PURPLE FLASH DISTRICT CHAMPS

AREAS IN HOME ECONOMICS IN LONE OAK HIGH SCHOOL

By Pat Dowell

What does the areas in Home Economics include? Do you like Home Economics? Do you really know what Home Economics includes?

Home Economics is an ancient art transformed into a modern science. It has an important bearing on business and industry for it is a field of almost unlimited scope and interest.

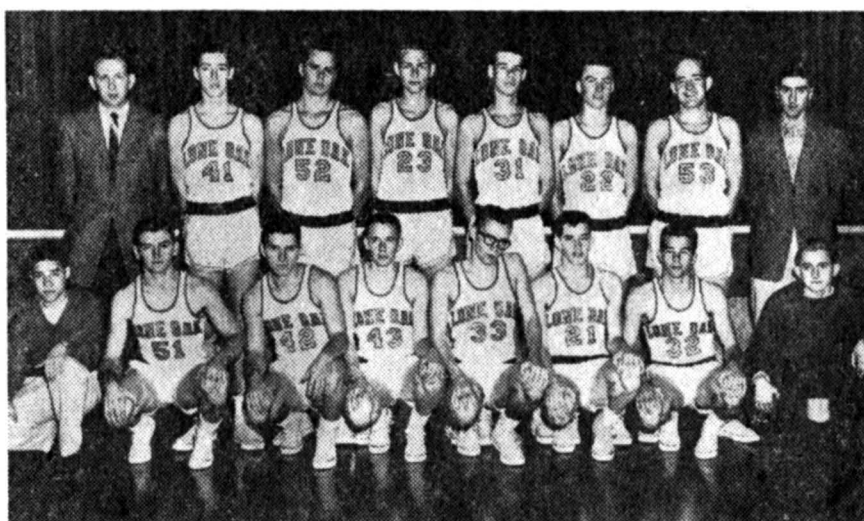

Home Economics touches very deeply the welfare of the world, for home training has been called the mainspring of all effort for the betterment of human mankind.

Home Economics covers only certain related subjects, such as Housing, Food, Clothing, Home Management, Health, Family Relations, Child Care, Adult Education, Home Project and School Lunches. These subjects are studied by many young girls all over the world. Along with Home Economics, is an organization called the Future Homemakers of America, which helps young girls to become better homemakers for tomorrow. The F.H.A. is an organization for girls studying home economics in high school. F.H.A. is a non-profit, non-political organization that helps girls to do things that they have learned how to do in Home Economics.

In the course of home economics in school, the students learn the functions of all foodstuffs—how carbohydrates and fats furnish the heat and energy, how proteins build muscle and sinew, the regulating effect of water and roughage,

(Continued on page 7)

A-TEAM BALLPLAYERS

LEFT TO RIGHT: Front row: Danny Kelly, Manager; Kenneth Rushing; Gordon Kinsey; Ozzie Tabscott; Kenneth Weatherspoon; Benny Brown; Larry Harper; Tommy Holshouser, Manager; Back Row: Coach Don Stephenson; Ernie Owen; Kenneth Edwards; Larry Powers; Larry Davis; Andy Clark; Mike Smithson; Assistant Coach Glen Dexter.

FIRST SIGN OF SPRING

By Charlotte Lamar

The combination of solid colors and checks is rapidly gaining popularity this season. A two piece suit, in relaxed styling that makes it oh-so-easy to wear.

Solid colors and checks are combined in two-piece suits designed to carry you to and through spring. The slightly shaped jacket in solid wool stops short just below the waistline; with the notched lapels, and dolman sleeves.

The suit with nautical touches is adaptable for many occasions and practically seasonless. The jaunty jacket is gently fitted, lined with bright cotton print, and are made ship shape with shiny brass buttons

and the self belts are trimmed with a brass buckle.

Pointing the way to spring is the shaped jacket with a flying front closing, a neat round collar, and the three-quarter sleeves are all the go!

For those of us who are a mite heavier than we would like to be a wool flannel suit is a real blessing.

Being tall is an admirable attribute, but very often a problem arises in trying to find clothes that fit properly. Well, girls your problem is over because this spring the suit for you has a Chanel-type jacket and slim skirt that has back kick pleat.

The spring colors for the lovely suits are navy, red, gray, wool, flannel, mint and beige rayon-linen, and black-and-white cotton-wool-tweed.

On March 3rd the Flash defeated the Reidland Greyhounds with a score of 52-42, and on March 6 Lone Oak won over Lincoln 70-53. Then on March 8 the Flash tangled with the Ballard Bombers, to defeat them by 11 points, the score 65-54.

The Purple Flash fell to only a two point lead in the fourth quarter after leading the bombers by a safe margin in the second period. But pulled away again in the last two minutes to victory.

Lone Oak hit 10 of 16 attempts in the first quarter which ended 22-18 in favor of the Oakers. The half-time score was 37-29, Lone Oak on top. Going into the fourth quarter the score was 46-38. In the final round the Flash shot only six times and hit four of these, besides many free throws.

L. O. H. S. ended up hitting 41 per cent of their shots from the field. They also led in rebounds 36-30.

G—Harper 22, Weatherspoon 16, Kinsey.

DISTRICT TOURNEY

FINALS

The date is March 8, 1958. The time is 7:30. It is raining hard. However approximately five thousand people have not minded to brave the elements to cheer for their home teams. The occasion? The finals of the District Tournament!

