

Gail Padgett Basketball Queen

Assembly Honors Band

The marching band was back in school on the 29th of January, 1965. Seeing them seated on the stage was the first time the students had seen them as a mass unit since we watched them march in the Inaugural parade on TV. Seated with them were Mr. Robinson, Mr. Frank Paxton, Mayor Tom Wilson, and Mr. Petty.

Mr. Robinson stated to the student body, teachers, chaperones from the trip, and guests that he wanted to thank all of the people who helped to send the band to Washington. These people had very generously donated their time, energy, and money. He named the following people or groups of people who deserved thanks: Mr. Paxton, Mr. Gilliam, president of the Band Boosters, the band boosters; Mr. Petty, all the students at LOHS, the radio station, Mrs. Lindsey, president of the PTA and the PTA; the TV station and especially Gene Compton; all who had donated time and money; all other schools which had helped; the Sun-Democrat and particularly Bill Powell and all of the band members.

Mayor Tom Wilson presented his personal congratulations to the band on a job well done. He said he appreciated what the band had done to bring this honor to our school. Mayor Wilson then made Mr. Petty a "Duke of Paducah." Preceding this announcement, Mr. Petty received a standing ovation from everyone in the gym.

Mr. Paxton stated that this was a first for him, too. He remarked that he had a seat across from the President's box and as he watched the other bands he could not help but wonder how Lone Oak's band would compare. Not only did he not have to apologize for them, but he ended by being congratulated for the fine Lone Oak band. Mr. Paxton then presented the school with the plaque which had been presented to the band by Rep. Stubblefield in Washington.

After the presentation of this memento, Mr. Robinson asked that the chaperones please stand. The applause which followed signified only part of the gratitude which everyone felt was owed to them.

THE BAND IN WASHINGTON. This issue of the Oak "K" is dedicated to the Lone Oak High School Marching Band. Stories and pictures record their historic inaugural trip.

Possibly the greatest moment in the history of Lone Oak High School occurred in an 18-second span, on Tuesday, January 29 at 3:00 p. m. With millions looking on the world over, the Lone Oak High School Band marched down the famed Pennsylvania Avenue to be reviewed by the newly-inaugurated President and Vice President of the United States, Lyndon B. Johnson and Hubert H. Humphrey.

It was a moment that brought tears of pride from the eyes of those of

us who sat so closely glued to the television that historic day. It was hard to believe that we were watching our band parade before the eyes of the world. We heard the public address system say that the band was from a high school of 1,022 students located near Paducah, Kentucky; a high school that has the lowest drop-out rate in the state of Kentucky; a high school that has over 70% of its graduates attending college; we heard David Brinkley tell that this community and school

worked and raised \$8,000 to give this experience to this great band.

Hard to believe, but so very true. As Courier-Journal correspondent Ivan Swift said, "They were as spry and as the best in the parade." We who are a part of Lone Oak know that they were the best!

This issue of the Oak "K" is dedicated to the band. Pictures and stories are recorded so that we can have a source that will always recall to memory this great moment in the history of our school.

600 Students Vote In Election

The Oak "K" takes pleasure in announcing that Gail Padgett is the basketball queen for 1964-65. The runner-up is the junior candidate, Paula Metzger. Over 600 students voted in the election.

The attendants from each grade are as follows: Vonna Tyree, 7th grade; Liso Tate, 8th grade; Linda Carpenter, 9th grade; Terrie Monger, 10th grade.

The contest was sponsored by the Senior High Beta Club. The coronation will be February 5th in the Lone Oak gym. The opposition that night will be the Symsonia Rough Riders.

The coronation has proven to be a memorable occasion for those students who have participated in it. The Beta Club under the direction of Mr. Blackburn is to be praised for sponsoring this event.

The Oak "K" appreciates the chance to make this important announcement.

Blackston, Harper Named Mr.-Miss LOHS

On January 8, the Seniors felt just a little more like Seniors after electing their Superlatives. The election results are as follows:

- Miss LOHS—Janice Harper
- Mr. LOHS—Dick Blackston
- Miss Pep—Gail Padgett
- Mr. Athlete—Donnie Harper
- Most Popular Girl—Cheris Steger
- Most Popular Boy—Gary Coltharp
- Lady Beautiful—Judith Littlejohn
- Lord Handsome—Johnny Boaz
- Most Friendly Girl—Nan Smallmon
- Most Friendly Boy—James O'Brien
- Best Dressed Girl—Kay Kinney
- Best Dressed Boy—Eddie McDougal
- Girl Most Likely to Succeed—Sue Rose
- Boy Most Likely to Succeed—Gary Detraz
- Miss Wacky—Linda M. Harris
- Mr. Witty—Donald Birdsong

Student Remembers Trip As Contribution To History

By Nancy Godfrey

Until November 1965 the phrase "Inauguration—1965" was only to me the inauguration of another President of the United States. However, on November 6, when the Lone Oak band was invited to march in the Inaugural Parade, it took on an entirely different meaning. If the trip did actually materialize, I, along with the other ninety-four members, would be in the nation's capitol actually participating, though in a very minute way, in the making of history.

When the invitation was first received, it was hard for me to realize that we had been given such a great opportunity as this. Even as the months went by and the day of departure arrived, it was still hard for me to believe I was going to Washington, D. C., for the inauguration of a United States President.

