Dedicatory

In one sense there is no death. The life of souls on earth last beyond departure. They live on in your life and in the lives of all others that knew them. So live Donald Baumgardner and John Smith, who by the grace of God have the privilege of being boys throughout eternity. To their memory we dedicate this annual "Senior Spotlight."

To The Senior Class of 1961-1962

You are a wonderful class, you have fine parents and have been brought up in one of the best communities and best schools in our country. You have lived in a good state and the greatest nation in the world. Be sure to live, so that you can make the world much better than you found it. Remember that the whole world is depending on your generation to keep the world democratic. I personally hope each of you much success and happiness in life.

Sincerely

Your principal,

JOHN ROBINSON

Class History

September, 1958, was a glorious time for 106 Freshmen who entered Lone Oak High School. We are thankful for the guidance we received from our five sponsors: Mrs. Jo Lovett, Mrs. Millie Hall, Mrs. Charlotte Von Hollen, and Mr. Elbert Crooks. Our class officers that year were: President, Alta Burnett; Vice-President, Larry Kaler; Secretary, Betty Gott Clark; Treasurer, Judi Womble; and Reporter, Jackie Livingston Taylor.

During the basketball season, the following boys represented our class on the B-Team: David Shelton, Houston Godfrey, Larry Seward, and Billy Hopwood, while Becky Johnson and Winetta Wilkerson were leading us in cheers for them. David Shelton was the only Freshman to represent our class in baseball.

Members of our class participated in clubs such as: F.H.A., F.F.A., TRI-HI-Y, HI-Y, and PEP CLUB.

Our class, consisting of 107 silly Sophomores was under the leadership of Mrs. Alberta Gill, Mrs. Jo Henderson, Mrs. Gwen Helfer, Mrs. Joyce Byrd, Mr. Lester Goheen, and our class officers: President, Larry Kaler; Vice-President, John Bouland; Secretary, Jackie Livingston Taylor; and Treasurer, Judi Womble.

Our class was well represented on the B-Team again this year by David Shelton, Ron Alexander, Billy Hopwood, Houston Godfrey, Billy Triplett, and Larry Kaler. This year Brenda Wynn Houser and Judi Womble were elected B-Team cheerleaders, while Becky Johnson and Winetta Wilkerson moved up to A-Team cheerleaders.

Winetta Wilkerson was chosen from our class as basketball queen attendant.

Those to represent our class in baseball were: Ron Alexander, Mike Austin, Jimmy Baumgardner, John Bouland, Larry Seward, and David Shelton.

The dream of the 100 Jolly Juniors was that we had only one more year before reaching the last step in the school ladder.

With all of our jolliness and pep, we were kept in line by our sponsors: Mrs. Zitel Goheen, Mr. Bob Ross, Mrs. Zula Edwards, and Mr. Jack Blackburn. Our class officers for this year were: President, Mike Austin; Vice-President, Jere Buckingham; and Secretary and Treasurer, Judi Womble.

We managed to sell \$800 worth of magazines and with the help of Mrs. Zitel Goheen gave the Seniors a very successful banquet and prom. The theme of our banquet was "Spring Gardens".

Under the direction of Mr. Bob Ross, we had a very successful play entitled "Our Town" in which

approximately 25 members of our class participated.

Jere Buckingham, David Shelton, Houston Godfrey, and Tommy Robertson were chosen to attend Boys' State while Marilyn Wallis and Cathy Allison attended Girls' State.

The basketball team was a success with David Shelton, Ron Alexander, Billy Hopwood, Billy Triplett, Larry Kaler, Houston Godfrey, and Larry Seward working together with Becky Johnson, Winetta Wilkerson, and Judi Womble backing them as cheerleaders.

Our class was very proud to have Brenda Wynn Houser chosen as basketball queen of 1961.

Six boys of our class helped make up the baseball team. They are as follows: Ron Alexander, Mike Austin, Jimmy Baumgardner, John Bouland, Larry Seward, and David Shelton.

NOMA certificates were given to: Lynda McGregor in Spelling, and to Shirley Rudolph, Phyllis Goodwin, and Donna Parker in Math.

Members of our class took part in various clubs offered. The following people were honored by being accepted into the Beta Club: Winetta Wilkerson, Becky Johnson, Judi Womble, Shirley Rudolph, Marilyn Wallis, Kaneeta Cruse, Alta Burnett, Wanda Brittain, Cathy Allison, Betty Gott Clark, Jackie Livingston Taylor, Marilyn Starnes, Jere Buckingham, David Shelton, Houston Godfrey, Ron McIntosh, Jimmy Baumgardner, Lynn Trainor, Steve Warford, John Bouland, Mike Austin, Mike Clark, Larry Kaler, Donald Fields, and Larry Seward.

