Looking Attractive

This is something that we should all try to do. When you come to school you should have on nice, neat and clean clothes. If you are neatly dressed it will make you feel better the whole day.

When you are out looking for a job, your appearance will mean a lot to you. It might even mean whether you would get the job or not.

Let's all try to look attractive every day.

F.F.A. Calendar

The boys in F. F. A. have been selling ads for their calendar to businesses in and around Lone Oak. There will be 1000 calendars distributed to the boys in F. F. A. and the merchants who bought the ads.

The boys are doing this to make enough money to have their Father and Son Banquet and send their class officers to state camp.

By selling these ads the chapter will pay the expenses of the boys going to State Camp.

Safety Patrol

Mr. Glen Earl Dexter Safety Chairman for the P. T. A., has assigned the following boys to the safety patrol: Bobby Harper, Bill Grimes, John Moore, David Shelton, Jerry Buckingham, Larry Kaler, and Rolland Siegfrie.

These boys go down to the highway every morning at 7:20 and put out signs which tell the motorist to stop and then to proceed slowly. They hold out red flags to stop the traffic when students want to cross the highway. These boys are a big help in safety around the school. They leave school at 2:15 in the afternoon and patrol the highway until around 2:45. Then again at 3:15 they go back to the highway and patrol 'till about 3:45.

Mr. Banjo Entertains Students Wednesday

Gene Straub held a Southern Assembly program, Wednesday, November 27.

He played several styles of music. They were Dance, "Music", "Tea For Two", and "Mr. Sandman"; Classical, "Lady of Spain"; Hillbilly, "Mountain Music", "Red River Valley", "Turkey In the Straw", "The Goofest", and "Darktown Strutters' Ball"; Minstrel, "Sawnee River", "Oh Susanna", Camp-town Races", and "Dixie"; Modern, "I'm Gonna Sit Right Down and Write Myself A Letter", "Love Letters In the Sand", and "Blueberry Hill."

With his banjo, Mr. Straub made imitations of the Scottish bagpipe, Chinese music, Grandfather's clock and chimes. Then he made the banjo sound like two and three playing.

Mr. Straub had a puppet with him called "Texas Pete" which was operated by his knee and feet. He and his puppet played "Twelfth Street Rag."

Dalmos Joyce, Charles Tate, and Judy Yates played the miniature banjos. They played "Oh Susanna" and "The Bells of Saint Mary's" with Mr. Straub.

The popular tunes he played were "In the Middle of an Island" and "Tammy."

In concluding the program he played "The World is Waiting for the Sunrise."

Everyone who attended enjoyed the program very much and we hope to have many more of these outstanding Southern assembly programs.

Lone Oak feels very fortunate to sponsor a Christmas basketball tournament this year on December 27-28. Lone Oak will be assisted by the Paducah Junior Chamber of Commerce in sponsoring this holiday basketball tournament.

Every year the Paducah Junior Chamber of Commerce assist a school of this area in sponsoring a Christmas basketball tournament. This year they (the Jaycees) voted to shift its support from a similar tournament at Paducah Tilghman High School to Lone Oak High School.

Several teams have been contacted, but only two teams have already accepted the invitation. They are Fulton County and Fulton City, and of course, Lone Oak, the host team, has accepted.

Other teams that have been contacted are North Marshall, South Marshall, Symsonia, Benton and Tilghman.

LONE OAK P.T.A. LARGEST IN STATE

The Lone Oak P. T. A. has the largest membership in the state this year with 1800 members. Lone Oak ranked second last year with 1260 members.

Mrs. Jane Harton was chairman of the membership drive and we would like to say thanks to her for doing such a wonderful job as chairman.

Also Mrs. Luther Grief is President of the Lone Oak P. T. A. and is doing a wonderful job with such a large membership.

Monday night, November 18 was Dad's Night. The men served the refreshments and entertainment. Mr. Tom Hughes was chairman.

