

# The Oak "K"

Vol. XX, Number 7

LONE OAK HIGH SCHOOL, LONE OAK, KENTUCKY

March 23, 1962

## ALEXANDER RECEIVES TROPHY

On the night of March third, following the final game of the district tournament playoffs, Ron Alexander was presented with both a plaque and trophy. Ron received the trophy for being chosen "the most valuable player in the district tournament". Alexander was honored with this title by a committee aided by several coaches. Ted Hite of WPAD radio station did the actual presentation.

Ron Alexander has also received further recognition for his outstanding basketball ability. He was chosen as a member of the all tournament team for the district. In addition to this, Ron was presented a gold basketball for being "the most valuable player on the team." Coach Dexter made this selection.

Ron, along with the other starting players of Lone Oak's team received a silver key chain with an encased silver dollar attached, from Mr. Harper, sports announcer for WKYB radio station.

Upon his graduation in May, Ron will make his choice of college scholarships offered him. He has received scholarships from the following: Murray State College, Paducah Junior College, and William Jennings Bryant College. Certainly these scholarships provide proof enough of Ron Alexander's superior

Reading from left to right: Coach Dexter, Ron Alexander, and Mr. John Robinson.

ability in handling a basketball. But what's just as important as his ability for accuracy is his ability to make friends of everyone he meets. His pleasant smile and good natured actions win him things as respect and trust which are much more a necessity than are trophies.

Ron loves all sports and whenever and wherever he indulges in them he retains the highest qualities of sportsmanship which without ability would be useless. We, as stu-

dents of Lone Oak are proud to have our school represented in such a fine fashion as Ron Alexander displays, for not only is he making a name and reputation for himself but for the school and community as well.

In an adjacent picture Ron Alexander is shown presenting the trophy he received to Lone Oak High School. It is being accepted by our principal, Mr. Robinson. The trophy can be seen in the lobby show case.

"I sincerely appreciate the interest and enthusiasm shown by everyone who tried out for the choir. You have given me a greater selection from which to choose, therefore

making the Lone Oak Choir, in my opinion, the best choir in our district." Thank you, Mr. Petty.

(Music Organization Story Continued on Page 3)

### CHOIR COMPLETES FORMATION

As was stated in a previous issue of the Oak "K", the Lone Oak A Cappella Choir is undergoing a change in its membership. Anyone who so desired was eligible and requested to see Mr. Petty and try-out. Out of approximately 80 people to try out for the choir, only 44 could be chosen since there are only 44 robes. The new choir is as follows:

**SOPRANO:** Becky Johnson, Kanetta Cruse, Janet Bagwell, Cheryl Spears, Vanna Mullinax, Sharon Yarbrough, Cheris Steger, Charlotte Clark, Julie Wenzel, Gail Padget, Teresa Schmidt, Jackie Yeomans, Lola Johnson, Denise McClure.

**ALTO:** Linda Page, Carolyn Douglas, Joan Raffidy, Alta Burnette, Gail Crews, Sue Bean, Linda Cole, Nancy Hughes, Darlene Karas, Sandra Thompson, Leslie Lisso, Ellen Dallis, Janice Owens, Claudia Owens, Judy Rudolph.

**TENOR:** Howard Alls, Tommy Metcalf, David Clark, Mike Clark, Terry Belcher, Terry Burnette, Sammy Brookshire, Larry Seward, Mike Harton, Gary Coltharp.

**BASS:** Eddie Clark, Ronny McIntosh, Larry Kaler, Jere Buckingham, Donald Green, Joe Henderson, Barry Johnson, Mike Padon, David Shelton, Terry Massa, Robert Lough, Jimmy Farmer, Randy Grief, Dennis Chareilton.

We are sorry that everyone who tried out could not be chosen. But due to your interest and willingness to try, you have given Mr. Petty a greater number to choose from.

## Lone Oak Students Bring Home Honors

Four Lone Oak C. A. P. Cadets were selected to participate in the Civil Air Patrol United States Air Force Auxiliary Special Activities for the summer of 1962.

The activities were Foreign Exchange, Jet Orientation, and Space Age Orientation. Cadet Master Sergeant Donald Fields and Cadet Master Sergeant Jim L. Littlejohn were selected for Foreign Exchange and will be guest in one of twenty-seven foreign contries this summer.

