hope the tournament will be snaps.

The clean shoes in our room are due to a contest we are having. The losing side is going to treat the winners.

We had a lot of fun at our Valentine party. We played games and had refreshments.

Happy birthday to Jackie Shaffer in February.

#### Mrs. Thomas 6th Grade

We would like to say thanks

to our room mothers for the lovely Valentine party. A hearty thanks also to our other mothers who so graciously contributed. We really enjoyed our party.

Happy birthday to Joe Gill and Charles Shields who have birthdays this month.

We are really enjoying our physical education. We realize the many benefits derived from it and are proud to omit our outdoor recesses so we will have time for it in our schedule.

#### Mrs. Rue's 6th Grade

A number of boys and girls have been absent this month because of illness, but most of them are back in school now.

Our magazine drive was a success. We are proud of the 27 dollars that was earned for our class in addition to the nice individual prizes.

Thanks to our room mothers for a nice Valentine party.

Happy birthday to Johnny Mac Walker, Terry Coleman and Skipper Crisler.

#### Mrs. Carr's 7th Grade

Happy birthday to Betty Jean Poat and Jeanette Herndon this month.

We want to thank our room mothers for the ver nice Valentine party and a special "thank you" goes out to the mothers that baked cakes for our party.

Betty Rushing, Donnie Moore, and Tommy Newton are helping us in our gym class. We want to express our appreciation to them for giving so generously of their time and effort.

Most of the boys and girls are back in school after an epidemic of flu. Everyone is happy to see Shirley Myrick back after a month of illness.

#### Mrs. Pegram's 7th Grade

We want to thank our room mothers for the nice Valentine party. We sure had a good time.

Our room has a new coach for our basketball team. He is Larry Burnett and we think he's tops.

Happy birthday to Ray Davidson and Jerry Sullivan for this month.

#### Mrs. Kelly's 7th Grade

We elected officers and monitors for the second semester and everyone is anxious to get to work.

We had a wonderful Valentine party. Our room mothers were Mrs. Paul Sanderson, Mrs. Hardy Miller, Mrs. Robertson, and Mrs. Don Warden.

Our ball team is progressing nicely under coach Monroe Faith. We have two wins and no losses so far.

Come on boys, let's make a good team for 1958.

### M. O. Wrather Speaks To L. O. Students

On Wednesday, February 16, we had the pleasure of welcoming Mr. Marvin Wrather, head of the Extension Department and Assistant President of Murray State College, as a visitor to Lone Oak. He made a wonderful speech, which, I am sure, everyone enjoyed. The main topic of his speech was "it may not be necessary for everyone to go to college, but everyone needs further training in some special field after high school." His speech began:

"You don't have to take anyone's advice. It is your career, your future."

"What you do after high school, what you make of yourself, is strictly up to you. No one can make your decisions for you, you have to make them yourself. A person who doesn't want to make his own decisions but wants someone to make them for him, won't last long. A young person should know where he wants to go and what he wants to do. It is his decision. The superintendent, Mr. Chambers, said in his speech last year that "the most important decisions of your lives are made during your youth. You make your decision concerning religion and usually concerning your life's companion. Think about these decisions, they stay with you as long as you live."

"Fifty-two per cent of the population of the United States is women. Over fifty per cent of all women who work are married. It is important that women be trained. Women can do so many things better than men. They are taking technician and engineering jobs rather than men everyday."

"Warehousing is one of the greatest fields there is today. In this day and age it even takes trained people to stack merchandise. Another important field is ministry. There is before you a great opportunity, one that has never faced America before. We cannot all do the same thing, study carefully your own field of business. Somewhere down the line you are going to be on your own. Your decisions will be your own. Make them good."

### INQUIRING REPORTER

Question: What is your opinion of the drawing of the District Tournament.

Jerry Morris: It is best to our advantage to play Tilghman now, than in the Regional Tournament.

C. D. Wickliffe: It is my opinion that the drawing could have been better if Lone Oak and Tilghman had drawn in opposite brackets, because I feel it would make the Regional Tournament better.

Craig Foster: I am glad we drew Tilghman in the first round.

Annita Kelly: I think it is wonderful, and we can beat Tilghman.

Louis Grief: I am glad we drew Tilghman, not only to put them out of the tournament, but to avenge our defeat.

Phyllis Dunn: I am glad we drew Tilghman.

