

The Oak "K"

Vol. XXII, Number 2

Lone Oak High School, Lone Oak, Ky.

November 6, 1963

FLASH IS COMING

This year the Board of Education has given their permission for Lone Oak High School to have an annual.

The book entitled "FLASH" will be well worth the \$5.00 it will cost us.

"FLASH" will contain an individual picture of each student and teacher at L.O.H.S. plus candid shots of all clubs and extra circular activities.

Orders will be taken at the subscription desk the first two weeks in November. Subscriptions will be taken starting November 4. **NO ORDERS WILL BE TAKEN AFTER NOVEMBER 5.**

All orders are guaranteed to be delivered by May 15.

JOURNALISM SPONSORS BEATNIK PARTY

On Friday night, October 25, the Knights of Columbus Hall was the scene for the school's first Beatnik party. The theme of the party was chosen because of the approach of Halloween. All people who attended were urged to wear a costume in order to make it more of a success.

Approximately 200 people attended the party wearing their sunglasses and carrying their bongo drums. This number brought over \$100 to the class.

Cold drinks were served and entertainment included the band composed of Harry Alexander, Larry Star, Ronnie Griffith and John Adler. The money made will help pay for the annual.

Concert Band Plans Several Activities

The Lone Oak High School Marching 100 will attend the Banana Festival at Fulton, Kentucky on November 9.

There will be sixteen other bands present for this parade and it will be the first time Lone Oak has competed in the A class competition.

The band will go early to attend a luncheon given for Miss America, Miss Latin America, Miss Tennessee, and Miss Kentucky.

The Lone Oak High School Stage Band will play at the Barber Shopper's program, sponsored by the PTA on November 2.

Lone Oak High School's Marching 100 attended the 3rd annual Bluegrass Marching Festival held at Mayfield on October 5.

The band brought home the trophy for third place in the B class competition.

Drum Major, Mike Harton presented the trophy to Mr. Robinson and the school in an assembly.

Officers for the band for the 1963-64 school year are as follows: President, Gary Colthorp; Vice-President, Eddie Clark; Secretary Martha Terry; and Treasurer, Iris Hargrove.

Lone Oak High had its first mass band performance on October 22,

Does this mean we're graduating? On October 3 Mr. McElya returned to Lone Oak bringing with him 123 senior rings for the graduating class of L.O.H.S.

SENIORS OFFICIALLY BECOME SENIORS

By Gail Stratton

One hundred and twenty-three excited seniors rushed to the cafeteria on the morning of October 3rd to receive one of the most cherished possessions of their lifetime—their class ring. After twelve years of hard work and waiting it finally happened, it was their time to proudly display the new, shiny, gold rings. No more 'oohing' and 'aahing' and day dreaming of the day that they would get their class ring, because their dream had come true—in the year of 1963-1964.

Many of the seniors only had their ring for one day, and then they were proudly placed on a chain and worn around a boy's neck, or smothered with tape or parafine, and made a heavy, but treasured weight on a girl's fin-

ger. But no matter who wears the ring or how it is worn, it will always be worn with pride.

These rings will survive the many chains and wads of tape, and in the years to come these seniors will proudly look at them and say, "This represents the twelve years of happiness, the sadness, the troubles and heartaches, the many exciting days, the hard work, and the good times,—well, the best days of my life!" And then they will bring back memories of their former classmates and friends,—the graduating class of 1964.

He who thanks but with the lips

Thanks but in part;

The full, the true Thanksgiving

Comes from the heart.

Thanks from Ingenus

First Honor Roll Is Announced

A total of 54 students made the Honor Roll for the first six weeks. To be on the Honor Roll, a student must make all A's in Academic subjects and not less than a B in subjects such as band, music, P.E., etc.

The following people made the Honor Roll for the first six weeks:

Seniors

Lesley Lisso, Lynn Boyd, Ann Hara Price, Joan Raffidy.

Juniors

Bill Overstreet, Nan Smallman, Lynn Wamstad, Nancy Hughes, Barbara Carroll, Mike Johnston.

Sophomores

Patricia Burnett, Nancy Godfrey, Jean Smith, Velda Perry, William Dalby, Nancy Duff, Hollace Dahler, Steve Wood.

Freshmen

Dale Miles, Karen Dahler, Chris Perry, Lucy Lawrence, Rita Sch-nuck, Mary Burt Nirmaier, Judy Naas, Karen Rambo, Sue Summers, Judy Topper, Eileen McClure.