At last, Monday morning arrived. I came to the band room at 4:30 a. m. After last minute farewells and a brief and meaningful devotion, the four Greyhound busses departed from LOHS to return the following Saturday. From this time until Saturday at 8:15 p. m.

seemed to me comparable to one continuous, long, and most exciting day.

Our first stop was at Effingham High School in Illinois where we played a concert. This concert was very important to us all and we wanted it to go extra well because Effingham was the high school from which Mr. Petty graduated.

The concert went well, and better in some ways than I expected. After lunch in the school's cafeteria, we boarded the busses and began the long ride directly to Washington, D. C., and Howard Johnson's Motor Lodge which was to be our residence while in Washington. We made frequent stops in order to change drivers en route in order to make up two hours we lost as a result of treacherous, icy roads. At about 9:00 a. m. we arrived at our motel. After a hurried breakfast, our day began.

We drove to the main part of the city and the busses let us off at the White House. It was as beautiful and stately as I had been told, but for some reason, it did not impress me as greatly as I expected.

Mr. Goheen Returns To L. O. H. S.

MR. GOHEEN

The Oak "K" staff would like to take this opportunity to express our sincere happiness on Mr. Goheen's return.

On November 13, 1964, Mr. Goheen, one of our best-loved teachers, entered Western Baptist Hospital with what was thought to be a very serious illness. He underwent major surgery for a lung growth. Much to our joy, the operation was a success, and the illness was not as serious as believed. On December 18, Mr. Goheen was dismissed from the hospital and confined to his bed at home until January 15, when the doctor gave his permission to return to school.

Mr. Goheen has been teaching school for 40 years. He taught agriculture for 30 years for which he received a gold wrist watch. Mr. Goheen has been a teacher at Lone Oak for 14 years. We are very glad to have him back with us, and we wish him continued good health.

'Adult Delinquent'

By Bobbie Reeves

There has been much discussion concerning the subject, "Juvenile Delinquency," but this, however, isn't a proper title for it. True, the teenager is one offender, but who actually is the prime offender? Behind every action there must be a cause. This is even so in this case.

Not only should the juvenile delinquent be reproached, but the "Adult Delinquent," should be also. There would be even less juvenile delinquency generally, were it not for parental delinquency.

Parents—entrusted with the upbringing of a child—are often apt to become negligent, over-permissive, and apathetic; they become too involved in their own affairs; too disinterested and gutless to stand up to their own children and say, "This you may do, this you may not." Lazy parents who think giving in is the easy way out; over indulgent while not being able to deny their children anything they want to do; mistaken parents who lavish upon their children all that they were denied; even parents so tied up in social and business activities that they have no time for the supervision of their children, and most blame worthy, parents who by their own low and moral standards and general irresponsibility lead their children toward the downward path.

Take a good, hard look at yourself. Do you fit into one of these categories? Are YOU a "parental delinquent?" If your growing child gets into trouble, chances are you are in some ways to blame. If we ever hope to erase Juvenile Delinquency then we must get to the root—parental delinquency!

Cheris Chats

NOTICES:

The Carriage House Theatre of Louisville will present two plays, Julius Caesar, morning and Macbeth night of February 23 in the Lone Oak gym. For any further information ask Mrs. McCracken.

To the community and students of Lone Oak: The Oak "K" staff would accept any letters of comment on the past and future events or activities of the school or community. If interested send the letters to Paula Burks or Nancy Steinhauer, editors, in care of the Oak "K."

WELCOME! The Oak "K" would like to welcome two new students, Judy Voegeli and Judy Bevins.

Tony, let's defrost the windows in the car before coming to school. Dickie would appreciate it.

There is a "varsity" cheerleader who has been inspiring the ball boys and a teacher before games in the "Tunnel of Love."

Kay from now on after music concerts let's just shake hands with Mr. "T."

If anybody wants to know the meaning of safety ask Dick Blackston, our safety expert.

It seems that the ball boys have taken up a new hobby, shaving their legs, especially Ricky Leeper.

In the "Pneumonia Hole," back seat of the "Dragon Wagon," Mrs. McCracken's station wagon, sat a freshman boy, a junior girl, and a senior boy. The freshman rattled his chains, the senior asked for more heat, and the junior said, "I'm trying!"

Mr. and Mrs. Robinson Go To Washington

In all of the excitement and in the unbelievable atmosphere of the band's trip to Washington, many fail to realize that there were two people who were even a little more excited than Mr. Petty. Those two were our principal and his wife.

The first day of their whirlwind tour began with boarding a plane at Barkley Field, bright and early Tuesday morning. Arriving in Washington about 11:30 that morning they were met at the airport by Congressman and Mrs. Frank A. Stubblefield's daughter, Frankie. The Robinsons were their guest during their entire stay in Washington.

Now was the beginning of many exciting and memorable events. Mr. Robinson said, "It seemed that there was something to do every minute of our visit. If we weren't going somewhere, we were getting ready to go." Tuesday afternoon they attended the Governors' Reception. Here Mr. Robinson met and talked with all fifty governors.

Both Mr. Robinson and his wife were able to have house guests seats to all events, due to Congressman Stubblefield's generosity. He gave the Robinsons his and Mrs. Stubblefield's tickets in order that they would miss nothing.

The end of the Governors' Reception was only to be the beginning of the Kentucky Delegates Dinner. This was the occasion of one of Mr. Robinson's most rewarding experiences. He had the high honor of meeting and talking with a Justice of the Supreme Court, Reed. "I feel this was one of the most memorable oc-

"WE TRIED TEACHING HIM TO BEG."

casions of my life" he said. My deepest respect is for those people of the Justice Department."