Before the game, the gym echoes with crescendoing peals of human voices pitted against each other in an ear deafening thunder of school yells.

One man remarked when he stepped into the gym, "There's something in the air!" He did not explain just what, but it was really the tension that builds up in the fans as well as the players before a game.

After the game started, you would expect the fans to settle down, but they increased their yelling, if anything.

Lone Oak's Larry Harper put on a tremendous performance of how basketball should really be played, and he was backed up by four boys who knew the game just as well as he. Thanks to Smithson and Edwards magnificent rebounding, Weatherspoon and Powers, along with Harper, were able to outscore and out maneuver the tough Ballard team.

Some beautiful blocks were employed by our players in order to make set shots away from the basket. These were made with tremendous accuracy.

The Ballard team was outplayed and thusly defeated, yet they accepted their defeat in a fine spirit of sportsmanship.

When the trophies were presented, our whole team walked forward with their jubilant coaches to receive it. After this, awards were made to the "most valuable players" of the different teams.

This honor was bestowed upon Larry Harper, our Senior guard. To our players and coaches, we can say thanks for a job well done.

LIBRARY NOTES

By Don Starnes

Mrs. Helfer is well pleased by the response from the students who are using this article from the preceding school papers in determining the books they would like to read, why don't you join in and at least look at the books and see if they don't interest you just a little.

The following books should hold your interest for a while:

- Summer of Decision by Mabel E. Allon
- The Runner by Jane Annixter
- The Madagascar Pirates by Foster Arnold
- The Trouble Hunters by Montgomery Atwater
- Championship Ball by Clair Bee
- Physics for Everybody by Germaine Beiser
- The Totem Casts A Shadow by Margaret Bell
- Ring of Fate by Jean Bothwell
- The Lonely Sky by William Bridgeman
- Mountain Palomino by Eleanor Brown
- The Last Waltz by Bruce Carpenter
- Needle by Hal Clement
- The Big Step by Hilda Colman
- Dear Stepmother by Adele DeLeeune
- The Seminole Trail by Dee Dunsing
- First Love, True Love by Anne Emery
- The Andrews Raid by Samuel Epstein
- Forest Rangers by John Flaherty
- Young Skin Diver by Phillip Harkins
- Costumes and Styles by Henry Hansen
- Hannah Fowler by Janice Giles

Attention B. P. A. !

Many women stay up nights worrying about the Bachelor's Protective Association. Because so many men are joining B. P. A., they think their chances of getting a husband have been reduced to almost nothing, and they feel that life for them is not worth living.

Now here is where you come in. If you know a girl who worries too much about getting a husband and you want to do something nice for her, you can buy her a "Husband Hunting License."

This license certifies that she possesses great charm, culinary skill and a happy disposition, and authorizes her to use these weapons for one whole year.

So far, four girls have submitted their names and money to this cause, so fellow B. P. A.'ers, watch out.

Janitor Leaves Lone Oak

Lewis Starr, who has been at Lone Oak for three years as a janitor, left Lone Oak February 10, to take a job at West Kentucky Mattress Company.

Lewis was well thought of by all the students at Lone Oak, and by all the teachers.

F.F.A. Boys Clean Up Ag Room

Last week (the week of National F.F.A.) a group of F.F.A. boys got together and cleaned up the Agriculture room. They worked on the room for three periods, and scrubbed the room from top to bottom.

Also the boys worked out a program for the high school students of Lone Oak. Taking part in this was the Chapter Meeting Team and the Rockets, and local Rock and Roll band.

All and all the F.F.A. had a large week and were richly rewarded by the spirit of the school behind them.

TELEPHONE TELETRAINING

By Don L. Starnes

Do you know how to answer the telephone? The telephone company is of the opinion that we do not. So for that reason the telephone company is working with the Clerical Office Class in trying to show the students how to talk over the phone properly.

Today the telephone is one of the most frequently used means of communication, so we are trying to learn the most effective way of using the telephone.

First the telephone company brought out a picture for us to see called Telephone Courtesy. Next they brought out telephone training equipment consisting of two telephones and an amplifier. We can actually go through all the uses of the phone including dial tone, busy signal, ringing, answering and carrying on conversation.

The purpose of this material is to provide authoritative guidance which will help students learn to use the telephone in a correct and pleasing way.

What Day Is It?

By Judith Whitmer

What is the day April sixth? Have you thought about it? A very poor man came to life again after being dead for three days.

No, He didn't have a lot of important friends to perform this seemingly trick. Matter of fact not many like Him, they nailed Him to a roughly hewn cross and beat nails into his hands and feet and just for the "fun" of it stuck swords in His sides.

Did He suffer, yes, and for our many sins He died, this was his "job" on earth and He did it well.

People, stupid as they were, tore His robe from Him, His only possession and gambled for it. They put Him in a cave and rolled a stone to close the entrance, but some of His friends came to bathe Him and Prepare Him for His tomb. He was gone when they arrived.

This man of whom I speak is Jesus Christ, our Savior. This day is Easter. Go to church Easter Sunday and worship in your own faith and remember this Man.

THE SNOOPER

Jackie Powell seems to have some admirers. How about it Rachel G. and Carolyn R.?

What happened to the "cupcakes"?

It is heard that Janet W. and "Bubba" are doing fine.

Donald S. keeps love letters in his billfold it has been told.

It has finally happened girls, Dalmos J. has got himself a girl friend and she is really cute.