The Cadet Commander of the Paducah Composite Squadron, Cadet First Lieutenant Gregory Weitzel, was selected for Jet Orientation, which will permit him to fly in jet aircraft and to attend the classes that jet pilots must take before they can obtain their wings. Cadet Master Sergeant Steve Warford was selected to attend a Space Orientation course which will be held at Chanute Air Force Base in Illinois.

These Cadets are all seniors at Lone Oak High School, and are members of the Paducah Composite Squadron.

### F.H.A. Elect Sweetheart

Mike Hartwell, son of Mr. and Mrs. Charles Hartwell, of Lone Oak, was elected Future Homemakers of America Sweetheart for 1962. Mike is an outstanding Senior.

Mike is a student of Vocational Agriculture and Vice-President of the Lone Oak Chapter of the Future Farmers of America.

## LOOK AT OUR "NEW" LONE OAK!

In order to gain admittance into the Southern Association, Lone Oak has energetically jumped into the task of giving Lone Oak a new and cleaner look. Our old school now gleams both with the luster of new paint and a new pride. There is hardly a student that has not con-

tributed some of his time and effort to this worthy cause.

Grown-ups often talk of the laziness of the teenage set, but if they could have only seen their sons and daughters at work a few days ago they probably would have fainted. The part that they really

wouldn't believe is the fact that they were not begged or forced into the various jobs. Instead the students volunteered in such large numbers that not all of them got to work. Another thing which might surprise the adults is that we had no discipline problem. Each student orderly and wholeheartedly contributed his talents to whichever task he felt himself best suited.

We, the students believe since we were permitted to do most of the clean-up work, the dirt and marred desks will not return during our school life. We now think before we prop our feet on our neighbor's desk, put paper on the floor, or carelessly mark on the walls. We are urging those students who did not assist on the clean-up project, to do their part by helping us remind the lax and uncaring students.

Gaining admission to the Southern Association means much to everybody in the Lone Oak community, because it means we will be one of the best. Lone Oak was meant to be no less than the best; a school of which we can be very proud. Step back and look at what we have done thus far. It is true that we are not finished, but the biggest jobs have been completed. The projects we will undertake next will be like putting the frosting on the wedding cake. Remember, when we are all through we were a part of something big and rewarding.

Top Row—Left to Right: Dickie Thorne, Owen Wallis, Reedy Morris, Mike Kellen, and Larry Powell. Bottom row—Left to Right: Morris Hester, David Thompson, and Larry Clark.

**"WHO HID THE MANNERS?"**

What's happened to little common courtesies like opening doors and passing the salt?

Did you ever get that feeling that somebody "up there" doesn't like you when you started in a swinging door with a load of books or boxes and the gentleman in front of you lets it hit you smack in the mid-drift, books and all.

Or did you ever ask someone down the table from you to please pass the salt and suddenly see it slide by doing about ninety? Gives you a funny feeling doesn't it! I realize that most of these things are done without thinking and that's exactly the point. Sure you're in a hurry, aren't we all.

Special, small tasks aren't very time-consuming, but they certainly do mean a lot. Put the shoe on the other foot, get the picture? Just try it for a week or so, and see what it does for your popularity and even your morale. You'll be proud of yourself and so will everybody else.

**STUDENTS COMPETE IN NATIONAL MERIT SCHOLARSHIP TESTS**

Tuesday, March 6, was the day designated for the taking of National Merit Scholarship Tests. These tests are given only to students of average or above average ability. The test began at 9:00 o'clock and were not completed until approximately 2:00 o'clock, Tuesday afternoon. A period of about 30 minutes was taken for lunch. The subjects covered in the tests were: English Usage, Mathematics, Social Science, Reading Test, and Vocabulary. Each test was timed for an average of about 35 minutes and were lengthy and rather difficult.

Before the close of school, the test will be returned with the individual grades. Those ranking highest will have an opportunity to receive a scholarship for the college of their choice.

**Thanks To Dr. Hicks**

The Lone Oak High School basketball team would like to thank Dr. J. Freeland Hicks for his co-operation with our school. The school has employed Dr. Hicks for the past years to help keep the boys physically fit to play. The boys are given chiropractic adjustments whenever Coach Dexter thinks they are necessary. Thanks again Dr. Hicks.