Eighth Grade

Brenda Canup, Steve Owen, Debbie Padgett, Pamela Groben, Emma Lou Bloomingburg, Valerie Ford, Linda Walker, Cheryl Champion, Janice Steinhauer.

Seventh Grade

Patsy Stokes, Lisa Tate, David Allan Baker, Don Allen Presley, Melinda Puckett, Suzanne Hibbs, Stephen Parris, Michael Tabor, Carol Wilkes, Connie Pittman, Richard Tabor, Judy Alderson, Barbara Ezell, Diane Ward, Mary Jane Edwards, Christy Boren.

Magazine Drive

Three thousand dollars was the goal for the Junior magazine drive for this year. The campaign, under the direction of Mrs. Lester Goheen, kicked off on October 4th when each student was given a pamphlet containing listings of the one-hundred-thirty magazines which were offered under the Look School Plan. Five and ten-dollar-bills were to be presented to high salesmen and to serve as an incentive to spur the magazine sales.

By the end of the second week the Juniors still had not been able to meet their set goal, so the drive was extended for an additional week. On October twenty-third, the sale was officially ended. Citations were awarded to those students selling twenty-five dollars or more in subscriptions. Those selling one hundred dollars or more were enrolled in the International \$100 Club.

The class officers did an outstanding job of supporting the drive. They are: Gary Detraz, Don Harper, and Nan Smallman. Home-room captains were: Gail Morris, Cecilia Wheatlauf, Beverly Hammonds, Charlotte Clark, and Eddie McDougal.

The primary purposes of the drive were to raise money for the Junior-Senior Banquet and Prom, and for the Class of '65's graduation.

HIGHWAY IS DEDICATED

The new Lone Oak highway was dedicated Tuesday, October 28. The guest speaker was Commissioner of the Department of Highways, the Honorable Mr. Henry Ward. He is a native of Paducah.

The Lone Oak High School band was present and began the program by playing the national anthem. The entire student body was also present.

This highway represents a long-sought for and long-needed improvement for Paducah and McCracken County. The entire project cost \$1,200,000.00. The contractor for this section of highway was the Crawford Construction Company.

The celebration was held as a part of "Henry Ward Appreciation Day."

JUNIOR ROTARIAN IS SELECTED

Bobby Rushing was selected as Junior Rotarian for the month of October. Bobby is a senior at Lone Oak this year, and his subjects are: shorthand, English IV, book-keeping, office practice, and business math.

Bobby is very active in FBLA, being local and state President of the club. He is planning on attending college after graduation from Lone Oak.

New building arouses renewed student interest.

NEW BUILDING PROVES BOON TO LONE OAK

By Shirley Cothran and
Kathy Goldsmith

We all agree that the new building is a wonderful convenience. The halls are much quieter. Mr. Douglas has commented about the added room. He has more room to put arm chairs between the lab, tables and the instructors' table. They also have a dark room.

Mrs. Goheen says she is very well pleased with the modern equipment in the new home ec. department. It easily takes care of her classes. She states that it has greatly relieved the crowded situation at Lone Oak.

The classes in the new building are as follows: Mr. Goheen—agriculture, science; Mrs. Goheen and Mrs. Logan—home ec.; Mr. Douglas—chemistry, (Mr. Waltman is the student teacher); Mr. Dowdy—

biology; Mrs. North—bookkeeping, shorthand, business math., and office practice; Mr. Dexter—business law; Miss Griffith—a cappella, madrigals; Mr. Petty—concert band, pep band, orchestra, and beginner's band; Mr. Woods—agriculture; and Miss Stewart—typing, and business English.

Pet Peeve: Smartalics

High School Student Body Views Films

"Dance Little Children" and "Innocent Party", films on social diseases, were shown on Thursday, October 17, in the gym. Girls 9-12 grades viewed the films at 10:00 and boys of the same age saw them at 11:00. The movies were shown to the PTA and were approved to be presented to the high school students.

The opinions of the student body were well summed up by the following statement made by one senior: "This was an informative and educational program on a subject very few of us understand."

A Challenge

By Wade Bolton

Are you stereotyped? Are you known as one who is "just like everybody else," or are you an individual?

Let's first consider what is wrong with just being like everybody else. We must face the fact that this usually means we only act when it is necessary and we never do more than is required of us. We don't have time to aid others who are less fortunate because we are only concerned with selfish pursuits. It means that we have forgotten the extra efforts which make life worth living. We must admit that this usually means we are just like everybody else.

