COMMUNITY NEWS

In our community of Lone Oak, our 26 acre park is well under way. The baseball field has been completed. There has been \$3,000 spent on poles and lighting equipment. The lights alone are valued at \$10,000. When the park is completed it will be valued at \$50,000.

There has been 500 shade trees planted and the agricultural class of the school built 50 picnic tables.

Dr. Hicks and Guy Gray, co-chairmen of the building of the park, stated that everybody is doing a wonderful job in helping this advancement of Lone Oak community.

STUDENT ENROLLMENT

In the past few years there has been a great increase in the number of students at Lone Oak High.

I believe one of the biggest reasons for the increase of students is because of the wonderful principal, Mr. Robinson, who has been principal at Lone Oak for the past twelve years.

The increase of students over last year was 125 and we are looking forward to a greater number next year.

F. H. A. News

The F.F.A. has been very busy the past summer. On August 2nd, eleven members went with Mr. Goheen to the State F.F.A. Camp at Hardingsburg, Kentucky. They were Glen Goins, Dale Reeves, Carroll Childress, Dickey Johnson, Carl Henry, Darrell Crews, Tommy McIntosh, Wallace Adams, Jackie Powell, and Bobby Brinley. Bobby Brinley was awarded the Star Campers degree, and Wallace Adams was honorably mentioned, and nine others received participation certificates.

On September 12, five members went to the State Fair at Louisville. They were Carroll Childress, James Adams, Fred Elliott, Dale Reeves, and Glen Goins. Carol Childress, James Adams and Fred Elliott entered the dairy judging contest, Dale Reeves seed identification, and Glen Goins dairy showmanship. Glen Goins rated excellent.

Office Girls Elected

In September the office girls were selected by Mr. Robinson. They are as follows:

| | |
|----------------|------------|
| Jo Ann Adams | 1st Period |
| Janet Womble | 2nd Period |
| Sherron Miller | 2nd Period |
| Linda Bogard | 4th Period |

| Joyce Ross | 7th Period |

The girls were selected for their ability to meet people and ability to do office work.

CARD OF THANKS

I wish to take this opportunity to express thanks to everyone for the kindness they have bestowed upon me. Only those who have experienced disaster of like manner can know how happy I was when the school board asked that I return to work.

I especially want to thank Mr. Robinson for moving my room downstairs for me.

The students of my classes have shown every consideration toward me, and again have taken interest in my subjects.

Thank you! Your kindness will never be forgotten.

Mrs. Edwards

SCHOOL SAFETY

Attention: All High School Students.

This year there are more small children enrolled in grade school than ever before in the history of Lone Oak High School. This is the main reason we must be very careful in the halls as well as on the roads.

If you drive a car, slow down as soon as you get near the school. Do your hot-rodding on the drag strips. Try to keep your speed down to 5 m.p.h. in front of the school. Let's walk and not run in the halls. Think before you act.

So let's take Mr. Robinson's advice and keep our smaller set safe and happy.

Honor Bestowed Upon Local F. H. A. Girl

Joe Ann Adams, senior at Lone Oak High School, received an award after being chosen as a "Kentucky F.H.A. Star Camper" at the State Leadership Conference at Hardingsburg.

A leader in practically everything she undertakes, Joe Ann holds honorable positions as: F.H.A. District Secretary, F.H.A. Chapter President, Gospel Quartet piano accompanist, B.T.U. Teacher at the 12th Street Baptist Church, and Secretary and Treasurer of the New Massive Oak 4-H Club.

Joe Ann also teaches music lessons and is employed part-time at Kresges's Store.

Mr. Jack Carroll of Concord Grade School will be in charge of making plans for the fair.

Friday afternoon the grades will present a music variety show, and that night the girls trio, the boys quartet, the octet, and the A Capella Choir will be features from Lone Oak for the variety show in which Mrs. Stuart of Reidland High School will be in charge.

Some of the other features of the fair will be track contests, style shows with models from the county schools participating. The clothes will be furnished by the Paducah stores. There will also be an interesting art exhibit by the grade schools.

