## FLASH TURNS IN OUTSTANDING PERFORMANCE

Basketball fans really saw an outstanding Christmas Tournament this year. The eight teams involved were: Lone Oak, North Marshall, Heath, Hickman County, Benton, Reidland, Lowes, and Tilghman. Lone Oak was the only team with a losing record, but after the tournament we didn't carry a losing record.

Monday, December 26, Lone Oak was to meet their big rival, Tilghman. The Flash went to that gym Monday night determined to win. Lone Oak took a sudden lead over Tilghman before they could gather their thoughts. The Flash was in charge of the lead throughout the game.

Ron Alexander was the high scoring man with 21 points. Phelps and Johnston followed with 10 each. Overton, Shields, and Dallas gathered 7, 4, and 2 respectively.

Gary Overton took top scoring honors for Tilghman with 13 points. Tilghman tried every way possible to win. They used 12 boys, more than any other team in the whole tournament.

After the Flash showed what they could do against Tilghman, our next opposition was the Heath Pirates. Heath has a very good ball team, but they couldn't hold the mighty Flash down.

Again Ron Alexander took top scoring honors with 23 points. Bill Hopwood and Ron were the key figures in winning that game in the last 13 seconds. Bill ripped the netting on a 30 foot set shot. Ron stole the ball, got fouled and made his two free shots. The ball game was over!! The Flash had won by one point. Other scoring honors for Lone Oak went to: Phelps 6, Johnston 11, Dallas 4, Hopwood 4, and Overton 11.

Gene Wray was high scorer for Heath with 27 points. Chambers followed with 16, Horner and Holland both got 6, and Warford got 3.

At about 8:30, December 27, Lone Oak's playing ability was really put

to the test. We were to face the North Marshall Jets. When they entered the tournament they were undefeated. The boys from Lone Oak went to Tilghman determined to come home with that **BIG** trophy.

Ron Alexander again took top scoring for the Flash with 15 points, but Phelps and Johnston followed very closely with 12 and 11 respectively. Dallas poured in 7 and Overton 3.

The scoring for Lone Oak wasn't as high as usual but remember the boys were very tired after the afternoon game. This also applies for North.

Gary Seay took scoring honors for North with 22 points. Clark followed next with 10. Goheen, King, Darnell each got 4.

This game really showed what the Flash can do if they really want to bad enough.

Some of the Lone Oak ball players played better ball than I have ever seen them play. Charles Dallas looked as if he was climbing those boards instead of just jumping. All of the Lone Oak boys played ball like you've never seen before. Our boys were alert at all times. Phelps and Johnston added a lot of height to the boards. These boys, with the help of the other 3, out rebounded each team we played, not only did we out rebound them, we had a better shooting percentage also.

This ball team has taken a lot of criticism from everyone about our record, how they were playing, and considerable other things. After the tournament, we saw what these boys can do, so why not quit running them down and give them a little praise. Most people will try a lot harder if they are praised instead of criticized. Let's all get behind the team 200% instead of 100% and boast them right on through the **STATE TOURNAMENT** with flying colors.

## LETTER FROM THE EDITOR

It doesn't seem possible that one semester of school is already over. Just think, in another 4½ months we may be seeing some of our classmates for the last time during our lifetime.

Let us glance back over the first semester. How much did we accomplish?

Sure, we have finished so many pages in our math or English book. That isn't the question. We want to find out if you know and understand the work you have been doing for the past eighteen weeks.

I can't help but admire the teachers. Each year they try to impress upon us the importance of studying, but each year we listen with one ear and let it go out the other. And what do we say when semester tests come up? "Did we have that? I don't remember it," and we commence to put the blame for not learning it everywhere except where it belongs—on ourselves.

The life of a teacher isn't an easy one. She must stand up under criticism from all sides. And at the end of a semester we don't make it any easier by griping, complaining, and in general making life miserable for everyone concerned.

As students, we must keep in mind at all times that our success or failure as adults depends a lot on our success or failure in school.

Instead of waiting until the night before the next semester tests, begin now to learn.

There is an old saying that should be put up in every classroom, "Don't put off 'til tomorrow what can be done today."

Sincerely yours,  
Loree

## "TEEN-AGER GO HOME!"

EDITORIAL NOTE—THE FOLLOWING OPEN LETTER TO A TEEN-AGER FIRST RECEIVED PUBLIC ATTENTION WHEN IT WAS QUOTED BY JUVENILE JUDGE PHILIP G. GILLIAM, OF DENVER. MORE RECENTLY IT APPEARED IN ABIGAIL VAN BUREN'S SYNDICATED NEWSPAPER COLUMN. THE AUTHOR OF THE LETTER IS UNKNOWN:

"We hear teen-agers complain, 'What can we do? Where can we go?'"

