

LOHS Marching Band To Play In Inaugural Parade

November 6th was certainly an exciting day for Lone Oak, especially for the members of the marching band. There had been a mysterious atmosphere over the school all day and it came to a climax when Mr. Robinson called a special meeting of the marching band at 1:30. He announced to the band members that Lone Oak High School Band had been invited to go to Washington, D. C., to march in the Inaugural Parade.

The invitation was cleared by the school board by telephone and also by the Band Boosters' executive board in the same way. November 19, the invitation was formally accepted by the organization of band parents, the Band Boosters. The club voted to support the trip and help raise all necessary funds.

Lone Oak received the invitation as the result of many long hours of work spent by all concerned with bettering the band. Actually, Frank Paxton, chairman of the state Democratic campaign, had called Mr. Robinson and invited Lone Oak earlier the same day it was announced.

Mr. Paxton had called Governor Breathitt with the purpose in mind of selecting two bands to represent Kentucky in the Inaugural Parade. Breathitt indicated his preference toward sending Lone Oak as the high school representative. The University of Kentucky was chosen as the college band.

Plans are now being made for the band to leave on the 18th of January. The actual parade, to be internationally televised by TELSTAR, is scheduled on the 20th and the band will return to Lone Oak the 23rd. While en route to Washington, the band intends to play several concerts in various high schools.

There will be one concert played in Arlington or Alexandria, Virginia. The band is hoping to have the opportunity of visiting Arlington National Cemetery, Lincoln Memorial, the Pentagon, the Smithsonian Institute, Supreme Court Building, U. S. Capitol, Washington Cathedral, Washington Monument, and the White House.

Mr. Frank Stubblefield, state representative, and his assistant Morton Langstaff are helping plan the itinerary for the trip and are reserving the rooms for the band. Various committees have been appointed to take care of every detail.

Many hours have already been spent in preparation for this trip

and many more are to come before the departure to Washington. Extra rehearsals are being held now, after school hours and will be held from 8:00 a. m. to 5:00 p. m. during the last week of Christmas vacation. Other called rehearsals will be from 7:00 to 8:00 a. m. before school begins session. In addition to attending these rehearsals, a student must maintain at least a "C" average in his other studies in order to go on the trip.

An estimate of \$7,000 has been made for the overall expenses of the trip to Washington. The band will sponsor a "S. O. S. Day" on which the members will work to help finance the trip.

All the band members appreciate the work being done, now, for the band to go. All the teachers have been very encouraging and their support is greatly appreciated. Mr. Robinson has given his wholehearted support and put forth efforts without which the band couldn't have made this trip.

This is truly appreciated by the band's members and its director, Mr. Petty. Lone Oak has always represented its supporters in the best possible manner.

Now it assures these supporters, as well as the entire state, that Lone Oak's impression in the nation's capitol will be a fine one.

TERESA HICKS

FFA Choses Hicks For Sweetheart

The Future Farmers of America have chosen Teresa Hicks for their Sweetheart for 1964-1965.

Teresa is treasurer for the Future Homemakers of America. She takes English IV, physiology and anatomy, journalism, home economics, and is an assistant to Mrs. Ray in P. E. classes.

Teresa is 17 years old. She and her parents and older brother, Jimmy, live at 3307 Lone Oak Road.

Teresa plans to attend Murray State College next year, majoring in health and physical education. She says she will be sorry to leave Lone Oak. She has taken part in many of its activities. She is the president of the Pep Club this year.

Miss Hicks stands 5'4", and weighs 105 lbs.

SAUNDRA GRIGGS AND JACQUE BAUER, winners in junior high theme contest, sponsored by the Oak "K". Themes are found on page 3 in this issue.

Supt. Smith Speaks To PTA

Leon Smith, county school superintendent, was guest speaker at the November 9 PTA meeting. He was introduced by Mrs. George Bailey, program chairman. His speech was entitled "Education Meets the Challenge of Change" or how the McCracken County school system is meeting changing needs of boys and girls.

He explained the personnel involved, listed our assets and major sources of income. Then he listed the yearly expenditures. He compared our school system of today with that of 15 years ago. Mr. Smith concluded by mentioning five major problems for the future:

1. Adequate educational finances.
2. Integration.
3. Growth and enrollment.
4. Teacher shortage.
5. Dropouts.

The inspirational feature was a moving tableaux picturing an early Thanksgiving scene with excellent background music by the Madrigals as Mr. Bolton gave a reading reminding us of our American heritage.

Mrs. Lindsey spoke on a memorial to the late President, John F. Kennedy with music supplied by the same group.

A recommendation from the Executive Board was read as follows: The Executive Board recommends the PTA relinquishes our regular meeting time in December for a music concert to raise funds for the trip to Washington, D. C., to perform in the Inaugural Parade. The motion passed.

Hostesses for the fellowship meeting in the cafeteria were junior-parent room mothers. Mrs. Bruce Edwards, chairman, Mesdames Carol Osborne, Wallace Adams, Sr., and Sue O'Brien.

Parents were invited to attend school and visit classes in observance of National Education Week.

Mrs. Bill Lindsey, PTA President, will hold an executive board meeting December 14, at 6:45 p. m.

Junior Play Set For December 11

The junior play got off to a big start November 2, when the tryouts were scheduled. This year's play is entitled *Home Sweet Homicide*, written by Craig Rice. The play cast consists of twenty characters. The following were given parts:

Ann Dunbar, Rebecca Blackston, Nancy Godfrey, Iris Hargrove, Bobbie Reeves, Georgia Dunlap, Gary Fields, Kerry James, Penny Parks, Steve Woods, Rosalie Edwards, John Armstrong, Kenny O'Brien, Phillip Burnett, Janith Medley, Lynn Keeling, and Danny Sheehan.

After the play was cast, committees were then appointed. Those forming the make-up committee are: Patty Daniels, Joyce Owen, Kathy Grief, Janice Cook, Diane Whiteside, and Dianne Morris.

The stage crew is: Bobby Wallis, John Carpenter, David Osborne, Albert Pendergrass, James Denton, Gary Carper, and Randy Johnson.

