We'll get it out if you'll get the information to us.

## SMILE

By Francis Smith

In what category do you classify yourself? Are you a frowner or a smiler? Of course we always think the best of ourselves; so the majority of us will answer, "Why I am always smiling."

Maybe you think you are, but have you looked at yourself in the mirror when someone has said something about you, or when you didn't get voted most popular of the class, and what about the time your best friend left your name off her party-list? Did you manage to smile it off or did you put another scar in your personality by thinking, "I'll get even!"

We have all had times when the world seemed to be against us, but it takes less muscles to smile than to frown.

So the next time you feel like spouting off steam remember an old saying our forefathers used "Smile and the world smiles with you; Frown and you frown alone."

## Spring Is Here

Boy, April really came in with a bang! First of all, it was real sunshiny and an all out beautiful summer day. Then all of a sudden it just broke down and rained on everything. It only rained at night for a while, then it started raining at any and every time it decided to. But I guess we have to go through the bad before we get to see the nice beautiful summer days, and boy will they be inviting.

### FAREWELL

We'll miss you dear old red-brick school  
Many have passed through your halls, genius and fool,  
But to you all our hearts shall return,  
And never will your purpose be spurned.

The desks and steps are well scarred  
And we have been (for twelve years) your ward.  
We know many faces and teachers well,  
And familiar is the deafening bell.

The overrunning halls and crowded classes  
Dear LOHS is there a day that passes,  
That you aren't thinking and wondering about us,  
As we are of your people, and the familiar yellow bus.

The years that are held within the walls  
The stories that we all recall,  
And it is odd the familiar place we all know,  
Should excite us so.

And I can say you'll never be forgot  
As we quietly muffle a sob,  
The days that once seemed so long,  
Have slowly from our lives since gone.

I wonder as I ponder here,  
Who will come and laugh and cheer,  
For these wonderful days—  
Are the ones that I'll hold dear.

### WARNING SYSTEM

Recently, Lone Oak and Paducah have taken steps to protect us in case of an air raid attack.

The government has furnished us with several loud sirens to warn us if we should be attacked by foreign planes. The sirens are stationed at the most important fire stations in Paducah, and at the one and only fire station in Lone Oak.

These sirens are the first of their kind in this part of the country and are a great step in air defense in our community.

### CAREER DAY IS HUGE SUCCESS

Career Day at Lone Oak came out a big success. Everyone in high school really enjoyed the big event in the school year.

At 9:00 o'clock Friday morning, there was an opening address by Dr. Harry Sparks. He gave a short lecture on going to College and how it would help you. When we were dismissed at 10:00 o'clock we were allowed to go to a variety of different career fields. There were three different class periods that morning.

At 12:00 noon, the visiting teachers, the Lone Oak teachers, and the Senior Class had lunch in the gymnasium. The menu was composed of baked ham, baked beans, and potato salad. The drinks were milk and coffee. The decorations were large grapefruit with an assortment of goodies on colored toothpicks stuck in the grapefruit.

After lunch was served, the Seniors were dismissed for the day. This year the Career Day was better than any other year before and it should be bigger and better next year. Mr. Robinson certainly did a fine job on Career Day and the selection of our speakers.

### Warf, Former Teacher, To Be Baccalaureate Speaker

The Senior class has chosen for their Baccalaureate speaker, Mr. Curtis H. Warf. Mr. Warf is a former teacher of Lone Oak and taught American History and Civics.

He was pastor of the Bethel Baptist Church near Kentucky Lake. He is now residing at Utica, Kentucky. Mr. Warf was a favorite teacher of all the students here at Lone Oak and the Seniors are certain he will present an interesting sermon.

The Baccalaureate Sermon will be delivered Sunday, May 25th at 8:00 in the Lone Oak Gymnasium.

### Lone Oak Over Heath

The first baseball game Lone Oak played was against Heath.

In the 7th inning the score was 7-7, but Lone Oak came ahead in the 8th to win, 8-7.

The first nine on Lone Oak's team consisted of Keeling on first base, Wilkins on second, Harper was short stop, Huff on third base, Smithson was catcher, Wyatt was pitcher, left field was Lamar, center field, Boulard, and in right field was Berden.

### Tri-Hi-Y and Hi-Y Presented Play

The Lone Oak Tri Hi Y and Hi Y presented a one act comedy in the gym on March 28. The play was Elmer and the Love Bug. It was presented to help the Tri Hi Y and Hi Y to raise money. I feel sure all the people who saw it enjoyed it.

### THE SNOOPER

Donnie B. best luck in everything and you know what I mean.

Nancy K. I do hope you like Texas.

Bertha S. how are you and that cute Heath boy doing?

Boys, the banquet is drawing near so lets not forget to save up some money and ask a girl soon or otherwise someone else might ask her first.

K.E.A. VACATION

April 7-11 is a date to be remembered by a lot of students from L.O.H.S., that is the date of the L.O.H.S. K.E.A. Vacation. Listed below are several names and what some of their reasonless actions were.

