

U. of K. SPEAKERS TO HOLD INFORMATION MEETING NOV. 12

Most if not all high school seniors lack the information necessary to a wise choice of which college or university they should attend.

That's the thinking behind the University of Kentucky's Visitation Program which this year is giving students in 91 of Kentucky's 120 counties an opportunity to obtain authoritative answers to their questions about college life in general and UK in particular.

Seven UK representatives, each an authority on some aspect of college life, will present an information program at 7:30 p.m. Monday, November 12, at Paducah Tilghman High School for residents of Carlisle, Ballard, Graves, Lyon, McCracken, Marshall, Livingston and Calloway counties.

All high school seniors in the eight-county area, along with their parents, teachers, counselors and others interested in learning more about higher education in Kentucky,

F.B.L.A. Officers Elected For '62-'63

F.B.L.A. held its first meeting October 7, 1962, with the advisors, Mrs. North and Mr. Crooks. Phyllis Lane, President and Kenneth Grief, Reporter, were officers elected last year. New officers are: Vice-President, Bobby Rushing; Secretary, Linda Cole; and Treasurer, Phyllis Overstreet. Phyllis Lane was elected chairman of concession stands for the basketball games.

The F.B.L.A. convention was discussed, and a point system is being worked out. In this way, active members will get to attend conventions.

Booklets have been ordered on Parliamentary Procedures, and the club hopes to send a team on Parliamentary Procedure to the convention, April 27 and 28, in Louisville.

Everyone taking a business subject is eligible to belong to this club. Also any visitors are welcome.

The program will consist of a brief talk by one of the team members, a longer question-and-answer period, and an informal social hour. It's the question period, team members say, which gives the student and his parents all the information they could obtain in a personal visit to the UK campus in Lexington.

Questions dealt with by the team usually cover such subjects as financial aid and school costs, academic requirements and expectations, housing, admission procedures and student services.

Tests Taken By L.O.H.S. Students

On October 10, the Seniors were given the General Aptitude Test Battery (GATB). The test was administered as part of the cooperative program between the State Employment Division of Kentucky and the school.

The test measures the student's potential in 9 different areas. The test was designed to aid students in choosing future employment as well as to help those going on to higher education. This is a part of the school counseling program.

The Seventh and Eighth grades have also been involved in a testing program.

These Standard Achievement Tests, which are given regularly each fall, were taken on October 22 and 23.

Actual combined testing time was 4½ hours, but with time taken out for rest periods the testing took 2 days to complete.

The students did not attend school the following Friday, so the teachers could check the tests. These scores will serve as a part of the students' cumulative records.

Another test (aptitude) will be given in the Spring.

Halloween Party Given By Seniors

On October 27, at 7 o'clock the Senior Class sponsored a Halloween Party at the National Guard Armory. Those invited to attend were Seniors, Juniors, and their guests. The Junior and Senior class sponsors were also invited. The admission was \$.50 per person. The dress was casual wear.

The Armory was decorated for Halloween with pumpkins, black and orange streamers, and balloons.

Refreshments which included soft drinks, cup cakes, cookies, and popcorn were served.

The entertainment included dancing with a record player and records furnishing the music.

The composite picture of the cheerleaders shown here includes the A team (upper left), B team (upper right), 9th grade team (lower left), and 8th grade team (lower right).

The representative from Lone Oak along with Junior Rotarians

from other high schools attends the Paducah Rotary Club meeting each Wednesday for three weeks. The meetings are held at the Cobb Hotel. After eating, the boys and the club members hear a speaker.

At the first meeting of the month the school representatives sit together. During their second and third meetings, they each sit at a different table with various Paducah businessmen.

The Lone Oak Rotarian is chosen by Mr. Robinson. Other schools represented are: Reidland, Heath, St. Mary's, and Tilghman.

The Lone Oak High School Band is composed of students from grades 7-12. They are pictured in dress uniforms with the twirlers and drum major.

Band Uses New Instruments In Performances

The band participated in the award ceremony for the Fifth Naval District in Paducah on November 7. The ceremony was held at the J. C. Civic Center with the Rear Admiral of the Fifth Naval District presenting the awards. Lt. Gov. Wilson Wyatt was also present. After the presentation of awards, the Band played "Ruffles and Flourishes," "National Anthem,"

and presented a short concert during the get-acquainted period.

On November 10, the band will participate in the homecoming parade at Murray State College.