**Sophomore Calendar Girl Is Chosen**

Sharon Collins has been chosen as Calendar Girl for the month of March. She is the daughter of Mr. and Mrs. Jim Youngblood of 258 Seminole Drive.

Sharon's subjects include: English, Home Economics II, Algebra I, Health, and Physical Education. Her favorite subject is Home Economics. Sharon attends the Bible Baptist Church.

**THE OAK "K" RECOGNIZES OUTSTANDING TEACHER**

Mrs. Zula Edwards has been teaching at Lone Oak High School for the past nine years. She originally came to Lone Oak as a social science instructor. Mr. Robinson asked her to teach math one year and that is what she has been doing ever since. Mrs. Edwards now teaches Algebra II, Plain Geometry, Solid Geometry, and Trigonometry.

Mrs. Edwards began teaching when she had had only one semester of high school. While teaching part-time, she also went to school after Christmas for three consecutive years, and after one full school year, she graduated with her class. She received her State Certificate to teach when she was eighteen. After earning a degree in a business college, she then took a position in an office in Toledo, Ohio, for a year. Not being satisfied with this work, she decided to go back to teaching.

Mrs. Edwards received her Bachelor of Science and her Master's degree from Murray and was working on her Ph. D. up to the time she was injured here at school.

Mrs. Edwards served as principal at Lowes High School and other schools during the war years when male principals were scarce.

Out of nine brothers and sisters, Mrs. Edwards has only one brother and one sister still living. She and her husband, Frank, reside at Viola, Kentucky, where they have lived since they were married. They have one daughter and two grandchildren.

As her hobby, Mrs. Edwards, during her travels, would try to sit in the governor's chair in the different states but had to stop after her injury. She has collected bells in the past, but now she collects little oddities with which she decorates her house.

**TEACHERS ARE HUMAN, STUDENTS ARE HUMAN, TOO**

Everyone is always reminding the student to treat the teacher nice because she or he is human, well just stop and realize that the student is also human and has feelings.

Teachers sometimes think that some students are impossible. Maybe so, but did you ever think that you are ignoring them. There may be some students in a class that are smart and try to do everything themselves to get all the credit. Maybe the others then think that they aren't needed so it's the job of the teacher to help these students. Students are inclined to build up resistance against others if they are ignored.

When a student does something a teacher doesn't like, it is usually marked against him or her! Maybe the student doesn't realize he has done the wrong thing! They may not have meant it the way it sounded. Patience is important, both for the teacher and the student.

Some students are inclined to be slower in catching on than others and need to be given more attention.

Teachers need to be sure and explain everything, when even certain assignments are given so that the student won't feel it's just for meanness.

Students need to express themselves in class and when this is done the teacher shouldn't take it wrong. Give the student a chance, after all you express yourself too. Maybe a student says something you don't agree on, well give them a chance to explain what they mean.

Students form their opinion of teachers just as teachers form theirs of students. Students think of teachers in just the way teachers act. If a teacher doesn't treat them human or like they have some sense they aren't going to like the teacher. If a teacher cares what a student thinks of him or her and tries to please them, a student will act sensible and do what they ask. But if a teacher doesn't care and tells a student so and gripes constantly so will a student. Teachers really set an example of how students will act in school.

Students and teachers can help each other by working together as a team instead of against each other. Students can be nice and so can teachers if only they would show it. Some students think a teacher is awful because he or she never speaks or smiles and teachers think the same of students. Remember a personality and a smile make a likeable person, whether a student or teacher.

Very often many of us get the idea that teachers should be in a class by themselves. Sometimes it seems that no one else can be so misunderstanding, so trying, and so hard to please all at the same instant. We continue to pour out our troubles and gripes about our teachers without ever stopping to think about their side of the story and that they are human beings just like ourselves.

Did you ever stop to think that your teachers had feelings just as you have? Maybe if you analyzed yourself and your attitude in class you might be shocked to find that the trouble wasn't really any fault of your teacher, but it was you. If all of us would realize this and try to remedy it we would soon eliminate the base of our trouble and everyone would be happier all the way around.

