

Former Lone Oak Student Gains Honors

A former Lone Oak student who now attends Bethel College in McKenzie, Tennessee, has gained outstanding recognition. He is Larry Harper. Larry is a senior now who leads the Bethel College Wildcats with a fifteen point per game average at the end of eleven games of play. Larry is now serving as alternating captain of the Wildcats.

Coach Vinson, who is also Athletic Director at Bethel College,

Two Lone Oak Students Rank In Science Test

Two Lone Oak students recently competed in a combination Physics, Biology, and Chemistry test. The other competitors included students from other McCracken County schools.

Gary Brown of Heath had the highest score and will take a trip to Long Island, New York, to visit the Bell Telephone Laboratories. The Lone Oak students winning honors were: Steve Warford who placed second and will act as an alternate for the trip and David Smith placed third in the contest.

stated that, "not only is Larry a good basketball player, but a fine student as well. He is an excellent teammate."

Larry is a Business Administration major on the under-graduate level. He plans to do graduate work in Physical Education.

Larry was chosen as "Mr. Bethel" for 1961-'62 and also "Most Handsome" by his schoolmates.

Larry is the son of Mr. and Mrs. Clarence Harper of Paducah.

We at Lone Oak should be proud of Larry for his excellent work and achievements. Congratulations Larry.

LONE OAK F.F.A. INTRODUCES FARM SAFETY

Remember

your SAFETY is in your hands

- * Keep Machinery In Safe Repair
- * Avoid Taking Chances
- * Do Not Allow Children On Farm Equipment
- * Wear Close Fitting Clothing

FFA SAFE FARM POWER USE PROGRAM

These are the Spanish two students: Robert Lough, Pam Smith, Mike King, Ronald Lane, Donnie Lyles, Bill Lindsey, Bonnie Gatlin, Judy Garrett, and Anne Smith. Their teacher is Mrs. McCracken.

NEW EQUIPMENT AIDS STUDENTS

Language is the most important study of our schools. A rather strong statement isn't it? But it is backed in writing by many reliable sources including the World Book Encyclopedia.

Language is not a finished product like a picture or a table. New words are added and old words go out. It has continued to change since its birth which came before 4000 B. C.

Students must be taught the form of their language and how to use it best. Such is the engaging task of Mrs. Neville McCracken. Here at Lone Oak classes are offered in French and Spanish. The classes consist of board work, conversation, magazines and periodicals, and the use of tape recordings, all in foreign languages.

Mrs. McCracken's students are most grateful for the privilege of mastering a foreign language and thus preparing for a college education or the ever so important job of spreading good will to foreign countries around the world.

Last year the language department spent over \$200 for Spanish and French tapes and tape recorder to acquaint the classes with the actual sounds of the language they are studying. The pupils feel the money was well spent and the six earphones for private instruction have been very much appreciated.

If you notice a quizzical look on the student's faces, the Spanish group is listening to a French tape that had been put on a Spanish reel by mistake.

OUR A CAPPELLA CHOIR IS RE-FORMING

The Lone Oak A Cappella Choir is re-forming. In order to promote enthusiasm and present an opportunity for everyone to get a chance to sing. Mr. Petty is conducting try-outs for the present choir members as well as anyone else who likes to sing. It is being done in this manner so that everyone will have an equal opportunity. However, if you wish to try out, you should get in touch with Mr. Petty before January 22.

After the new A Cappella has been formed, rehearsals will be held on Thursday nights at 7:00. This is done in order for the entire choir to be able to practice together. Mr. Petty also extends an invitation to outstanding eighth graders. By singing with the choir now, you will gain experience which will be valuable later on if you intend to stay with the choir. Ninth and tenth graders also have a special invitation to come over and try out for the choir. In other words, if you think you can carry a tune in a bucket with a lid on it, come on over and prove it.

Tests show that women make better satellite pilots than men. This confirms the widely held opinion that women are excellent drivers, given plenty of space.

Lone Oak F.F.A. Conducts Safety Program

The Lone Oak F.F.A. is carrying out a safety program designed for the home farm. The purpose of the program is to help eliminate accidents on the home farm. It also teaches and illustrates the casualties caused by the improper use and operation of farm machinery. Please co-operate with our F.F.A. in their efforts to cut down the number of farm accidents.