### PARTY LINE

Bill Tinsley finally made up his mind who he wants to go with. Way to go Shirley!

We notice Marilyn Hines and Shirley Brannon seem happier lately. I bet it's because they have been making a big hit with two certain boys from P. J. C.

Nancy Hunt can't seem to make up her mind who she wants to go with. They are all nice, aren't they, Nancy?

We also find among the romances around school; Pete Whittaker and Patsy Simerll and Darnell Sheehan and Rachel Ratcliff.

Attention all gossips! Bobby Ross is very happy about his recent marriage, but he wishes to know who his wife is. Anyone knowing the name or whereabouts of the new wife please contact Bobby personally at once.

### POLIO DRIVE IS SUCCESSFUL

Lone Oak contributed greatly to the polio fund with a total of \$850. The Lions Club donated over \$200 and the P. T. A. contributed \$350, which was the largest contribution. The group we are most interested in is our own school, which contributed \$300.

We want to express our sincere appreciation to the Lion's Club and everyone in Lone Oak who helped boost the fund of the Polio Drive. We know of no other fund which is as worthy of support of the American people.

### BALL TEAM AND CHEERLEADERS SEE MURRAY-EASTERN

On Saturday, February 19, Mr. Robinson and Mr. Stephenson took the team and cheerleaders to Murray to see the Murray Thoroughbreds play Eastern. The boys and girls left about 3 p. m. so that they could get to Murray in time to eat supper, which Mr. Robinson and Mr. Stephenson bought for them, before going to the game.

The game was played in the new Murray State Gymnasium which is built along the same lines as Lone Oak's.

The new building was dedicated by Governor Lawrence W. Weatherby that night.

All the players and cheerleaders enjoyed this trip very much, and wish to express to Mr. Robinson and Mr. Stephenson their appreciation for making it possible for them to go.

### MR. COCHRAN SPEAKS IN ASSEMBLY

Mr. Robert G. Cochran, of Western Kentucky State College, spoke to the students of Lone Oak High School on a very important subject, "What they will do in college and where they will go."

He spoke on four major points: (1) where the school is located that they want to go, (2) how much will it cost to go to the school, (3) will it do for them what they want it to do, (4) and is it an accredited school. The next day Mr. Cochran wrote Mr. Robinson a very nice letter telling him how much he appreciated the nice way in which he was welcomed. We thank Mr. Cochran for speaking in our school and thinking so much of it.

### A CAPELLA CHOIR MAKES TOUR

On Wednesday morning, February 2, at ten o'clock the A Capella Choir sang for the student body of Symsonia High School. The choir was warmly received and the principal, Mr. Cecil Reed, gave them a cordial welcome.

Following the program the choir left for Wingo High School where they were given their lunch. After lunch they were welcomed by Mr. Howard Reed, the principal, and then presented a program to the student body.

After the program at Wingo the choir returned to Lone Oak.

Again on Wednesday, February 9, the choir presented two programs at Murray and Benton. They were given a welcome at Murray by Mr. W. B. Moser, principal, and a kind introduction by Mrs. Olella, head of the vocal section of the music department.

The choir sang again at one o'clock at Benton High, where Mr. Joe Hughes, superintendent, introduced them very kindly.

The following day the choir went to Bardwell, where they were given a hearty welcome

by Mr. Mobery Petrie, the principal. The choir left right after their presentation for Milburn, Mr. Robinson's home town. While Mr. Robinson renewed acquaintances, the choir had lunch and then visited some of the stores.

At one o'clock the choir presented their program to the Milburn student body where their principal, Mr. Henry O'Daniel welcomed the choir. The people of Milburn were extremely nice.

### LIPSCOMB PRESIDENT SPEAKS TO STUDENTS

"It's better to have something to live for than something to live with," so said Dr. A. C. Pullias, president of David Lipscomb College of Nashville, Tennessee. This was the main topic of a very inspiring message brought to the high school students by the distinguished Dr. Pullias at one of the student council's assemblies. Dr. Pullias brought out that living only for one's self would not bring out the true value of life. He emphasized the fact that God should play an important part in one's life and that education helped you to realize the best things in life are not necessarily paid for with cash.

Dr. Pullias' speech certainly gives us something to think about, doesn't it? Also it is something that we should all give serious consideration.