The first day had now arrived. Just as they had hoped they had awakened to a cold but bright and sunny day. That morning at the Inaugural Ceremonies, Mr. and Mrs. Robinson sat just to the right of President Johnson while he took the oath of office. That afternoon at the parade they sat to the left of the President.

"Lone Oak's band was by far the best high school band in the parade," said Mr. Robinson, "but I feel that the United States Marine Band was the best over all of them."

Wednesday evening the Robinsons and Stubblefields attended a gala Inaugural Ball. They were unfortunate in the fact that they were running a little late and their party was the first of five that President Johnson visited. The ball they attended was held at the Mayflower Hotel.

That night ended up a whirlwind of activities for them, but the memories will never be forgotten. Mr. Robinson said, "I would like to take this opportunity to thank everyone who gave us the plane tickets. I would also like to recognize someone else at this time and they are the chaperones who went with the band. These people pressed all of the band uniforms and were responsible for having the band so snappily dressed."

"Thank you all from both Mrs. Robinson and myself."

Seminar On Foreign Affairs

On Wednesday, January 13, Dr. Frank Steely, professor of History at Murray State, spoke to a large assembly of teachers and students in the library.

His subject was "Our Foreign Policy." He said that down through the years we have had three basic foreign policies since our country's birth. The first, stated Dr. Steely, was a policy of non-involvement or keeping ourselves isolated from other countries and their affairs.

This lasted until the eve of World War II. Next was the policy of paternalism toward South America. This was defined by the Monroe Doctrine which is still in effect today. Our next policy pertained to the countries of Asia. It was called the Open Door Policy. This says that the countries of Asia shall be kept open for trade.

Since World War II, changes have occurred rapidly. We became more involved than before. The biggest developments are those concerning the cold war. Dr. Steely said that there has been a definite thaw since 1962. In regards to communism he said that coexistence or total existence are our only alternatives in the cold war.

Dr. Steely said that a good dose of orthodox christianity would do much for our world problems.

NFL Offers Students A Chance To Develop Their Speaking Talents

By Ann Dunbar

Many of the Lone Oak students have been reluctant in acquiring membership into the National Forensic League for fear of "all work and no play," but such is not the case. Let us examine each of the major events and explain the procedure, requirements and advantages of each.

Probably the most important event of any tournament is that of debate. Constituting a debate are two teams: one affirmative and one negative, each consisting of two members and a judge who makes the final decisions of which team won and lost. A single round of debate requires an hour for completion. There are two types of speeches, the ten-minute constructives at which time both affirmative and negative present their actual cases, and four-minute rebuttals which are for the purpose of summarizing the progression of the debate and reaffirming the points of issue.

At the conclusion of each of the four constructive speeches is a three-minute cross-examination period; each speaker is questioned by a member of the opposite team. Unless you are alert and witty during this period a questioner can confuse you and twist your answers to say what he wanted instead of the way you intended.

The preparation essential is debate results in an expansion of knowledge which, in itself is more than compensation for all the time and energy involved. In preparing your cases you learn how to scan ma-

terial, separate the vital information from the propaganda and then make note cards cataloguing it according to specific topics. Your acquaintance with the public, school, and university libraries will be improved in coordination with your proficiency and speed.

A fundamental requirement of any successful case is organizing of both information and presentation of the case. Through actual debate participation, organization will become a primary factor and your competition may be the cause of either a win or loss.

While listening to your opponents' speeches note-taking must be done quickly and proficiently. The outline set by the first affirmative is to be followed through the entire debate, and therefore, a complete understanding of this speech is mandatory. Decide what the points of issue are and how to attach them.

In delivering your speech emphasis is placed on logic, projection of thought and voice, and determination. Through study of logic and debate you discover that often a false assumption results. Of this you must be constantly aware in debate.

Discussion deal with subjects similar to the debate topic, but the procedure is more casual and less opposition is presented. During discussion a group congregates around a table, the leader introduces the participants and keeps discussion proceeding smoothly without allowing anyone to dominate and another make no contribution or comment. Although preparation is necessary, it does not require such research as does debate.

Extemporaneous speaking is in my opinion the most difficult individual event. In order to be proficient in extemp., masses of information on almost all subjects must be at your fingertips. With a half-hour preparation one locates information on his topic, decides how he shall pursue it, whether it be by setting up the problem and solving it, giving pros and cons on the question, or give an explanation of the status quo, and be prepared to give a five-to-six minute speech.

An attention getting device is extremely necessary in the deliverance of a speech. With this accomplished, proceed with firmness and logic, while at the same time, without becoming overly emotional.

If you are particularly talented in creative writing or original oratory it would be quite beneficial and enjoyable for you. Choose a subject of recent concern, write a 8-10 minute speech on your subject and you'll then be ready to work on the revision and eliminating errors. After this is completed begin memorizing and learn how to use gestures to emphasize important points.

Those interested in dramatics would probably find dramatic interpretation an exciting and fascinating event. Through the study of drama, one is introduced to the finest literature available, and through interpretation, a better comprehension is acquired. The abolition of all barriers and broadening of horizons under such circumstances is the fundamental contributor to enlightenment.

(Continued on Page 3, Col. 1)

Mr. and Mrs. Robinson In Formal Attire For Inaugural Ball.