Jerry J. and Betty B. seem to be doing nicely and they make a very nice couple.

We see that Sherry M. is still wearing a Heath ring and she looks real happy.

It seems that no matter how hard he tries Richard S. just can't seem to keep his ring. Way to go Linda S.

Just call me the "snooper",
You don't know who I am
I listen for all,
And print what I can.

IDEALS

You are today where your thoughts have brought you; you will be tomorrow where your thoughts take you. You cannot escape the result of your thoughts, but can endure and learn, can accept and be glad. You will realize the vision (not the idle wish) of your heart, be it base or beautiful, or a mixture of both, for you will always gravitate towards that which you, secretly, most love. Into your hands will be placed the exact result of your thoughts; you will receive that which you earn; no more, no less. Whatever your present environment may be, you will fall, remain, or rise with your thought, your vision, your ideal. You will become as small as your controlling desire; as great as your dominant aspiration.

"The Gilcrafter"

Tri-Hi-Y And Hi-Y Hold Joint Meeting

By Pat Dowell

On Monday night, February 17, the Lone Oak Hi-Y and Tri-Hi-Y held a joint meeting with Hi-Y President, Buddy Rushing calling the meeting to order. The members repeated in unison the club purpose. Mrs. Gwen Helfer, Tri-Hi-Y advisor, led in an opening prayer followed by the devotion given by Reverend Jimmy Cooper, Hi-Y advisor.

Program chairman, Shirley Moore presented a program of questions which was discussed by the members.

The meeting was then turned over to Tri-Hi-Y President, Barbara Boss. Plans were discussed for a one act play to be given by club members.

Following the meeting a party was held for all members and non-members of the club. Games were played and prizes were won by Eddie Lee Metcalf and Eddie Usher.

New Janitors

Lone Oak has two new janitors this year. They are Marvin Wagner and Ovid Moore. Before Marvin came to Lone Oak as a janitor he farmed and was at Concord as a janitor for 2 years.

Ovid Moore came to Lone Oak as a janitor after he was layed off from the railroad as a boilermaker in August.

The new janitors think Lone Oak is a fine school.

Students Of Lone Oak

By Don Starnes

It is wonderful the way (you) the students of Lone Oak have cooperated in backing our ball team, at times you have not given your full support in season play but in the first round of the district tournament at Tilghman High School it was wonderful to watch the way the students backed the team of Lone Oak into Victory. I am sure the ball players appreciate the way you have backed our team this past season and will continue to appreciate it for as long as they can remember playing in the Lone Oak Gym.

SENIORS

By Kenneth Edwards

This column was printed for the seniors only. Have you realized there are only about four months of school left. And all of this will not be in study, with all of the graduation exercises coming up. In less time than you think school will be over and you will be facing life full in the face. Are you ready? Do you know enough to get into college? Some will have to say no. So lets get on the ball these last months and really learn.

Colleges now days are taking only the best of high school students because of crowded conditions. Be among the top in your class, "Go to College."

Tryouts Held For Tri-Hi-Y And Hi-Y Play

The tryouts were held to select a cast for the Tri-Hi-Y and Hi-Y play entitled "Elmer and the Lovebug".

Approximately thirty-five Tri-Hi-Y and Hi-Y members tried out for parts. Those chosen to play the parts are as follows:

Sherron Miller—Janice Collier
Carolyn Livingston—Jeanie Collier
Dianne Hastings—Susan Collier
David Coram—Elmer Collier
Carolyn Schmidt—Fannie Belle
Buddy Rushing—Luke Lawson
Kenneth Weatherspoon—Hubert Brown
Martha Ross—Millicent Carr
Pat Dowell—Faye
Betty Brookshire—Wanda
Judy Yates—Winnie
Eddie Metcalf—Cecil

The date of the play has not been announced.

DEBATE TEAM

The Lone Oak High School speech and debate class will go to Murray on March 29 for the Kentucky High School Speech Festival .

The following students will attend and enter these fetes: Barbara Boss, Janet Taylor, Nancy Smith, and Joe Ann Adams, debate. Nancy Smith, Public Speaking; Janet Taylor, Oratorical Declamation. Jack Gilbert and Tommy Holshower, Discussion.

Dramatic Monologues and Soliloquies, Serious Selection: Joe Ann Adams, Humorous Selections, Judy Yates.

Poetry Reading: Barbara Boss, Extemporaneous Speaking, Jerry Purvis.

Robinson Receives Award

Randal Robinson, Lone Oak graduate, won the Woodrow Wilson Fellowship by making perfect grades in nearly four years at Washington and Lee University of Lexington, Virginia, and by passing a stiff examination.

Randal, honor student and athlete at Lone Oak, attended University of Louisville his first semester in college and then transferred to W. & L. He made all A's at Louisville, too, but some of his grades were reduced slightly in transfer. Those are his only college grades which are below the A level.

Robinson, a fellowship winner, will enroll in another college next year. Under the fellowship plan, Randal will teach part time while he is studying for his doctor's degree.

Randal, an English major, is the son of Mr. and Mrs. John Robinson.

Senior Ball Players

There are five boys on the ball team that have played their last game for Lone Oak on the home floor. They are: Larry Harper, Gordon Kinsey, Kenneth Edwards, Kenneth Weatherspoon, and Mike Smithson. These boys will play in the tournament held at Tilghman Gym.

The Student body of Lone Oak wishes to thank these boys for what they have done for their school.

