# Oak 'K' Wins Quill & Scroll Award

### PTA Style Show Is A Huge Success

The Lone Oak High PTA fashion show was presented on Tuesday evening. Sept. 18, in the school auditorium. It was a fascinating program with fall and holiday clothes shown against a colorful scenery designed and built by the art department. A red and white chiffon material was draped over the curtains to make a backing for the stage. An archway with two huge candelabras on each side featuring red velvet bows were in the center of the stage.

The white ornamental chairs and settee gave it a finished garden look. The lighting was very effective to give the whole scene the new color of cranberry and there was a spotlight that followed each model as they showed their clothes.

Mr. Perry Driver of Perry's Ready to wear coordinated the women's fashions. Mr. Troy Small and Mr. Jules Samuels coordinated the men's fashions for the show. Miss Mary Margaret Hoffman was narrator and was assisted by Mr. Wesley Rudolph of Shackleton's at the organ.

Lone Oak's teachers, parents and students were the models for the show. The student models were Janice Steinhauer, Charlotte Wenzel, Sandra Mohler, Paula Metzger, Dianne Morris, Karen Terrell, Harolyn Broyles, Iris Hargrove, Carolyn Wallace, Laura Churchwell, Ann Terry, Ann Dunbar, Tony Holshouser, Bobby Wallis, Ricky Leeper, Kerry Via, Charlie Hamlin, David Wilson, Bob Hougland, Mike Griffith, Charlie Lindsey, and Eddie Small.

Members of the faculty who served as models were Mesdames R. G. Matheson, William Nagel, Lester Goheen, Mr. Richard Throgmorton, Richard Petty, Larry Powers, and Gary Trentham.

Parents participating as models were Mesdames John Holshouser, Richard Petty, Dwayne Boyd, Bruce McDougal, Cloyde riger, and A. F. Buckingham.

All proceeds from the show are being used to support the Lone Oak High School PTA Budget, including a student organization fund, college scholarship fund and the yearly activities of the Parent, Teacher Association.

### Paper Said To Be Worthy Of Praise

The Oak "K" has been awarded an International First Place Award for superior achievement by the Quill and Scroll Society.

This laudable honor means that our publication was in competition with school papers in this country and abroad. Judges of the contest acclaim the Oak "K" as being of superior quality and signified that numerous issues surpassed excel-

The only significant criticism that they wish for us to follow was the Oak "K" to progress as a weekly publication.

The 1965-66 staff of the Oak "K" is as talented and maybe more zealous than last year's staff. Because this is true, it is very probable that the Oak "K" will progress with many more honors.

### Enrollment Continues To Climb At LOHS

This year we have 1,090 students enrolled, compared to the 1,024 students which attended last year.

The elementary schools in the surrounding areas have sent us 193 new students which make up the 7th grade. A total of 201 students are starting their freshman year at Lone Oak, over the 188 freshmen of last year.

During the summer the 10th grade gained four new students which makes a total of 186 in their class this year. Somewhere along the way the junior class lost 12 students, leaving them with 156. Last, but not least, the senior class, which has gained four new students, now has a total of 145 enrolled.

#### Oak 'K' Advertising Totals \$1800

Bobbie Gatlin and Joyce Owen tied with Bobby Wallis and Dennis Steger as team winners in the Oak "K" advertising drive.

Both teams sold over \$268.00. The termination of the two-week drive found the teams at an equal amount of sales for ads.

The total amount of advertisement sold by the Journalism class was more than \$1,800. Our goal for last year was \$1,200. With such an increase in ads, the Oak "K" now can publish a larger edition.

From the Oak "K," and the student body, we extend our thanks to all four outstanding salesmen. We owe thanks also to the advertisers for patronizing our school. As a means of thanking the salesmen, we should in turn patronize our adver-

### Student's Prayer "Let's Get

By Bobbie Reeves

Dear God

Again I bow before thee to give thanks and ask for your aid in making this school year successful.

Father, I give thanks to you for making last year a most prosperous year for our clubs at Lone Oak. I plead for further progress in order for them to continue rendering services to our school and community. I ask for your special assistance to the speech group. Watch over us and guide us as we attempt to pick up the pieces.

For the Oak "K" staff, help us, Oh Lord, to maintain high ideals and principles in developing the paper. Give us the insight to print the truth and the truth alone.

Bless the band. Help restore the talent and zeal that may have leaked out during the summer months. Let this year be another landmark for them.

For the A Cappella, let it be that this organization is even stronger and more united than last year's choir. Give the new members an understanding of the great artistry of the human voice when used with feeling and sincerity.

Heavenly Father, please instill into basketball, baseball, and track members an attitude of true sportsmanship as You have done before.

I ask for your wise help in the election of our basketball queen. Let her be one that is respected as much as last year's queen.

Help our cheerleaders, dear God, as they try to pep up the school spirit.

Bless the teachers and leaders of our dear school. Let them lead honest and dedicated lives. Enable them to inspire our students to make something of their lives.

Oh God, I do sincerely ask that all these things would be so. If it be Thy will, Thy will be done.

In the name of Thy Son, I pray.

