Secretary Karen Eby
Club Reporter Johnny Glisson

QUILL AND SCROLL

Sponsor Mr. Elbert Crooks
President Carol Clark
Vice-President Sherron James
Secretary-Treasurer .. Sue Puckett
Reporter Phyllis Edwards

FFA Boys Start Ground Beautification

By Wilford Davenport

The FFA boys have started on the beautification of the school grounds. The ground next to the agriculture building and the ground across the drive-way from the agriculture building is being worked on.

The ground across from the agriculture building which has been occupied with play ground equipment for some fifteen to twenty years is being turned into a parking lot. The equipment is all being moved and this is quite a job because each piece of equipment is set in the ground with concrete around them. They are from two to four feet deep. The ground will be filled in and leveled, then gravel will be spread. Possibly later on it will be paved.

The ground by the agriculture building will be cut down and a rich top soil will be put on top. There are also plans for a large rose bed in the center of the plot and other shrubs are planned to be set. The ground will be seeded and the taking care of it will also be done by the FFA boys.

County Fair Exhibit

By Sherron James

The exhibit entitled "Let's Plant a Tree" at the McCracken County school fair should have been of particular interest to the people of this county because it is aimed at beautifying Paducah and its environs.

The exhibit consisted of sample trees, tools, and lawn furniture. Passersby were told what trees that the Community of Garden Club Council would like to see planted and how to plant them.

The council called to everyone's attention that November is "Plant a Tree Month" here.

For this exhibit we wish to thank all the garden clubs of Paducah and the P.T.A.

We also wish to thank the nurserymen from the Paducah area for their donations of trees for school campuses.

Mrs. Edwards

We are glad to have Mrs. Edwards back to school with us again.

Due to an operation which she had in Memphis, she was unable to be with us at the beginning of the school year.

She is proud to be back in school, and hopes to be able to stay with us.

SAFE DRIVING

Sponsor Mr. Jess Hall
President Charles Dallas
Vice-President Ike Huff

New Class Officers Of 1959-1960

By Wilford Davenport

The new class officers have been elected. The results of the elections are as follows:

Senior Class

President — Ande Clark
Vice-President — Fred Elliott
Secretary — Gale Kelly
Treasurer — Tommy McIntosh

Junior Class

President — Dickie Thompson
Vice-President — Danny Kelly
Secretary — Diane Hastings
Treasurer — Donne Kay Englert

Sophomore Class

President — Larry Kaler
Vice-President — John Bouland
Secretary — Jackie Livingston
Treasurer — Judy Womble

Freshman Class

President — Joe Sloan
Vice-President — Pat Hawley
Secretary — Sherron Merrick
Treasurer — Phillis Overstreet

I know that these new officers will do a good job with your help and cooperation.

MAGAZINE DRIVE

By Junior Overstreet

The Junior Class of Lone Oak High School has just completed their annual magazine drive.

Danny Kelley, son of Mr. and Mrs. W. D. Kelley, broke all records when he sold more magazines than any of his 108 classmates. We say hats off to Danny. We need more people interested in our school.

Kay Hartwell, daughter of Mr. and Mrs. Charles Hartwell, reached second place when she sold magazines right and left.

Johnn Glisson, son of Mrs. Rubye Glisson, won third place in the drive.

The Junior Class wishes to thank each and every one who took subscriptions from their class.

CALENDAR GIRL

We have chosen Wanda Brittain as our calendar girl this month. Wanda, daughter of Mr. and Mrs. Otis Brittain, lives on the Highland Church Road.

Her subjects are: Home Ec., English, Music, and Health. Her favorite subject is Home Ec.

She is 15 years old, 5' 2" tall, and weighs 105 lbs. She is a member of the Lone Oak Baptist Church.

Music Department Gets Ready For Quad State Festival

By Jerry Sullivan

Immediately after the school fair the music department of Lone Oak High School began work on a pop concert which will be given in the latter part of November. Also during the month of November sixteen students of Lone Oak will have the privilege to attend the quad state festival at Murray, Kentucky where choirs from Reidland, Heath, and many other schools will take part in the giant singing festival.

Mr. Hurley says the seventh and eighth grade choirs have been organized and have held practice sessions for the last two weeks and so far are doing real good.