- Terry Keeling—Monday 7:30 I held up the Paducah National Bank, Getting Drunk and going swimming doesn't pay I just found out, I almost drowned.
- Donald L. Starnes—I enjoyed it very much.
- Maxine Sparks—I've been sleeping, eating, drinking, and have been very very merry, until Saturday night, I got caught.
- Charlotte Lamar—I had a very industrious week and enjoyed it a whole lot.
- Kenneth Edwards—I dug a ditch to put all of Keelings empty cans in.
- Nancy Kelly—I enjoyed my vacation very much although I had to work most of the time.
- Joyce Ross—I think K.E.A. vacations are great, and we need more of them. I certainly enjoyed mine.

Certainly these are not the most interesting things that could happen to some people but they could not be any more comical, not all of them are true either. It wouldn't be possible to interview everyone in high school so all you that didn't get in on this, compare these with your vacation and we hope that you had a good one.

Tri-Hi-Y And Hi-Y  
Holds Joint Meeting

The Lone Oak Tri-Hi-Y and Hi-Y held a joint meeting at the high school on Monday, April 21. The meeting was called to order by Tri-Hi-Y Vice-President Pat Dowell with members repeating the club's purpose, "To create, maintain and extend throughout the home, school and community life, high standards of Christian character."

The devotion, Romans 7:1-4, was given by Tri-Hi-Y Chaplain Molly Trainor with Rev. James Cooper leading in prayer.

The business meeting consisted of the appointment of Tri-Hi-Y members to the Nominating Committee for Officers for 1958-59. The girls appointed to this committee are Nancy Craver, Janet Womble, Gale Kelly and Sarah Ross. Mrs. Gwen Helfer, Tri-Hi-Y Advisor, and Tri-Hi-Y President Barbara Boss will assist this committee in selecting the officers for 1958-59.

Plans were made for a bake sale to be held on May 10 or 17 at Paducah Dry Goods. Molly Trainor and Kay Hartwell were appointed as co-chairmen of this bake sale.

The two delegates for Youth Assembly which the Lone Oak PTA are sending were announced during the meeting after having been elected at a called meeting on April 14. The delegates that were elected are Pat Dowell and Eddie Metcalf.

Other delegates that are also to represent Lone Oak at the Youth Assembly, April 23-26 are as follows: Barbara Boss, Betty Brookshire, Kay Hartwell, Patty Vaughn, Carolyn Schmidt, Shirley Moore, David Coram and Buddy Rushing.

Announcements were made concerning the posters for Youth Assembly.

The meeting was adjourned with the forming of the friendship circle and the singing of "Bless Be the Tie". Mrs. Gwen Helfer, Tri-Hi-Y club advisor, led in the closing prayer.

THOUGHTS FOR TODAY

If times are hard, and you feel blue,  
Think of the others worrying, too,  
Just because your trials are many  
Don't think the rest of us haven't any.

If we could look in every heart  
We'd find that each one has his part;  
And those who travel fortunes road  
Sometimes carry the biggest load.

It is a funny thing, but true  
That folks you don't like, don't like you.  
I don't know why this should be so,  
But just the same I always know,  
If I am "sour" friends are few;  
If I am friendly, folks are, too.

RAT FEEDING EXPERIMENT

A real-life lesson in food and health is being carried on by the 5th grade pupils of Mrs. Du Laney's room by conducting a white rat feeding experiment. It has been carefully planned and is being handled entirely by the pupils—which include handling, weighing, planning diet, feeding and keeping cages clean. Accurate records are being kept and a wall chart dramatizes the results from day to day.

The rats have been named "Nutritious" and "Delicious". Nutritious gets foods planned from the 7 basic foods. Delicious gets nick nack including Coca-Cola, candy, potato chips, etc.

Characteristics we have noticed in the two rats are:

Nutritious

Clean and tidy habits (except he does put his bread in his milk).  
Smooth, glossy fur, Bright pink eyes, pink nose, feet and tail. Quick and alert movements, and easily handled.

Delicious

Restless, nervous and irritable, pinched look in face, whiskers not long and sharp, skin on ears, feet and tail rough dry and scaly, shaggy and dull hair.

This project has created much interest and is providing useful rewards in the field of correct diet.

The class is hoping to share its experiments and findings with all in school and at home who are interested.

### Basketball Team Receives Jackets

Friday, April 4 the Lone Oak first ten ball players received jackets for their efforts on the Purple Flash team during the 1957-1958 season.

The players to receive jackets were seniors, Kenneth Edwards, Larry Harper, Mike Smithson, Kenneth Weatherspoon, and Gordon Kinsey, Junior Ozzie Tapscott and Sophomores, Larry Davis, Donald Powers, Andy Clark and Kenneth Rushing. This year the managers were Danny Kelly and Tommy Holshouser who also received jackets.

### Lone Oak Downs Reidland

Lone Oak continued their winning this week by defeating a good Reidland team 12-8.