The business committee consists of: Jeanie Rose, Mollie Stom, Pam West, Pat Burnett, Dianne Lewis, Paula Metzger, Reva Crooks, Patsy Boquiol, and Bonnie Garrigus.

Joe Katzel is in charge of lighting and sound.

Deloris Spears, Diane Adas, and Brenda Straub are in charge of the props.

The play is concerned with a murder that three kids try to solve so their mother, who is a mystery story writer, can make it into a book.

The play is under the direction of Miss Wylma Stewart, and the student director is Jean Smith.

We think the play is going to be a big success and we would like to invite everyone to come out and see it on December 11.

HONOR ROLL

Senior—Beverly Hammonds.

Juniors—Nancy Duff, Diane Kaler, Linda Cruse, Velda Perry, Pat Burnett.

Sophomore—Chris Perry, Rita Schnuck, Mary Burt Niermaier.

Freshmen—Marvis Lisso, Debbie Padgett.

Eighth Grade—Mickey Tabor, Jacque Bauer, Susan Skiba.

Seventh Grade—Jennie Gail Barriger, Vicki Stayton, Ginger Bauer, Kathy Dallas, Brenda Hearrell, Jeffrey Perry, Ronald Canup, Ellen Price, Pam Spenser, Marsha Beaton, Jenna Hodges, Karyn Fleischhauer, Melissa Wilkins, Janet Borgerding, and Kathy Stanley.

In order to make the honor roll you must have a perfect 3.0 average.

Oakers Try For Fourth Win

Lone Oak plays its 8th game of the season tonight at Reidland High School. The Flash will be looking for its fourth win in six outings, its defeats coming at the hands of Lowes and St. Mary's Academy. Reidland, off to a slow start this season, will be looking for its second win of the season against two losses.

The loss of Ronnie Bishop, who is out with a broken leg, has hurt the chances of the Greyhounds this season. Phil Hayden is the big gun for the team averaging close to twenty points a game. The Greyhounds are in the same position as Lone Oak, good shooters but not too much height.

Despite the record of the Greyhounds, they are not to be underestimated. On a given night they can bomb anyone out of the gym. Lone Oak will be trying to win its fourth game.

The "A" team will begin play at 8:00 and the "B" team game starts at 6:30.

Progress Report Given In Assembly

On October 29, the student body met in the gym to hear a report on the progress of our becoming a comprehensive high school.

Mr. Robinson was the first speaker. He explained briefly what needed to be done and how we intend to go about it. He told the student body that special committees had been planned to give special attention to each problem. Mr. Robinson then introduced the chairmen of the respective committees. The chairmen discussed what was being done about their problems and introduced the people on their committees.

We are going to be evaluated, both students and faculty. A lot of work is being done to become a comprehensive high school. We should help in every way possible. One way for us to help is to show our appreciation for everything which is being done, and by following all new rules and regulations set up by Mr. Robinson and the faculty.

Lone Oak Spirit Wins WDXR Contest

For the past month or so, WDXR has been holding a contest in which all the local schools participate. The objective of the contest is to see which school shows the most enthusiasm. Lone Oak won this three Sundays straight. For showing such school spirit WDXR has decided to give Lone Oak a party.

This party will be held the 5th of December at the K. of C. Hall at 7:00. The "Marauders" will be on hand to furnish the music. Admission will be \$1 and all Lone Oak students will be admitted at half price. All local schools will be invited to attend.

This is just one of the many incidents where Lone Oak's school spirit and enthusiasm has been recognized and Lone Oak certainly appreciated WDXR's support.

December Calendar

- 1—Reidland, away.
- 3—Iowa Reading Test.
- 4-5—Beta Convention.
- 7—Quad-State Band, Murray.
- 7—Club Meetings, 11:00.
- 8—Ball game, Carlisle Co., away.
- 11—Junior Play, 8:00.
- 12—Speech Clinic, Murray.
- 14—PTA, 7:30, Choir and Band Concert.
- 15—Ball game, Lyon County, home.
- 18-19—Lone Oak Quad-State Speech Tourney.
- 21—Beta Club Meeting, 12:30.
- 22—Choir and Band Concert. Dismiss for Christmas.

PEP

MEETING

TODAY, 2:10

HAPPINESS

All too often, a person wastes a lifetime searching for something only to find out too late that what he was looking for he really had all along. Isn't it time that we, as Americans, wake up and see how fortunate we are.

I would like to relate to you an analogy which points out very clearly just what I mean. I first read it in the book "The Key To Peace."

It seems that awhile back a Persian farmer, by the name of Hafed, was visited by a mystical man from the East. During his visit he told Hafed of the value of diamonds and explained that there were many fields of them around the world just waiting to be discovered—all one had to do was to find them.

Hafed immediately sold his farm and traveled the world in search of diamonds. Yet, he found none.

Years later, long after the penniless and weary Hafed had died tragically in a strange land, another man, while digging in Hafed's deserted garden, discovered the richest diamond mines ever uncovered in the ancient world.

Unlike Hafed, it is not too late for us to start the search for happiness and content in our "own backyard."

J. F. K. . . .

Let us briefly pay tribute to one who has influenced our lives for eternity.

This time a year ago we began mourning his loss. This loss is incalculable. As young people we saw this man as a leader who possessed all the qualities we hold as ideals. As we are idealistic, we suffered his loss as much as anyone. We are still suffering.

President Johnson said this of Mr. Kennedy: "In his thousand days of leadership, President Kennedy made decisions which will be respected for a thousand years."

May we be positive, decision making people all of our lives; may we be committed to making society better and may the word courage be a part of our profile to the world.

"Some live because others have died."

Cheris Chats

What seniors went trick or treating on the Kentucky Turnpike?

There is a certain senior girl who qualifies for an unusual occupation which was proven by the Aptitude Test, taken in October. Isn't that right, T. H.?

Returning from Boston what teacher had the experience of spending the night with three Bohemians?

If anyone would like to purchase a pumpkin, check with Mr. Throgmorton. He has nineteen to sell. If he tries to deny it, we have a few pictures to prove it.

What senior girl went apartment hunting on the University of Kentucky's campus at 3:30 a. m.?

Tony, the next time you take a shower at your aunt's house make sure Pete doesn't come charging in.