Teachers are just as human as anyone else and they would probably appreciate it if students would treat them more so. They all have their likes and dislikes just as every other individual in this world today. If we are nice to them they will be just as nice or maybe even nicer, to us. Next time you walk into a classroom give your teacher a smile and a friendly "hello" instead of the usual long face and see how much better you feel on the inside. You will soon find that you even like that once "horrible" teacher and that she's not so bad after all—in fact you will find her to be a wonderful person who is willing to sacrifice her time to be of service to you instead of visualizing her as just one of those unnecessary evils that automatically comes with classrooms and schools. Anyone can fuss and fume, but it takes a smart person to find a remedy for their troubles instead of boring everyone else with them.

This article was taken from the 1953 edition of the Oak "K".

**CAR OF THE MONTH**

We have selected Perry Vaughn's 1955 Chevy as Car of the Month for March. It is painted 60 Olds blue with matching interior. It is lowered 3 inches in front and 2 inches in the rear. The hood and trunk are shaved, and set off with a tubular grille. The engine is stock with the exception of dual exhaust and a four-barrel carburetor.

**LONE OAK OBSERVES FOUNDERS' DAY**

The first P.T.A. at Lone Oak was organized on Thursday afternoon, February 19, 1942. This organization was honored at the February meeting by a Founders Day Program. Founders Day makes it possible for the teachers and the parents to demonstrate the ways in which the P.T.A. is now accepting responsibility for the future of our nation in its day-by-day effort to improve our homes, enrich our schools, and safeguard our neighborhoods.

Mrs. Calendar, the First Vice-President of the McCracken County P.T.A. Council spoke on the subject "P.T.A. Then and Now." Bob Sanderson of the Paducah Sun-Democrat spoke on the "History of Education at Lone Oak."

In honor of the past presidents, they were presented with corsages.

When the meeting was adjourned, a Silver Tea was served to all people present in observance of Founders Day.

**LONE OAK F.H.A.**

The Lone Oak Future Homemakers of America have been busy making money for the State F.H.A. Scholarship Fund. Every year F.H.A. scholarships are awarded to outstanding F.H.A. girls that plan to major in home economics. Lone Oak has been fortunate in having five girls win F.H.A. scholarships. They are Lou Enderlin, Sara Ward, Judy Darnell, Carolyn Pennebaker, and Gayle Kelley. These girls have done outstanding work in high school as well as college.

Home Economics classes have been studying the importance of Civil Defense as a family affair. Girls have participated in panel discussions, demonstrations, and skits on Civil Defense and the family. The girls are familiar with the necessary equipment and food supply for a fall-out shelter and with the things to do in case of emergency.

**"ABOUT TIME"**

By Ron Alexander

The educational films shown by Mrs. Jo Henderson and Mr. Garvice Douglas to their classes are received free of charge from the Bell Telephone Company. These films dealing with various subjects concerning science have been viewed by nation wide television audiences.

The latest film shown was "About Time" and dealt with the invention of the clock and calendar. These films present complicated material in such a way that it is easily understood.

**YOUTH ASSEMBLY**

The Youth Assembly is held every spring in Frankfort, Kentucky. This year it will be held March 29, 30 and 31. Attending this meeting from Tri-Hi-Y will be Carol DeVille, Diana Blackburn, Tereza Schmitt, June Burks and Judy Matlock. The Youth Assembly is actually running the state government with the Y.M.C.A. sponsoring the clubs participating. Bills are assigned to committees, debated in both houses and passed, rejected or vetoed.

The Assembly is actually held in Kentucky's beautiful Capital building. All those who attend leave feeling thrilled and excited and they also have a better understanding of how the state government works.

Other highlights of the Assembly are a governor's ball and banquet, a beautiful dedication service held in a Frankfort church, and the pleasure of meeting many interesting people.

The pre-assembly meeting for Kentucky's first district was held at the Lone Oak High School cafeteria on February 19, 1962, at 7:30 p.m.

This meeting was held to elect people to two positions on the Governor's cabinet for next year. The Murray Tri-Hi-Y won the office of Secretary of the House. Lone Oak Tri-Hi-Y got the position of Attorney-General for 1962-63. Diana Blackburn was elected to this position.

John Bouland of the Lone Oak Hi-Y has an office on the cabinet this year. John is Commissioner of Highways. Carol DeVille of Lone Oak received the position of Campaign Manager for the 1962 election.

**BIOLOGY CLUB**

On Tuesday, February 20, 1962, the Biology Club held its monthly meeting. At this time a film from the Bell Telephone Series "About Time" was shown.

