Calendar Girl

For the May issue of the Oak "K", Jackie Livingston has been selected as Calendar Girl.

Jackie lives on the Highland Church Road, and is the daughter of Mr. and Mrs. E. C. Livingston. She is a member of the Lone Oak Methodist Church.

Jackie is 16 years old a junior, and her subjects are: Prep English, American History, journalism, and typing. She is a member of the F.T.A. Club and the Beta Club.

We are proud to have Jackie represent our school this month.

Music Program

On April 18, at 10 a.m. the Lone Oak Music Department presented a music program composed of the numbers used at the state music meet at Murray State College. The band opened the program by playing three numbers. The seventh and eighth grade chorus also gave two numbers. The Choraliers sang one number and then the choir presented the remainder of the program. The program was closed by the choir singing Blue Moon.

The program was a great success and attended by the entire student body, faculty, and a large number of parents.

Teacher Of The Month

After a recent interview with Mrs. Zula Edwards, I found that one of Lone Oak's finest teachers is in Room 120.

Mrs. Edwards was born in Graves County and she has been teaching here at Lone Oak since the fall of 1952.

She graduated from Wingo High School, and attended Western State College at Bowling Green, and Murray State, where she received her Masters Degree. She also obtained her Business Degree.

Commenting on Lone Oak High School, Mrs. Edwards had this to say, "I like the system of teaching here, and the students that attend. The math department has grown and we are very proud."

She teaches Algebra II, Geometry (plane and solid), and Trigonometry.

I considered it a privilege to talk with Mrs. Edwards and in my opinion she is one of the sweetest teachers I have come in contact with at Lone Oak High.

It's "Almost Summer"

The Senior Class will present their annual play on Friday, May 12. The name of the play is "Almost Summer" by Christopher Steger.

This delightful three-act comedy, directed by Mrs. Mary North, could happen in the last three days of high school in Anytown, USA.

Paul, played by Lloyd Housman, finds that he must make at least a ninety-five on his final history exam of the year in order to be admitted into the University. Larry Wilkins, portrays Jack, who imagines that he is irresistible to girls, helps Paul as much as he can while trying to convince Mary, Paul's sister, that she is more interested in him than in a convertible coupe. Mary, played by Laverne Kindred, has eyes only for Paul, but with the convertible on the side.

Mr. and Mrs. Jones, (Don Brindley and Clarinda Krinard) find it hard to keep the children from embarrassing the principal, Mr. Smudgley, when he comes to dinner. The ever calm (?) principal is played by Dick Thompson.

You can't leave out Junior's secret though. (Find out what it is when you come.) Junior and Lilah Johnson (Danny Kelley and Linda Shepherd) have quite a misunderstanding, well, you just can't describe it until you see it.

The admission for the play will be 30c and 60c. The tickets may be bought at the door, or they may be obtained from any Senior. The proceeds from the play will be used for graduation exercises. Come and help the seniors graduate.

Remember now, Friday night, May 12, the Senior play, "Almost Summer" will be presented in the Lone Oak High School Gymnasium. Come to enjoy an evening of relaxation and fun. Come see what happens when Mr. Smudgley confronts Paul with . . . well, you come see.

LAW DAY

On May 1st Mr. Charles Williams, one of the better lawyers of Paducah, spoke to the Junior and Senior classes. May 1-7 was National Law Week.

Mr. Williams reminded everyone that nobody can become successful if they don't observe the law. He also spoke about the various types of law that governs different parts of the world.

His speech was very interesting and everyone would profit if they practiced some of the things that he talked about.

Freed-Hardeman College Choir

On Wednesday, April 26th, at 2:00 o'clock, the Freed-Hardeman College Choir presented Lone Oak with one of the most outstanding music programs of the school year.

The first part of the program was religious and it included such songs as: "Hallelujah Chorus," (from the Messiah), "Adoramus Te Christe," and "My God and I."

In conclusion, the choir's own quartet and sextet gave us a real treat. With a guitar and bongos, they sang folk-songs and popular "rock and roll" tunes.

Senior Exercises

Baccalaureate Services will be held in the Lone Oak High School Gymnasium on Sunday evening, May 21, 1961. At the time of this writing, the speaker had not been determined. Class Night will be May 23, 1961. This will be the night that all the honorary awards will be presented to the outstanding students of Lone Oak. Also, the 1961 Graduating Class will read their Will to the school, and the Prophecy of what they will be doing in later life.