As for the music program given at Reidland on the eve of the school fair, Mr. Hurley is quoted as saying, "The choir wasn't up to its usual standards, but with no more practice than we had and under the trying circumstances, I think we did very well."

CHEERLEADERS

On October 8 an assembly was held for the purpose of electing cheerleaders.

Fourteen girls went out for A team cheerleaders. The lucky five winners were: Winetta Wilkerson, Danette Littleton, Gale Kelley, Lavern Kindred, and Becky Johnson.

Thirteen girls went out for B-team. Eleven of them were freshmen. The winners were: Kay Shields, Judy Womble, Brenda Winn, Carolyn Douglas, and Linda Cole.

Congratulations and the best of luck to each and every one of you!

1959 - 1960

BALL SCHEDULE

The Lone Oak Purple Flash has 23 scheduled games for the regular season of 1959-60. Of these 23 games there will be 11 home games and 12 games played away from home. The games are as follows.

Date	Opponent	Place
Nov. 10—	Livingston Central	Away
Nov. 13—	Symsonia	Home
Nov. 17—	Lowes	Away
Nov. 20—	Ballard Memorial	Home
Dec. 1—	St. Marys	Home

The Snooper GUESS WHO?

Letter From The Editor

By Carol Clark

I'm sure most of the students here this year are very pleased to have all of the new clubs. Mr. Robinson has gone to much trouble getting these clubs organized and arranging their meetings.

Since we all are in at least one of these clubs, let's do our best as a member of that club. Let's all do what is required of a good member.

By doing this we will be showing our appreciation to Mr. Robinson and all of the sponsors of these clubs as well as making a better citizen of ourselves.

Student Council

The Student Council is in hopes that it can play an important role in raising the standard of our school. The group has not yet planned any special project, but if one is announced it is every student's responsibility to cooperate.

The Student Council consists of the president, vice-president, and the secretary of each class. The members of the Council are scheduled to meet with Mr. Robinson, the adult adviser, every two weeks. These are the representatives of your class, so if you have any problem which comes under their jurisdiction bring it to their attention.

"SNOOPER"

Winetta, why do you only go with other boys when Johnny is away at college.

Jack Gilbert, we hear you have to drag Wanda Brittain into your car to take her home.

What's with this curl in the middle of your forehead boys?

"When he is good he's very good, But when he is bad he's horrid!"

Sylvia Rogers has filled Janet Womble's shoes this year, she has a new love every week!

"Is this really love?" This is the question Jack Gilbert and Judy Vincent are asking each other.

Who looks forward to third period study hall just so she can get a glance at her dreamboat??? Wonder who it could be, Jack?

Billy Hopwood, we hear your nick name is Billy Willy Lump-Lump!

Kay Shields, we hear that initiation is going to be rough for you this year.

Jackie Livingston, why don't you like the headlining in Charles Shield's chevy?

We wonder if Ike Huff would let Danette Littleton copy off his Advanced Government test.

What sophomore boys would skip Mrs. Gills third period English class.

A thought for the month: Blessed are they that go around in circles for they shall be called "WHEELS."

OF THE MONTH

Senior Girl Linda Saucier

National Forensic League

Mrs. Neville McCracken, president of the state NFL, is trying to get a chapter started here at Lone Oak. We are very proud to have Mrs. McCracken at Lone Oak this year and we are very pleased that she is taking such an interest.

Many of you do not know any thing about NFL. Membership in a national honor society is the proper objective of the ambitious and forward looking student. It represents recognition of an achievement of which he will always be proud. For many students it is the high point of their high school career. For others it opens the door to still greater opportunities and success.

Some of these opportunities are available immediately in the NFL district tournament and student congress, open only to members of NFL, and in the National Speech Tournament and National Student Congress reserved for the NFL members who earn the right to participate in these significant events.

Its greatest value is found in the encouragement and incentive NFL gives to become an effective speaker and hence a more successful and influential citizen in whatever endeavor you choose. NFL trains for leadership. To be a leader in your school today and in your state tomorrow, become an NFL member.

Those having the number of points required and eligible for membership here at Lone Oak are: Gregory Weitzell, David Emerson, Kay Hartwell, Karen Eby, Emmett Clark, Diane Hastings, Ande Clark, and Carol Clark.