JUNIOR HIGH RECEIVES CLASSROOM AIDS

The Junior High of Lone Oak has received classroom aids in the social studies department. They have eight packets of maps for the study of the countries of the world. Each packet contains 100 pupil maps plus three large wall maps covering the following subjects: The World, North America, South America, The United States, Canada, Europe, Asia and Africa. The maps are to help the students learn the location of the countries and their shapes and boundaries. They will be able to color in parts of the maps using different colors to mean different things such as the elevations of the land, etc. They will also be able to label such things as countries, major cities, and large bodies of water. Other maps may be used to serve as centers for current events displays. The maps will provide a more interesting way of studying the countries of the world.

Look At Yourself!

By Martha Rose

John Wesley said: "Cleanliness is, indeed, next to godliness." **Have we forgotten this?** Take a look around you wherever you are right now. Is the atmosphere and appearance of the room as fresh, bright, and clean as you would like it to be. Probably not, but don't start griping for a part of the dirt and litter is due to your untidiness.

We are not perfect, most people will admit that but as Ingersoll said, "Above all things keep clean. It isn't necessary to be a pig in order to raise one." I'm sure that with a little more effort we could all improve the appearance of ourselves, our school, community, and in that way benefit the appearance of America as a whole.

This country has been described as "the most beautiful in the world," but how long would it stay that way if **you** and **I** were its keepers. Would you be able to hold the same pride in it? Would you breathe as deeply as you step out the door each morning? I hope your answer would be yes, but if it wouldn't be then you had better think twice before you drop that next piece of paper, even if it is in your own home.

It seems to me that since God was so gracious to permit us to live on this big, gorgeous earth, then the least we could do is our little part in keeping it as beautiful as it was when He first created it.

Some people excuse their filthiness by saying that they are not fortunate enough to have the luxuries that will enable them to be clean. To these we must say, "poverty comes from God, but not dirt."

Thus far we have been talking of cleanliness as we see it physically, but there is cleanliness also of the mind and heart. This we must realize. People who speak and act with filth, are equally as ungodly as those who appear to live in filth, for thoughts which are composed of lust and evil doings can harm both you and those around you. Our goal should be to keep ourselves physically and mentally clean while we are young, so that we might grow in mind and body to be fit to remain in the sight of God.

Patsy Byrd Is January Calendar Girl

The Calendar Girl for the January issue is Patsy Byrd a Senior. Patsy is the daughter of Mr. and Mrs. J. B. Byrd of Paducah, Route 6. Patsy takes English, office practice, bookkeeping, and music. She is also the office girl first period and her favorite subject is bookkeeping. Patsy attends Lone Oak Baptist Church.

Staff Member Contributes Efficiency

We are fortunate to have as a member of the school staff, Mrs. Ruth Powell, who is secretary to Mr. Robinson. She is married to Bill Powell, who is connected with the Paducah Sun-Democrat. They have two daughters, Dana, a sophomore, and Nancy, a fifth grader.

When asked how she liked Lone Oak she replied:

"I like it. I have worked as a bookkeeper, as a secretary to the Extension Service, but the work here is most interesting and satisfying. I have a great respect for teachers and educators. They fall into the class of people who are in a way dedicated, as are ministers and newspaper people, without any promise of great reward from a monetary standpoint. Working around the school you become involved in the lives of all the students: Pride

in the excellent student and those who really strive to do the best they can; concern for those who could make a good grade and won't put forth the effort; and worry for those who just can't."

It would not be possible to have an efficiently-run school without an efficient secretary. This is the quality and character of Mrs. Bill Powell. Both the students and faculty should take time to thank her for the willingness to help each of us.

MAN ON THE STREET

We have questioned different students and teachers at Lone Oak concerning their opinions of the leading question of the day. The question: Do you like the Twist and Why?

Joyce Sherron — Yes! I like the swing of it.

Andy Palmer — Yes! I like to see Joyce S. do it.

Billy Hopwood — Yes! I like to watch 'em shake.

Bobby Lane — No! it's too hard on the backbone.