This year the dream of 91 Seniors has finally come true, at last we have reached the last step in our high school education. Our sponsors: Mrs. Mary North, Mrs. Neville McCracken, Mr. Elbert Crooks, Mr. Garvice Douglas, and Mr. David Morris have made this a very successful year and one we will always remember. Our officers this year were: President, Greg Weltzel; Vice-President, Steve Warford; Secretary, Cathy Allison; and Treasurer, Lynn Trainor.

Again this year NOMA certificates were given to students in our class. Those who received spelling certificates were: Lynda McGregor, Phyllis Goodwin, Jackie Livingston Taylor, and Sandra Mullen, those who received arithmetic certificates were: Lynda McGregor, Phyllis Goodwin, Shirley Rudolph, and Sibyl Whittaker. Also we were very proud of another classmate, Cathy Allison, for winning the State Speech Contest, among various other awards.

The following boys were chosen to be Junior

Rotarians of the Month: Ron Alexander, John Bouland, Bill Ed Grimes, David Shelton, Terry Maynard, Jere Buckingham, Houston Godfrey, and Billy Hopwood.

This will be the last year for: Ron Alexander, David Shelton, Billy Hopwood, and Larry Kaler to represent our class here at Lone Oak High School in basketball. Becky Johnson and Winetta Wilkerson have also done a fine job in leading us in the support of our team.

For the second consecutive year we have had the privilege of having the basketball queen chosen from our class. This year she was Winetta Wilkerson.

We have had a very successful baseball season this year with: Ron Alexander, Mike Austin, Terry Maynard, John Bouland, and David Shelton participating.

Those of our class again in the Beta Club are: Larry Kaler, Houston Godfrey, Donald Fields, David Shelton, Charles Price, Cathy Allison, Winetta Wilkerson, Becky Johnson, Kaneeta Cruse, Alta Burnett, and Wanda Brittain. Other clubs and their Senior officers were: Beta Club—President, Houston Godfrey; Corresponding Secretary, Cathy Allison; Secretary, Kaneeta Cruse; Treasurer, Alta Burnett; NFL—Vice-President, Cathy Allison; FBLA—President, Becky Johnson; Secretary, Marilyn Wallis; Treasurer, Wanda Brittain; Reporter, Ron McIntosh; Tri-Hi-Y—Secretary, Kaneeta

Cruse; Treasurer, Alta Burnett; Hi-Y—President, John Bouland; Secretary, David Nelson; Treasurer, Ron Alexander; Sergeant-at-Arms, Billy Hopwood; FHA—President, Sandy Davis; Vice-President, Glenda Courtney; FTA—Treasurer, Winetta Wilkerson; Library Club—Vice-President, Carol Wells; Math Club—President, Houston Godfrey; Treasurer, David Smith; FFA—Vice-President, Mike Hartwell; Industrial Arts Club—Vice-President, David Nelson.

Our Senior play, "Tammy Tell Me True" was a big success. It was presented May 11, 1962, under the direction of Mrs. North.

The girls taking roles as devoted wives were: Beverly Leath Bearden, Brenda Brake Tabor, Jackle Livingston Taylor, Brenda Wynn Houser, and Betty Gott Clark.

There are no words to express the gratitude in our hearts that we have for our sponsors and teachers. Without them we would be nothing, but with the help they have given us, we can be something. They have made these years successful as their help will make our future successful.

As long as we live, we will never forget Lone Oak High School, not only as the school from which we graduated, but as a place where we have gained much knowledge, which will be of help to us in the future. We the Senior class of 1962 want to wish the principal, teachers, and students best wishes and the best of luck in the future.

Class Prophecy

It is now 1962 and we are planning to make a slow world-wide tour in our Friendship 3 spacecraft and look into the lives of our former classmates of Lone Oak High School.

We will board the Friendship 3 as soon as TERRY THURSTON completes his examination of the craft. As he prepares it for flight we see JOYCE GROSS running across the field carrying our supply of liquid oxygen which we almost left behind. This is a new type of oxygen that has just come on the market, it is made by TOMMY DETRAZ. It seems that he is now a millionaire after inventing this. SIBYL WHITTAKER is his bookkeeper so this may have something to do with the fact.

First we went to New York where we found LARRY CLARK signing his new contract with M-G-M to star in the movie "I Was a High School

Henry." Starring opposite him is KANEETA CRUSE. Their manager MARILYN STARNES seemed to think that their experience in the plays at Lone Oak led them to stardom.