Mr. Bolton the next time you yell "Come Hither My Love" make sure a certain person isn't around.

If any girl is out riding with Dick Blackston and Gary Coltharp for pete's sake don't get a brainy idea and turn the motor off on a lonely road. You'll be sorry!

Dennis, I wish you wouldn't yell at the boy that you guard during a ball game. You scare them and cause them to drop the basketball.

After seeing the Symsonia game, I can't see how the ball boys can eat 150 rolls and almost a gallon of honey and still be able to play a fast game.

Students Win In Art

The downtown department store windows were decorated for Halloween this year by high school students. Six Lone Oak students received recognition. David Cosby and Terry Massa placed second in senior competition. Linda Carpenter and Susan Goode won second place for the freshmen. Claudia Mitchell and Glenda McGhee placed third for the juniors. Congratulations to these talented Lone Oak students!

Coincidences In Assassinations—Lincoln-Kennedy

Going the rounds is a complication of astounding coincidences between two assassinated Presidents of the United States—Abraham Lincoln and John F. Kennedy. We don't know the source, but the facts are extraordinary.

Both President Lincoln and Kennedy were concerned with the issues of Civil Rights.

Lincoln was elected in 1860 and Kennedy in 1960.

Both Presidents were slain on a Friday and in the presence of their wives.

Their successors, both named Johnson, were Southerners, Democrats and had previously served in the U. S. Senate.

Andrew Johnson was born in 1808 and Lyndon B. Johnson in 1908.

John Wilkes Booth and Lee Harvey Oswald were both murdered before the trials could be arranged.

Booth and Oswald were Southerners favoring unpopular ideas.

Both presidents wives lost children through death while residing in the White House.

Lincoln's secretary, whose name was Kennedy advised him not to go to the theater.

President Kennedy's secretary, whose name was Lincoln advised him not to go to Dallas.

President Kennedy was shot to death in a Lincoln made by the Ford Co.

Lincoln was killed in Ford's Theater.

John Wilkes Booth shot Lincoln in a theater box and afterward ran to a warehouse.

Oswald shot Kennedy from a warehouse and ran to a theater.

"WHAT DO YOU KNOW about an eighteen-foot hole in the back wall of Goobers Peanut Factory?"

Have You Read . . .

The Making of the President 1960 by Theodore H. White is a thorough study of the 1960 presidential campaign. Written by a journalist and a political scholar the book contains facts and information about the American political set-up and includes capsule profiles of the men who had major roles in the political scene in 1960.

Beginning with the hard-fought primaries in Wisconsin and West Virginia, the book shows how the Kennedy organization went about securing support for their delegate against their principal opponent, Lyndon Johnson, and how the Kennedy bandwagon was almost upset at the Democratic convention by a wild and enthusiastic demonstration in the galleries for Adlai Stevenson.

It also tells about Richard Nixon's rise to the Republican nomination and the part Nelson Rockefeller played in writing the Republican platform.

Focusing, then, on the different campaigns of Kennedy and Nixon, Mr. White examines their style in speaking, the issues they believed the most important, and some of the highlights of their most important speeches. Mr. White also writes about the effect the television debates and Kennedy's religion had on the election. He concludes with the results of election night and he gives a thorough analysis of the final votes.

The Making of the President 1960 is an entertaining as well as educational book. It is "must" reading for any person who plans to enter the field of politics. Also it is interesting reading for the person who wants to know more about the two party political set-up in America.

Fashions For Fellows

Boys are stepping up to meet the fashion in full swing this fall. Styles in blazers, slacks, and accessories are changing in their wardrobes. New colors are on the rage.

The old tried-and-true approach to fashion is now over. Fancy things are happening to the fall styles with big news in color, fabric, and variety. Browns, bronze-tones, blue-greens, tans, maroons, and olive colors are most popular among the boys on the Lone Oak campus. Plaids, stripes, and herringbone seem to be the most preferred fabrics. Styles consist primarily of simple lines producing the natural look.

Blazers are still playing an important part of the male wardrobe. This year, they are in lighter fabrics with brighter and bolder colors. Many are lined with loud printed material.

Men's slacks have not avoided the new look. The most current styles are the unpleated, section-belt, and single pleat treatments in slacks.

Rivals of the new pin-stripped shirts, a new type of ties, have also appeared. In contrast to the narrow ties of recent years, the current ties are about two inches wide and are forecasted to become even wider soon.

Although most fashion consciousness is usually accredited to females, the boys seem to be gaining an awareness of what's what in the fashion world for this fall of '64.

Seventy-Five Of Last Year's Graduate Class Now Attending College

Senior classes are not easy to forget and last year's class is no exception. In fact, they were an outstanding group of boys and girls and gave much to Lone Oak. Even though we have not forgotten them we lose contact with them.

You may be interested in knowing that 51 of those seniors are attending PJC, 23 are married, 16 are attending Murray, and 8 are now at UK. The following is a list of the graduates and what they are presently doing.

John Adler, married and PJC; Harry Alexander, married and working; Jimmy Alexander, PJC; Howard Ails, PJC; Terry Barkley, PJC; Sue Bean, married; John Beaton, Murray; Terry Belcher, PJC; Eugene Boaz, working; Lynn Boyd, David Lipscomb; Sammy Brookshire, PJC; Jerry Buchanan, PJC; Jay Burnett, Murray; Terry Burnett, PJC;

Shirley Carmichael, working; G. E. Carroll, PJC; Dennis Charleston, PJC; Eddie Clark, Murray; Carolyn Colson, married; Anthony Coleman, working; Dennis Connor, Navy; Diane Cosby, Draughton's; Shirley Cothran, married; Sharon Cox, beauty school; Ricky Cruce, PJC; Jimmy Cruce, PJC; Ellen Dallas,

PJC; Gary Danback, PJC;

Jimmy Davenport, ?; Judy Davenport, Draughton's; Glenn Dowdy, PJC; Sherry Elliott, Murray; Johnny Farmer, PJC; Linda Farmer, beauty school; Steven Frazier, working; Shelia Friedman, PJC; Don Gaines, PJC; Vira Gamble, home; Randal Gibson, Murray; Richard Gimmel, UK; Kathy Goldsmith, married; Donald Green, UK;