ROVING REPORTER

Once again the "Roving Reporter" has made his rounds. The question discussed this week was "What is your opinion of an ideal date?"

Sonny Gott — A girl who would like to learn to swim and needs a teacher.

Maxine Sparks — A guy that likes to skate.

Judy Whitmer — A boy who is considerate and likes to do the things I want to.

Donald Starnes — One like a certain girl in the Junior class.

Willis Crane — A girl who will park without hollering "Help."

Linda Bogard — A boy who respects you enough to introduce you to his family.

Frances Smith — Any boy who can meet the qualifications of a certain person overseas.

**HELP CLEAN UP
LONE OAK**

By Kenneth Edwards

Every day your community is becoming more and more littered with paper and trash. The only way to stop this is for the grade and high school to get together and pick up all unwanted matter we come across. Since the leaders of our community are busy with other important details, it is our duty to help by cleaning up Lone Oak.

For years Mr. Goheen's F.F.A. boys have been doing most of the cleaning up on the campus, but they alone cannot do it all. The grades alone can be a large help by not throwing trash down during recess.

The residents of Lone Oak should be notified of our clean-up plan so they too can have a cleaner and better Lone Oak in which to live.

PEP MEETING

On February 21, the Lone Oak High School held a pep meeting with the students sitting with their class students in each reserved section for the seniors, juniors, sophomores, freshmen, and eighth grade.

The class officers presented the program with Buddy Rushing as the Master of Ceremonies.

The ball players and the coaches were escorted to the throne or platform by the girl class officers and the coaches Mr. Stephenson and Mr. Dexter were crowned by Elene Burnett and Sheila Winters.

The cheerleaders were dressed in red sweaters, black skirts, and red Bermuda socks. They led three yells after the ceremony.

A ball game was held with Bobby Brindley as Mr. Denning of Tilghman, and Buddy Somers as Mr. Stephenson. The Lone Oak Flash beat Tilghman with the score of 4-0. Mrs. Douglas was the referee of the Lone Oak and Tilghman game.

Bill O'Brien led a "Cross-Section School Session. He interviewed several of the students and teachers with the question, "Do You Think Lone Oak Will Win?"

Buddy Rushing found that there was a Tilghman fan in the audience played by Eugene Hughes. Eugene was a Tilghman fan, but when he left the floor he was a Lone Oak fan.

The class officers had a letter presentation of the words spelling Tilghman and Lone Oak.

Pep talks were then given by Sharon Miller, Sandra Dykes, and Tootle Ritchie.

The cheerleaders led three yells and Mr. Robinson had a contest of yelling between the eighth grade to the twelfth grade with each grade yelling as a separate group.

Mrs. Goheen was selected to give a good pep talk to the ball players and students.

The seniors challenged the jun-

B TEAM EDGES WINGO TRIBE!

Seventeen seconds to go and the score was knotted at 49-49. Could this be an overtime? The fate was decided when Tapscott hit a free throw and put Lone Oak ahead by a slim margin of one point. Wingo had the ball, but couldn't get a shot off due to the hard pressing of the Lone Oak five.

This was anyone's ball game until the final gun sounded as the quarter scores indicated.

Individual scoring was: Brown 5, Huff 4, Tapscott 12, Davis 15, Clark 12, and McDonald 2.

Flash Rolls Over Indians

This was the last game of the season and the last home game for five senior boys to play on Lone Oak's gym.

The game started as a nip and tuck affair for the first half, but when the Oaker's began to frequently steal the ball in the third canto and score, the game was in the bag. Lone Oak led at every quarter and went on to win 80-56.

All of the seniors started as first five in what was to be their last game of the regular season. All five scored and each one played with a determination to win or bust.

Everyone that dressed for the A team game got to participate in the affair.

Quarter scores were:

Lone Oak	15	34	55	80
Wingo	13	30	35	56

Individual scoring for the squad was: Harper 17, Kinsey 1, Edwards 22, Smithson 10, Weatherspoon 22, Brown 1, and Powers 7.

iors in a yelling contest. Mr. Robinson decided that it was a draw.

This is the best pep meeting we have had and everyone enjoyed it very much.

AN OUTSTANDING BALL CLUB

By Don Starnes

The B-Team basketball players of this season at Lone Oak have shown much interest in basketball, as the results show, the B-Team has won fifteen games and lost seven, three of these losses were at the first of the season, the remaining four losses were by close margins.

The B-Team players have height and can handle the ball well, as their record shows. They are as follows:

- Larry Davis — Sophomore—Center
- Andy Clark — Sophomore—Forward
- Ernie Owens — Sophomore—Forward
- Benny Brown — Sophomore—Guard
- Ozzie Tabscott — Junior—Guard
- Ike Huff — Sophomore—Guard
- Tommy McDonald — Junior—Forward
- Junior Overstreet — Sophomore—Forward
- Jack Gilbert—Sophomore—Guard
- Johnny Wilkins — Junior—Guard
- Cecil Duncan — Sophomore — Center
- Tommy McTosh — Sophomore—Guard

These boys have not stopped hustling all season and have shown some fine performances. The student body should be proud that these boys represented our school (Lone Oak) in the basketball competition as they came out so well.

Larry Davis, Andy Clark, Ernie Owens, Benny Brown and Ozzie Tabscott dressed out this season as A-Team substitutes, the B-Team players of this year should make a very aggressive ball club next year.