Our first visit out of the United States was Russia, where we found LOUIS LAMAR teaching in a high school.

We saw none other than CATHY ALLISON we thought she must be visiting the Kremlin—no—we heard she's finally talked her way in to the presidency—of Russia that is. Seems she got mixed up on one of her debates and ended up on the wrong side but she couldn't talk herself out of that one.

LINDA PAGE is visiting Cathy although we have heard rumors that she couldn't come home—or is it that she just didn't want to.

We circled over Okinawa on the way back home to see WANDA BRITTAIN. We took up donations at our class reunion last year to send her to be with Lynn because we decided 21 years was long enough to go steady.

We came home by way of Florida "the land of Cubans," where we found ONETIA PIERCE head of the Bureau of Cuban Refugees. Onetia told us that VICKIE CONWAY has been roaming the streets of Fort Lauderdale ever since her senior year looking for that certain piano player.

It was a hot day and we stopped for a little refreshment and who do you think we found—none other than BEVERLY BEARDEN who owns the Georgia, Pork and Bean Factory. Her pork and bean pickers are: JANICE BELL, SUE STALEY, GRACE DALBY, and BONNIE DENTON.

We are now in Montgomery, Alabama. We stopped to see SANDRA MULLEN, happily married to Curtis. Sandra gave us a brief run down on the latest gossip. She said SHIRLEY RUDOLPH and SANDRA KINSEY are dance hall girls in PERRY VAUGHN'S night club. His assistant manager is JIMMY ELLIOTT.

As we proceeded through Alabama we came to Birmingham where we found HILTON HAWES, president of a boys club.

JOHN BOULAND is in Tennessee where he owns a zipper factory. Some of his loyal workers are: JIMMY LITTLEJOHN, ARTIE LOCKWOOD, RONNIE McINTOSH, and O. J. MITCHELL.

We took another quick trip to New York because we got a news flash that old Casey had kicked the bucket and MIKE AUSTIN had been hired as manager of the New York Mets. On his team there are such stars as: BILL BOTKIN, CHARLES HARTWILL, DAVID SMITH, BILLY PHELPS, LARRY POWELL, and LARRY SEWARD.

TERRY MAYNARD and JIMMY BAUMGARDNER are battling for the position Billy Graham formerly held.

BILLY TRIPLETT and SANDY DAVIS are still dating. It seems they will never get through arguing long enough to get married.

RON YOUNGBLOOD has his own dance band now. LINDA MEDLEY sings and four more of our class-mates play in the band—HARRY WARFORD, KENNETH STEPHENSON, CHARLES PRICE, and BOBBY OTEY.

While we were in New York we couldn't resist stopping by the "Peppermint Lounge." It seems Chubby Checker is old news but DAVID SHELTON has started a new craze, the French Fry. It really beats the TWIST.

DONNA PARKER is a cigarette girl there and CAROL WELLS along with ALTA BURNETT are regular show girls.

On our final trip back home we went through Michigan. LINDA MOORE is quite a hit there, it seems she has taken head position as secretary to Rocking Ray Smith.

BRENDA TABOR was in Michigan while we were there. She and her husband head a large corporation of home movers. Her truck drivers are: HAROLD HARNED, DONALD FIELDS, MIKE CLARK, LYNN TRAINOR, and RANDOLPH TUCKER.

ANITA TRUE, GLENDA COURTNEY, PATSY BYRD, MARILYN WALLIS and MARY GOODMAN have an ice skating team and their review is shown in the ice capades every year.

Before going home we went to Murray where GREG WEITZEL is president.

We found none other than RON ALEXANDER still beating that old basketball around. His only fan WINETTA WILKERSON, could barely be heard singing that old song well, "I'm Available."

We slowly came back to Lone Oak. On our way we stopped for fuel and groceries—JOHN CHANDLER finally got a store of his own, DAVID NELSON carried our groceries to our space craft.

LANDRA HODGES has opened the new "LULU" Studio. It's main objective is to teach girls to be graceful and sure of themselves. BRENDA HOUSER and her children seem to be Landra's best patrons.

BILLY HOPWOOD has his own drag strip. It is the largest in the world. JOHN OVERSTREET is part owner. JIMMY HARRIS, BOB SHELBY, and EDDIE WALLACE all participate in running the new drag strip. We heard a few words of Billy's and John's conversation while we were there; Billy said, "Turn those big eyes on me when you talk about Chevy's".

It seems TED OWEN has tried another quick-draw but missed again so he is back in the hospital. TOMMY ROBERTSON is faithfully attending him. It seems as though Tommy has pushed Dr. Kildare completely out of the picture. BETTY CLARK is making a pretty good nurse.