Ronnie Griffith, married; Nelson Hall, PJC; Frankie Harris, married and PJC; Mike Harton, Murray; Lona Hays, PJC; Sherion Herzog, home; Jackie Hillyer, married; Johnny Holmes, UK; Freddy Howard, PJC; Wilma Jackson, Nurses training; Jane Jett, married; Barry Johnson, Murray; Ronny Kaler, Murray; Patsy Kelley, PJC;

Mike King, UK; Vonda King, married; Margaret Knight, married and PJC; Leslie Lisso, UK; Robert Lough, UK; Thomas Lund, Service; Rickie Lyles, PJC; Judy McCune, married; Edward McNeil, working; Keith Mason, Western; Betty Massey, married; Elizabeth Mayne, PJC; Larry Meadows, working; Tommy Metcalf, Murray;

Johnny Miller, PJC; Don Mize, Murray; John Monger, PJC; Tom

Moore, PJC; Vana Mullinax, PJC; Kay Nanney, married; Claudia Owens, PJC; David Page, Murray; Mike Parker, Murray; John Phelps, Murray; Linda Pirtle, PJC; Dana Powell, PJC and married; Ann Price, PJC; Donna Puckett, married.

Joann Raffidy, married; Bobby Reeves, working; Linda Richardson, PJC; Linda Roberts, PJC; Wanda Rogers, married; Mickey Ross, UK; Bobby Rushing, PJC; Hank Shepard, Murray; Jim Sinquefield, Murray; Joyce Sirens, married; Cheryl Spears, PJC; Annette Smith, UK; Pam Smith, Western;

Larry Starr, ?; John Strong, PJC; Gail Stratton, PJC; Steve Sullivan, PJC; Martha Terry, PJC; Martha Thomas, PJC; Sondra Thompson, PJC; Richard Titsworth, PJC; Annie Tucker, PJC; Deloris Tucker, nursing school; Barbara Turner, home; Mary Wallace, married; Owen Wallis, PJC; Joann Walls, Draughton's; Joetta Walls, Draughton's;

Leslie Walls, working; John Wampler, PJC; Bill Whittaker, PJC; Janet Wickliffe, Draughton's; Brenda Wilkerson, married; Tommy Wyman, Murray; Sharon Yarbrough, PJC; Terrie Lappin, married; Jimmy Leeper, PJC; Terry Penix, PJC.

Junior High Students Reveal What It's Like To Be The Youngest In A Large School

In order to encourage students to write for the Oak "K", the staff recently conducted an essay contest in the 7th and 8th grades. The contest was built around the theme heading, "What it is like to be in the seventh or eighth grades." The winning themes were written by Sandra Griggs of the seventh grade, and Jacque Bauer of the eighth grade.

Sandra is the daughter of Mr. and Mrs. J. D. Griggs of 118 Nolan Drive and Jacque is the daughter of Mr. and Mrs. Jack Bauer of Route 8.

The English teachers and students are to be commended for the work put forth in this project. All of the themes submitted were above the average.

Everyone wants to know! Everyone asks what it's like to be a seventh grader. It is fun and very different from elementary school. You have many advantages but also quite a few disadvantages.

Some of the advantages of being a seventh grader are: changing classes, having gym regularly, being in the band, and joining a school club. These are only a few of the advantages of being in the seventh grade.

As I have said before there are also disadvantages. One of these disadvantages is that you hardly have time to clean your locker out and when you do it is so full you don't really want to clean it out. I guess you could clean it out at recess, although you're not supposed to be in the halls.

With advantages you have responsibilities. Take for instance changing classes. At every class you have to have your book, pencil (and in most classes an ink pen) besides paper and all the other materials you need in that class. Another responsibility is belonging to a club. For in doing so you are accepting the responsibility to work for that club and try to make it the very best you can.

My feelings toward upperclassmen are favorable. I know many people in the eighth grade on up to the twelfth grade and I think that these people are very kind. They are very nice to me. Although I don't know everyone in high school, I think many of the ones I don't know are nice too.

People ask me what I expect of high school. Well, I expect a lot of high school. I would like to help my school by being a cheerleader. I think that it would be fun, but more important it would be helping my school win ball games.

My feelings about the new ele-

mentary building are many and varied. I think that it will be nice for the seventh and eighth graders to have this new school. Although I personally won't go to the new school and I don't know what it will look like. It will probably be new and modern.

It will be like I am in the first grade again. I'm in the seventh grade now and it is like I'm in the first grade because the seventh grade is the smallest grade in the school and the ninth grade will be like this then.

The changes I would like to see at Lone Oak High School are very few. I would like to see LOHS become a comprehensive high school. Also, I would like to see students helping keep the campus clean and trying not to be loud in the halls.

This is about all I can say to help our school, but I hope very much that LOHS becomes a comprehensive high school because that is the highest a high school can become and I want our school to be the highest.

EIGHTH GRADE

Being an eighth grader is very important because in this year I am preparing for high school. What is done now and in high school will affect my future very much.

The eighth grade provides many advantages. A nourishing lunch is served every day. Many of the high school students have to eat hamburgers every day.

A disadvantage of being an eighth grader is that everything that was not learned last year must be learned this year before entering high school.

The responsibility of an eighth grader is to set an example for the seventh graders. Keeping our school and school grounds free from litter or anything that will blemish, is also our responsibility. Obeying our teachers and our principal and doing everything in our power to improve our school is our duty.

I have respect for upperclassmen in Lone Oak High School because they are kind and courteous. I believe that many of them will be a real success in their future work.

When I begin high school as a freshman, I will probably take algebra, English, civics, French, and home economics. Upon entering high school I will have more privileges and more responsibilities.

I think the new school, which will be built for seventh and eighth graders, is a wonderful project. The school will help solve the problem of needed high school rooms and the halls won't be as crowded. I only

regret that the school wasn't planned earlier so I could have attended.

If I could make some changes at Lone Oak High School, I would want a little less homework. We spend a large portion of our day in school and most of us spend our whole night doing homework. I know that sometime it can't be helped but I wish there was a way so that all our tests didn't fall on the same day. I believe that if we had just one test to study for, instead of two or three a night, better grades might be made.