The B-Team ball club was very

Grade School Talent

A Talent Show was held in the Lone Oak Auditorium March the Tenth, some very fine performances and exhibitions were shown from the children in the lower grades. They were rated by adult judges which were in the audience.

It was very interesting to watch the children as they performed before a great number of people. There were a lot of the mothers present as well as most of the student body of Lone Oak.

A lot of hard work was involved in this program and the participants should be proud that they were a part of it, because it was a fine achievement for the lower grades of Lone Oak High School.

Danger In The Halls

By Kenneth Edwards

Are you guilty of ever running in the halls? You that do are risking the health of some small boy or girl. Get to school on time so you will have plenty of time to get to class. After the bell rings between classes, get out of that class and you will have time to get to the other class on time.

Also, please watch out for small children at lunch. This is the most dangerous time in the halls. Don't run around corners, for you never know when a small child might be standing there. Lets protect our small children and keep them safe and healthy.

outstanding in the County Tournament as they won the championship trophy.

This group of boys should be appreciated highly for the performances they have shown the student body of Lone Oak High.

FACTS ABOUT FHA

The Future Homemakers of America is a national organization of pupils who study homemaking in junior and senior high schools. It is an incorporated, non-profit youth organization.

The Future Homemakers of America was organized in the year 1945.

The FHA members work together for better and happier home life for everyone. Future Homemakers think that helping to make happy homes now and in the future is the most important thing that youth can do for democracy.

The FHA is sponsored in Kentucky by the Division of Home Economics Education of the State Department of Education. A member of this Division is the State Advisor who serves as the administrative officer of the Kentucky Association of FHA. The office of the State Advisor is in the Home Economics Division of the State Department of Education, Frankfort, Kentucky.

COLORS

The colors of the FHA are Red and White. These colors inspire Future Homemakers of America with courage and determination to succeed. Red, an intense color, suggests strength. White is symbolic of sincerity.

FLOWER

The flower of the FHA is the Red Rose, which is a favorite flower found in almost every country of the northern hemisphere. Because of its beauty, the rose represents the search of Future Homemakers of America for beauty in everyday living.

MOTTO

"Toward New Horizons" is the motto of the FHA. This motto expresses a challenge to FHA members—to learn to live better today in order that their lives and homes and those of their families may be better tomorrow.

EMBLEM

The emblem of the FHA is eight-sided symbolizing the eight purposes of the organization. It has the name, "Future Homemakers of America", and the motto, "Toward New Horizons", around the border. In the center there is a house which represents a home where there is truth, love, security and faith. This house is supported by two hands symbolizing that the future homes of America are in the hands of its youth. The rays extending to and from the home suggest the influence the home has on the community and the community has on the home.

PURPOSES

To promote a growing appreciation of the joys and satisfactions of homemaking.

To emphasize the importance of worthy home membership.

To encourage democracy in home and community life.

To work for good home and family life for all.

To promote international good will.

To foster the development of creative leadership in home and community life.

To provide wholesome individual and group recreation.

To further interest in home economics.

CREED

We are the Future Homemakers of America

We face the future with warm courage,

And high hope.

For we have the clear consciousness

Left to right: Benna Settle, Judy Barnett, Sharon Miller, Sylvia Rogers, Joann Adams, Sandra Dykes, Pat Dowell, Janet Womble, and Frances Smith. Absent when picture was taken, Charlotte Lamar.

FHA Meeting

The Lone Oak Chapter of Future Homemakers of America met March 3, 1958, for a regular monthly meeting in the Lone Oak Home Economics Department.

Plans for the Mother-Daughter Banquet, Hobo Week, and National FHA Week were discussed and FHA members were assigned to committees for these different activities. Also, the selecting of candidates for offices of 1958-59 was discussed.

Mrs. Jo Lovett and Sherron Slusmeyer gave reports on the candy and flavoring sales.

FHA Hobo Week

The Lone Oak FHA recently held their annual Hobo Week. Charlotte Lamar, Lone Oak FHA Recreation Leader, was Chairman of this activity.

The purpose of this activity was to raise money for the FHA Mother and Daughter Banquet.

Hobo Week was the time that all FHA members did any kind of odd jobs for any amount they could earn. Some of the various jobs that the FHA members did were baby-sitting, cleaning yards, washing windows, baking, ironing, waxing floors and furniture and mending clothes.

FFA SUB-DISTRICT FIELD DAY

On March 27, 1958, the Lone Oak FFA Chapter Meeting Team will enter Sub-District Field Day at Clinton, Kentucky. If they win at Clinton, the Lone Oak Chapter Meeting Team will go to Murray, Kentucky, April 3, to participate in the District Field Day. The winners at Murray will receive an all expense paid trip to the State Contests at Louisville, Kentucky.

The FFA will also have its music, public speaking, and impromptu speaking entries at Clinton. The winners of the music, public speaking, impromptu speaking contests will receive prize money plus the trip to the District and State Contests.

of seeking
Old and precious values.
For we are the builders of homes,
Homes for America's future

Homes where living will be the expression of everything
That is good and fair.

Homes where truth and love and security and faith
Will be realities, not dreams.

We are the Future Homemakers of America

We face the future with warm courage

And high hope.

NATIONAL FHA WEEK (March 23-29)

Soon it will be time for all FHA chapters and members to come to the aid of their fellow homemakers of tomorrow. It will be time for every FHA Chapter and their members to concentrate at the same time on helping others to know and understand what Future Homemakers of America stand for and work toward. The time is March 23 through March 29. This is the date set aside for National FHA week this year.