Pictured from left to right, seated: Mrs. S. P. McCracken, Coach; Nancy Steinhauer; second row: Rodney Mabry, Gary Wetraz, Diane Harris, Rita Schhuck, Doug Johnson; third row: Steve Baker, Eric Moore and Chris Perry.

N. F. L.

(Continued from Page 2)

Although memorization of the cutting is required, complete character projection makes such a task insignificant and a 10-minute maximum becomes a binding restriction. The interpretation of poetry can become an inspiration, especially if the poem is emotional and expresses a moral. Poetry is a good event for girls, in particular, to begin with. Quickly you can develop the basic principles of good speaking such as poise, correct enunciation and pronunciation.

To summarize the requirements of being an effective speaker: poise, projection, organization of thought, voice, and in drama, character and limitless determination. Although being in competition serves as an incentive to strive and struggle, you will not always win unless you have determination, without it all efforts will have been in vain.

Since an explanation has been made of all the advantages of forensic participation a typical speech tournament will be received.

The example is the tournament attended last week on January 15th and 16th at Bardstown High School by Steve Baker, Nancy Steinhauer, Rodney Mabry, Gary Detraz, Eric Moore, Douglas Johnston, Chris Perry, Ann Dunbar, and Mrs. S. P. McCracken, coach.

After completing our semester exams, we started on our way Friday at 9:00. The trip progressed according to plans until about ten miles from Bardstown when we incurred a flat tire, but managed to arrive in time for the first of the two rounds of that day.

At 7:00 p. m., there were some of the complaints: Nancy had found herself delivering her extemp speech in the school auditorium while the judge sat about thirty rows back, Gary and Rodney had not even begun their second round of debate, Chris and Steve had faced some of the most experienced debaters at tournament, and Ann was given only an eight-minute time maximum in her second round of dramatic interpretation.

At the conclusion of that day's activities was a ball game and then a party.

Naturally no one slept more than five hours before returning to the high school at 8:00 the next morning. We each were to participate in three more rounds that day and with snow already four inches deep, all were anxious to be returning home.

After completing five to six rounds in their events, Nancy won second in Girls Extemporaneous speaking, Rodney and Gary won second in debate, and Ann claimed first in dramatic interpretation. We then celebrated by eating steak dinners and since there was too much snow

to go home, another party was arranged.

Sunday morning we loaded our luggage and "hardware" and started for home. With the roads a sheet of ice, it was a difficult and strenuous trip for all, but especially Mrs. McCracken.

Students, you will never realize all the opportunities to which you are availing yourselves. The experiences are insurmountable; never in any way could they be equalled. So many new and different types of people help make it an ever-exacting event.

Have You Read . . .

JULIAN by Gore Vidal is a biographical novel about the 4th century Roman emperor Julian the Apostate, who attempted to destroy Christianity and restore the gods of ancient Greece to the Roman Empire.

Julian became antagonistic to Christianity when his father was murdered by his cousin the Christian Emperor Constantius. Julian studied at Athens and fell under the influence of the Greek philosophers. Secretly, the heir to the Roman Empire converted to the Greek religion. His brother's death elevated Julian to ruler of Gaul.

Under his leadership the Germans were driven out and he was hailed by his troops as a military genius. The sudden death of Constantius made Julian Emperor of the entire Roman Empire. He immediately restored the old temples of the Greek gods and fought Christianity, not with persecution but with wit, satire, and reason. Campaigning in Persia, he was mysteriously killed.

The current best-seller is an accurate portrayal of life in the 4th century and of the politics of a declining Roman Empire. Mr. Vidal's style of writing is interesting, easy informing, and fun to read.

McCRACKEN COUNTY'S ONLY NATIONAL BANK

Seminar

Mr. Robinson presented an explanation of the Fantus Report by the Fantus Corporation, which is the largest industrial corporation, on Wednesday afternoon, January 6.

The report covered area No. 2. This includes Ballard, McCracken, Livingston, and Marshall counties. There are 89,000 people in these four counties. Plants are needed in Paducah to supply 10,000 men and women with jobs. They reported that there are not enough jobs for women. Jobs are also needed for people who did not exceed the eighth grade in their education.

Since Paducah is located on the Ohio and Tennessee Rivers they recommend that we have a national harbor to ship supplies. This, in turn, would tend to create more job opportunities.

Paducah, this report stated, is over-sensitive to its labor situation. One or two decades ago the situation was rather bad, but now that things are looking up, it is hard to stress this to the people. An outsider can see the improvements of Paducah. The main thing it has to do is sell itself.

Calvert City made its start when it sold itself to the federal government. Murray began to boom when the college was built.

The report covered the educational situation of this area, also. Each school was not interviewed individually.

According to the report we are not placing enough of our graduates in colleges. They said that there are serious gaps in our guidance programs, and we need accelerated courses. Mr. Robinson stated, at this point, that Dr. Sparks said Lone Oak was one of the few schools in Kentucky operating on a track system.

They said our schools fail to motivate vocational education. However, Mr. Robinson said that future plans are being made for a new area trade school.

They criticized the absenteeism of the employees. They also criticized the teachers' failure to teach loyalty to the students' future employers.

Unfortunately we have been preparing our students for the jobs of yesteryear. They stressed that electronic and computer courses should be taught to prepare the students for the jobs of tomorrow.

Another point brought out was that there are too many school districts. They recommended more consolidation of schools.

Drop-outs, the lack of membership in the Southern Association, and the lack of graduates entering college were the three big criticisms they presented about the schools.