Commencement exercises for the 1960-'61 graduating class will be held on Thursday evening, May 25, 1961. The speaker for the night will be Mr. Jess Hall, Jr., former Junior English teacher here at Lone Oak. Mr. Hall is presently residing in Jefferson City, Missouri.

We invite you to attend these exercises and see your friends graduate from high school.

Lone Oak FHA Attends District Meeting At Heath

Members and advisors attended the spring meeting of Kentucky Lake District of Future Homemakers of America Saturday at Heath High School.

The theme was "Future Homemakers Map Stronger Districts." A panel discussion on what makes a strong FHA Chapter was the feature of the program. Serving as a member of the program was Mrs. Lester Goheen, of Lone Oak High School.

Purposes of the meeting were to become better acquainted with chapters in the new district; to recognize each chapter's part in a strong district; to gain new ideas for building a stronger chapter; to carry on the business of the organization and to make friends and have fun.

Participating on the program from Lone Oak was Kay Hartwell, as district first Vice-President. Others who took part were Sandy Davis and Pam Leeper.

Miss Glenda Courtney was elected as District Second Vice-President for the year 1961-'62.

CAREER DAY

Career Day, which was April 28, was the most important day of the year for some people. Students chose from many different vocations, the vocation that they would like to work at in the future.

All of the people who spoke here on Career Day were well trained at their jobs, and gave very interesting talks.

Some of the vocations that were lectured on are as follows: stenography, business administration, mathematics, science, industrial arts, home economics, music, engineering, physical education for boys and girls, cosmology, nursing, and college enrollment.

This information will be very helpful to many students in choosing their life's work.

Dianne Hastings Wins Speech Scholarship

Dianne Hastings has won a speech scholarship valued at nearly \$6,000 from Butler University in Indianapolis, Indiana.

The scholarship is made up of two separate awards. One is provided by the speech department and is valued at \$1,140 per year. The other is an academic scholarship worth \$350 per year. That totals \$1,490 per year. Both scholarships are for four years of college.

Dianne is a very hard worker in school activities and outside activities.

For the past two years she has been president of the National Forensic League under the direction of Mrs. McCracken.

She was elected outstanding senator in a recent State Student Congress at Frankfort, and has acquired many more awards and medals.

The Oak "K" staff wishes to take this opportunity to congratulate Miss Hastings, and to wish her the best of luck in the next four years.

LETTER FROM THE EDITOR

Hello!

It seems just a short while ago that we published the first edition of the paper. To think back, it hardly seems possible that approximately 240 days have passed since this school year began.

So many things have taken place in this span of time, that it would be hard to put your finger on any one event and say, "This is more important than anything else." We could say the starting of the band, the first Industrial Arts classes were held, or we could even say the establishment of the "Beehive".

Each of these has given something to Lone Oak. But Lone Oak, in turn, has given something to them. It may be the improved school spirit that has caused this transformation of Lone Oak from a school that was merely existing, to one that is alive and alert. But maybe it was just time for the students to wake up to the fact that we must show an interest in our school before it can show an interest in us.

This year has been a fruitful one for each of us. Each day we have added a little more to our storehouse of knowledge. We have something to show for all the time that we have spent in the classroom.

Lone Oak has some of the finest teachers in the state—teachers that we can be proud of. They have helped us a lot this year, and we have them to thank for having the patience to teach us despite all the objections by us.

But now, I would like to thank everyone who has had a part in making the school paper a success this year. It has truly been one to remember. I only wish that I could take the time to thank you personally. Without you, it would have been impossible for the Oak "K" to have been published. Everyone has really cooperated, and it has been a joy and honor to work with you.

The best of luck to each and everyone of you.

Sincerely,
 Loree

Band Plays At Drive-Inn

The Lone Oak High School Band gave a concert Thursday night at the Paducah Drive-Inn Theater from 6:30 to 7:15 p.m.

Fifty per cent of the proceeds went to help the band in different areas of their work. As there were 750 tickets sold the band members will be admitted to the Drive-Inn FREE all summer.

The show was "Freckles", which was a very good movie and enjoyed by all viewers.

GUESS WHO?

Do you know who this senior boy is? He has brown hair and eyes, 5 feet, 11 inches tall and weighs 184 pounds. He drives a 59 Chevy, and is well liked by all the students. He also played basketball on the A team this year.

The answer is some where in this paper.

F.B.L.A. News

The State F.B.L.A. Convention was held in Louisville April 14-15, 1961.