National FHA Week gives the Lone Oak Chapter an opportunity to interpret its homemaking program to the public and to tell about the contributions each FHA'er makes through FHA to improve her personal, family, and community living.

The Lone Oak FHA members are working together with 460,000 other members of the national organization — Future Homemakers of America — to promote better family living, to develop creative leadership in home and community life, to understand our neighbors both at home and abroad, to further interest in home economics.

Lone Oak began the National FHA Week with three FHA girls — Joe Ann Adams, Charlotte Lamar and Pat Dowell — visiting the mayor of Paducah, George Jacobs, and County Judge, Roy Stewart. These girls visited Mayor Jacobs and Judge Stewart to ask them if they would proclaim March 23-29 as National FHA Week in Paducah and McCracken County.

The schedule of the Lone Oak FHA Chapter for National FHA Week is as follows:

March 23 — Go to Church and Sit Together, Notes in Bulletins of Different Churches.

March 24 — Girls wear red and white pennants and place one on each teacher's door.

March 25 — Television program, WPSD — Channel 6.

March 26 — Do things with the family.

March 27 — Radio program.

March 28 — Assembly.

March 29 —

In addition to these daily activities, there will be an exhibit on National FHA Week in the school lobby during National FHA Week. Assigned to this activity were girls working on their State FHA Degrees.

The girls working on their degrees are: Joe Ann Adams, Pat Dowell, Charlotte Lamar, Benna Settles, Judy Barnett, Janet Womble and Sandra Dykes.

Every Lone Oak FHA member is working together to help carry out the activities which the Lone Oak FHA Chapter has planned.

FFA NEWS

In order to raise money to send the FFA boys to state camp and to carry out the chapter program of work, the Lone Oak FFA presented an assembly program February 27, 1958.

The program consisted of the FFA band: Charles Tate, Johnnie Raffidy, and Dicky Johnson. The girls trio composed of Elene Burnett, Janice Padgett, and Bertha Jean Sanderson also appeared on the program. Skits by Glenn Goins, Darrell Crews, Kenneth Pryor, Joe Gill, and Donald Brindley were also given.

The chapter meeting team consisting of President Dicky Johnson, Vice-President Jackie Powell, Sentinel James Adams, Reporter Glenn Goins, Treasurer Dale Reeves, Secretary Tommy McIntosh and Advisor Lester Goheen. Ozzie Tabscott, Kenneth Rushing, Kenneth Gross and Bobby Brindley carried out the opening and closing ceremonies.

Also to help out financially, we are now selling screw drivers and have been previously selling clothes dryers.

Lone Oak FHA Raises \$25 For FHA Scholarship Fund Drive

The Lone Oak Chapter of Future Homemakers of America recently held their annual State FHA Scholarship Fund Drive. The Kentucky FHA Scholarship Fund Drive is a State Project of the Future Homemakers of America. The State Project helps several outstanding FHA girls each year to go to college to continue their study of Home Economics.

The Lone Oak FHA Chapter and its members contributed an amount of twenty-five dollars to the Scholarship Fund by having a bake sale.

To be eligible to receive an FHA scholarship and the honors that go with it, the FHA girl has to be an alert FHA'er who wants to attend college next year and study home economics. She also has to meet the following qualifications:

1. Plans to study home economics in a Kentucky college or university which offers four years of Home Economics.

2. Is an active FHA member and is well-informed about the organization.

3. Has a scholastic standing of at least a "B" for the four years of high school.

4. Possesses the following personal qualities: attractive appearance, poise and good manners, good health and good character.

5. Holds a State Homemakers Degree.

The following girls from the Lone Oak FHA Chapter received a FHA scholarship:

1. Lou Enderlin — graduate of University of Kentucky, majored in Child Care.

2. Carolyn Pennebaker — Student of Murray College, President of Home Economics Club of Murray College.

3. Sarah Ward — Attends Murray State College now, President of of Home Economics Club of Murray College, elected Miss Murray State, cheerleader at Murray State.

4. Patty Ross — Attended Murray College, now attending Georgetown College.

These girls have earned and made many outstanding records for themselves as well as Lone Oak.

Lone Oak has several girls eligible to apply for a scholarship this year. We hope they will make applications since this country of ours needs better and more informed homemakers of tomorrow.

LONE OAK DOWNS REIDLAND

Lone Oak won over Reidland in the first game of the 2nd district tournament, by a score of 52-42.

The tournament was played at Tilghman High School, where neither team was accustomed to the floor. It was a very good game and both teams played good ball, because the lead changed hands many times.

The players participating for the Flash were Edwards with 16 points, Harper with 7, Weatherspoon with 17, Smithson with 9, Powers with 3, and Rushing had none.

The quarter scores were as follows: 1st quarter 12-10 Lone Oaks favor. 2nd quarter 20-16 Reidlands favor. 3rd quarter 36-37 Lone Oaks favor. 4th quarter 52-42 Lone Oak winning.

HOME ECONOMICS...

(Continued from page 1)

the work of minerals in body building, and the part vitamins play in growth and the prevention of disease. She learns how to market wisely to get these nutrients in the best and most economical form, how to prepare them to retain their beneficial qualities, how to preserve them, and how they are properly balanced in a nourishing diet. She also learns how to prepare foods with the least possible waste and how to "save steps" in cooking, how to set a table attractively, and how to serve meals properly.

