SENIORS GRADUATE MAY 28

Calendar Girl

This month we have chosen Linda Shaffer, daughter of Rev. and Mrs. Ray Shaffer of Route 5, as our calendar girl.

Linda is seventeen years old and is active both in school and church work. She is a twin to Wanda Shaffer.

Her subjects are bookkeeping, clerical office English and business math.

This year Linda was chosen as "Lady Beautiful" of the Senior Class. We are proud to have her as a representative of our school. We are certain she will go far in life with her kind and pleasing disposition.

TRI HI Y

The Lone Oak Tri Hi Y met on April 20, with 30 members present. They had their usual business meeting and discussed a hay ride. The date will be set next meeting.

The devotion was given by Sherry Miller and prayer was led by Kay Hartwell.

The members of Tri Hi Y, who represented the club at "Youth Assembly" were Kay Hartwell, Rose Jett, Carolyn Livingston, Martha Ross, and Shirley Moore. Miss Bishop and Rev. Cooper went with the Tri H girls and the Hi Y boys.

The club thinks it is very fortunate in having these girls representing them.

There will only be two more meetings this year, the last one will be the Installation of the Officers, for the year of 59-60.

The members who are leaving Tri-Hi Y want to wish the new officers and members a lot of happiness and luck for the next year.

BALL PLAYERS RECEIVE JACKETS

Seven ball players received jackets on April 27. They were Ozzie Tapscott, Larry Lane, Carl Page, Jack Gilbert, Ike Huff, Tommy McIntosh, and Ernie Owen. All these boys well deserve their jackets for their hard playing ball.

We are very proud of these boys and we know they will appreciate their jackets.

"Career Day"

Lone Oak had its annual "Career Day" Friday, April 24, 1959. It started with an assembly in the auditorium at 9:00 A.M. The invocation was given by Rev. L. W. Carlin, pastor of Bellview Baptist Church. Mr. Leon Smith, superintendent of McCracken County schools gave the welcome. The A Cappella Choir sang "Open Our Eyes." Talks were given by Mr. M. O. Wrather, of Murray State College, and Mr. Bill Powell, from the Paducah Sun-Democrat.

After the assembly the students attended three different classes about the careers in which they were interested. The eighteen professions represented were: industrial arts, nursing, elementary education, secondary education, science and engineering, physical education, how to register for college, music, home economics, stenographers, beauticians, business administration, veterinarian, telephone operators, arts, agriculture, armed forces and safety.

At 12:00 lunch was served in the gymnasium for the seniors, high school teachers, and the guests.

Lone Oak Graduates Give Recital

James G. and Mary Caroline Allcock, students of Union University, Jackson, Tennessee, presented a musical recital in Powell Chapel, Monday evening, April 13, 1959. James Jr., baritone and Mary Caroline, pianist, showed their talent and accomplishment in the music field by using compositions by some of our most famous musical composers.

James, a sophomore at Union, is majoring in music. He is president of the Allegro Music Club and a member of the Alpha Tau Omega Fraternity.

Mary Caroline, a senior at the University, is majoring in elementary education and music. She has accepted a position in the elementary schools in Denver, Colorado for the coming year.

Our own Mr. and Mrs. James C. Allcock, Sr. are the parents of James Jr. and Mary Caroline.

State Musical Festival

The second, third and fourth of April were the days of the state musical festival held at Murray.

The second of April was set aside for piano solos, vocal solos and etc. Janice Padgett was given a "superior" rating, Rose Jett an "excellent" and Judy Vincent a "fair" on their piano solos. Karen Eby and Billy Lawrence were both given "excellent" ratings on their vocal solos.

April 3 was the day for the small ensemble groups. The mixed quartet was given a "good" on their number, the boys' quartet an "excellent" and the girls' sextet rated a "superior."

April 4 was the day for the choirs, choruses and etc. to perform. The A Cappella Choir, mixed chorus and girls' chorus were all given a "superior" rating.

Everyone is proud of Lone Oak's music department and thanks to Mr. Tom Hurley for the time and effort it took to prepare these numbers.