There were five representatives from Lone Oak High School. They were: Mrs. Mary North, sponsor, Ginger Bean, Brenda Jeffers, Frances Pippin, and Becky Johnson.

Brenda, Ginger, and Frances entered the Arithmetic contest. Becky, Brenda, and Ginger represented us in the spelling contest. Ginger was in the contest for Miss F.B.L.A.

A banquet was held Friday night in the Crystal Ball Room of the Brown Hotel. The people running for State offices were nominated and made their acceptance speech there. The convention was closed with the election of officers, one of which was Becky Johnson. Becky was elected Reporter of the Kentucky State Chapter of F.B.L.A.

Lone Oak was among the schools that entered a scrap book.

There was a banquet held April 20, 1961, at the J.C.C. Civic Center for students making 100% on their NOMA Spelling and Arithmetic Tests.

The ones representing Lone Oak were: Ginger Bean and Brenda Jeffers, spelling and arithmetic; Loree Faith, outstanding business student; Mrs. Mary North, Mrs. Alene Cole, Mr. Hewlett, sponsors; and Becky Johnson, State Officer.

There will be a National Entrance Business Test Center opened here at Lone Oak. This center of testing is for business students who wish to take tests in typing, shorthand, accounting, and clerical office. There are nineteen students that will be taking tests in various subjects listed above.

Band Marches For Scout-O-Rama

The Lone Oak High School Band, under the direction of Mr. Richard L. Petty, marched for the first time Saturday, April 29, 1961 for the annual Scout-O-Rama.

They were one of five other bands that marched, including Tilghman. Although they didn't have uniforms, they put on a very good showing for our school.

The parade started at Barkley Park and ended at 10th Street and Broadway.

Mike Harton led the band as Drum Major.

Our band received its first trophy for their performance.

LIBRARY NEWS

On Career Day, April 28, Miss Rezina Senter, of Murray State College, and Miss Rosemary Hunt, a student at Murray, and a graduate of Lone Oak High, spoke to groups interested in the field of Library Science. The groups were told of the many opportunities for both men and women in this profession. There are openings in libraries overseas, on military bases in the United States, hospital and church libraries, industrial libraries as well as in school and public libraries. It is well worth your time to look into this field.

Another new shipment of books has arrived in the library and will be in circulation soon. You are sure to enjoy these books, but you will never know until you read them.

Symbolic labels are being placed on a lot of the books in the library to help you determine the type of book it is. Labels are being placed on the following types of books: romance, science-fiction, sport, horse, dog, mystery and junior high level. These labels will be a great help to you in finding a book on any of those subjects.

The latest Readers of the Week are Janice Faye Gross, and Sibyl Whittaker. Janice is the daughter of Mr. and Mrs. Johnny Gross, Route 6, Paducah. She is in the 7th grade and her favorite subject is history. Her hobby is reading and she enjoys bowling. She recommends *Showboat Summer* by Rosamond DuJardin to anyone who wants to read a good book.

Sibyl is the daughter of Mr. and Mrs. E. S. Whittaker, of 2540 Lone Oak Road. Sibyl's favorite subject is typing. If you want to read a good horse story of pure pleasure, Sibyl recommends *Tamarlane* by Logan Forster. She has an unusual hobby — collecting figurines of horses. She enjoys horseback riding, swimming, skating, and reading.

FHA Mother-Daughter Banquet

On April 25, the FHA Mother-Daughter Banquet was held in the cafeteria. The theme of the banquet was "Mother-Daughter Togetherness." A red and white color scheme was used throughout the decorations. The head table was decorated with red roses and white candles.

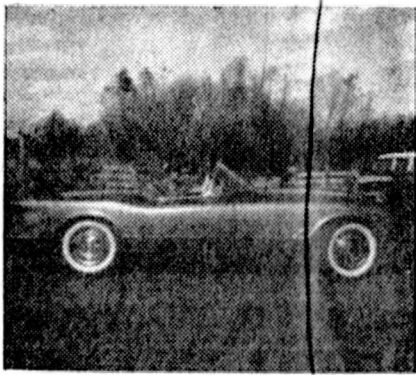

Each girl introduced her mother and a toast was given to them by Cheryl Cunningham. A toast was given to the daughters by Mrs. John Leeper and Mrs. Charles Hartwell.

Honorary membership was bestowed upon three mothers for outstanding work in FHA. They were: Mrs. Cleon Cunningham, Mrs. Charles Hartwell, and Mrs. John Leeper.