If it were possible, I would change some of the students' attitudes toward teachers, fellow students, and subjects. Some students say they don't like a subject because they have heard another student say it, the same is true with teachers and fellow students. If they give a student, teacher or subject a fair chance they may realize what a pleasant person or subject it really is.

I believe we should respect our school more. The program which is being carried on right now by the faculty is for our good. We should be very, very grateful for what the teachers are doing for us. Don't you believe they deserve our respect and co-operation?

Mr. Bolton Elected To Position

At the first county-wide teachers meeting in McCracken County, Lone Oak took top honors. Our own Mr. Wade Bolton was elected president of McCracken County Educational Association (MCEA). He will be a delegate to KEA this year and will serve as president of McCracken County Education Association for the school year 1965-66.

This meeting was held at the Reidland Elementary School Monday, November 23. Mr. Thomas Stephenson, MCEA President, presided. The Reidland Grade School Choralliers provided entertainment for the meeting. Richard Throgmorton, vocal instructor at LOHS sang "Without A Song" and "I Believe."

The main speech was delivered by the president of the Kentucky Educational Association, Mr. Roger Jones.

TEST TOMORROW

The Iowa Silent Reading Test will be given to Freshmen tomorrow. The test will be administered in the English classes.

THIS PICTURE SHOWS PAULA BURKS and NANCY STEINHAUER talking with Senator Humphrey when he visited Paducah in October. The picture takes on even more meaning now that Humphrey is to be the Vice President.

Mabry, Detraz To Debate In Kansas

This Thursday two Lone Oak students will be off to Pittsburg, Kansas, to represent Lone Oak in varsity debate. Rodney Mabry and Gary Detraz will leave Thursday for Pittsburg, which is located in southeastern Kansas. Debating begins Friday morning with three rounds of stiff competition with schools from Oklahoma, Missouri, Kansas, and Kentucky.

Saturday morning three more rounds begin with all schools not eliminated after Friday's competition.

ORCHIDS TO DAGGERS

- ORCHIDS To . . .
- Electric blankets.
- Mr. Dexter's "miracle tape."
- Less congestion in the halls.
- Lone Oak band.
- ONIONS TO . . .
- Going up the "Up" stairs.
- Fractions in algebra.
- Starting a cold car in the morning.
- DAGGERS TO . . .
- Cold weather.
- Term papers.
- Those who don't attend the ball games.

Senior Class Discusses Plans

The second meeting of the senior class was held on Tuesday, November 17, in the cafeteria of Lone Oak High School. The meeting was called to order at 10:00 a. m. by the president, Richard Blackston.

There were 145 seniors and four sponsors present.

Mr. John Robinson opened the meeting by telling the class what it meant and what we should do to become a comprehensive high school.

The first order of business was to choose our class motto, color, and flower.

The class chose the motto "To attain the unattainable."

Terry Massa moved to form a committee composed of two students from each home room. This committee is to represent the seniors in the final decision of the class colors and flower.

The next order of business was to choose a commencement speaker.

Nominees were: Dr. Gifford Blyton, chairman of the English, speech, and Dramatic Arts Department at the University of Kentucky; Dr. Harry Sparks, State Superintendent of Public Instruction; and Governor Edward T. Breathitt.

Governor Breathitt was unanimously voted as the first choice. Dr. Blyton and Dr. Sparks were second and third choices, respectively.

The meeting was adjourned at 11 a. m.

Club and Class News

PEP CLUB

On October 26, the Lone Oak Pep Club met. Officers were elected as follows:

President—Teresa Hicks
Vice President—Mary Andrews
Secretary-Treasurer—Jeanine Metzger
Reporter—Stewie Gillen

Also one member per grade was appointed to bring in new members.

A second meeting was held November 16, at 7:00 p. m.

Jackets, which Mrs. Ray chose, were voted on. It was also discussed whether to pay for these individually or to have a money-making project.

A new seating arrangement was decided on for the use of flash cards, which are to be used at all home games.

FFA

Five boys attended the State Fair from the Lone Oak Chapter. They were: Jimmy Jones, Dwight Woodford, Danny Alexander, Randel Sherron, and Albert Pendergrass.

Four boys attended the National FFA Convention October 14-16. The boys were: Jimmy Jones, Billy Walters, Donald Byrd, and Willis Forest. It was held at Kansas City, Mo.

Two officers attended a District FFA meeting at Murray College November 10. They were Randel Sherron and Albert Pendergrass.

The entire chapter would like to express their congratulations to Kenneth Kennedy on becoming National President of the FFA. Kennedy is from the Purchase District.

F. H. A.

The Lone Oak Chapter of the Future Homemakers of America held their annual FHA meeting in the Home Ec. Department with Paula Burks presiding.

Linda Houston, daughter of Mr. and Mrs. C. H. Houston of Heath High School talked to the FHA girls explaining what FHA means to her. She said FHA was her life. She challenged all FHA girls to study harder and be prepared to be a good leader in home, school, and community for the leaders today will be our best leaders of tomorrow.

Mrs. Bruce Harrison, adviser to Linda, stated that the FHA girls helped girls to be a better citizen of tomorrow. She encouraged all girls to work on degrees since the degrees help one to choose goals and helps one to weigh values.

A skit planned by Barbara Carroll was given by Nancy Anneken, Sandra Wilson, Dixie Dixon, Cheri Champion, and Donna Kennerley.

LIBRARY CLUB

The Library Club, along with their supervisor, Mrs. Helfer, went to the Western Kentucky Library Convention on November 6. The girls were provided transportation by the Reidland and Heath Librarians.

Upon arrival at Murray State College, some of the girls were allowed to tour the college library. The election of state officers immediately followed.

Janith Medley, with the help of Bobbie Reeves and Sherry Walker, gave a demonstration on "Bulletin Board Methods." Other members who attended the convention were: Eileen McElrath, Lavene Riley, Lynette Davis, Debbie Fendley, Nancy Johnston, Jean Smith, Billie Lane, and Genie Goode.

After the installation of the new officers the girls returned home.

