## STUDENT BODY ELECTS '64-'65 CHEERLEADERS

On May 5th the student body elected twelve girls for the 1964-65 cheerleading squads. Elected to "A" team were Phyllis Alexander, Janice Harper, Dianne Lewis, Paula Metzger, Dianne Morris, and Gail Padgett. "B" team members are Linda Box, Pat Burnett, Julie Hulsey, Linda Metzger, Celia Owens, and Holly Rendleman. These girls plus twelve other candidates participated in practice sessions for two weeks preceding tryouts. During this period the girls learned the cheers on which they would tryout and practiced working together, jumping, etc. No one was eligible for tryouts unless they had first attended these sessions.

According to tryout rules anyone who will be a junior or senior next year was eligible for "A" team while anyone who will be a sophomore or Junior was eligible for "B" team. The top six girls in each of these divisions were selected.

Votes were cast by each student after tryouts. This year the counting was simplified by having each homeroom teacher tabulate the votes for his or her class then the committee collected and made the final count of ballots.

One of the reasons elections were held in the spring this year is to allow the "A" team cheerleaders to attend cheerleading clinic during the summer. The girls are now in the process of raising funds for the trip.

Moore, Discussion; Celia Owens and Ann Hara Price, Analysis of Public Address; Nancy Steinhauer, Girls Extemp.

Ellyn Dallas won a superior rating with excerpts from *Alice in Wonderland*.

Lone Oak was also presented a regional sweepstakes plaque for having more superiors than any other school at the Murray tournament.

## DEAN MATHESON TALKS TO SENIORS

Due to the fact that a majority of the college-bound students from Lone Oak are planning to attend P. J. C., he explained P. J. C.'s requirements and plans for future expansion.

He was also adept at answering general questions concerning other colleges and their prerequisites.

On April 2, 3, and 4 of this year 20 Lone Oak students from the Hi-Y and Tri-Hi-Y clubs attended the annual K. Y. A. convention in Louisville. ## SENIOR PLAY

"Tattletale", a comedy about a very imaginative 16 year old girl was presented by the senior class on Tuesday, May 19. The play was directed by Mrs. Mary North, and the student director was Shirley Carmichael.

The small town of Fairview was rocked by the publication of a very frank diary by one Ermintrude de Lacey. Ermintrude's revealing of practically everyone in town created such an uproar that no one even took time to realize that the tattletale could only be Patty Blaine, daughter of the football coach and an aspiring authoress of "novels of love and passion."

The cast included Pat Kelly, Patty; Lesley Lisso, Mrs. Blaine; Robert Lough, Mr. Blaine; Ellyn Dallas, Isabel; Artie, Terry Belcher; Ida May, Lynn Boyd; Tod, Bobby Rushing; Mike Harton, Paul; Richard Titsworth, Mr. Nixon; Shirley Cothran, Mrs. Nixon; Martha Thomas, Miss Wiggam; Randel Gibson, Walt; Sharon Yarbrough, Louella; Danna Powell, Monica; David Page, Barney; Don Mize, Mr. Whittaker; John Beaton, Mr. Bixley; Linda Richardson, Mrs. Lorimer; Joan Raffidy, Hetty Heaton; Margaret Knight, Quiz.

## LONE OAK HOSTS 15TH ANNUAL TEA

Almost 300 seniors of Lone Oak, Heath and Reidland high schools were honored Sunday at the 15th Annual Senior Tea sponsored by the McCracken County PTA Council.

The program was held in the auditorium of Lone Oak High School, and an address by Mrs. Elizabeth Margulls, representative for women's organizations of the American Medical Association preceded the formal tea.

Mrs. Clovis Copeland, council president, presided and introduced Mrs. Margulls, whose headquarters is in Chicago.

Others on the program were Mike Davis, invocation; Mrs. D. O. Price Jr., welcome; Sophia Brunn, response; Mrs. J. T. Rice, introductions; Assistant School Superintendent W. D. Kelly, scholarship awards and John Beaton, benediction. The Lone Oak PTA and Lone Oak High School were hosts.

Scholarships were awarded to Judy Broach, Reidland; Becky Heflin, Heath; Randel Gibson, Lone Oak and Russell Lyles, Reidland.

Following the tea, Lone Oak Seniors were guests of the first grade class of Mrs. Elizabeth McCarty at a tea, for which the youngsters formed a receiving line and issued formal greetings.

## Baccalaureate

The Lone Oak High School baccalaureate services were held at the High School on May 24, 1964. One hundred-twenty-two seniors marched in to the processional, "Pomp and Circumstance," played by the Lone Oak Band. The invocation was given by Reverend I. J. Scudder, pastor at Lone Oak Methodist Church. Following the A Cappella choir presented "Plorate Filii Isreal." The baccalaureate sermon was preached by Mr. James Cannon, of the Lone Oak Church of Christ. The A Cappella choir then presented another selection, "Salvation is Created," by Tschesnokoff. The benediction was then pronounced by Reverend Scudder and the seniors marched out to the recessional, "Coronation March from the Prophets."

## Juniors Honor Seniors

Honored by the Juniors, the Senior class of 63-64 attended their last high school Banquet and Prom on the night of May 22—"The Loveliest Night of the Year."

Held at the Jaycee Civic Center, the banquet was catered by Stacey's Restaurant. Music for the prom was furnished by the Rivals. Following the Prom, a show was held at the Columbia Theatre. To wind up the night of events, breakfast was served in the school cafeteria.