We have too many of these people in the world today. It is hard to find a person who acts on self-determined initiative. This is one who acts through personal deliberation; one who surveys why he is acting and then tries to foresee the results of his acting. This is one who forgets the selfish motive because he desires to help others. This is one who does the extra because it gives the rich meaning to life. This is one who sees all other human beings as individuals who have the same feelings as he has. This is one who isn't like everybody else. He is an individual!

What would our world, our community, our school, and we, ourselves, be like if we all acted as thinking and considerate human beings? We would not be bound by ignorance, prejudices, traditions and other pressures of conformity. We would be seeking a new relationship where we respected one another, no matter if we were different in physical appearance or differed in thought or ideas. We would be seeking to understand and respect every person as an individual, as we are individuals.

These thoughts are not so idealistic that they can't be realized. Yes, it takes an effort to be an individual, but the results offer eternal rewards.

Let us be challenged to eliminate the fact that so many of us are "just like everybody else."

Lone Oak PTA To Sponsor Dollars For Scholars Show

The Lone Oak High School Parent-Teacher Association sponsored a Barbershopper show November 2 to raise money for its John Robinson scholarship program.

The show was presented by the Paducah Barbershoppers with the help of two-out-of-town quartets—the Yachtsmen of Decatur, Illinois, and the Coal Miners of Madisonville.

Other talent was featured on the show and the Paducah Esquires quartet, the Dukes of Paducah Barbershoppers chorus and a quartet composed of Lone Oak High School faculty members.

The program was held in the high school auditorium, starting at 8 p.m. A concert by the school's stage band will precede the Barbershopper program.

The PTA awards \$100 each year to two deserving Lone Oak High School seniors to attend the college of their choice. Recipients of the scholarship awards are chosen by members of the high school faculty.

"School Day Quiz"

1. What was our Secretary of State's name 37 years ago?
2. What can you hold in your left hand, but never in your right?
3. How can you put two and two together and get more than four?
4. What starts with t, ends with t and is full of t?
5. When did America start with an A and end with an E?
6. It was the last of the seventh inning, the home team was leading two to nothing, yet not a man had got to third base; how was this possible?
7. What can you take the whole away from and still have some and take some away and still have the whole?
8. What coin is doubled if you take away its half?
9. What two letters spell "confectionery"?
10. What five letter word can you take two letters away from and have six left?

—ANSWERS—

1. The same thing it is now—Dean Rusk.
2. Your right elbow.
3. Like this: 22.
4. A teapot.
5. America has always begun with an A and end with an e.
6. It was an all girl game.
7. The word "wholesome".
8. The half dollar.
9. C and Y. (Still puzzled? It's candy.)
10. Sixth or Sixty.

THE NFL HOLDS PRELIMINARY MEET

Debate, extemporaneous speaking, discussion, poetry and prose were the events included in the Lone Oak speech tournament held on October 12. The prime purpose of the meet was to interest novices in competitive tournaments and provide an opportunity for them to gain experience in their chosen event. For this reason no trophies were awarded and there were no preliminary elimination rounds.

CLUBS

MATH CLUB

The Math Club of Lone Oak High School held its first meeting on October 2. This meeting was devoted to the election of officers. They are as follows: President, Hank Shephard; Vic-President, Mike Johnston; Secretary, Patsy Kelley; Assistant Secretary, Ann Dunbar; Treasurer, Sue Rose; Reporter, Janet Wickliffe.

The Math Club has decided to continue the sale of pencils and stickers, which were rather successful business ventures this past year.

BIOLOGY CLUB

The Biology Club, sponsored by Mr. Dowdy, has twenty-five members. The new officers are: President, Ronnie Hayden; Vice-President, Charles Hamlin; Secretary-Treasurer, Pat Burnett; Reporter, Dianne Lewis. At the next meeting, plans for the year will be discussed.

NFL

Members of the National Forensic League have attended several preliminary tournaments this year. In October, discussion groups and debaters attended the Murray Discussion Clinic.

The club has acquired three new members this year. They are: Penny Parks, Steve Baker, and Chris Perry.

TO ALL STUDENTS:

The NFL is selling four-ounce milk chocolate candy bars with almonds for 50c.

FHA

At the next meeting of the Future Homemakers of America, a skit, "A Leader Looks the Part", will be presented to the members. This skit will be based on the information obtained by the officers at the Fall District Leadership Training Conference. Another part of the program will be the conferring of Junior and Chapter degrees to those who have completed their work.

FFA

The Lone Oak FFA has participated in many activities during the summer. Albert Pendergrass and Richard Titsworth attended the state convention, June 3, 4, and 5. Also attending were: Jimmy Davenport and Gary Schaffer who served on the courtesy corps.