SPORTSMANSHIP IS A FEELING

Sportsmanship is recognized from the outside, but only truly known from the inside!

It is not just seen, but felt! In a fan or in a player, it's a good sport who shows sincerity in his actions on the bleachers or on the playing floor.

It is hard to take a loss and still harder to congratulate a winner. If it seems easy for you to win, then make it a point to speak to your opponent with encouraging words and make them sincere. Don't rub it in!

All this and even more is true sportsmanship. A game or moment may bring a flare of anger to any fan or player—but remember—"When the One Great Scorer comes to mark up your name, it matters not if you won or lost, but how you played the game."

F. H. A. Gives Baskets

The Future Homemakers of America at Lone Oak High School are very thankful for this land of abundance they live in. They are also thankful for their homes.

They are always willing and anxious to have the privilege of sharing their happiness with others.

To show their appreciation for their blessings for the less fortunate they are giving baskets. They are giving baskets of fruits and other items of food to less fortunate people in their communities.

F.F.A. Sweetheart Elected

The FFA has elected Terry Wyatt for the FFA sweetheart this year. She is a Sophomore and is very active in the FFA. She was also elected a cheerleader for the B team this year.

BOOK REVIEW

"Shoestring Theater"

by Nancy Hartwell

Ann Darnell, seventeen, had the summer ahead of her, but no member of the family known as the Dees ever sat and waited for adventure to knock at the door. Ann had an idea—to turn the barn into a summer theater, and all the Dees took it up. In fact, the whole community was interested in the Locust Lane Players.

No one knew what was in store. They got a play and had a whole series of dramatic adventures. In an effort to be helpful, the town's outstanding woman engages a professional director from New York, who imports his own leading lady to act in a proven success instead of their play. This puts a slight damper on the Dees' enthusiasm, but the Dees are never ones to let a challenge go unaccepted. They put their backs to the wheel and soon it starts rolling.

It was a summer of hard work, which paid off in new friends and memories to be cherished. As you read about it, you will learn all the inside stuff that goes on behind the scenes and before the curtain goes up in a Shoestring Theater.

Some of the other recent books added to our library include the following: "Ring Around Her Finger" by James Summers; "The Mysterious Island" by Jules Verne; "Princes Of Monaco" by Gant Gaither; "By Rocket to the Moon" by Otto Gail.

Read It With A Song

Dianna said *This is Just Between You and Me Bo-Diddle* but I'm Dedicated to you and really *Loving You*, so always *Remember You Are Mine*. Believe me *Daddy Cool* you had better *Treat Me Nice* or you will be singing *Jail House Rock*.

Right now *Baby I Don't Care*, but we have *Got to Get to Your House* and rake up those dog-gone *Autumn Leaves*. We can't *Wake Up Little Suzie* either or Mom will kill us. So *Bo-Diddle* said "We are Gone".

CHEMISTRY CLASSES

The chemistry students of Lone Oak are now studying Mathematics of Chemistry.

Their last experiment was the reduction of steam by iron. This showed you how you can remove hydrogen from steam by passing the steam over powdered particles of iron. In the future they are planning another experiment, which will be taking a preparation of chlorine from a solution of hydrochloric acid and manganese dioxide.

Mr. Douglas says every student is participating in their experiments. This shows a like for chemistry among our students.

First Basketball Game

In our first basketball game with the Symsonia Rough Riders, the Flash started with the following as first five, Weatherspoon, Edwards, Smithson, Harper, and Kinsey. Clark and Buchanan were substitutes during this game. At the end of the first half Lone Oak was 31, a lead of 3 points over Symsonia who had a score of 28. The final score was Lone Oak 59, Symsonia 76.

The players of the B team were: Huff, Tabscott, Brown, Rushing, Davis, Owens, and MacIntosh. The final score of this game was Lone Oak 31, Symsonia 38.

For the first game we had a very good crowd, showing the Flash had a good backing.