GOOD BY SENIORS

The big day is coming, the one all of us have been waiting for, but are you really ready now that it is time. All year you say to one another, I just can't wait until I am out of school. Now that the time is getting closer you are thinking, school wasn't so bad after all. We all had our ups and downs with our teachers, and say that we dislike them, but in the end we all will change our minds about the teachers.

Lets assume that it is time for us to graduate, you get to school, your gown and cap on, you walk toward the auditorium, it seems like such a long walk, but think of it this way, it will be your last walk at L.O.H.S. as a student.

After you have taken your seat, your mind begins to wander way back to when you were in elementary school, it seems like such a short time ago. After you think of this, you begin to think of the first three years of high school, it seems like only yesterday that we were taking English from Mrs. Hicks.

Back to reality, you are walking toward the stage. Then you start wondering again about all the good times that you have had at L.O.H.S. Suddenly your name is called, you walk out on the stage unsteady, shake hands, and receive your diploma and hear those sad words, Good Luck Senior. After this, all of your high school days are in the past.

But what of those others who were not as lucky as you. Those who had to quit, those who wanted to go on but couldn't. Yes, you are lucky indeed. Appreciate your opportunity and make good throughout your life and do your best to do your part in being an upright citizen.

Good Luck and Good By SENIORS.

The Oak "K" Staff

The journalism department this year contained five girls and 15 boys.

They are: Joyce Vaughn, Ann Morris, Bertha Pace, Janet Womble, Sherrell Jarvis, Nellie Clayton. The boys being: Archie Claypool, Kenneth Gross, Larry Lane, Tinker Moore, Kenneth Meadows, Dale Reeves, Joe Wilson, Bob Steele, Jimmy Cruce, David Coram, Buddy Rushing, J. D. Bristoe, Billy Shannon, Ozzie Tapscott, and Mike Thompson.

Ann Morris dropped journalism after the first semester and Joyce Vaughn and Bob Steele entered the subject the last semester.

We hope each and every reader has enjoyed the paper we put out. We tried to print the most interesting subjects we could find.

Library News

All of the library books must be checked in a week before school is out. If your books are overdue or if you haven't paid your fine, you can't check out any more books this year.

Miss Puckett says, "Be sure and turn in the books you have checked out or you can't get your grades at the end of school."

"LOOKING TO THE FUTURE"

We, as Seniors, are standing on the threshold of a new life. A life to which we aren't accustomed. We are facing a world full of rockets, guided missiles, satellites, and talk of outer space. Are we prepared to step out and meet the role of being an adult?

As our high school days draw to a close and we think back over the years, we ask ourselves several questions. "How many times did we play around and not pay attention in class? How many times did we really try and 'put our best foot forward'?" The scales are pretty unbalanced, aren't they?

Now we are beginning to realize how much the teachers we despised mean to us. When things were tough it was for our own benefit. They were trying to make us good citizens. Teachers are in the teaching profession to help us. Heaven knows it is not for the money!

My, how time does fly! In just a few weeks we will be marching down the aisle to the musical strains of **The War March of the Priests**. There won't be many dry eyes in the audience. Yes, we did brag, "I won't be the least bit sad—I'll be glad to get out!" But when graduation night comes and we march across the stage, receive our diplomas, and shake Mr. Robinson's hand there will be a lump stuck somewhere in our throat that just won't dissolve.

It's not all sad. Graduation is a beginning! Even though we will be parting—some of us never seeing each other again—we have a bright future to look forward to.

We are the nation of tomorrow! We will be good citizens because we realize the world's future rests in our hands.

The Time Is Coming

Yes, seniors the time is coming. Have you learned what you should have learned in high school? If you haven't it is just about too late now because GRADUATION IS MAY 28. You need to get on the ball.

Teacher Of The Month

Miss Joyce Bishop has been selected teacher of the month. She graduated from Valley High School Jefferson County in 1954. She completed four years at Georgetown College, receiving an AB degree in Physical Education and having a minor in Sociology and Economics. Miss Bishop graduated in 1958.