Mr. Jess Hall, Jr. was previously a member at Tilghman. He will become a member of the Lone Oak chapter.

County Style Show

Sylvia Rodgers and Sheron James

On October 2nd and 3rd the annual McCracken county fair was held. On the night of the 2nd, Reidland, Heath, and Lone Oak presented a style show and music program. Concord elementary sextet, Farley elementary trio, and Freemont elementary chorus were also in the music program. There was a combo consisting of a guest drummer, Jerry Arnold from Murray State College, Mr. Deaton, teacher at Heath played trombone, Mr. Barnard, teacher at Reidland on the piano.

The style show preceded the music program. There were ten girls from each school who participated in the style show. The clothes were furnished by Jean's Shop of Paducah. The types of clothing modeled were: wedding ensembles, dinner and date dresses, suits, school clothes, and sports wear.

The girls that participated in the style show from Lone Oak were: Patty Crosley, Judy Vincent, Elaine Hayes, Mary Jane Wesson, Kay Hartwell, Carolyn Clymer, Anna Edwards, Sherron Slusmeyer, Cheryl Cunningham, and Betty Jo Weitlauf.

As the girls' names were called they walked onto the stage. When the moderator finished talking about each ensemble they were helped down a staircase and walked out in front of the audience. There were four boys who helped the girls down the steps. The boy from Lone Oak was Tommy McIntosh.

FASHIONS

By Sheron James

If it's a date look your prettiest in dresses and accessories of the latest fashions. Remember girls if you are smartly dressed you will always get that second look.

Velveteen bodice has the effect of loveliness, to your skin, with a satin skirt. Bow earrings with matching bangle, sets your outfit on the right angle.

Softly gleaming under night lights, a brocade dress and jacket called, for its understated elegance, the theater suit. A single strand pearl or crystal necklace sets off a plain neck line.

To make you feel more feminine—bell sleeves crisply flared on a bateau-necked sheath will give you the assurance of all your date's attention. The more romantic effect is the belled sleeves and a full drifting skirt. Moire velvet bag with a pin of crystals and pearls will inspire your romantic mood.

For instant success on a date, a black wool jersey dress he is sure to love. This black magic is self-assured no matter where the evening takes you. Capri bracelet and MM French tapestry bag will rate admiring glances from everyone.

A very special evening would need a dress to match: antique ivory acetate and viscose brocade. Bell sleeves will enhance your special evening.

With all your striking outfits wear gloves because they give you that fresh, dressed-up appearance. Remember girls those gloves look better on then when you hold them in your hand.

Homer (Poodle) Houpp Has Retired

By Buddy Bell

Have you been missing the kind, smiling face of Poodle? If you have and you are wondering where he is, he retired on the first of July, 1959 at the age of 65. Poodle worked at Lone Oak as janitor for 15 years.

A few years ago Poodle was Scout Master here at Lone Oak. He had more Eagle Scouts than any Scout Master in the Four Rivers Council. Since he retired he has become Scout Master at Hendron.

Before he started working for Lone Oak he was a farmer, and in the younger part of his life he worked on a boat.

He is a member of the Highland Cumberland Presbyterian Church, where he serves as an Elder.

I would like to say if it wasn't for Poole there are several boys who wouldn't have made it through high school.

Let's not forget Poodle just because he is not with us. We will always have a soft spot in our hearts for Poodle, because he is a wonderful man, and we sure do miss him.

Another New Bus Driver

Mrs. Rosetta Manning of the Lovelaceville Road is the latest addition to our Transportation Staff.

Mrs. Manning has two children attending Lone Oak Elementary School and her husband, Kenneth, works for Southern Bell Telephone Company at Mayfield, Ky.

We are happy to take this opportunity to welcome Mrs. Manning and hope she has a happy year with us.

Safe Driving

Lone Oak has a safe driving club which we think will be a worthy thing to have, especially around the school.

Fines will be set for the members of the club, if they are seen speeding or driving reckless by other members of the club.

The money received from the fines will be spent for some posters to promote safe driving.

We all can help in this project by driving safely not only around the school but every where you go.

Lone Oak Is
Downed For Second
Loss In A Row

By Eugene Littleton

In the first game with Ballard for the fall season Lone Oak lost its second straight game by the score of 8-1.