SENIOR BETA CLUB

On November 16, at 1:30 p. m., the senior high Beta Club met. Plans were discussed for the party being sponsored by the Club. The party was held Saturday night, November 28.

The Beta Club Convention will be in Louisville December 4 and 5. The club is paying the car expenses and hotel bill for the delegates representing Lone Oak. These expenses will be taken care of through the proceeds received from the party.

The Beta Club is also going to buy a sign for the school. Posted on it will be upcoming events throughout the school year.

TRI-HI-Y

The Tri-Hi-Y delegation from Lone Oak left Thursday morning, November 19, for the KNIA convention at Louisville. This year Lone Oak will be well represented by the following girls: Joyce Alexander, Rita Clark, Mary Davidson, Lynette Davis, Brenda Durret, Stewie Gillen, Beverly Hammonds, Nancy Hulett, Cecelia Newton, Joyce Owen, Kathy Purcell, Linda Rice, Jeanie Rose, Marcia Salvi, Pam West, and were chaperoned by Mrs. T. A. Davis, Mrs. G. Froage, and Mrs. Wm. Howerton. Lynette Davis will serve on the cabinet as sergeant-at-arms.

This year, along with keeping the coat rack, the Tri-Hi-Y is also selling roasted peanuts at ball games. We will appreciate any support given to these projects.

In keeping with the Thanksgiving spirit, we are making up baskets for less fortunate families.

PYTHAGOREAN CLUB

The Pythagorean Club, the official name for the Math Club, held its first meeting of the year on October 12. On the agenda for this meeting was the discussion of possible money-making projects and the election of officers.

The following individuals were elected: Mike Johnston, president; Gary Fields, vice president; Ann Dunbar, secretary; Rita Schnuck, assistant secretary; Sue Rose, treasurer; Charlotte Clark, Rodney Mabry, Danny Huff, committee; Nancy Steinhauer, reporter.

There were twenty-six members and four sponsors present.

On November 2 the Math Club met for the second time this year. A motion was made and passed to have an assistant treasurer. Jean Smith was then elected to hold this office.

The program, which was led by our program committee, consisted of the working of "trick" mathematical problems.

It was decided to sell Purple Flash pins to raise the monetary funds necessary for the annual math tournament which is held at LOHS. Anyone interested in purchasing one of these pins may contact any member of the Math Club.

JUNIOR HIGH BETA

On November 2, the second meeting of the junior high Beta Club was held. The following were elected officers:

President—Johnnie McIntosh
Vice President—Rodney Tabor
Secretary and Reporter—Judy Alderson

Treasurer—Mickey Tabor
Program Chairman—Jacque Bauer

FRESHMAN-SOPHOMORE BETA CLUB

On October 26, the freshman and sophomore Beta Club met at 1:00 o'clock in the cafeteria.

The first order of business was to elect their officers for the coming year. The following were elected:

President, Chris Perry; secretary, Pat Beaton; treasurer, Debbie Padgett; reporter, Mark Fleischhauer; sergeant-at-arms, Darrel Burkhart.

There are seven new members for this year. They are Dinah Mullinax, Mark Fleischhauer, Darrel Burkhart, Jane Anneken, Elaine Sowell, Tommy Larrison, and Jimmie Harner.

The club discussed plans for a project which will be announced in the near future.

FUTURE TEACHERS ASSOCIATION

On Monday, November 2, the FTA held its monthly meeting. An installation service for the officers and an induction service for the members made up the program. The club is happy to have Mr. Logan as its new co-sponsor. The club sponsor is Mrs. Cooper.

Several announcements were made—one being that the club would have its picture made for the annual on November 10. It was stressed that club dues of 50 cents per semester be paid by the next meeting.

The club is having the teacher's aid program again this year.

A committee of Gladys Kimbro, Janice Gross, and Diane Harris was appointed to plan a Thanksgiving service project for the club.

The officers of the club were not present at this meeting, due to the Regional FTA Conference held at Murray State College. At this conference, they discussed various ways of improving the Lone Oak Chapter and will relate this information at the December meeting.

The Lone Oak Club is also in the process of trying to join with the clubs of Reidland and Heath and form a district group. The purpose of the district club would be to strengthen and increase interest in the County Future Teachers.

N. F. L.

On November 7, eight of the NFL members went to Henry County High School in Paris, Tenn. Those who attended the tournament were: Steve Baker and Chris Perry in boys extemporaneous speaking, Eric Moore and Rita Schnuck in discussion, Bobbie Reeves in dramatic interpretation, Dinah Mullinax and Elaine Sowell in poetry, and Suzanne Elliott in oratorical declamation.

Chris Perry and Eric Moore progressed into the finals, and Elaine Sowell won third place in poetry.

The following Saturday, our members divided. Some went to Lexington Catholic while others went to Trigg County.

At Lexington Catholic Steve Baker and Chris Perry entered discussion.

Attending the Trigg County tournament were Marvis Lisso, Charles Lindsey, Rita Schnuck, and Roger Rives forming a four-man debate team which tied for second place. Other participants were Mary Burt Niemier and Pat Beaton in humorous interpretation, and Doug Johnston and Eric Moore in extemporaneous speaking.

We deeply appreciate Mrs. Howerton's help in providing transportation to Trigg County. Mrs. Howerton, "Thank you."

SEVENTH GRADE ART CLUB

Mrs. Harris and Mrs. Carr's seventh grade Art Club met in October and elected officers. They are as follows:

President—Don Schnuck
Vice President—Kathy Dallas
Secretary—Brenda Gatlin
Treasurer—Gary Massa

The meeting was adjourned at 11:00 a. m.

BETA PARTY

The senior Beta Club sponsored a party November 28th at the K. of C. Hall, which began at 7:30. The price of admission was 75c a person and the dress was casual, but no shorts or slacks. The entertainment was provided by the "Marauders."

EIGHTH GRADE SCIENCE CLUB

In our eighth grade Science Club, we made various flame tests for elements. In our experiments, Mrs. Beckman showed our club how, when certain elements were combined and put into water, they would make many different colors.

Mrs. Beckman also made some flame tests for hydrogen in a bottle. When the flame got to the hydrogen, it would "pop." All in all it was a very interesting study.