Ted Owen — Yes! It's a real wild thing.

Kenny Stephenson — No! Modesty forbides.

Mrs. Maddox — I just don't understand it.

Mr. Blackburn — I don't have anything against it, but as of yet I haven't participated.

David Nelson — Yes! Because Mr. Morris doesn't like it.

Charlie Brown — Yes! Haven't you seen them do it in those twist ropes, WILD!

Peter Pan collars and long cuffed sleeves.

This season boys also are active in adding gaiety to the world of fashion with those all-time favorites, multi-colored ski sweaters.

'OF THE MONTH'

By Winetta Wilkerson and David Thompson

CAR OF THE MONTH

We have chosen Billy Hopwood's 1953 Chevy as the January Car of the Month. It is a black and white two-door hardtop, with matching interior. The hood and trunk are shaved and it is lowered 4 inches. Billy has replaced the stock engine with a 1956 Chevy V8 and transmission, with a Mercury rear end.

JUNIOR ROTARIAN OF THE MONTH

The Rotary Club selected for the month of January, Terry Maynard as Junior Rotarian. Terry is a senior at Lone Oak High School this year, and his subjects are: chemistry, advanced Government, Honors English, solid geometry, and speech. Each month Lone Oak and other county schools and three city schools send a delegate to the Rotary Club's meetings in Paducah. The purpose of sending these people to the Rotary Meetings is to let them get acquainted with the functions of the Paducah Rotary Club. The person who is chosen for a certain month, attends all the meetings for that month. Other Junior Rotarians from Lone Oak have been: John Bouland, Houston Godfrey, Jere Buckingham, and Ron Alexander. Each Rotarian attends the meetings on every Wednesday of each month.

BETA CLUB SPONSORS BASKETBALL QUEEN

The Beta Club will sponsor its third annual Basketball Queen Coronation. Before thinking of a girl to nominate you should know the requirements for each nominee.

- a. She must have attended ten ball games. This must be verified by Mr. Robinson and a committee from the Beta Club.
- b. She must have maintained a "C" average.
- c. Her achievement, character, and leadership should be unquestionable.

In the general election each person will be asked to pay a 10¢ poll fee to defray the cost of the Coronation. An election official will collect this just before you are given a ballot for voting.

The Queen will be crowned on February 20 between the B and A team games. The Lone Oak Band will furnish the music accompaniment.

REMEMBER: The girl you nominate represents your school.

"WHAT'S TOPS IN TEEN FASHION?"

By Martha Rose

The Lone Oak student body keeps pace with the rest of the fashion world as the students decorate the halls and classrooms with their ensembles of the brightest and most fashionable colors in durable wool.

The females at Lone Oak strike out brilliantly in "short-short" plaid skirts with that ever so popular "kilt" look. To bring out the true highlights of the pleated skirts, simply add a solid color sweater either "shaggy" or smooth. For those who prefer blouses, these skirts are equally as captivating with moderately simple blouses completed by

"Where Is Culture?"

By Martha Rose

Culture is defined as the enlightenment and refinement of taste acquired by intellectual and appreciative training.

Just how much of this is present in our hurry-worry life? How hard and far would you have to look for it in our own school?

Each day we attend school and walk down these old familiar halls with our minds in many different places at once. How many of us boys and girls, who are supposedly well-bred, will even notice the great and beautiful paintings done by celebrated old masters. Paintings hanging right in front of our eyes. *This lax in our observing power* shows exactly how much culture is present in our daily lives.

Although this is only one example of our weakness in culture, it represents a loss in a basic principle of our American heritage. We should become conscious of this fact. Perhaps if those who set examples for the younger generation, the adults, would do a better job, the teenagers of today would make better Americans tomorrow and the best Americans further in the future.

CLUBS ACTIVE IN '62

F.B.L.A. News

The F.B.L.A. met on December 20, 1961, at 12:30. In the business meeting it was decided that the F.B.L.A. along with the F.H.A. would be in charge of the "Peanut Drive" on January 20, 1962. The F.B.L.A. members will sell peanuts in Lone Oak and at the intersection of the Lone Oak and the Blandville Roads.