Clothing in a school course usually begins with plain sewing and mending, and is extended into every

phase of the selection, manufacture, and care of clothing. Home Economics teaches her the characteristics of various fibers and weaves, and tests for adulteration and loading" in cloth; and it gives her a knowledge of the manufacturing processes that enables her to detect poor products and poor methods.

A home-management unit is also taught, separate from foods and clothing work. Home-Management may include Housing—that is, the planning and furnishing of the home—in addition to the actual management of household affairs, which has to do with budgets, household accounts, time schedules, the buying of household supplies, cleaning and care of the house, child care, home nursing, and laundry work.

Child Care is taught so that the girls will be able to care for others, and it also prepares them for the business of parenthood.

In the unit of Health, the girls learn some of the small things which are some of the duties of a person caring for the sick. Some of these duties are taking temperature, pulse, and respiration, making the patient comfortable with bed devices, bathing, giving fresh air and sunshine, and limiting the calls of visitors.

Family Relationship is a problem which is given weight in home

economics classes. Right attitudes toward home life are developed. The qualities of cooperation and cheerfulness are stressed, in order that young people may realize that the home should be a pleasant place for all members of the family.

In Adult Education, various units are taught so that adults will be able to know about all phases of homemaking. They are taught housing—the type of furniture to select for the different type of homes. They learn how to select rugs and make draperies, that will aid one in cutting down the expenses in decorating the home. Home Nursing, Clothing and Family Relations has also been taught in the Lone Oak Adult Class.

Home Project is where the girl learns at school and goes home and tries out the various duties—this enables them to put into practice what they learn at school.

School Lunch is another phase of the Home Economics. Since it deals with the development of our bodies. We find good nutrition methods are put into practice which will aid the boys and girls in getting a portion of daily requirements.

I feel like every girl is missing a big opportunity if she doesn't take a course in Home Economics for the back of the world is the mother. It is she who rocks the cradle of the world; so it behooves every mother to have knowledge for caring for her family.

Demolished Playground Equipment

What's happened to our play grounds here at Lone Oak, the see-saws have been broken in to splinters, the swings are all torn down. Parts of the seesaws are laying down in the ditch, the swings are wound around the poles, it looks as if they were hit by a tornado.

You grade school students should take better care of your play ground equipment, remember there are many more children who will use them after you. It will also make the school more attractive to visitors from other schools.

Grade News

Mrs. Housman's
FIRST GRADE

The children are enjoying the spring weather about which we are trying to learn more. The children are beginning to notice the birds and other signs of spring.

Those having birthdays in this month are: Tommy Wilkinson, and Sherry Barrett.

SECOND GRADE
Mrs. Record

All the children are enjoying the days that we can go outside to play, after so much winter weather. Attendance in our room is improving now. Two of our boys have been out for operations. Steve Edwards had an emergency operation for appendicitis on the 16th of February but is back in school now. Lee

Cathy had his tonsils removed. We have had an interesting study on dental health and have posters and a bulletin board about the care of teeth. Jimmy Arnold, Kippy Taylor, Cathey Wallis, Katis Collier, and Paula Thurston have perfect attendance for the first six months of school.

Mrs. Peyton

We welcome this March weather bringing us some warm sunshine. We think it will help our colds, measles, and mumps. We have several out with mumps. We hope Darnette is back soon. We wish Steve Owen a speedy recovery from his serious illness, meningitis.

Thanks to Mrs. Alfred Legeay for the good popcorn and Kool-Ade. She served us at our recess period. We are behind you all the way, "Lone Oak Purple Flash."

Mrs. Trevathan

Even though we enjoyed the snow we are looking forward to spring. The children have seen robins and redbirds. Jonquils are about ready to bloom and other spring flowers are beginning to grow. In our room we have a bowl of frog eggs and expect to see them hatch into tadpoles and then change into frogs before the last of school.

The boys and girls have started a weather calendar and each day during March we plan to record the weather and other signs of spring as they occur.

Those having birthdays during the month of February and March are as follows: Paula Thurston, Steve Fairchild, Dale Mitchell, Mary Topper, Katie Collier, Samuel Hargrove, Valor Moore, John Allen Samsil, Cheryl Champion, Sharon Nichols, and Kathy Bachus.

THIRD GRADE

Mrs. Allcock's room is enjoying the new library books.

We would like to congratulate the ball team.

Our attendance has improved since several of the students have recovered from the mumps.

We would like to thank our room mothers for our Valentine Party.

The talent show will be soon, and we are all looking forward to it.

The birthdays for this month are: Glen Farmer, Paul Bearden, Tony Page, and Carolyn Schumaker.

In Mrs. Haselip's room, Stephen Brust and Charles Robertson have had birthdays.

We are working on the talent program, and we want to thank Dora Kay Trevathan for playing for our band.

We are now studying health and we studied science the last semester.

Glenda Marshall has moved to the city, and she is attending George Rogers Clark.

We are sorry that our music

teacher, Faye McNeil is ill, although Judy Scoggins is doing a good job.

Four of our students have not missed a word in spelling. They are: Linda Wickliffe, Suzanne Harper, Larry Griffith, and Gregory Padon.

Mrs. Winchester's room is studying multiplication and division. We are also beginning our study of science.

We are happy to have Becky Bone from Concord.

We want to thank our room mothers for the Valentine Party.

Mr. McDonald came and showed the students how to make mache animals.