"The answer is: Go home! Hang the storm windows, paint the woodwork, rake the leaves, mow the lawn, shovel the walk, wash the car, scrub the floors, help the minister, rabbi or priest, the Red Cross, the Salvation Army. Visit the sick, the poor. Study your lessons, and when you're through, if you're not too tired read a book.

"Your parents do not owe you entertainment. Your city doesn't owe you a recreation center. The world doesn't owe you a living. You owe it your time and energy and your talents so that no one will be at war or in poverty or sick or lonely again.

"You're supposed to be mature enough to accept some of the responsibilities your parents have carried for years. They have nursed, protected, excused and tolerated you. They have denied themselves comforts so that you could have luxuries. This they have done gladly, for you are their greatest treasure.

"Teen-ager, grow up and go home!"

## High School Pageant

The freshman "child" so shy and coy Admiringly stares at the sophomore boy;

While the sophomore boy has his head in a whirl All because of a junior girl.

The junior girl, in her sleek sedan, Boldly pursues the senior man; But the senior man, so dashing and wild,

Secretly loves the freshman "child."

## F.H.A. Christmas Party December 20

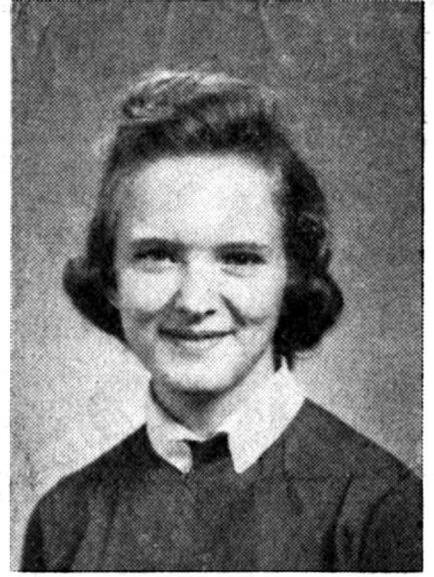

The home economics department of Lone Oak High School was hostess to a Christmas Tea given on December 20, 1960. The room was decorated for Christmas, carrying out a green and white color scheme. The girls were greeted at the door and were served a party plate of hot chocolate, beaten biscuits, ham, fruit cake, and cookies. The food for the tea was prepared by the home economics students.

Approximately three hundred people attended the tea: the agriculture boys, the home economics girls, members of the high school faculty, and Miss Pinema Nehama, a native of Israel.

The home economics department thanks Mr. and Mrs. Bob Ross for sharing their guest, Miss Nehama, whom they met in Israel in 1959. Miss Nehama is attending the Southeastern Baptist Theological Seminary in Wake Forest, North Carolina.

The presidents of the F.H.A. and the F.F.A. led the group in singing Christmas carols. Miss Nehama was eager to tell the group about Christmas in her native Israel.

**Communism**—You have two cows. The government takes both and gives you the milk.

**Fascism**—You have two cows. The government takes both and sells you the milk.

**Nazism** — You have two cows. The government takes both and shoots you.

**FEMALE STUDENT**

For Female Student of the Month we have chosen Margaret Knight, daughter of Mr. and Mrs. Bill Knight of 752 N. 36th Street.

Her subjects are: Home Economics, English I, Science, Civics, and her favorite is Algebra I. She is a member of F.H.A. and the Citizenship club, in addition to being a 9th grade cheerleader.

Margaret 14, is 5' 1/4", weighs 95 lbs. and has brown hair and hazel eyes.

We the members of the Oak "K" staff want to congratulate Margaret in being chosen the best cheerleader at the Cheerleading Clinic held at the Elementary School in December. **CONGRATULATIONS MARGARET!!**

**F.B.L.A.**

The project to fill Christmas baskets for the needy was not carried out as expected because Mr. Weatherman decided we needed more holidays. However, just because Christmas is over we have not forgotten our less-fortunate neighbors. We want to help in our community, so we are going to prepare Easter baskets.

If you are not a member of the F.B.L.A., then it is presumed that you do not get the meaning of one of our bulletin boards in the Business Room. "The Early Bird Gets the Points." The "Points" are referring to the points that each member is trying to earn to be eligible to go to the Convention in Louisville, April 14, and 15. Only active members will be able to attend, this means active in F.B.L.A. and school work as well.

The Scrapbook Committee is working hard. The back for the scrapbook is being planned and several things have been submitted to be placed in the scrapbook. We think the scrapbook should have certain qualities such as a central theme, neatness, good form, show originality, colorful and all reading material must be legibly written or typed. Carolyn Clymer heads this committee and we all know that it will meet all the requirements.

Brenda Smith made an excellent talk on the "Daily Do's and Don'ts of a secretary." She told the difference between mediocrity and superiority of a secretary. We hope this talk was an inspiration to future secretaries.

**LIBRARY NEWS**

The student librarians are keeping attractive bulletin boards on display in the library. Keep an eye on it and you will learn of many interesting books available to you. The bulletin boards will introduce you to new books and remind you of old favorites.