This year the band will add something new to this end of the state. The new items are called "Flat Jacks", and they are base drums. The difference between the "Flat Jacks" and an ordinary base drum

is its size and weight. The "Flat Jacks" will add flash to the band by spinning throughout the parade. Dick Blackston and Glenn Davis will play these drums. Also new to the band this year are two piccolo's, three saxophones, three baritone horns, a bass clarinet and percussion equipment. These instruments were provided by the McCracken County School Board.

How To Be Very Popular Without Really Trying

By Debbie Reynolds

As Taken From SEVENTEEN

It's wonderful to get laughs, but not when you lose people's respect. They just think of you as the village nut and never consider you for class office or any position of responsibility.

You get laughs—but not many dates. If you are still a little tomboyish and prefer blue jeans to a dress or would rather climb trees than paint your fingernails, watch out! Boys don't usually date girls they climb trees with, unless the couple is Tarzan and Jane.

Many girls are shy. Is that you? Don't feel lonely because there are many others in the same boat. When some people are shy they clam up, but others just start talking and saying nothing, to overcome shyness; either way people will get the wrong impression of you. Try to be yourself and have a good time. Talk to the boys about sports, cars or other things that you know they are interested in. Make a point, before you date a boy, to find out what his interests are. If you feel like a bump on a log when you date; try double-dating. Then the burden of conversation is on four sets of shoulders, not just yours.

Manners are an important phase of popularity. Good manners can be learned. So can the art of conversation. But you don't acquire them over night. They require time and

effort.

Every girl or boy should learn how to dance. Any girl with two feet can learn to dance well. Dancing is fun. It's also the easiest way to get a girl or boy in your arms.

Being popular does not mean to follow the crowd. If you want to be popular be a leader and try being an individual.

Juniors Complete Magazine Drive

The Junior Class of Lone Oak High School has completed their annual magazine drive for 1962-'63. Mrs. Goheen, sponsor of the magazine drive, said that the Juniors have done a fine job in reaching their goal and continuing to work until the last day of the drive.

She also said that the Juniors wish to express thanks to everyone who bought a magazine and for the contributions made to the Junior Class.

Captains of the drive were: Lynn Boyd, Joan Raffidy, Annette Smith, Joe Henderson, and Claudia Owens.

The high salesman was Sandra Thompson, who sold \$113.37 worth of magazines. Others on the top ten list of salesmen are: Gall Stratton, Martha Thomas, Delois Tucker, Richard Titsworth, Pam Smith, Robert Lough, Randal Gibson, Tommy Wyman, and Lynn Boyd.

Juniors Present Play

The Junior Class of Lone Oak High School presented its play "January Thaw" on October 26 at 8:00 in the school auditorium. The play was a three act comedy which involved two families who each claimed title to the same house. The young people of the families finally solved the problem. The director of the play was Miss Wilma Stewart and the student director is Joan Raffidy. All of the actors and the stage hands spent long hours working on the play, and it was enjoyed by everyone. The play was presented to the student body on Monday, October 29. 350 people attended the play on Friday night.

Betas Attend Meeting

The District Beta Clubs met October 20 for their annual semester meeting which was held at Crittenden County. A delegation of nine students and Mr. Blackburn, the sponsor, attended. The business meeting consisted of nominating a vice-president for the State Convention and discussing other points concerning the State Convention. This was followed by a talent show which was put on by the different high schools. Refreshments were served, and the problems of different schools and their Beta clubs were discussed.

Any senior boy who is interested in applying for a Naval Reserve Officers Training Corps scholarship must do so by November 16, 1962.

By David Saucier

The first basketball game of the season is on November 9, at Symsonia. Game time for the "B" team is 7:00 P.M. and for the "A" team 8:00 P.M.

Mr. Dexter said that Lone Oak will have a ball team which has good speed and that the boys want to play ball. He also said that the team is a little weak on defense, and lacks experience but they will develop as the season progresses.

Symsonia has a big team, and the fact Lone Oak is playing away on the first ball game will have a big

The first five will come from these six boys: Charlie Brown—Center, Pat Hawley—Forward, Freddie Howard—Forward, Roy Rushing—Guard, Jay Burnett—Guard, Hank Shepherd—Guard. Other team members are: David Saucier, John Beaton, Keith Mason, Frank Harris, Terry Barkley, Jimmy Alexander, Jim Sinquefield, Donnie Harper, Bobby Murphy, Dick Blackston, Dennis McCracken, Charles Sigler, Ronnie Hayden, Gary Reecer. The managers are: Terry Belcher and Ronnie Kaler.