Our thanks to the student council for bringing this brilliant speaker and gentleman to our school.

# SUPPORT THE PURPLE FLASH

## Attend Second District Tournament

### MARCH 1, 2, 3, 4, 5

#### SOCIETY NOTES

The past Monday was a very popular occasion for the young and old alike. It was Valentines Day. Both the eighth grade and the freshman class enjoyed parties given by their teachers and room mothers.

Mrs. Hicks, freshman sponsor, presented her three freshmen English classes with refreshments. Earlier in the year her class had given her an electric mixer and she, in turn, used the mixer to turn our five cakes for Valentine day. That was quite a "delicious" exchange and the class wants to express its appreciation to Mrs. Hicks.

Besides having refreshments, the eighth grade exchanged valentines which is really the purpose of Valentine's Day. They, too, wish to thank all the mothers and their sponsor, Mrs. Douglas, for a most enjoyable time.

#### LONE OAK OWNS TWO NEW TROPHIES

Lone Oak is now the proud possessors of two new and beautiful trophies to add to the already large collection. The two trophies we refer to are the two won by our basketball teams in the county basketball tournament held at Heath recently. Lone Oak swept the tournament by handily breezing through the 'A' and 'B' team divisions.

These trophies are the first to be won since Lone Oak obtained its new gymnasium, the entire student body as well as the team should be proud of them.

Lone Oak will have its chance to win more trophies in the district and regional tourneys coming up. Why don't we all back our team more than ever and give them a chance for the "sweet sixteen" (state tournament) trophy?

#### Tournament Tickets To Be Sold at Schools

Tickets for the Second District Basketball Tournament will be placed on sale at each of the two participating schools the day before the game is to be played.

Each school will receive 350 student tickets and 350 adult tickets, but only 500 may be sold by each of these schools before the game. This will leave approximately 1000 tickets to be sold at the door, plus standing room.

#### FLASH TROUNCE SEDALIA 77-64

The Purple Flash improved it's rating on February 15th by romping a powerful Sedalia quintet 77-64 on the Flash home court.

The Flash hitting on their first five attempts, broke into a 10-2 lead. After a 20-11 first quarter advantage, Lone Oak outscored McCoy Tarry's crew 24-16, to take a commanding 33-27 halftime advantage.

The Flash twice jumped into a 22 point lead in the second half, only to have Sedalia cut to to 77-64 before the final buzzer.

Carroll Kinsey led the Flash with 24 markers, followed by Edwards with 17. Bob Wilson led the Lions with 14.

The victory gave the Flash a 21-2 record.

Lone Oak 77: Forwards: Freeman 11, Colson 10, Buchanan. Centers: Ross 11, L. Burnett 4 Guards: Kinsey 24, Edwards 17.

#### BOY'S QUARTET ATTENDS MEETING

On February 14th, the boys quartet, accompanied by Mr. Robinson and Mrs. Luther, journeyed to Kentucky Lake to sing for the First and Second District Farm Bureau meeting.

The quartet enjoyed a fine meal served at the Kentucky Lake Restaurant after which they went to the auditorium in an adjoining building. The boys sang three songs which were greatly enjoyed by the crowd.

#### DRAWINGS HELD FOR 2ND DIST. TOURNNEY

On Sunday afternoon, February 13 in the lobby of the Irvin Cobb hotel, the basketball coaches of the Second District drew their opponents for the Basketball Tournament to be held at the Lone Oak Gymnasium March 1-5.

Here is the day the teams drew: Lone Oak vs. Tilghman; Heath vs. Ballard Memorial. Reidland and St. Mary's each drew a bye.

Lone Oak has the best record of any team in the district with 21 wins and 2 losses. Lone Oak has probably got the best balanced team in the district also.

Tilghman, who is Lone Oak's opponent in the tourney has 14 wins and 5 defeats to their credit. Tilghman's team is built around Bobby Austin, who is their high scorer this season.

Heath has been a threat to all the teams they have met this year. Their team is built around big Martin Holland who has led the Pirates to 11 victories and 12 losses.

Reidland, who drew a bye, got off to a slow start this season because they didn't have a gym to practice in. However, they have been playing a better brand of ball now. Reidland has 8 wins and 12 defeats on the score books.

St. Mary's, who drew the others bye, has a team that is playing far better ball now than they did at the first of the season. They have won 9 games and lost 17.