The Lone Oak F. H. A. will share three booths with Reidland and Heath schools showing the ten areas of home economics, clothing, and first aid, which will be in use. The Lone Oak F.F.A. will enter a variety of crops, canned goods, poultry, and livestock.

Welcome Back Mrs. Edwards

Mrs. Edwards, a well-known and much loved math and geometry teacher, fell and broke her hip on Nov. 6, 1956, unfortunately she had to stay in the hospital for one month, then for the next seven months was forced to remain in bed.

Mrs. Edwards stated: "It certainly feels good to be teaching the students of Lone Oak again."

We the student body of Lone Oak are certainly happy to have you back with us again.

More Tri-Hi-Y, Hi-Y, and Y-Teens Clubs, Members Wanted

Interested in forming a Tri-Hi-Y, a Hi-Y, or a Y-Teens Clubs, or in becoming a member of one of the clubs mentioned above? If you are interested in forming a club or becoming a member of one of these clubs, then, be sure to attend the "Workshop Meeting" at Lone Oak High School on Tuesday night, October 8.

Mr. Luther R. Harris, Secretary of the Western District of the State YMCA will have charge of the meeting.

The purpose of the meeting is to encourage more Tri-Hi-Y, Hi-Y, and Y-Teens Clubs in the schools of this area.

Girls and boys: don't come alone, bring our friends from Lone Oak and other schools in this area.

For further information about this meeting, see Mrs. Gwen Helfer, the Lone Oak Tri-Hi-Y club advisor, or Barbara Boss, the Lone Oak Tri-Hi-Y president, or any Lone Oak Tri-Hi-Y member.

NEW MUSIC ROOM

Since school has started the music students have been having music out in the gym on the stage. This is very inconvenient for the music class, as they can not sing without disturbing the other two classes being taught in the gym.

Mr. Robinson has informed us that they are building a new music room out in the old shop room.

Annual Magazine Drive

The annual Junior magazine drive will begin September 20 and Mr. Randall E. Doty of Curtis Publishing Company will be here to launch the drive. There are 105 Juniors and Mrs. Lester Goheen, sponsor of the drive, states that this will be one of the best years for sales of magazines. The drive will last 10 days and the class has elected Bobby Rushing as president to help boost sales.

These students of the Junior class will be calling on you for subscriptions so be thinking about what magazine you wish to take and they will be ready to serve you.

Industry Appreciation Week

On September 20, 1957, Mr. M. S. Pfiefer from the B. F. Goodrich chemical plant at Calvert City, lectured students of Lone Oak High School on industry in the Paducah area.

Mr. Pfiefer's lecture was a part of the school program phase on Industry Appreciation Week sponsored by the Paducah Association of Commerce.

Mr. Pfiefer pointed out the opportunities available for students interested in industry in the Paducah area. He also pointed out the importance of taking advantage of these opportunities.

Two very interesting demonstrations were presented showing what is being done at the Calvert City chemical plant.

Mr. Pfiefer is a graduate of the University of Illinois of 1943. From college he stepped into a position with the B. F. Goodrich Company at Akron. The company was well pleased with Mr. Pfiefer and after several advancements he was selected to be one of the technicians at the new Calvert City chemical plant.

The new plant at Calvert City went into operation February 15, 1953. The plant employs a total of 180, of which 16 per cent are technical.

Juniors Set New Record

The Junior Class of Lone Oak has made a record for themselves. They have sold more magazines this year than any other Junior Class of Lone Oak. The 105 members sold \$3,000.00 of magazines. Mrs. Goheen, advisor of the magazine drive, made each of us feel like we were salesmen, and have the ability to sell.

The top four salesmen were: Eddie Usher, 1st place; Buddy Rushing, 2nd place; John Wilkins, 3rd place; Patty Vaughn, 4th place.

Daily awards were granted to the following: David Corom, Eddy Usher, Carolyn Livingston, Pattie Vaughn, Shelby Whitlauf, Eddy Usher, Buddy Rushing.

GIRLS STATE

Two outstanding girls from last year's Junior Class represented Lone Oak at the annual Girl's State Festival in Lexington. The girls representing us were Nancy Smith and Judy Yates. Both girls are outstanding in various activities of the school.