For our program next meeting John Adler will report on the book "Birth and Death of A Sun."

**TOWN AND COUNTRY BUSINESS CLUB**

The new Town and Country Business Club was formed at Lone Oak High School, January 23, 1962. The Club's first speaker was Mr. Jack Turner, of Interstate Finance Corporation. He spoke to the group on ways to borrow money and the amount of interest that is considered reasonable to pay on borrowed money.

Mr. R. A. Mabry is the sponsor of this new club at Lone Oak High School.

**TRI-H-Y CONDUCTS PEP MEETING**

On the afternoon of the Tilghman ball game, the Tri-H-Y conducted a different kind of pep meeting. It called to mind some of the pep meetings that once were held at Lone Oak.

With the help of some faculty members and the cheerleaders, the club presented a mock Lone Oak-Tilghman game. Playing the roll of Coach Dexter was Miss Wylma Stewart, and Mrs. Jo Henderson (red tie and all) played the part of Assistant Coach, Sig Johnson.

Leading the Tilghman game was Coach Otis Dinning, played by Mrs. Gwen Helfer. The players were Tri-Hi-Y members as was the Tilghman cheering section, attired in blue skirts and white blouses with the blue letter T on them.

Tilghman cheer-leaders were the "B" Team cheer-leaders who presented many comic situations. These girls provided many laughs. The cadet band represented the Tilghman band and were enthusiastic, if not too well, in harmony. The concert band and "A" team cheer-leaders led the Lone Oak student body.

Refereeing the game, with a few rules of their own, was Mrs. Violet Kelley and Mrs. Pat Maddox, complete to striped shirts. Did you ever see two players on the free throw line because it was a "double foul" or heard of getting two shots because of being fouled on both arms?

The student body responded with "rafter lifting" yells and more pep and enthusiasm were exhibited than has been for a long time.

Perhaps a precedent could be set and next year more clubs interested in conducting a pep meeting during the year.

(Continued from Page 1)

**CHOIR COMPLETES FORMATION . . .**

The first appearance of the new A Cappella Choir will be in the "Spring Festival" at Murray College during the last week of March. Many solos and ensembles, in both vocal and instrumental, will also represent Lone Oak. They are as follows: **Vocal Solos**—Tommy Metcalf—Tenor, Joan Raffidy—Contralto, Linda Page—Contralto, Cherie Steger—Soprano, Juliana Wenzel—Soprano, Vana Mullinax—Soprano; **Vocal Ensembles**—Girls Ensemble, Boys Double Quartet, Miscellaneous Mixed Ensemble, A Cappella Choir, Mixed Chorus, Girls Chorus, Boys Quartet.

**Instrumental Solos**—Lynette Davis, Piccolo; Georgia Dunlap, Flute; Juliana Wenzel, Flute; Linda Pirtle, Flute; Cecilia Newton, Flute; Bonnie Gatlin, Oboe; Nancy Godfrey, Clarinet; Lynn Wamstead, Clarinet; Joe Hatzel, Clarinet; Danny Huff, Clarinet; Glenna Bell, Clarinet; Rick Johnston, Clarinet; Mike Boren, Clarinet; Maxiene Scheoeder, Clarinet; Gary Bachs, Saxophone; Rebecca Blackston, Saxophone; Mike Kelley Saxophone; Charles Graves, Saxophone; Greg Padon, Saxophone; James O'Brien, Saxophone; Iris Hargrove, Saxophone; Jimmy Cooper, Saxophone; Rickie Cruce, Saxophone; Linda Churchwell, Saxophone; John Phelps, Bassoon.

**Baton Twirling**—Bonnie Gatlin, Jackie Hillyer, Patty Adams, Lona Hayes, Lynette Davis, Cheryl Spears. Twirling Ensemble (6 members). Twirling Ensemble (2 members).

# LONE OAK BOWS TO REIDLAND

## SENIORS SPARK OAKERS IN SEASONAL FINALE

Lone Oak finished its regular season play in fine fashion on February 20, by overcoming a giant 17-point, 43-26, halftime deficit and go on to win the game 70-69 in the closing second.

Bill Hopwood pushed in a foul shot after regulation play had ended to give the Oakers the hard-earned victory and run their record to 13-12.