Now that this report has been given we have learned several things we must do. First, we must work. Then, we have to sell ourselves, be proud, and feel and act like citizens. We must maintain good schools, communities, churches, and jobs for our people. Mr. Robinson stressed that we students join civic organizations after we graduate.

We have to sell our school to the public and be above average. Our teachers and PTA must be the best. Last, but not least, the students must be the best.

'What If' . . .

Several members of the Oak "K" staff combined their talents to form a "What If" column. If these things did come true, they could upset the entire environment that now exists here at Lone Oak. See if you can visualize some of these things as you read them.

"WHAT IF"

1. Bobbie Reeves was a blonde!
2. Janice Harper lost her voice.
3. Donnie Harper lost his hair.
4. Allen Phelps was 5'2.
5. Donald Birdsong was named Donald Chikchennym.
6. Eddie McDougal had purple hair to match his gold.
7. Bill Overstreet was a Don Juan.
8. Rickey Riley was engaged to Gail Padgett!
9. The Metzger sisters bought Reelfoot meat!
10. Grant Richards became President of United States.
11. Dick Blackston became a preacher.
12. Dianne Morris didn't have bedroom eyes.
13. David Wilson had a good paint job for his car.
14. Phyllis Alexander could drive!
15. Mr. Bolton wore a beetle hair cut!
16. Mr. Adams was Sheriff.
17. Mr. Petty got holes in his marching shoes.
18. Mr. Trentham was a Judo expert!
19. Mrs. Nagel was elected cheerleader.
20. "Sig" made it on the Grand Ole Opey.
21. Mr. Robinson didn't care!
22. The three Linda Harris had the same middle name.

Band Trip In Pictures . . .

Leaving . . .

Breakfast In Washington With Fellow Kentuckians . . .

Marching In Washington . . .

Award Upon Return . . .

Trip (Continued)

As soon as we completed the tour of the White House, we went to the Smithsonian Institute. I had been told many times of its huge site and millions of exhibits there, but it was even more gigantic than I expected. We spent from four to five hours there observing as much of it as we could in the length of time we had. We also had our noon meal there.

About 3:30 we boarded the busses and drove to Arlington National Cemetery. Here at 4:00 we witnessed the changing of the guards at the Tomb of the Unknown Soldier. This was very impressive and very dramatic as the guards are changed each hour of the twenty-four each day. From here, we walked up the long hill to Kennedy's grave. The Eternal Flame was glowing warmly and was very thought provoking as I walked back down the hill to our awaiting busses.

On the way to Lincoln Memorial, we passed the Iwo Jima Statue. After going to the Lincoln Memorial, we drove to the National Archives which contains all the important documents of our nation's history.

As I viewed the Constitution and Declaration of Independence and numerous other documents I realized how great an exhibit this was and how much of our nation's history and destiny rested upon these papers, now worn and strictly guarded at all times.

At 7:45 o'clock the next morning each room was awakened by a phone call from the chaperones. We had breakfast, changed into our uniforms, and boarded the busses for Bolling Air Force Base. Here the busses were all lined up for the actual march. The parade's organization impressed me since there were so many entries in it and everything went off so smoothly.

A moment I will never forget I am sure was when the first forward march was given. We were lined

directly in front of the Capitol Building and as we moved out on the Mall, I got a feeling that will be one of the finest memories I will have received from the entire trip. As we passed the Presidential stand, I glanced up and caught a glimpse of President Johnson and Vice President Humphrey.

AFTER THE PARADE

After the parade we returned to the motel, changed clothes, and ate supper. Steaks were on the menu for us. After supper we had a meeting and discussed the parade with Mr. Petty. At 9:30 we were given until 11:00 to ice skate at the rink adjoining the motel. We also could dance or merely spectate. Most of us skated since it was new to us. Surprisingly enough, I didn't "meet the ice" unnecessarily, and no one got hurt. At 11:30 lights went out, or were supposed to, shall I say.

Thursday morning we were awakened at 5:15. We dressed in our uniform, ate and boarded the busses for a concert in Alexandria. However, due to lack of time, this had to be cancelled. By 9:30 we went back to the motel to start touring again. First we saw the Washington Monument. Its height was astounding as I viewed Washington from this high point.

After this, we saw the Jefferson Memorial and recrossed the Potomac for lunch. The tour of the Capitol was next. This was to be the most interesting tour of the trip. Morton Langstaff took us through and we saw much more than the average visitor could see. We were permitted to go into the actual chamber where the House of Representatives meets. We went directly onto the floor of the house and sat in the seats there.

When this tour was completed, we went to the motels, ate, and then the entire band met together for a vesper service. Dr. J. T. Ford talked to us and we had a time for comments on the trip. This quiet meeting gave us much to think about and the band was drawn much closer by it.

At the close of the service we were given an hour or so to shop at a nearby center. Friday morn-

ing we got up early and packed the busses for our departure. Our breakfast was scheduled in the Senate Office Building. We were joined by Senator Cooper, his assistant, Representative Stubblefield and his wife, and Morton Langstaff, Stubblefield's assistant. Here we were presented with a plaque bearing the names of the band members, majorette, drum major, and director.

This is something for us all to be proud of and remember. After our breakfast we left Washington, D. C., and started our journey home to Paducah. We spent Friday night in Zanesville, Ohio, and drove all the next day. By this time, I was looking forward to getting back to Paducah. We arrived at 8:15, or the bus I was riding did.