Nancy Smith is the seventeen year old daughter of Mr. and Mrs. Leon T. Smith of the Friendship Road.

Judy Yates is the daughter of Mr. and Mrs. H. A. Yates of the Lone Oak Road.

The last day of the affair the girls went on a tour of the capitol in Frankfort. They elected girls to the various offices of the State, which were inaugurated at the Capitol in Frankfort.

Two girls were sent to Girl's Nation which was held at the University of Maryland, July 28 - August 2.

Girl's State was attended by 220 Kentucky girls.

BALL TEAM MANAGERS

The managers for this year's ball team are Dick Johnson and Tommy Holshouser. Their duties are to look after the team's equipment and to help and manage the ball team. They do a very good job and are always there ready to assist the team in anyway needed.

Dick is a senior and is the president of the F. F. A. Tommy is a sophomore and will probably succeed Dicky who will graduate this year.

LIBRARY NEWS

The P. T. A. gave the library \$125 last year to buy books with. From this elementary and high school books of different types have been ordered. Since school was dismissed last May, 104 new books have been added to the library. They include poetry, fiction, plays, journalism, mysteries and many other interesting books for school boys and girls.

Mrs. Helfer is now working on an order of about \$850 worth of new books. There has also been ordered a wide variety of magazines.

Remember next month, watch for a preview of one of the new books.

Coach Stephenson

Back Again

Our beloved coach, Mr. Stephenson, will be with us again this year to build perhaps the best ball club in the State.

Mr. Stephenson took over as head coach of the Lone Oak Purple Flash in 1951 when Coach Emes quit.

Although he hasn't gone too far in the tournament for the last two or three years, he has always been a big threat in a regular season campaign. One of his best seasons was in 1954-55 when he set back 23 well experienced ball clubs and bowed only to three with his largest defeat coming from the North Marshall Jets by 7 points.

Coach lost two experienced players last year, Bill Ross and Jamie Colson. He has three regulars back again this year which are Larry Harper, Gordon Kinsey, and Kenneth Edwards, and some more from the B team, who with just a little practice are going to be ready for the first game with Symsonia in November on the Flash court.

Whether Coach Stephenson will win or lose every game this year cannot yet be determined but there is one thing that he can be given credit for, he will never quit trying.

Seniors Order Invitations

On September 25, 1957, the Senior Class ordered their invitations, thank you cards, and name cards.

Mr. Boyce McElva was here and assisted the Seniors in selecting and ordering their cards.

The seniors are eagerly awaiting the arrival of their invitations.

— MYSTERY STARS —

Boy: This month's "mystery star" is long and tall, and has long sideburns. Although he doesn't drive a red Cadillac, he is very active around the school. In fact, he can be found running around trying to keep out of all the work that he can. This person is approximately 6'2" tall, weighs about 135 lbs. This person is *very nice* also, in fact, he goes around all day quoting his very popular saying "*very nice*".

Girl: This girl has long blonde hair, blue eyes. She takes chemistry here at Lone Oak. She is very quiet, but has very many admirers. Her home is around the Lone Oak vicinity.

Answers will appear in next month's issue.

Good taste is better than bad taste, but bad taste is better than no taste at all.

Housework: Something you do that nobody notices unless you don't do it.

The difference between a sewing machine and a kiss is: one sews nice seams and the other seems so nice.

Quintuplets: Two pairs of twins and a spare.

— THE SNOOPER —

Well, here we are again this year ready to serve you with the best of gossip.

Girls, hold on to your hats. Gary James is back and I haven't seen him with any one girl. Don't be bashful girls.

Have you seen that class ring from Reidland? It is worn by Linda B.

Did you ever see so many diamonds flashing around? Looks like Diamond Jim Brady's safe.

I see that couple of yesteryear has broken up. Is it true Beverly?

Charlotte L., who is that guy in Key West, Florida, you keep writing?

These old steadies just seem to stay together. What about it Patsy P. and Sue Mc?

Sorry girls that Jimmy T. is taken. Isn't that right, Lavern?

Charles Stavelly, who is that we saw you with at "Pajama Game"?