PHYSICAL SCIENCE CLUB

The November 2 meeting of the Physical Science Club opened with the roll call by James Roberts. There were 29 members present. The motion for the president, vice president, and secretary to be in charge of selecting the programs for each meeting was carried. The club then voted to have photography as their main objective this year.

Since most of the club members had not seen the dark room, Nathan Davis took them in and explained to them the process of developing pictures.

The last half of the hour, the club was shown a film entitled, "Photographer's Children." The film inspired interest in the club members and also gave valuable hints on taking pictures.

At 7:00 p. m., November 16th the Physical Science Club met in the Chemistry Lab for its first night meeting of this year. Nathan Davis, Juliane Wenzel, and James Roberts went through the steps of developing and printing exposed film for the benefit of the other members. The meeting was chaperoned by Mrs. Maxwell and Mr. Douglas.

Art Department Takes On Unconventional Look

The Art department, under the direction of Mr. Gary Trentham, has changed from the conventional decorations to a new look as the holiday season approaches. This abrupt change from the conventional decorations of previous years, shows evidence of 20th century creativity.

Through the use of construction paper, glue, and an abundance of originality, the students have made paper sculptures which will enhance the appearance of our cafeteria. These forms are basically geometric, oriental, and quite unique.

The students are also making approximately 500 small decorations and rows of tinsel to go on the an-

nual school tree which will be placed in the lobby. They will be launching a program soon after the Thanksgiving holidays to make huge stained glass windows out of white paper to be hung throughout the school displaying various holiday scenes.

The students are also planning to make Christmas cards and to paper the art room with intricate and unusual designs.

This new department is working very hard to present to the student a new and exciting outlook on art. These decorations are not what you would ordinarily see around Christmas and would be well worth your effort to observe.

New Members Of Quill And Scroll Named

This year Lone Oak's Quill and Scroll Chapter is the biggest, and we hope, the best yet! The industries will be initiated in December at a meeting for the election of officers.

Since the Quill and Scroll has just recently been organized, little activity has occurred, however, a dance is scheduled for sometime in the near future.

The members of the club for this year are: Dick Blackston, Paula Burks, Mary Clark, Dick Coleman, James Cooper, Ann Dunbar, Elaine Duncan, Keith Fleischhauer, Nancy Godfrey, Diane Harris, Linda Harris, Janice Harper, Nancy Hughes, Kay Kinney, Dianne Lawis, Christandra Montgomery, James O'Brien, Gail Padgett, Bobbie Reeves, Nan Smallmon, Cheris Steger, Nancy Steinhauer, and Steve Wood.

The stated members received membership pins, cards, and magazines. Because of the affiliation of our chapter with the National Chapter, our club can receive the benefit of providing Journalism scholarships. We are in hopes that next year's membership will be a significant increase.

NFL Acquires New Members

The N. F. L. has acquired eight new members since the start of school.

Charlotte Clark—Oratory.
Marvis Lisso—Debate and Poetry and Prose.

Charles Lindsey—Debate and Ex-temporaneous.

Pam Groben—Congress and Discussion.

Elaine Sowell—Poetry and Prose.

Mary Burt Nirmaier—Humorous Interpretation, Prose and Poetry.

Dinah Mullinax—Poetry, Prose, and Discussion.

Janis Steinhauer—Poetry, Prose and Discussion.

There are also nine others who are approaching membership.

1. Begin with infancy to give the child everything he wants. In this way he will grow up believing the world owes him a living.
2. When he picks up "bad" or "dirty" words, laugh at him. That will make him think he is "cute." He will run off and pick up some other words that will blow the top off your head.
3. Never give him any spiritual training until he is twenty-one and then let him decide for himself. By the same logic never teach him the English language. Maybe when he is old enough he may want to speak Bantu.
4. Praise him in his presence to all the neighbors; show how much smarter he is than the neighbor's children.
5. Avoid the use of the word "wrong." It may develop in the child a "guilt complex." This will prepare him to believe that when he is punished later on for stealing cars or assaulting women, society is "against him" and that he is being persecuted.
6. Pick up everything after him; his shoes, his books, his clothes. Do everything for him, so that he will be experienced in throwing burdens on others.
7. Let him read anything he wants. Have no concern whatsoever for what goes into his mind. Provide him with lily cups for his lips, but let his brain drink out of any dirty container for words and ideas.
8. Quarrel frequently in the presence of your children. In this way they will be prepared for broken homes later on.
9. Give him all the spending money he wants; never let him earn his own.
10. Satisfy every craving of the child for food, drinks, and everything that has to do with the sense of taste and touch, gratifying every sensual desire.
11. Take his part against policemen, teachers, and neighbors. They are "prejudiced" against your child.
12. When he gets into real trouble, always defend yourself and say: "I never could do anything with him."

Purple Flash Off To Fast Start Record 3-2

Oakers Win First Game Of Season

Lone Oak took a big step in showing area fans that it will be a threat to the district crown, by downing the Symsonia Rough Riders 65-50. The first game of the season was a complete success for Lone Oak, hitting from the outside the Flash took a 15-9 lead early in the first half. By half time the lead had mounted to 10 points 32-22.

Starting the second half, Symsonia pulled within 6 points, but the team regained its poise and ended the game with a 15-point advantage.

Lone Oak had three men in double figures, led by Donnie Harper, scoring 20 points. Dick Blackston and Dickie Coleman added 18 and 10 points respectively. The strong rebounding of Bobby Wallis and Bobby Murphey highlighted the second half of action.

Lone Oak	15	32	47	65
Symsonia	9	22	41	50

Scoring was as follows: Wallis 7, Holshouser 8, Coleman 10, Hayden 7, Harper 20, Blackston 18.

'B' Team Records Second Win

The Lone Oak "B" team won its second straight game by defeating Lowes "B" team 51-28. The young Oakers in using height and shooting advantages virtually outplayed the junior varsity team from Lowes.

Lone Oak was never behind after it jumped out to a 12-7 first quarter lead. This year "B" team is showing good signs of becoming a powerhouse "B" team in the first region. So let's give them all the support we can.