Because of the wonderful planning by the Junior Class, the Seniors will always be able to recall their last Prom as a most memorable occasion, and many of them will say to themselves "Thanks again Juniors for giving us the "Loveliest Night of the Year".

The seniors were members of the first grade class of Mrs. McCarty upon her return to teaching that grade at Lone Oak in 1952 following a leave of absence for added college work.

The tea was the 11th given by Mrs. McCarty's first graders. She has been teaching 30 years - 17 years in the first grade at Lone Oak.

The tea is a unit in social living and the youngsters prepare for it for two weeks prior to the event.

## Class Night

The senior class presented their Class Night program Tuesday, May 26. It was put on entirely by the seniors and was their farewell to Lone Oak as students.

The class vice president, Ronnie Kaler presented the Key and best wishes to the president of the junior class, Gary Detraz.

The class history was read just to remind us of all that we have done in high school. Then the prophecy looked in to the future and revealed us as citizens of 1974. The wills were read. These were our items to be left at the school. A gift was presented to each senior, to display their classmates' feelings toward them.

The program was concluded with the presentation of jackets to the basketball team and many varied awards to deserving students.

# SENIOR CLASS PROPHECY

We hear that **John Adler**, **Dennis Conner** and **Thomas Lund** are in the Navy. They borrowed a P. T. boat and have started a T.V. show, "Somebody's Navy."

It seems as though **Sherion Herzog** and **Shirley Cothran** now own Driver-R-Inn. They are doing quite a good business due to the crowds drawn by her carhops, **Sherry Elliott**, **Sherron Cox**, and **Linda Farmer**.

A telegram just arrived from the Sargasso Swamp. **Joan Raffidy**, **Rickie Lyles**, and **Ann Hara Price** are there tracking down the bug that causes Glandular Fever.

## Lone Oak PTA Holds Hootenanny May 8th

All had a great time at the PTA sponsored Hootenanny which was held on May 8 at the LOHS gym.

Talent came from all over the city and county. Each school in the county was asked to send participants and several responded with fine talent. Lone Oakers Mike Harton, Robert Lough, Mr. Vade Bolton, and Mr. Richard Petty assisted in organizing the program and choosing the talent.

Mike and Robert also participated in the program by singing several folksongs. Mr. Bolton moderated

the program and led several group songs.

The show was staged on a portable stage moved out on the gym floor. In real hootenanny style, students sat around the stage on the floor. Frequently, the entire audience joined with the performers in singing.

Door prizes were drawn for at intermission, and the main prize, a red dance dress, was won by Jay Burnett. Approximately 1000 people attended.

The proceeds will be used by the PTA to help finance their projects.

# An Expression of Gratitude

By Jay Burnett

The 1963-64 basketball season is over and for the seven senior ball-players and our manager, the loss to Ballard in the Regional Tournament ended a very enjoyable and successful high school career at Lone Oak High School.

I believe that I speak on behalf of all the basketball players when I say that it has really been a pleasure and a thrill to play ball for Lone Oak. There's just something about the community and the school that makes it an honor to play before the fans and for the school. The loyalty and support of the Lone Oak fans has always been the best in Western Kentucky and probably always will be. There are many teams that don't have the backing that Lone Oak has had (win or lose). There were capacity crowds at almost all of our games this season and it helps more than you can imagine. Playing before a lot of people makes you play that much harder. The student body of Lone Oak deserves a great deal of credit for this season's success because of their support at all of our games and our pep meetings. The presence of Mr. Petty and the band was also very instrumental in our winning season.

There is one group that deserves special congratulations this year. That is Mrs. Nagel and her cheerleaders. They worked very hard this past season and were probably one of the reasons for our large crowds. Their efforts did not go unrewarded either. Our Cheerleaders were voted the best in the Second District Tournament at Ballard, an honor which they truly deserved.

Mr. Dexter and Mr. Johnson, however, deserve most of the credit for our success this season. They spent much extra time and energy helping us and did an excellent job in leading us through our season.

To Mr. Robinson, however, go our deepest thanks. His interest and kindness has been most gratefully appreciated. Giving passes to our parents to some of the games and providing for a training table at lunch are only a couple of the things that he does, which other principals in the area don't. Making it possible for the senior ball-players to see the State High School Tournament must rate as the nicest thing he could have done. It's quite an experience as a spectator; I only wish it could have been as a participant this year, but it wasn't. We'll just have to wait until next year.

Actually all I want to do is to thank all the people that have helped to make the past year a successful one. Playing for Lone Oak is a very rewarding and satisfying experience. I only wish that it didn't have to come to an end. The last four years have been very enjoyable and I'm sure that every senior player will miss them as much as I know that I will. Thanks again for your support and loyalty during the past basketball season.

## L. O. GETS NEW COACH

Jack McKinney, coach at St. Mary's Academy for the past eight years, has been chosen to coach the Lone Oak basketball team next year.

McKinney, who is thirty-five years old, graduated from St. Mary's in 1946 and then received a double major from Murray State College in business and physical education. In 1956, he was made head coach at St. Mary's after coaching the junior high teams. McKinney's teams have won two Christmas Tournaments and took second in another. In 1963, McKinney was tied with Otis Dinning of Tilghman for Coach of the Year honors after taking St. Mary's first team to the regional tournament and taking second in the district.