Do you remember those handsome boys that were in our graduating class, DAVID THOMPSON, DALE MORRIS, JOHN MOORE, and LARRY DOWELL. They have opened a rental service for lonely women—"Have Men Will Rent." It is a steady income since there are so many available women.

We know you couldn't forget McCracken, The Dragon, Crooked Crooks, and Pester Lester Goheen—Well they have all gone now and HOUSTON GODFREY, LARRY KALER, and BILL ED GRIMES have taken their places.

There are a lot of changes at Lone Oak this year. The school board has changed its policy completely. JERE BUCKINGHAM has taken A. F.'s place and there are plenty of sock hops in the old gym now.

BECKY JOHNSON BUCKINGHAM has taken Mrs. Powell's place as secretary. Between she and Jere the school goes by family rule.

PHILIP MAYNE never could get his diploma from Lone Oak so he decided to take the easy way out and went back to Tilghman. Now he has taken

Brad Mutchler's position, and we hear he is doing a fine job with the Tilghman-ites.

PHYLLIS GOODWIN and LINDA McGREGOR live side by side in the hills of Kentucky. They own stills on blueberry hill and are bringing in the money but are too tight to let go of a penny.

JACKIE TAYLOR and JUDI WOMBLE are now owners and pro's of the modern Highland Golf Course. Eddie seems to be a good caddie.

Senior Class Will

Ladies and Gentlemen, Board of Education, Principal, Teachers, and Friends:

We, the senior class of 1962, in the interest of all mankind, hereby donate ourselves to the space department at Cape Canaveral to be the first humans to land on the moon. Before the blast off, we would like to leave some of our worldly goods behind for those who were not as fortunate as we.

To all the classes that follow, we bequeath our undying will to become educated and also our loyalty and sportsmanship not only to our school, but to our country.

To the Junior Class we will our ability as seniors to graduate with the least amount of hours spent upon studies.

To the Sophomore Class we will our outstanding scholastic and athletic abilities so these under-privileged students will get the opportunity to participate in a few extra-curricular activities.

To the Freshman Class we will our ability to co-operate with Mr. Robinson on all decisions.

To the Eighth Grade we will the ability to enjoy the next four years of high school.

To the Seventh Grade we will our ability to make the right decisions in life.

To Mr. Robinson and the faculty of Lone Oak High we leave our deepest and sincerest gratitude for working side by side with us as we attempted and succeeded in completing twelve wonderful and unforgettable years at Lone Oak.

Hereby: the 91 undersigned people do bequeath their following worldly goods.

I, Tommy Robertson, will "all" of my sleepless week-ends to any Junior who is foolish enough to accept them.

I, Houston Godfrey, will my OBJECTIVE ability to get along with the OBJECTIVE Jack Blackburn, to anyone with the OBJECTIVE patience required for such a feat.

I, Charles Price, hereby will to any Junior who will have it, my unlucky luck of getting a bottom locker all four years of high school.

I, Terry Maynard, being of strong mind and stronger body, refuse to will because the only thing I have to will is my Senior books and I fear no one will accept them, besides I might be in need of them next year, McCracken.

I, Harold Harned, having a high degree of mental efficiency, will Mr. Morris back to Germany, (East Germany).

We, Donna Parker and Patsy Byrd, will our seats on the front row in Mr. Morris's second period "Romper Room" and our ability to make "A's" to any Juniors who think it is worth getting his feet stepped on all periods.

I, Philip Mayne, being under the influence of certain individuals, hereby will to all students at P.T.H.S. my ability to get smart and move to Lone Oak High.

We, Kaneeta Cruse and Alta Burnett, will our ability to carry on a conversation while taking bookkeeping tests and still make "A's" to Elizabeth Housman and Judy Garrett, for we know they enjoy talking.

We, David Thompson and John Overstreet, will our paint brushes and coveralls to any Junior in hopes they will keep the school as clean as it is now.

I, Ronnie Alexander, being of perfect mind and body hereby will my exceptional scholastic average to Jay Burnett to assure him of playing basketball next year, as he only has a "3.0" standing.

I, Bonnie Jean Denton, will my seat in Home Economics to anybody who wants it next year under Mrs. Goheen.

I, David Nelson, acting for the betterment of Lone Oak High School, hereby will David Morris back to Murray State.