We really appreciate our new library books.

The following have birthdays for March and February: Jerry Sharpe, Roger Reeves, Holly Rendleman, and Larry Sullenger.

FOURTH GRADE

Miss Futrell

We have 5 boys and girls that have been to Sunday School or church every Sunday since school started. They are: Linda Cruse, Mike Adams, Danny Frazier, Stayton Wheeler, and Thomas Campbell.

February birthday is: Jim Brown.

The class wants to thank David Osborne for bringing his microscope to school and sharing it with them.

Brenda Sherron and Linn Keeling read the most books for the first half year of school.

Mrs. Thomas

Mrs. Thomas' room is studying birds and Mr. McDonald came in

and showed them how to make paper mache birds. The children are interested and he is coming back soon to show them more.

They are going to enter in the talent show in March and a future project is to make covers for their chairs to hold articles.

March birthdays are: Jim Craver, Dale Hume, Jimmy Lee, Albert Pendergrass, Dennis Steger, Mike Stroud, Maxine Schroader, and we want to wish them a Happy Birthday.

Mrs. Pegram

Mrs. Pegram's room is studying "Around the Corner" and they are quite impressed with the stories. The class is excited about the coming talent show and several are entering.

The class is now making albums for their library books and have been illustrating stories in their book by themselves.

Easter decorations are supposed to start soon for the children to show their art skills.

FIFTH GRADE

Spellers for the county spelling contest to be held soon are: Steve Thomas, Jerry Martin, Teresa Charlton, Janice Floyd, Jim Cooper and Billy Overstreet (runner up).

Birthdays for the month are: Jerry Cook, Gary Reecer, Gary Thompson, Bobby Wallis, Sue Benton, Gladys Kimbro, Gail Surles, Sue Rose, Douglas Knott, Rees Smith, Bill Weatherspoon, Mary Margaret Strong, Janice Floyd, Brenda Roberts, Brenda Sreus, and Teresa Topper.

We have several entries for the Talent Show which will be held soon. All of us are working hard on this event and hope it will be a success.

THE LITTLE DUCK

By W. S. and Julie Wenzel
(A fifth grade student)

Once there was a little duck, who started out to try his luck. He wandered through the barnyard lot, and squeezed right through a knot in the fence.

Once out into the lovely world, he preened his feathers till they tumbled.

But hiding in a great big box, was clever, wily Mr. Fox who sprang from hence.

He made a dash for Mr. Duck, who fast was running out of luck. Up came the farmer with a stick and ramnard dashed away so quick we haven't seen him since.

Compliments Of

HARRY ROSS & SONS

SIXTH GRADE

Mrs. Rue's Sixth Grade

We have finished the unit on Medieval Times in our Social Studies. Our class invited the other sixth grades to see a film on the life of that time.

Mrs. Bryant from the Junior Red Cross and Sgt. Hornbuckle from the Army Recruiting Service came out to show us a movie about the Junior Red Cross.

Those having birthdays in February were: Judy Maness and Mike Harton.

Mrs. Alderson's Sixth Grade

We are very proud of our board we have fixed up with pictures of China.

We have made some Paper Maches of a Black horse.

We want to wish a very happy birthday to: Stephen Frazier, Owen Wallis, Rebecca Sloan, and Doris Rice.

Mrs. Harris Sixth Grade

We are proud of our Audio-Visual Aids. Using the projector has been an interesting experience for us.

The birthdays for this month are: Jimmy Alexander and Dale Harper.

SEVENTH GRADE

Mrs. Kelley's room would like to thank Mr. Crooks and Bobby Brindley for covering the story of our Valentine Queen crowning. We are using our money to add to our room many things that make it a more pleasant and meaningful place to live.

We have elected new class officers for our second semester. They are: President, Jan Newman; First Vice-President, Diana Blackburn; Second Vice President, Carol Emerson; Secretary, Martha Rose; Treasurer, Elizabeth Housman; Sunday School Reporter, Karen Kemp-

er; and News Reporter, Paulette Lamm.

Two new girls have joined our room. They are Karen Kemper and Sherry Haney.

The seventh and eighth grades will be in charge of the next P. T. A. meeting which is to be a Founders Day program.

Mr. Allcock's room is sorry to lose Lila Ann Nesler as a class member. Alice Campbell is our new reporter and she and Pat Farris are our cafeteria chairmen.

Gerald Smith is the only one with a birthday this month. Happy Birthday!

EIGHTH GRADE

We would like to take this opportunity to thank Mrs. Goheen and the Home Economic girls for judging our health posters for us. Mike Austin, Jerry Buckingham, Artie Lockwood, and David Thompson, made a large poster which came in first in the second period Health

class. Ronnie McIntosh came in first in the fourth period Health class. Silver dollars were awarded to them for having the best posters.

We played in the County Tournament last month. We played Concord on a Thursday night and lost. Then we played Forest Dale and won. We came in third. David Shelton was chosen as an All Star Basketball Player and Judy Womble an All Star Cheerleader.

The Birthdays for this month are: Ronald Siegfried, Bill Botkin, David Shelton, Alta Burnett, Sandra Kinsey, Linda McGregor.

It Had To Happen

The airlines gave their passengers sticks of chewing gum labeled, "To prevent unpleasant pressure in your ears during starting and landing."

Not long after, the inevitable happened. A lady appealed to the stewardess, "Help me get this stuff out of my ears. It doesn't help anyway."