The new officers for 1961-'62 were installed. They are:

President—Sandy Davis
 1st Vice-President—Glenda Courtney
 2nd Vice-President—Reda Mullen
 Secretary—Joan Raffidy
 Parliamentarian—Martha Thomas
 Historians—Jackie Hillyer and Carolyn Colson
 Reporter—Judy Myers
 Treasurer—Sherry Elliott
 Song Leader—Shirley Cothran
 Recreation Leader—Sue Bean

The FHA Sweetheart, Sam Riley, was presented with a gift.

CAR FOR MAY

The car for the month of May is a 1954 Chevrolet Corvette belonging to Jimmy Tate. Jimmy's car has a removable hard top and tear-drop spot lights. It is painted garnet mist red. This Corvette has red leatherette interior.

Jimmy's Corvette has a six cylinder engine with three carburetors. The transmission is a four speed floor shift.

The car also has fourteen inch wheels with '57 Chevrolet spinners.

MYSTERIES

Landra, did Mr. Spahr ever find you some nail polish?

Since when did Mr. Goheen start teaching Home Ec?

Mike Harton, can't you find someone your own size to pick on?

Jere B. try not to forget Margaret K. the next time you take her to church!

Mike P., when did you start sitting on the floor in Biology Class?

Mr. Blackburn, is the chair getting smaller, or are you getting larger or did someone move your chair?

Faye F., what's this, you getting up at 5:00 in the morning to take ? to the bus station.

Pam Leeper, there is quite a bit of difference between an ostrich and a giraffe!

Another Winner

Miss Carolyn Douglas, a sophomore at Lone Oak, was elected president of the Kentucky State High School Speech Association last week. The festival was held at Lexington, Kentucky. She will be privileged to preside at the annual tournament next year.

Carolyn is very active in school and church activities.

We are very proud to have girls like her at Lone Oak. Congratulations Carolyn!!!!

LONE OAK WINS AGAIN!!!

At the Math Meet held at Lone Oak March 28, three of our seniors, Taylor Phelps, David Emerson, and Ginger Bean, gave top honor to Lone Oak High in Mathematics.

At this contest were representatives from eleven schools of Western Kentucky. Although Fancy Farm of Graves County took home the trophy, Lone Oak was top scorer. We did not compete for school honors; yet, individual scorers were recognized.

The Math Club wishes to express gratitude to all who took part in this meet. Especially do we want to remember the mothers who did such a wonderful work with the serving in the cafeteria.

We look forward to this annual event in '62 at which time we again hope to win.

Beehive Nears Completion

By Jackie Livingston

The Beehive is very near completion. May 15th is planned to be the opening date.

We are still lacking equipment for the interior.

The finishing touches must still be added. The back rooms require painting and the floor of the front room has to be sanded. The gym floor is still very rough. There is only one machine in Paducah that will sand a concrete floor. This is holding up the process a good deal because the machine is so difficult to operate.

You can be looking forward to the opening of our new recreation center very soon.

When the youth center is opened, it needs your support!

Joe Gill Owner Of 1936 Buick

Joe Gill is a proud owner of his 1936 Buick. His car is in extra good condition. It is all steel that includes twin-two barrel carburetors. The wheels are '53 Buick with 800 x 20 tires and is running '56 Buick hub caps.

Joe says that there is only two things wrong with it; (1) the seats are too small and (2) the parts are too hard to find. At present he is having a new rear-end and transmission and body work done.

Beehive Officers Elected April 14

By Carole Smith

On April 14, 1961, members of the Lone Oak Beehive met in the school gym for the election of officers.

Elected officers were as follows: Dickie Thompson, President; Jere Buckingham, President-elect; Larry Kaler, Vice President; and Pam Leeper, Secretary and Treasurer.

Thompson will be President until he graduates, and then Buckingham will take over.

Students, these officers are here for the purpose of helping keep our "Beehive" ship-shape. So let's really give them our support and make the "Beehive" an outstanding recreation center!

LIONS CLUB MINSTREL

The Lone Oak Lions Club Minstrel was held at Lone Oak High School gymnasium April 20-21, 1961.

The Lions and Lionesses were the performers. There was singing, dancing, skits, and monologues on the program. The Choraliers from this school accompanied most of the singing groups.

The Lions were gracious enough to give one-half the proceeds, sold at this school, to the new band for uniforms.

Mr. Phil Matlock, from Southern Bell Telephone, was the director of the show.

The students, parents and performers would like to thank Mr. Matlock for his hard work and patience during the rehearsals.