I, Landra Hodges, will my ability to miss my school bus at least once every two weeks, and get old Bune, my '47 Chevy truck, out of the garage, drive it down the road about a mile, and have it quit on me in the middle of the road, then have to call a towing service to get me back home to catch the second bus, to any junior who has the ability to withstand such catastrophes as I have been confronted with since my father bought that very dependable '47 Chevy truck.

I, Vickye Conway, will my good luck to be able to go to Florida during spring vacation my senior year to Gail Cruse because she missed out on all the fun this year.

I, Terry Thurston, will Mr. Crooks to the humane society.

I, Mary Goodman, will to the Junior Class, Mr. Morris, hoping they will learn more than the Seniors of 1962 did.

I, Jimmy Baumgardner, won't because everybody else will.

I, Dale Morris, will if you will.

I, Perry Vaughn, will leave if all concerned are willing.

I, Randolph Tucker, will my excellent seat in Mrs. North's bookkeeping class to anyone who will take it.

I, Mike Hartwell, will to Connie Scott my ability to get out of class and make good grades without studying.

I, Larry Clark, WILL.

I, Winetta Wilkerson, will to Mrs. Neville McCracken a control button for her riding lawn mower so she will be able to stay in her own yard.

I, Becky Johnson, being of sound mind and unquestionably small body, will my ability to have Mrs. North four periods a day to any Junior girl that thinks she can hold up under the strain, physically and mentally.

I, Tommy Detraz, do hereby will my ability to be assigned a bottom locker, better known as head crackers, to anyone who is unfortunate enough to follow in my footsteps.

I, David Shelton, being of unsound body and insane mind, do hereby will Adolph Rupp's vastly needed book on HOW TO BECOME A COACH to Henry Sig Johnson because I know through past experience that no one else in the state of Kentucky is in more dire need of it than Sing along Sig.

I, Joyce Gross, will to anyone in the Junior class my seat in Mr. Morris's class in hopes they can stand it better than I did.

I, Steve Warford, being of sound mind and body, hereby will my seat in Mrs. McCracken's English class to any Junior who will accept.

I, Hilton Hawes, will Miss Stewart's gab hall to anyone who thinks that they can concentrate on anything other than magazines and not be interrupted by her "let's watch our talking."

I, Ron Youngblood, being a most brilliant and outstanding physicist, will my chair in Physics class to any student who feels qualified to occupy it.

I, Carol Wells, will my place as fourth period librarian to any junior who has a lot of patience and a strong back.

I, Don Lamar, will my position as president of the non-existent Physical Science Club to that sleuth of a newspaper woman, Martha Rose.

I, Gregory Weitzel, will to Eddie Taylor with the consent of his class, the presidency of the senior class.

I, John Moore, will.

I, Linda Sue Page, will a warning to any girl taking physics, take a friend and don't sit in a back corner.

I, Linda Medley, will to any junior who will take typing under Mr. Crooks the embarrassment of having him to put down your paper bail for you each day in sixth period typing.

I, Linda Moore, will not do anything after I graduate because I never did anything before I graduated.

I, Betty Gott Clark, will my ability to have such wonderful friends throughout high school to every student who values a loving friend's trust and loyalty.

I, Mike Austin, will to Mrs. North a book entitled, "How to Park in Front of the School Without Getting a Running Start."

I, John Dwight Bouland, will my lonesome "lone wolf" ways to anyone who is fool enough to follow that path.

I, O. J. Mitchell, having great intellectual ability will my shodden rings to anybody that will have them.

I, Billy Hopwood being of perfect mind and body, hereby will my ability to date a vast amount of girls to Charlie (CH) Brown.

I, Bill Ed Grimes, being of sound body and a liquified mind, hereby will to Larry "Sodie" Jarvis my ability to drink milk shakes without getting sick because Mike knows he can't.

I, Larry Powell, do not have a will to will, so I will not will a will, will I?

I, Sibyl Whittaker, will Mr. Morris back to elementary school, in hopes that he learns and remembers his phonics.

We, Glenda Courtney and Marilyn Wallis, will our seats in Mr. Morris's second period "Romper Room" to any junior who wants to spend an hour of idleness during the day.

I, Grace Dalby, will to my brother, Bill, 4 years of high school in hopes that he will have as much fun as I did.

We, Sandra Mullen and Anita Truz, will our bottom lockers to any Juniors who are willing to get knocked on the head as many times as we did.

I, Janice Bell, will to Mr. Morris, a dictionary with a chain, so that he can hang it around his neck.

I, Sandra Kinsey, will to anyone who will appreciate it, the joy I have had while attending Lone Oak High School and the knowledge I have received.

I, John Chandler, will my ability to cut up in Mrs. Edward's Directed Study and still stay in there, to anyone as capable.