Lone Oak was never near enough to Ballard to be a threat, as there was only one run scored. This run was scored in the seventh inning by Harper.

Birthday's For October

Let's Wake Up To
Education

By Faye McNeil

The facts indicate that it is not so much the public that needs to be awakened to a better education for our pupils but the educators themselves need to wake up.

When a Russian graduates from high school he has had five years of physics, four years of chemistry, one year of astronomy, five years of biology, ten years of mathematics and trigonometry, and five years of a foreign language.

A survey was taken of American high school graduates and found, fewer than one-third take a year in chemistry, only one-fourth study physics, one-seventh of these take advanced mathematics and we are extremely far behind in foreign languages.

This survey proved Russian pupils learn more in ten years than we do in twelve.

Teacher Of The Month
This month we have chosen Mr. Richard A. DiSilvestro as our teacher of the month.
He attended college at the University of Pennsylvania. While in college he was president of Alfa Phi Delta his second year, played football two years, and in Dramatics Club. He graduated in 1955.
He taught school at St. Peters High School, where he graduated, in New Brunswick, New Jersey, before he came to Lone Oak.

He was in the navy three and one half years. He served in New Foundland. While in the navy he coached 2 navy basketball teams and a softball team.
He is married to the former, Miss Huff of Lone Oak.

Ballard In Second**
By Eugene Littleton
Lone Oak came back at Ballard in the second game of the season with the Bombers, for a 9 to 4 victory in the last game for Lone Oak.
There were two runs scored by Brown with Harper, Huff, Andrews, Copeland, Hodges, Clark, and Gilbert all scoring one run each.
With this final game of the fall season, Lone Oak ended with a five wins and three loss record.

New Assistant Coach
By Kenneth Rushing
We would like to welcome as our new assistant coach this year, Mr. Ken Wray. Mr. Wray graduated from high school at Wingo, Kentucky, and won a scholarship to Murray State College. During the summer, he farmed to pay his college expenses and graduated from Murray four years after entering. Mr. Wray is now married and lives in Lone Oak. His duties as assistant coach include helping Coach Dexter with training the ball team and teaching Physical Education to the boys. We are proud to have Mr. Wray as a part of our faculty, and we hope he will learn to love our school as much as we love it!

**Organization Of
Beta Club**
By Larry Powers
On Wednesday, September 25, 1959, the first meeting of the Lone Oak Beta Club was called to order by Mr. Blackburn, our sponsor.
The first meeting dealt mainly with what our responsibilities are as members, and the election of club officers.
Our responsibilities were summed up in three categories, Achievement, Character, and Leadership. All Beta members should try to meet these responsibilities to the best of their abilities.
Club officers elected are as follows: President, Fred Elliot; Vice-President, Garry Blagg; Secretary, Carolyn Reeves; Treasurer, Lyndol Baumgardner, and Reporter, Larry Powers.

The members of the Beta Club, students who have studied and achieved a 2.5 standing or better, are as follows:
Ginger Bean, Garry Blagg, Sharon Bouland, Nancy Craver, Patty Crosley, Cheryl Cunningham, Charles Dallas, Karen Eby, David Emerson, Alicia Englert, Donna Kay Englert, Loree Faith, Faye Foster, Kenneth Harper, Kay Hartwell, Dianne Hastings, Lloyd Housman, Danny Kelly, Clarinda Krinard, Judith Lamm, Pam Leeper, Jim Mitchell, Vadis Otey, Taylor Phelps, Wilma Schmitt, Brenda Smith, Dick Thompson, and Betty Jo Weitauff.
The preceding 28 were all juniors, the following 17 are seniors, a total of 45 in the Beta Club.
Lyndol Baumgardner, Ande Clark, Carol Clark, Emmett Clark, Fred Elliott, Ike Huff, Gale Kelly, Robert Knott, Danette Littleton, Tommy McIntosh, Patty Miller, Larry Powers, Carolyn Reeves, Joe Sanderson, Molly Trainor, Phyllis Whitmer, and Larry Yates.