I haven't fully realized the greatness of all I have seen. I have heard many times that you get out of something what you put into it. This has a special meaning to me now as I look back on the past four years in regard to the band. Many long hours have been put into practice, preparation, education, and the building of character.

I believe the trip was quite a success as a result of this effort. Mr. Petty promised the community four years ago that our band would be known all over Kentucky. Now, in the fifth year of the band program, its reputation has spread throughout the state, and even exceeded its boundaries. As result of all the efforts put into the band program, much has come. A group of youngsters has brought much recognition to its locality, school, and state. Let me say that I am proud, very much so, to have been a part of it.

Club and Class News

HI-Y CLUB

The Hi-Y Club met January 4th at 12:30 under the direction of Mr. Adams. President Donnie Harper called the meeting to order and Johnny Boaz proceeded to have the devotional. Mr. Adams then led a discussion on "Automobiles." At 1:30 the meeting adjourned.

PHYSICAL SCIENCE CLUB

The January 4th Physical Science Club meeting opened with the business by its president, Nathan Davis. The club was scheduled to see slides sent to us by Eastman Kodak Co. The slides did not arrive until late that afternoon, too late for the meeting. A special meeting was called for the next morning at 10.

At that time the club saw the slides. They were snapshots of various subjects taken under several circumstances, to show the best ways to take certain pictures. The Physical Science Club is grateful to Eastman Kodak Co. for the slides.

SPORTS BRIEFS

'A' Team Blasts Ballard 86-75

On Tuesday night, January 19th, Lone Oak displayed a fine team effort in downing the Ballard Memorial Bombers 86-75.

Lone Oak, after getting off to a sluggish start and trailing by 3 at the first quarter stop, rallied late in the second quarter to take a six-point lead at the end of the half.

After intermission Lone Oak put on a fine display of outside shooting by outscoring the Bombers 24-17. Donnie Harper scored 12 of the 24 points in the third period while Coleman added 8. The Flash finished the game hitting 55% of their shots while scoring 86 points.

Harper led all scorers with 25 points. Coleman chipped in 19. Holshouser and Blackston added 14 each to round out the double figure scoring. Other scoring: Coleman 19, Harper 25, Holshouser 14, Blackston 14, Hayden 5, Leeper 5, Wallis 2, and Goode 1.

'B' Team Victory

On Friday, January 8, the Lone Oak "B" team edged past the visiting Sedalia team 65-58, bringing their record to 9 victories against 1 defeat.

The Flash jumped out to an early 15-10 first quarter lead and never trailed through the entire game. The Lions, from Sedalia, put up a hard fought battle on the closing minutes, but could never get any closer than 10 points. The Flash went on to win easily by a score of 65-58.

Lone Oak placed 3 men in double figures, with Leeper scoring 20, and Steger and Smithson adding 18 and 12 points respectively.

Lone Oak	15	32	45	65
Sedalia	10	23	35	58

Lone Oak—Steger 18, Wilson 5, Smithson 12, Goode 3, Leeper 20, Hamlin 7, Via 2.

NFL

The Preliminary Congress held at George Rogers Clark Memorial High School in Winchester, Kentucky, commenced the NFL activities for the new year on the 9th of January.

Special honor, President of the Senate, was bestowed upon Rodney Mabry which was the first time for such an accomplishment.

Others participating in the congress were: Steve Baker, Gail Doyle, Mark Fleischhauer, Doug Johnston, Lucy Lawrence, Charles Lindsey, Marvis Lisso, Eric Moore, Diana Mullinax, Doug Myers, Penny Parks, Chris Perry, and Rita Schnuck.

Deep appreciation is extended to Mr. and Mrs. Garvis Douglas and Mr. Perry for their assisting Mrs. McCracken to provide transportation.

FTA

Monday, January 4th, the Future Teachers of America met. They discussed several money making projects. The club held two bake sales. One was held December 12 and the other was held January 9.

Tilghman Downed

On the snow-bound night of January 15, a fired-up Tilghman team came to Lone Oak with high hopes of chalking up two more victories for the season, but failed.

The "B" team, led by junior forward David "Willie" Wilson, scored an impressive 16-point victory over the out-classed Blue Tornado. The Flash were behind at the first quarter stop 10-8, but went ahead early in the second quarter and steadily pulled away to the final victory margin of 53-37.

Wilson led the Flash scoring with 19 points and did a yeoman's job on the boards. Hamlin added 13 to the cause.

Lone Oak	8	24	39	53
Tilghman	10	17	24	37

Lone Oak—Steger 4, Wilson 19, Goodman 2, Smithson 7, Goode 4, Hamlin 13, Via 2, Leeper 2.

Junior Varsity Defeats Heath

The "B" team continued their fine play Tuesday, January 5, by downing the Heath Pirates 45-42. The Oakers picked up where they left off before the Christmas vacation, by continuing on their winning ways. This victory brought their record to a sparkling 8-1.

The game saw Lone Oak jump out to a quick lead 10-7, but in the fading minutes of the half the Pirates fought back to a two-point advantage 24-22. It was a see-saw battle through third quarter with neither team having more than a four-point lead. In the closing minutes of the game the Flash kept its poise and played a ball control game winning by three points, 45-42.

Smithson and Hamlin led the Flash with 14 and 13 respectively. Steger added 8 and Leeper chipped in 6 while Wilson and Via were adding 2 each.