Later in the summer, Gary Thompson, Billy Seay, Gary Reecer, Gary Schaffer, and Albert Pendergrass attended the leadership training center at Hardinsburg, Kentucky.

On October 9, 10, and 11, Richard Titsworth attended the National Convention in Kansas City, Missouri. He traveled with thirty-three other members from the Purchase Federation and two advisors.

Billy Seay, Billy Walters, Gary Thompson, Edward McNeil, and Gary Reecer attended the State Fair September 12 and 13.

This year there are 17 new members in the Vocational Agriculture Department.

FBLA

Tuesday, October 2, 1963, the first meeting of the Lone Oak chapter of the Future Business Leaders of America was held in Mrs. North's Business room. Among the many things discussed by the chap-

ter and state President Bobby Rushing was the meaning of FBLA, its projects, creed, dues, and point system.

Any person earning 1500 points through participation in the various club projects, will be eligible to attend the state convention in Louisville, held in April. Officers for the year, elected at this meeting, are as follows:

President Bobby Rushing
 Vice-President ... Linda K. Harris
 Secretary Brenda Wilkerson
 Treasurer Sharon Yarbrough
 Reporter Mike Harton

Through mailing all correspondence promptly, and making the projects and programs identical with the purposes, the FBLA hopes to become a Gold Seal Club. If this is accomplished, the 1963-64 chapter will be well represented.

The Library Club

The Library Club met October 18, 1963, and elected the following officers:

President—Janice Harper
 Vice-President—Jane Jett
 Secretary—Eileen Turner
 Treasurer—Jean Smith

New library shelves and equipment are expected any time. Upon this arrival, plans will be made for reorganizing the library.

Many new Junior High books have been received and are being processed. Other books are on order, and the library will have a wide variety of new material.

The Lone Oak Woman's Club presented the library with a lovely two-volume set of World Encyclopedia. Mrs. J. W. Cruce presented the books to the school.

A new item causing a great deal of interest is the rack containing paper back books which are for sale. These books are for the need of many reports, extra reading, pleasure, and information. Look them over. Prices vary from 35c to 95c.

Tri-Hi-Y Has Opening Meeting October 2

The Lone Oak Tri-Hi-Y met on October 2, 1963 to form their new club for 1963-64 which consisted approximately of 85 members.

The officers this year are:

President—Lynn Boyd
 Vice-President—Terrie Seay
 Secretary—Joan Raffidy
 Treasurer—Sue Bean
 Chaplain—Dianne Kaler
 Sergeant-at-Arms—Dianne Harris
 Reporter—Martha Kay Thomas

This year the Tri-Hi-Y has again accepted the responsibility of caring for the First Aid Room and preparing a "Thought-for-the-Day" which is on each absentee list. Ballpoint pens with the ball schedule printed upon them have been ordered and will be sold by the club as one of this year's first projects.

Forty-one members attended the K.U.N.A. preliminary meeting held at Princeton on October 8.

The club is again happy to have as our sponsor, Mrs. Boyd Helfer who each year devotes much time and effort to the organization. She will be assisted by Miss Janice Housman. We all look forward to working with Miss Housman.

Beta Club Elects Officers

The Lone Oak chapter of the National Beta Club met on October 8, at 10:00 o'clock, for the purpose of electing officers.

Jay Burnett, last year's Vice-President, presided and was elected President for the 1963-64 year. Other officers elected were, Vice-President, Bill Weatherspoon; Secretary, Ann Price; Treasurer, Rickie Lyles; Reporter, John Beaton. A program committee was appointed by the president.

Members of the committee are: Janice Harper, Paula Burks, Cheris Steger, Kay Kinney, and Charlotte Clark.

LONE OAK DEVELOPS AS A BASEBALL POWER

By Jay Burnett

In recent years Lone Oak has built up one of the best high school baseball teams in this part of the state. Even though Lone Oak has been represented in baseball for many years, their domination of the local teams didn't begin until 1961. Since then the Flash has amassed a total of 51 victories and only 7 losses. They have also collected seven trophies, the only ones ever earned by a Lone Oak baseball team.

Their success started when they won the first Fall Baseball League, in which they compiled an 8 and 2 record, losing only to Lyon County and Heath.

The following spring the Flash rolled over thirteen consecutive opponents before losing to Christian County in the semi-finals of the regional tournament. The Flash lost Ron Alexander, Terry Maynard, Mike Austin, and David Shelton through graduation, but their remaining personnel was very capable, also.