Eighth Grade Ball Games

The eighth grade has played two ball games so far this year. The first one was with Freemont, which the A-team lost 37 to 29 and the B-team was also defeated 29 to 27. Our second game was with Farley, which we won, 58 to 42. Forestdale is also scheduled to play the Eighth Grade team.

There was a large attendance at both ball games. The people who attended these games saw some good grade school basketball. The next game, come out and support your Eighth Grade ball team.

Cheerleaders Get New Uniforms

Cheerleaders for the Purple Flash got complete new uniforms. They have a full purple skirt, with a military type jacket and a gold brade trim on the collar and they sure look nice.

They were made by Mrs. Vance who made uniforms for Tilghman and Reidland.

The cheerleaders are trying to introduce some new yells and want everybody to help them in putting over these new yells.

Tri-Hi-Y Events

On Saturday, November 16, the Lone Oak Tri-Hi-Y Club sent the B-team cheerleaders to Murray State College. The cheerleaders were given hints on the do's and don'ts of cheerleading. They received material on new yells and exchanged ideas with other cheerleaders of Western Kentucky. The Tri-Hi-Y voted to send the A-team also, but they were unable to attend.

We have ordered our Tri-Hi-Y pins for the members and officers and are eagerly awaiting their arrival.

We are planning to give baskets for Thanksgiving to the needy families of our community. All members are urged to participate and bring articles of food for the baskets.

Pep Club

The pep club was organized on November 11, 1957. It was organized under the leadership of Pat Dowell and Linda Bogard, with the help of the senior girls. It consists of 222 members at the present.

The membership fee is 10c for members from the eighth grade up. All members will receive a membership card.

From the treasury, purple and gold shakers were bought and presented to the members of the club at the first ball game.

It's the hope of the pep club that they will eventually be permitted to practice as an organized group with the cheerleaders.

CHEERLEADERS ATTEND CLINIC AT MURRAY

The B-Team cheerleaders of Lone Oak attended the Clinic at Murray State College Saturday, November 16, 1957. All cheerleaders of the first district were invited. The Y. M. C. A. sponsored the meeting. One hundred seventy cheerleaders were there in uniforms. The Tri-Hi-Y of Lone Oak paid the fee for our cheerleaders to go.

At 9:45 the Murray cheerleaders gave a demonstration on what not to do as a cheerleader. Following the demonstration, competition began. Each squad of cheerleaders gave two yells and were judged by Murray's cheerleaders. All were eliminated but Central City, Henderson City, and Mayfield. These three squads gave one more yell and Mayfield was chosen as finalist and was presented a beautiful trophy. South Marshall cheerleaders were recognized as best dressed squad present. The Murray cheerleaders took all the cheerleaders out on the football field for practice while the sponsors had a conference, discussing uniforms, regulations, how to obtain uniforms and etc. Following lunch, the group assembled at the football field for the game between Murray State and Evansville. The game was attended by High School students from all over the area, invited to Murray for High School Day. All cheerleaders formed a huge square around the football field and led the crowd in the yells that had been taught them at the Clinic that morning.

Miss Murray State was presented to the crowd and Miss Sara Ward, past Queen presented a bouquet of red roses to the newly elected Homecoming Queen.

GRADE NEWS

FOURTH GRADE

Asian flu has been the reason for a lot of absences in the Fourth Grade this month, especially in Mrs. Pegram's and in Miss Futrell's rooms.

Mrs. Thomas wishes to thank everyone who made it possible for us to win the five dollars in the P.T.A. membership drive. First place went to Georgia Dunlop for having the most members. Tony Holshouser was second and Mollie Beth Stom, third.

Mrs. Thomas' room won second place in last month's attendance award.

Carol Ann Childress has moved to Freemont from Miss Futrell's room, this leaves her with 43 pupils.

Miss Futrell's room has elected room mothers. They are: Mrs. Wallace Adams, Mrs. Ben Carper, Mrs. Carl Osborne, and Mrs. Loyd Sheehan, who presented them with a Halloween party.