The F.B.L.A. elected Wanda Brittain as Miss F.B.L.A. and Ronnie McIntosh as Mr. F.B.L.A. for the month of December.

Following the business meeting, the club made a Christmas offering. Refreshments were served after which the club joined in the singing of Christmas carols.

F.F.A. News

The F.F.A. held their Creed saying contest on December 20 for freshmen boys only. The boys who entered this contest were: Billy Seay, Gary Reecer, Dwight Woodford, Archie Dowdy, Larry Meadows, Jimmy Jones, Donald Streetman, and Gary Thompson.

Gary Thompson, and Billy Seay were tied for first place while Larry Meadows and Gary Reecer finished second and third respectively. The judges were Mr. Edgar Doors and Mr. Sig Johnson.

One of these four boys will be picked to represent the Lone Oak F.F.A. in the District Contest.

The Lone Oak F.F.A. Chapter will hold a public speaking contest in February and the winner will represent the chapter at Murray College on F.F.A. day.

Tri-Hi-Y

At the last meeting of the Tri-Hi-Y the club made plans to see what they could do to help the Western Baptist Hospital.

The Tri-Hi-Y also, still has the contract at our home ball games so be sure and give them your support.

Hi-Y-Club

At the last meeting of the Hi-Y-Club, Brother Jim Cannon, Minister of Lone Oak Church of Christ, presented the Club with an enlightening talk on how the young people should live. Later, the Club suggested that they bring toys for the poor children of this area and give to them for Christmas. The meeting was then closed with the good feeling in everyone's heart that they would make some unfortunate child happy for Christmas.

Biology Club

On December 20, 1961 a meeting was held by the Biology Club in Mrs. Henderson's room. At this time a program was presented on fall-out. A film entitled "Fallout and You" was shown and reports were given on the subject by Shayron Schnell and Jerry Garner.

Lone Oak F.H.A. Meets

The Lone Oak chapter of the Future Homemakers of America held its monthly F.H.A. meeting in the Home Economics Department with Glenda Courtney presiding.

Members answered the roll by giving a good deed done during Christmas.

The program consisted of a panel discussion on "Responsibilities F.H.A. Members should accept in the home, school, and community." Those serving on the panel were: chairman, Glenda Courtney, members, Misses Jackie Hillyer, Martha Thomas, Wanda Rogers, Judy Maness, Mary Clark, Elizabeth Sullivan, Maureen Travis, and Barbara Carroll. Emphasis was put on the F.H.A. Girl, since she is the future citizen of tomorrow. Her set of values should be felt by her family, her school, and her community since she is striving for the three R's of citizenship; respect, rights and responsibilities.

Junior High Shows Outstanding Achievements

The Lone Oak junior high classes brought honor and recognition to the school, county and state with their outstanding achievements in the field of science. The 7th grade ranked 8.7 compared to the national average of 7.2. The 8th grade did equally well with their score of 9.4 in contrast to the national average of 8.2.

Literature and vocabulary ranked second and third respectively for the 7th grade while Arithmetic and reading showed exceptional ability for the 8th graders.

Lone Oak is extremely proud of their junior high students for their achievements in reading which has served and will continue to serve as the most essential subject in school. It is the basis of all learning and without it learning would be made difficult for the students and teaching almost impossible for the teachers. Its importance is shown and reflected in other subjects as English, history, science and even math.

As to how Lone Oak ranks county wise and nation wise, we hold an 8.6 to the county average of 8.0 and the national average of 8.0.

Although Lone Oak is doing quite well as a whole this certainly does not mean we intend to coast or just let things ride as they are, instead we are to strive that much harder. We are not to let Lone Oak place third or even second. We are to be the best, and we can be with a combined effort of the student body.

We realize that without such fine schools as Hendron, Concord and Lone Oak Elementary we would not be able to boast this excellent record.