In 1962 this new group won the Fall League again with an 8 and 0 mark.

Lone Oak gained statewide recognition in the spring by defeating Reidland for the district title and Mayfield for the regional crown. These victories sent Lone Oak to the state tournament, the first time that an athletic team from Lone Oak had ever advanced to a state tournament. The Flash took advantage of this opportunity, winning two games before losing to Covington Holmes in the finals. They defeated Madison Central in the semi-finals, a team that was considered to be possibly the best team in the history of high school baseball in Kentucky.

Lone Oak's overall record last spring was 17 and 3, losing to Reidland twice and Covington. Charlie Brown, Larry Jarvis, Roy Rushing, and Ken Grief were lost by graduation, but again there

were still many promising prospects for this year's team.

This year the Fall Baseball title went to Lone Oak for the third consecutive year. The Flash won six straight games before losing to Livingston Central in the Fall Tournament, which was completed last month.

Lone Oak's success next spring will be on the shoulders of the following boys: Jimmy Alexander, Mickey Ross, John Beaton, Hank Shepherd, Jay Burnett, Glen Dowdy, Randel Gibson, Freddie Howard, Tommy Wyman, Frankie Harris, Donnie Harper, Charlie Walker, Freddie Via, Eddie McDougal, Johnny Boaz, Ricky Leeper, and Charles Hamlin.

The Flash suffered a big loss when Eddie Herndon, one of the most valuable performers on the team, moved to Tennessee, but this team has good depth, so with a replacement they will try to continue their success in area baseball. **LOTS OF LUCK!**

Flash Ends Fall Season

Lone Oak ended its regular season play in fine fashion by defeating Reidland 5 to 1 to wrap up their third straight Fall Baseball title.

Reidland scored its only run in the second inning when Mike Coovert drew a walk and eventually scored on an error. Lone Oak scored one run in the fourth inning on Johnny Boaz's double and Eddie McDougal's single. The Flash put the game out of reach with four big runs in the sixth. John Beaton, the winning pitcher, struck out ten batters. Mike Sanford was the loser for Reidland.

In the Fall Tournament, however, Lone Oak, the tourney favorite, was eliminated by Livingston Central 7 to 3.

The Flash scored three runs in the fourth only to see them go down the drain in the fifth when the Cardinals scored seven runs, capitalizing on the wildness of Lone Oak's pitchers, John Beaton and Glen Dowdy. Livingston's Doug Harnice was the winning pitcher, pitching perfect ball the last three innings.

Lone Oak finished the Fall season with a 6 and 1 mark.

Basketball practice has started again. Here the skins square off against shirts in a scrimmage session.

Values Gained Through Basketball

By Glenn E. Dexter

The making of a basketball team does not consist of merely going out to practice, learning to shoot at the basket, guard, and pass the ball. These are the mechanics of the game that are very essential to success. You may become very proficient in these skills and still not make the team in the way that it should be done, if you really want to catch the spirit of this great game.

After all, you are not playing basketball just for the sake of playing. If that were the only purpose of the game, then I doubt very much if there would be much gained in this sport.

When you have learned to play the game well, you have acquired some valuable traits that will carry over into life. After all, there is not much difference in the character traits we must possess to succeed in different walks of life.

The principles you must follow in basketball are principles you must follow in any worthwhile undertaking.

Well, so much for my philosophy on basketball. I would like to say a few words now on how to become a real sportsman.

First, fall in love with the game. If you are in love with the game, you will study to know all about it, so you can perform at your best.

Second, be willing to pay the price. The wise athlete pays the price necessary for success by long hours

of tedious training and lets the other fellow worry about failure, while he enjoys applause for successful accomplishment.

Third help the other fellow. You are developing a fine quality when you help the other fellow improve himself.

Fourth, work toward an ideal.

The best positions in life await those who have demonstrated the ability to perform excellently on the court.

Athletic accomplishment adds experience to classroom training. The world asks for men who know how to work with others, who will work at a task industriously, who respect superiors, who master assignments, who know how to win but also know how to take defeat, who are loyal to everyone including themselves, who are reliable, honest and dependable. Athletic competition, rightly performed, gives you these qualities.

The time that I am writing this is about three weeks from our first game. We have been practicing only one week, so it's early to give names of boys who will play certain positions.

We do, however, have as much talent this year as any year since I have been at Lone Oak, so I expect to go farther than ever before. If we play as well as our ability indicates we will go to the state tournament. You can see that I am expecting great things from this year's team, and I think you should too.