FHA

The FHA had 53 members present at their Monday meeting. The club discussed a "learning night" they plan to have this month. A report was given by Brenda Bradford on family living and one on membership by Linda Carroll. The members were reminded that the Mother and Daughter Banquet is to be held in February.

LIBRARY CLUB

The last meeting of the Library Club was held in December to discuss plans for a Christmas party. It was decided that it would be held December 28th at 6:30 in Mrs. Helfer's home.

A food committee was formed of: Bobbie Reeves, Eileen McElrath, Jan Medley, and Lavene Riley to prepare the menu.

After the business session of the meeting was completed, Mr. Helfer demonstrated how to make book slots for the shelves. The members then applied new ones to all book shelves.

The Library has received a shipment of new books. They are now available for your use. Come and visit our Library and start the new year off right.

Eighth Grade Bows To Pirates

The Lone Oak eighth grade team came very close to winning its first game, Thursday night against Heath.

At the end of the first quarter Heath led by a very close margin of one point which made the score 5-4. At the half-time buzzer rang the Pirates were on top 14-11.

Early in the third quarter Lone Oak went ahead by one point and increased it to three going into the final quarter. The score went back and forth and at the end of the fourth quarter it was tied 32-32. In the overtime period Lone Oak gained only one point to Heath's 4, closing the game with Heath 36, Lone Oak 33.

Jones was high scorer for Lone Oak with 14 and McIntosh was next with 6.

FBLA

The Lone Oak Chapter of FBLA had its installation of members during the December meeting. Bobby Summers and Martha Powell received the Assistant Degree at this meeting also.

Each year, at Christmas time, the club does something to help others. This year members dressed 22 dolls to be given to needy children in an effort to make their Christmas brighter.

Film strips on parliamentary procedure were shown at the January meeting beginning preparation for the convention in April.

FFA

The Lone Oak FFA Chapter conducted its annual candy sale this year. High salesman was Gerard Gholson who had a total of \$127.00.

There were three boys from the Lone Oak chapter who entered the Purchase District Tobacco Show and Sale. They were Gary Shaffer, Billy Seay, and Willis Forest. Forest placed fourth in the district.

Each year the chapter delivers Christmas baskets to needy families. This year the club delivered thirteen baskets.

EIGHTH GRADE ART

On Monday, January 4, we started the new year right by holding club meetings. At 12:30, the Art Club met in Mr. Morris and Mrs. Douglas' rooms. This time we could choose between finger painting and making mosaics. Mr. Morris supervised those who wanted to make mosaics. We cut bits of colored paper, and pasted them on a larger sheet of paper. We made scenes, designs, and still life. The effect was very interesting. Mrs. Douglas helped those who wanted to finger paint. There were many colors to choose from and the designs made, really showed a lot of imagination.

Oakers Entertain Top-Ranked Jets Tonight

Flash Wins First Game Of The Year

On the night of January 15, the Blue Tornado of Tilghman threw a scare into Lone Oak fans during the first half of action. The hot-shooting Bluemen led at the first quarter stop 19-14, and held the upper hand during most of the second period, but the Flash finally caught fire and led at the half 35-31. The Flash picked up where they left off, and in the third quarter scored 9 straight points before the "Boys In Blue" could muster a basket.

During the second half, Lone Oak's changing of defense riddled the Bluemen's offensive attack and they could manage only 23 points.

Dickie Coleman's 18 points led the Flash's well-balanced scoring attack. Dick Blackston and Tony Holshouser contributed 14 points each. Bob Wallis chipped in with 13 markers.

Lions Hand Lone Oakers 5th Defeat Of The Season

Lone Oak suffered its second straight defeat of the new year, Friday, January 8, being downed by the Sedalia Lions 71-67. Lone Oak is still looking for its first victory of 1965.

Sedalia, hitting a red hot 65% from the field and even better from the foul line, racked in its eighth victory in ten outings. The Flash has won eight out of thirteen games.

The Lions took a 18-15 first quarter lead and never gave it up. The lead was increased to nine by half time as a result of seven straight points in the last minute of the half. Mullens led the attack for the Lions with 22 points, 14 coming in the first half of action.

In the second half Lone Oak continued to come back but could never catch the sharp-shooting Lions. With less than a minute to play Sedalia led by ten points, but the aggressive defense of the Oakers cut it to 4 points when the final gun went off.

Lone Oak had three players in double figures led by Blackston with 19. Coleman and Wallis added 15 and 12 respectively.

Lone Oak Places Third In Christmas Tournament

In the first round of play at the Paducah Invitational Tournament, Lone Oak defeated Tilghman by a five-point margin, 67-62.

In the first quarter Lone Oak jumped out to a quick 8-2 lead, but saw a tall team from Tilghman scrap away at the Oakers till at the end of the quarter when Lone Oak was ahead by 2-15-13. Lone Oak jumped ahead again in the second quarter, but Tilghman was not through yet, and fought back to take a 3-point lead at halftime, 35-32.

The Oakers came back determined in the third quarter and gradually cut Tilghman's lead. The Flash went ahead at the end of the quarter, 52-45.

In the fourth quarter Lone Oak built a lead as much as 12 points only to see a hustling Tilghman team fight back within five. Tilghman team could get no closer and that was the way the game ended—67-62.

Blackston was high scorer for the Flash with 21 points. Harper and Coleman added 14 and 12 points respectively.

Hall was high for Tilghman with 16. Garrett was next with 11.

Lone Oak—Blackston 21, Holshouser 8, Hayden 3, Murphy 2, Wallis 7, Harper 14, Coleman 12.