Lone Oak	12	24	38	51
Lowes	7	13	18	28

Lone Oak: Smithson 7, Wilson 9, Steger 7, Goode 3, Leeper 12, Hamline 13.

"B" Team Shocks Rough Riders

The gym of Symsonia High School was the stage for a whooping victory by our "B" team. Our boys sparkled on defense and offense.

The Rough Riders posed little threat or opposition in the 49-19 game. It can not be denied that two of the finest performances of the game were turned in by Ricky Leeper and Charlie Hamlin, scoring 15 and 13 points respectively.

Others seeing action and scoring were Smithson 9, Steger 7, O'Brien 2, and Goode 6.

Blue Devils Hand Oakers First Defeat

On the night of November 10, Lone Oak played the Lowes Blue Devils and was defeated by a margin of eleven points, 65-54. The Flash in playing their first home game after defeating Symsonia showed signs of being tight, tense, and nervous.

Lone Oak come out ice cold in the first quarter and Lowes took advantage of this, building their offense to take a 19-6 lead at the end of the first quarter. In the second quarter the Flash rallied to within a six-point deficit, but Lowes returned the challenge, leaving the floor with a 10-point half-time lead.

Lone Oak came out in the third quarter determined to cut the lead that Lowes had built. But with the inconsistent outside shooting of the Oakers, Lowes gradually pulled to a 13-point lead at the end of the third quarter, 47-34.

There was a partial rally on the part of the Oakers in the fourth quarter, but not enough to overtake the Blue Devils. Lowes ended the game with a 65-54 lead.

Lowes had four men scoring in double figures with Bridges scoring 18 points which was high for both teams.

Lone Oak had three men in double figures with Holshouser and Coleman leading with 15 points each.

Lone Oak	6	22	34	54
Lowes	19	32	47	65

Lone Oak: Blackston 10, Hayden 2, Holshouser 15, Wallis 6, Harper 2, Leeper 4, Coleman 15.

Lowes: Sledd 10, Wilkins 12, Thurston 16, Bridges 18, Caldwell 9.

Flash Bombs The Bombers

Despite the superstitious air on Friday the 13th, Lone Oak came out with its second win of the season defeating the Ballard Bombers on their own home court, 71-51.

Quite different from the final score, the first half was a seesaw battle all the way. The Bombers had a 12-11 lead with only seconds left in the first quarter, but a last second shot by Donnie Harper put the Flash ahead at the end of the stanza, 13-12.

The second quarter was similar to the first with the lead going back and forth with Lone Oak coming out with a half-time lead of four points, 30-26.

The second half was all Lone Oak, scoring the first basket of the new half. Ballard never got closer than eight points. The Oakers bombed from the outside and from there were unbeatable, running the final score to a lopsided victory of 20 points. The final score was 71-51.

Donnie Harper led the sharp-shooting Flash with 20 points. Dick Blackston and Tony Holsouser brought in 13 and 11 points respectively.

Lone Oak	13	30	49	71
Ballard Memorial	12	26	39	51

The scoring was as follows: Murphey 8, O'Brien, Hayden 4, Holshouser 11, Wallis 6, Leeper 2, Coleman 7, Harper 20, Blackston 13.

The Junior Varsity continued their fine play, downing the Bomber "B" team 55-49. Playing without their leading scorer, Charlie Hamlin, who was sidelined by a knee injury in the Lowes game, the team still scored 55 points, their highest production this year. Pat Smithson led the Oakers' attack with 16 points, followed by Leeper with 12 and Steger with 10.

The scoring was as follows: Wilson 3, Smithson 11, Goode 9, Leeper 12, Hollowell 5, and Steger 10.

LOHS Records Third Victory

November 20th was the night of Lone Oak's second home game and their third victory of the season. A win over Benton seemed very unlikely after the first half of action. Benton completely dominated the first half of play, leading all the way and finishing with four-point advantage, 30-26.

Late in the third quarter, the Flash made their move, going ahead by two points on a jump shot by Donnie Harper. The third quarter ended with Lone Oak having a four-point lead, 40-36.

The fourth quarter saw Lone Oak run Benton down by fast breaking every chance they got. The lead had shot to 11 points, when the final quarter ended. This comeback was largely due to the efforts of Donnie Harper and Bobby Wallis.

Harper scored 16 points in the last half while Wallis was pouring through 12. Harper ended the game with 23 points in the scoring honors. Blackston and Wallis finished with 14 and 13 respectively. Holshouser added 9 and Coleman had 6.

Benton	13	26	36	54
Lone Oak	11	30	40	65

Flash Wear New Uniforms

The Lone Oak fans were able to see the sharp-shooting Flash in their new uniforms the night of the Benton game. The uniforms are the same style that the St. Louis Hawks wear. They are white with the purple numerals trimmed in gold.

"Flash," gold trimmed with purple, is written on the front of the jerseys. The trunks are white with purple belts.

This year the team is looking real sharp in uniform as well as playing ability.

"B" Team Remains Undefeated

The perfect record of the "B" team was seriously threatened Friday night by the Benton Indians. Lone Oak led all the way but the determination of the Indians was always in striking distance. The Flash slowly pulled away to a 9-point victory which was well deserved. The final score was 38-29.

Pat Smithson led the team with 10 points followed closely by David Wilson and Charles Hamlin with 9 points each.

Benton	3	13	17	29
Lone Oak	6	14	25	38

Scoring was as follows: Smithson 10, Wilson 9, Goode 4, Leeper, Hollowell, Steger 6, Hamlin 9.

Knights Hand Oakers Second Loss Of Season

The Knights of St. Mary's handed Lone Oak its second defeat of the young season last Tuesday night in the Lone Oak gym by the score of 46-42.

The Oakers suffered from a very cold night from the field. Also, Dick Blackston missed the entire second half due to an injury.

Leading the Flash in scoring was Dick Coleman with 12 points; Wallis with 10, Blackston and Harper had 8 and Hayden scored 4.

"B" Team Record 5-0

The "B" team continued in its unbeaten way by downing the St. Mary's "B" team 35-33. This was their fifth straight win.

Scoring for the Oakers were Leeper with 10, Steger scored 9, Smithson got 7, Hamlin scored 6, and Goode picked up 3.