SPORT TALK

By David Shelton

LONE OAK FANS WITNESS UNBELIEVABLE

The fans who attended the Lone Oak - South Marshall 'B' team game on January 8, 1962, at Lone Oak witnessed an unbelievable event. Lone Oak's future stars held the South Marshall 'B' team scoreless for an entire half and took a whopping 27-0 lead to the dressing room at halftime. The Flash finished with a 48-24 victory running their season's record to a very impressive 7 won and 2 lost. South Marshall finally broke the scoring ice early in the third period and finished with 24 points for the game, actually outscoring the Oaker's 24-21 the second half as assistant coach Sig Johnson substituted freely. The Oaker's were actually using a revamped line-up due to the illness of regulars, Ken Grief and Freddie Howard. The five boys who turned in this defensive gem of the century were as follows: Jay Burnett, Roy Rushing, Jim Hicks, John Beaton, and Hank Shepherd.

Who's Who In Points

The Lone Oak Purple Flash has compiled 749 points in their first 12 games of the 1961-'62 season for a 62.4 average and allowed their opposition 778 points for a 64.8 average. Each player's average is as follows: Alexander 15.3, Brown 12.5, Hopwood 11.8, Shelton 10.0, Hawley 7.1, Rushing 3.4, Grief 2.7, Howard 2.4, Kaler 1.1, Burnett 0.4.

Lone Oak Upsets Heath

The Lone Oak Purple Flash ran their season's record to 5-7 on January 8 with a stunning 51-50 upset over the Heath Pirates. The Flash coupled a tremendous man-to-man defense, plus a 15 point night at the foul line, to over-shadow a five-field-goal deficit in recording their biggest victory of the season. The Flash held a slim four-point lead, 10-6, at the end of the first quarter and maintained that same four-point margin 27-23 as the two teams trooped to the half-time dressing rooms. The determined Oakers upped their gap to 38-33 at the end of three quarters and held off a gallant come-back effort on the part of the Pirates to hand them their fifth loss of the season, 51-50. With Lone Oak leading 50-48 and five seconds remaining to play David Shelton sank a foul shot to put the icing on the cake.

After Shelton had hit his foul shot for the Flash they dropped back on defense and allowed Heath to score unmolested. Wayne Rice pumped in a fielder just as the final horn sounded to account for the final score. This victory was especially sweet for both the Lone Oak players and Mr. Robinson, as their dear friend, Don Stephenson, ex-Lone Oak mentor, is now principal at Heath. Don Alexander led the Lone Oak attack with 19 points and turned in a stand-out job on the boards while scrappy Billy Hopwood added 13. Dale Warford and David Holland paced the Bucs' losing cause with 12 points each.

"Congratulations Ichabod, you've made first 5."

Lone Oak Rolls Past South Marshall

The Lone Oak Purple Flash used a red hot second half in rolling past South Marshall 73-41, on January 5, 1962. The Oakers' held a meager four-point lead, 11-7 at the end of the first canto and managed a 27-21 half-time lead. School was out for the Rebels after the first half as the fast-breaking Flash roared into a commanding 51-31 third-period lead. The Flash continued to look impressive in the fourth stanza as they ran their final margin of victory to 32 points at 73-41. Ron Alexander led the balanced Lone Oak scoring attack with 19 points. David Shelton netted 15, while Billy Hopwood and Charlie Brown added 14 and 13 points respectively. Mike Miller paced the losing Rebels with 14 points.

Livingston Spoils Lone Oak's Hopes

The Livingston Central Cardinals used their overwhelming height advantage to control both offensive and defensive backboards en route to downing Lone Oak 71-59 in the annual Paducah Tilghman Christmas Tournament on December 26, thus spoiling Lone Oak's hopes of repeating as Christmas Tournament Champions. The Flash led by three points late in the first period before David Boswell hit two fielders to put the Cardinals in front to stay. Livingston led 17-12 at the end of the initial period and held a 34-25 half-time lead. The Cards were ahead by 15 points, 46-31 when Lone Oak started pressing and cut the deficit to eight, 50-42 at the end of the third quarter. Lone Oak got another two points at the start of the final period to cut the gap to six, but then the Flash lost both guards, David Shelton and Billy Hopwood, and forward Ron Alexander via the foul route. School was out for the Flash from here on out as the Cards slowly pulled away. Tommie Ramage led the Cardinals with 23 points, followed closely by David Boswell with 21 and Wayne Henson with 18. David Shelton paced the Oaker's losing cause with 17 points. Pat Hawley netted 13 while Charlie Brown added 12.