Tilghman—Lambert 7, Overstreet 6, Dunigan 8, Ragland 4, Hall 16, Gregory 8, Garrett 11, Brown 2.

North Marshall

In the following day's action, Lone Oak was defeated by the North Marshall Jets 66-57. The first and second quarters were dominated by the Jets, with only a few bright moments for the Flash. Lone Oak was playing without the services of its starting center, Bobby Wallis, but a fine job was turned in by his replacement Ralph Goode, who had played only briefly in one other varsity contest.

North Marshall led as much as 7 points in the first quarter, but Lone Oak battled back to within four at the end of the first quarter 17-13.

The Jets increased their lead to as much as nine points in the second quarter, but a late rally brought the Oakers to within 1 point at the half 28-27.

In the third quarter Lone Oak went ahead briefly, but could not stay on top. North Marshall's lead at the end of the third quarter was 51-48.

There was no holding the Jets in the fourth quarter as they pulled away with a 9-point victory. Coleman was high scorer for the Oakers with 15 points. Harper and Goode added 10 each. Fulks was high for North Marshall with 17 points. Cut-singer and King had 16 and 14 points respectively. This meant that Lone Oak was to play Benton in the consolation game.

North Marshall—Winslow 7, Stice 7, Fulks 17, King 14, Beth 5, Cut-singer 16.

Lone Oak—Blackston 7, Hayden 4, Holshouser 8, Goode 10, Harper 10, Coleman 15, Leeper 3.

Benton

In the night-cap Lone Oak not only out-played Benton, but out-smarted the Indians to take third place trophy by a lopsided score of 76-55.

As the first quarter started there was an unusual sight for most Lone Oak fans, because the five players that usually started the game were on the bench and Coach McKinney had started his five reserves.

After the game, the Coach gave an explanation for this saying that his starters needed a rest and that he figured he could run Benton's starters down and then send in his usual starters.

Lone Oak, who was led by the red-hot shooting of Rickey Leeper during the entire ball game, led 13-9 at the end of the first quarter. In the second frame Lone Oak built its lead to as much as 11 points at one time, only to see it dwindle to a 2-point lead at halftime 32-30.

In the third quarter Coach McKinney started his first five with an all-court press and built their lead to 8 points in less than a minute and a half 38-30.

This was the closest the Indians were to the Flash in the remaining 2 quarters. Lone Oak had a 17-point advantage at the end of the third canto 57-40.

Benton could get no closer than 14 points in the fourth quarter as the Oakers went ahead to win by 21 points 76-55.

Rick Leeper was top man for the Oakers with 21 points, Blackston and Coleman added 12 and 10 respectively.

Powell was high for Benton with 14 points. McGregor added 12.

Lone Oak—Smithson 2, Harper 7, Leeper 21, Goode 7, Holshouser 6, Hayden 9, O'Brien 2, Blackston 12, Coleman 10.

Benton—McGregor 12, Powell 14, Irwin 5, Gilliam 6, Greenfield 6, Myers 7.

Pirates Squeeze Past Flash

Lone Oak suffered its fourth loss in 12 starts at the hands of the Heath Pirates 49-47. In the first quarter Lone Oak puzzled the Heath offense by switching zones on it. Yet Heath, behind the fine shooting of 6'5 Robert Hargrove, pulled 2 points ahead at the end of the first quarter 11-9.

The Lone Oak offense came to life in the second quarter with some fine shooting from the outside and walked off at halftime with a 4-point lead 27-23.

In the third quarter the lead changed hands several times with the Flash coming out on top 40-37. The fourth quarter saw both teams go cold from the field, but they made up for it at the foul line. Lone Oak maintained a 1 or 2 point lead until the last minute and a half play when Heath tied the score 47-47 with about 50 seconds left.

Jim Long's two free throws put Heath ahead with 6 seconds remaining. Lone Oak failed to score on their next trip down the floor and Heath won the game 49-47. High for Heath was Robert Hargrove, who topped all scorers with 21. Blackston had 14 for the Oakers.

Lone Oak _____ 9 27 40 47
Heath _____ 11 23 37 49

Lone Oak—Blackston 14, Hayden 7, Wallis 6, Goode 2, Harper 9, Coleman 9.

Heath—Kaletch 5, Blackwell 5, Story 2, Hargrove 21, Long 12, Harris 4.

Flash Attempts To Shoot Down Jets

North Marshall will be looking for its 18th victory in 19 outings, at Lone Oak tonight. After losing 3 games to the Flash last year, the Jets will be out for revenge, in trying to pick up their second win over the Oakers this year. The Flash lost previously to the Jets in the second round of the Christmas Tournament.

Lone Oak comes into the game supporting a 10-6 record. The upset-minded Flash will be trying to prove that they are a threat for the district and regional crowns.

The probable starters for the Jets will be at center Joe Fulks, 6'3" senior; at forwards, Tommy Stice 5'11" senior and David Winslow 6'3" senior. At guards, Donald King 6'1" senior and Buster Cutsinger 6'0" senior.

Lone Oak will probably start Bobby Wallis 6'1" junior at center; Dick Blackston 6'0" senior and Tony Holshouser 5'11" junior at forwards; and Donnie Harper 5'9" senior, and Dickie Coleman 5'10" senior at the guard spots.

Tomorrow night Lone Oak will travel to Lowes in another important regional clash. Lone Oak will be out for revenge since losing to the Blue Devils earlier in the season.