Alex Jeffers started for the Flash but was relieved by Shelby Summer-ville. Shelby pitched a fine relief game, allowing only 3 runs and enabling the Oakers to come from behind and win. Wyatt and Keeling each had a double to pace Lone Oak's hitting attack.

Austin was tabbed with the loss for Reidland.

It was the second straight win for Lone Oak.

### SO LONG

By Dalmos Joyce

The Journalism class is proud to announce that this issue is the last publication of the Oak-K, although there are some who are very disappointed at having this rival take place. If you hear some seniors talking about how hard the Journalism class was, just remind them they made it hard on themselves. The Journalism class is proud to have had Mr. Crooks as their instructor this past school year and for all those inconsiderate people, he hasn't made it half as hard on us as we have ourselves.

### GRADUATION

By Gerald Wyatt

Before long all the seniors will be busy practicing for their graduation. There will be Baccalaureate, Class Night, and then the last and biggest of all "Graduation."

This will take a lot of practices and a lot of their time but it will be well worth it.

The Seniors have gone to school 11 years and are now coming to the end of their 12. Twelve years is a long time to go to school but when you receive your diploma your 12 years were all to a wonderful purpose. So study hard the rest of the year and be one of those to receive that diploma.

## Grade News

### SECOND GRADE

*Mrs. Trevathan*

We enjoyed our week's vacation and came back to school ready to finish the year's work. On Friday before our vacation Mrs. Gray, Mrs. Schmidt, and Mrs. Sherron gave us a nice party and Easter egg hunt. We thank them for this very much.

Carol Thompson had the only birthday in April.

*Mrs. Record*

Most all the children enjoyed the spring vacation. Most all have recovered from mumps and other illness and our attendance is good again.

Five children have perfect attendance for the year. They are Jimmy Arnold, Kippy Taylor, Katie Collier, Catherine Wallace, and Paula Thurston.

Birthday Greetings for April and May go to: Lee Cathy, Regina Fulton, Brent Bartlett, Kennedy Brooks, Rickie Goode, Valerie Ford, and Johnny Wagoner.

*Mrs. Peyton*

We welcome this spring weather so we can play outside. We enjoy our science table with spring time giving us so many different things to collect and share with others.

Thanks to these mothers for a lovely Easter party: Mrs. Shaw, Mrs. Hodges, Mrs. Downey, Mrs. Moore, Mrs. Champion, Mrs. Hargrove, and Mrs. Samsil.

Birthday Greetings for May and the summer months go to: Judith Brindley, Linda Rice, Marcia Salvi Jane Sullenger, Keith Crews, Pamela Groben, Joy Weitzel, Brenda Moss, Gerald Byrd, Steve Wadlington, and Butch Convey.

### THIRD GRADE

*Mrs. Allcock*

We wish to thank Mrs. Goin and Mrs. Schumaker for the Easter egg hunt and the party in our room.

The children enjoyed their spring

vacation. Many of them made out-of-state trips while others visited relatives not so far away.

Now we are trying to work a little harder and finish our third grade work. One reading group has just started reading The Five-And-A-Half Club and they like it very much. We have recently added five other books to our reading collection and enjoying them.

Those in our room who have birthdays in May and during vacation months are James Dale Armstrong, Daryl Blagg, Clarence Garnett, Michael McClure, Donnie Timmons, Mike Harris, Donna McNeil, and Terry Council. To these we say "Happy Birthday."

*Mrs. Haselip*

We enjoyed the Easter Egg hunt; and Larry Griffith, Kathy Charlton, and Steven Farmer received prizes.

Brenda Waters, Lynette Lane, and Linda Wickliffe are back in school after having mumps. We hope Suzanne Harper will soon be well.

The children have been copying poems for a booklet.

We have enjoyed our library books this year and appreciate the service Mrs. Helfer has given us.

Happy Birthday to Donna Kennerley, Judy Reecer, Suzanne Harper and Dale Todd.

### Noise In The Hall

Did you ever stop and listen to the noise in the hall before school and at lunch time? People gang up in bunches around the front of the library and around the lockers and talk loud and impolite, slam the lockers and other things that can cause a disturbance to people who are trying to study or read.

So for the few remaining weeks of school lets go into a room and sit down at a table or in a chair and do a little more final studying or at least give other people a chance until school is out.

## DRAG STRIP

*By Gerald Wyatt*

I think drag racing is a sport which most all boys and some girls are interested in.

The nearest drag strip around here at the present, is at Sturgis. There has been racing twice this spring, and another is to be held May 4.

Drag strips are under good sponsors which make it possible for boys to have a place to go and see how fast their car will run in a quarter of a mile and still be within the law.

I think there should be more Drag Strips and then there wouldn't be as many boys racing on the highways.

## Carelessness

*By Gerald Wyatt*

There has been too much carelessness in school this year. The study hall window has just been broken and that is just one of many careless things that have happened. Carelessness is when you don't care or have any interest in anything. If you don't care about anything, you aren't going to have respect, for yourself, and people aren't going to have any respect for you. So let's wake up and take notice. Let's care about and have respect for everything we do.