**School Fair Is
Great Success**
The annual McCracken County School Fair is growing bigger and better every year. Each year since 1957 the School Fair has drawn a large attendance which witnessed the accomplishments of the McCracken County schools.
A combination of planning, preparation, and hard work made Floral Hall a very inspiring sight. Each phase of education was adequately represented by an eye catching booth.
Besides informing visitors about our educational system, the fair presented an opportunity for friendly competition in sports events. It also gave the agriculture boys and home economics girls a chance to display the products of their long hard toiling.
Without question the School Fair is a wonderful event, and each student should be proud to have the privilege of participating in such an event.

College Education
Most of us have at one time or another considered the possibilities of attending college. There are numerous advantages for attending college. One being that while in college you will further your education. In college you will study subjects which in high school you only barely touched upon. You will go into these subjects completely.
Another advantage to attending college is it will raise your standard socially. In college you will meet and associate with people who are intellectually higher than you. From this association you will naturally be better able to get along with society.
The third and last advantage is the brighter future. It is a known fact that persons with college educations make more money. This is a factor you should consider. People with college educations are tops in their chosen field. There is always the chance of improving your position.
There is one thing above all else you should remember and that is college is a choice. You and only you make the decision.

WORLD AFFAIRS

By Carrel Childress and
Joe Pat Brittain

A United Nations fact-finding sub-committee in Vientiane, Laos said recently it has completed its investigation of alleged Communist aggression in revolt-torn Laos and will return to New York next week to write its report.

We just wonder what the truth really is!

We see Mr. Khrushchev came on a "friendly" visit to the United States!

Wonder why he lost his temper so many times?

There are "big" plans for the Big Four Summit to meet in December. But nothing is "definite" yet!

Eisenhower has been on vacation again!

Wonder how many this makes?

Is Von Braum right about the United States not developing as powerful rockets as Russia is developing?

Why did British Prime Minister choose to have elections in the Autumn?

Reckon he will get what he chooses?

Use Of The Library

By Melinda Brown

When you have a library book checked out do you treat it as your own? A book is a book whether it is publicly owned or privately owned.

Mrs. Helfer and her student librarians are constantly mending books. If you have one that needs mending have it mended before it gets beyond repair.

Two or more girls work in the library every period to check-out books and magazines. Remember they have to go to class the same as you.

Books are checked out for two weeks. You should be able to read them in that length of time, but if you can't, you may renew them for two more weeks.

If you find a library book return it to the librarian or to a teacher. Remember the person who checked it out will have to pay for it, if it is not found. Would you be guilty of that?

The student librarians are:

1st period Carolyn Douglas and Elaine Shoemaker

2nd period Patty Crosley and Shirley Myrick

3rd period Dortha Dykes, Mary Wesson, and Shirley Rushing

4th period Betty Reynolds and Betty Vaughn

5th period Pam Leeper, Carolyn Clymer, and Kay Hartwell

6th period Linda Madley and Frances Hamm

7th period Linda Shepherd and Laverne Kindred

The library receives several newspapers. They are the Christian Science Monitor, Paducah Sun-Democrat, Murray State College paper, Southern Illinois University paper, and University of Kentucky paper. There are several magazines being taken that we have not had before.

The bulletin boards are changed frequently and perhaps you will see books suggested on them that you would enjoy reading. Watch for them.

Noise In The Hall

By Judy Cooper

Slam! Crash! Bloohey! That is the noise in the hall between classes. Talking, the stampede of rushing feet, and the banging of locker doors, that is the bedlam of noise.

With a little co-operation we could cut out some of this confusion. We could talk to our friends some other time, slow down and still get to class on time, and take a second or two longer to quietly close our locker doors.

It really wouldn't be such a hard task to do this and a little effort on everyone's part would get it done.

F.F.A. EXHIBITS

By Carrel Childress

This year Lone Oak was well represented at the County School Fair in F.F.A. Exhibits. Lone Oak had the majority of the exhibits at the fair.

The boys of the F.F.A. had several entries of corn, several entries of tobacco, peppers, apples, sweet potatoes, sorghum heads, tall stalks of sorghum and corn, a cedar chest and an end table made by boys in farm shop. There were several pumpkins at the Fair which was brought by others besides the F.F.A. boys.

Ribbons were given to all exhibits that were at the fair. They gave blue ribbons for 1st place, red ribbons for 2nd place, and white ribbons for 3rd place.

The boys in F.F.A. are going to take the ribbons they won and place them in the F.F.A. scrapbook.