Miss Bishop likes teaching at Lone Oak very much and plans to return next year. She finds the students very friendly and cooperative. Miss Bishop has enjoyed this year very much and she only hopes that next year will be as interesting and enlightening.

It Is Easier To Criticize Than It Is To Do

The galleries are full of critics. They play no ball. They fight no fights. They make no mistakes because they attempt nothing. Down in the arena are the doers. They make mistakes because they attempt to try many things.

Ford forgot to put a reverse gear in his first automobile. Edison once spent \$2,000,000 on an invention which proved of little value.

The man who makes no mistakes lacks boldness and the spirit of adventure. He is the one who never tries anything. He is the brake on the wheel of progress.

Lone Oak Wins Over Ballard

Lone Oak won its third game of the season by beating Ballard by a score of 5 to 4 in 12 innings. Ballard scored three runs in the top of the first ining and didn't score again until the tenth.

Lone Oak scored in the 2-4-6-7-10-12th inning. Jerry Newton had 3 hits for Ballard. Johnny Overton and Johnny Wilkins each had two hits for Lone Oak. Shelby Summerville had the big hit with a home run in the third inning with nobody on base. Jimmy Lovelace was the loser for Ballard.

Ike Huff was the winner for Lone Oak.

CAN YOU IMAGINE?

Archie Claypool graduating this year?

The Journalism class being in debt at the end of the year?

Shelby Summerville going with a Freshman girl?

Carl Page making an A in English Literature?

Dale Reeves going back to his girl Connie?

Mickey Williams having a quiet car with stock mufflers?

Everybody in Senior Agriculture making an A?

What would happen if the Recreation Hall had to close?

What the boys that went to Youth Assembly in Frankfort did while they were there?

Janice Boaz not being crazy over some boy?

Mr. Crooks being a modest man about his work?

HI - Y - NEWS

The Hi-Y-Club sent four members to Youth Assembly on April 22 to represent their club. David Coram went as Campaign Manager, Tommy Holshouser, as Senator, Jimmy Cruce and Eddie Metcalf as Representatives and Mike Thompson as Press Representatives.

The Hi-Y bill was to improve school cafeterias and it passed and the club is very proud of it passing.

If the boy's next year want to have a good time be sure to join the Hi-Y.

Thanks Teachers

The Senior Class of '59 would like to thank each and every teacher who has been patient, kind and understanding throughout our four years of high school.

Soon we will be journeying through life, making our own way and the many things that you, our teachers, have taught us will be before us as our constant guide.

There have been many times we, the Senior Class, have not listened or have criticized, but at last, after four years, we realize that we should have paid attention.

Many times we've written themes for you. But always not wanting to and hating every minute of it. Always we knew more about the subject than any book and we just couldn't understand why we had to write those silly old themes. Never once did we stop to think that we might add a few new words to our vocabulary.

In typing we wondered why we just had to have 60 net words a minute. Just so we knew where the keys were, what else mattered? Now who would want a secretary who used the "hunt and peck system"? Yes, those of us who reached that goal are proud. It will enable us to obtain a much better job.

In our sewing class, not one girl knew why we did our sewing in class. Well girls, Mother won't be with you always.

Yes, there are many things that you have taught us in the past four years. Many of them we will remember and some we will forget. But always we will be thanking you for the many things you have done for us.

Not many days from now we will be marching down the aisle, in our caps and gowns. Then we will walk across the stage and then we are on our own. Never again will we be the care free high school boys and girls. Never will we sit in your classes. Yes, teachers we will leave you now but there will be others to take our place. Some of those will be writing you a note of thanks, like this one, at the end of their senior year. I just wonder if their eyes will be dry?

Yes, the organ has just begun to play softly and sweetly "The March of The Priest" and we are now marching out, out into a world of struggles and hardships. Most of us will be prepared for what will confront us.

As the last note is played not one eye is dry. So to the teachers of L.O.H.S., the Senior Class of '59 raise their thanks to you.