Wingo held a slim 20-18 first quarter lead before the Indians outscored the Flash 23-8 in the second period for their big-half-time margin.

Lone Oak, behind the scoring of David Shelton and Charlie Brown, caught fire in the third period and pulled within striking distance at 54-50 at the quarter horn.

Shelton scored 13 points and Brown added eight in the third quarter rally.

Lone Oak's three starting seniors, Shelton, Hopwood and Alexander, playing their last home game, scored 17 points each; while Brown added 13. John Waggoner paced the losing Indians with 27 points.

## LONE OAK EIGHTH GRADE WINS CHAMPIONSHIP

The heralded Lone Oak Eighth Graders walked off with the grade school championship trophy on February 24 by rolling past Heath 38-18. The young Flash had previously downed St. Mary's 38-25 and Ragland 44-23 enroute to their tournament win.

The Young Oakers finished the season with a sparkling 12-1 record. Their only loss was a one point deficit, 35-34, at the hands of Heath which they later avenged in tournament finals. The eighth graders also defeated two Freshman "B" teams during their campaign.

Bill Hopwood of Lone Oak is shown driving against Tilghman while Shelton and Hawley look on.

## Lone Oak Beats Tilghman For 2nd Time This Season

Lone Oak achieved a rare feat in the school's basketball annals by notching its second win of the season over Tilghman on February 16th. The Flash won 57-46 for its second victory over the rival Blue-men. Lone Oak doubled the score in the first period, holding a 16-8 first period lead.

The Flash upped the gap to 10, 22-12 mid-way of the second period only to see Tilghman cut the deficit to 24-29 at halftime.

The Flash had upped the lead to 16 points, 39-23, late in the third period when Tilghman started an all court press.

Tilghman cut the deficit to five points 47-42 with 1:41 left, but the Flash rallied for the impressive win.

Ron Alexander and David Shelton powered the Lone Oak attack, Alexander netted 17 while Shelton bucketed 16. Bill Hopwood added 11. Terry Croom led Tilghman with 11 points.

## Flash Falls From Running 75-62

Reidland used its big rebound advantage, 56-30, to power past Lone Oak 75-62 and thus qualify for the Regional Tournament held at Murray March 7-10.

Reidland actually won the game in the first quarter, outscoring the Oakers by 13 points, 17-4 which turned out to be the winning margin.

The Greyhounds continued to sparkle in the second quarter and led by 15, 38-23, at half-time.

Reidland led by 16, 43-27 before Lone Oak started an all-court press that cut the gap to six points, 47-41 with 1:40 left in the third period.

Reidland led by eight, 51-43, at the end of the third canto.

The Reidland five began to get by the press in the fourth period and finished with a 13-point win.

Big Allan Brown paced the 'Hounds with 19 points and 18 rebounds while Larry Cartee, Keith Lambert and Bobby Brewer added 15, 14 and 13, respectively.

Ron Alexander paced the losing Flash with 17 points, while David Shelton and Charlie Brown added 14 each.

## LONE OAK EDGES LINCOLN ON ALEXANDER'S LAST SECOND SHOT

Lone Oak used a last second 20-foot jump shot by Ron Alexander to defeat Paducah Lincoln 60-59 and move into the semi-finals of the Second District Tournament against Reidland.

Lincoln jumped out front 14-11 at end of the first quarter and held an eight-point lead, 20-12, early in the second quarter, only to see Lone Oak use a 12-2 scoring edge in the last two minutes of the second quarter to forge into a 32-30 half-time lead.

Lone Oak held its biggest lead of the game 46-42 at the end of the third quarter and again at 48-44 early in the final period.

Howitt Mathis hit a 10-foot jump shot that moved the Hornets ahead 59-58 with only seconds remaining but Alexander retaliated with his game-clincher, thus creating a joyous rush onto the floor by the jubilant Lone Oak fans to congratulate their players.

Alexander finished with scoring honors and 20 points. David Shelton chipped in with 12 points while Bill Hopwood added 10.

### THANKS MANAGERS

We wish at this time to express our thanks to Terry Belcher and Ronnie Kafer, who have been our managers for the basketball team for 1961 and 1962.

Terry and Ronnie have put in many long and tiresome hours as managers this year. Terry Belcher replaced Edward McNeil shortly after basketball season began, when Edward resigned. Thanks again boys for doing a tremendous job.