Amen

### "Let's Get Acquainted"

Hello. My name is Gerald Adams. When one of the staff of the Oak K asked to write a short article explaining my position as part of the Lone Oak staff, I consented gladly. I'd like for the students to become acquainted with me and with the purpose of my job as guidance counselor.

I am starting my seventh year in the teaching profession. My frst position was 7th-8th grade coach of Central and assistant coach of Hickman County High. Next I taught in the 7th-8th at Concord. I moved on to Heath where I taught social studies for four years. My wife, Lynn, is librarian at Heath and my daughter, Lisa Lynn, attends Concord.

The Encyclopedia defines my field—guidance—as the process of helping persons make the best possible decisions about their lives and aiding them in solving their problems.

Guidance in a school should be a "program of activities designed to provide the information and skills students need to make wise decisions, to make personal and social adustments and to improve their planning" or "all those special activities aimed directly at giving systematic aid to pupils at various educational levels in solving their educational, occupational, health, social, and personal problems."

Guidance has many facets. The five basic services are individual inventory (testing), information, counseling, placement and follow-up. In later articles, I hope to discuss each facet in detail.

Each member of the faculty contributes to the guidance program of our school and one of my major jobs will be to coordinate and assist these efforts.

The ultimate goal of guidance whether by teacher or counselor—is self-direction on the part of the individual pupil.

The guidance and educative process should be centered upon helping individuals to become increasingly capable of creative and purposeful living.

Stop by the office. Let's work together on your/our problems.

### Welcome!

Lone Oak High School wishes to express a warm welcome to all of the new students enrolled in the 1965-66 school year.

We, the students always strive for the highest achievements in our academic lives. Our hope is that you will join us in trying to reach our goals, because only with the help and encouragement of every student and faculty member will these goals be reached and new ones set. We wish you the best of luck this year, and we truly hope that you will learn to love Lone Oak as much as we do.

"POODLE"

### Tribute To "Poodle"

By Bobbie Reeves and Nancy Hulett

Standing barely 5 ft. tall, but with a heart of much greater stature —that's "Poodle"!

Just as unusual as the nickname "Poodle" is Homer Hoop. This 72 year old Hybridge, Kentucky, native has had jobs ranging from steamboat to store, cannery to cafeteria, and driver to deacon.

In the year of 1902, Homer Hoop, with an abundance of human playmates chose to become "a dog's best friend." Homer was the proud owner of a poodle pup which he named "Poodle". When Homer's two sisters wanted to find him, they would call the Poodle and Homer would always come running too. They were inseparable.

The dog has long since been dead, but his name remains. Master Homer took on the name "Poodle".

Poodle's teenage days were not spent courtin' as much as for hunting. He and his pack of dogs have won medals for hunts. The dogs and Poodle slowed down their pace as Poodle became involved with work.

"I've worked at lots of places but I've worked at Lone Oak longer than any job," Poodle proudly boasts.

Probably the reason Poodle has stayed with Lone Oak so long is because of the many friends he has made.

Poodle was Scoutmaster to such well-knowns around Lone Oak as: Mr. Mike Clark, Mr. Wallace Adams, Mr. Robinson's son Randal, and Mr. Glenn Dexter. "My Scouts were some of the best. Wally Adams was one of them, but he never made the grade for an Eagle Scout!" teased Poodle to Mr. Adams.

Mr. Dexter humorously added that Poodle has been around as long as Lone Oak has.

If you were to share a conversation with Poodle, he'd be sure to tell you these pertinent facts:

"I remember seeing Mr. Bill Buckingham graduate from L. O. H. S. as one of the most popular boys in the class. Then there was the time Vice President Barkley was speaker in the gymnasium and no one would volunteer to introduce him. I got up just as pretty and said a few words for him. And of course the time a journalism student wrote up my history and Robinson and I laughed till we cried."

ATTENTION! This is our new student questionnaire. It will appear in the Oak "K" monthly. Various students will be interviewed each month concerning a question of interest to students. Watch for this column monthly and find out the opinion of your classmates on different questions.

Question of the month: What do new students think of L. O. H. S.?

#### POODLE---(Continued)

His keen memory is associated with the thousands of children he has known. He remembers Ricky Leeper when he was a small tyke and used to pull girls "pigtails."

The kids at the elementary can spot Poodle a mile away by his car. It is warmly called the "Poodle Wagon." Hardly a day passes when the children do not get to see Poodle scoot by in his Poodle Wagon.

Poodle is one of the most liked persons ever. He has been around Lone Oak for almost 20 years, which have been very prosperous years at L. O. H. S. Whether Poodle has had anything to do with the good luck remains to be said.

I leave with you this thought: So humane, warm, friendly and cheerful is Poodle.

The journalism class of '64-'65 was awarded the winning trophy last year and the class of '65-'66 would like to win again. These are the five main details to look for in reporting: what happened, who was involved, what is their age and address, what time did it happen and any other highlights of interest. Ann Parks, Freshman

People at Lone Oak are so friendly that it would be impossible not to like it, so I do! The teachers here are the best. Maybe Lone Oak does not have the newest or most modern building in the state, but you can't find a school anywhere that matches L. O. H. S. in the school spirit!

Dennis Minner, Freshman

I think Lone Oak is a real neat school. I hope I can stay here the rest of the year. I think all of my teachers are just keen!

Cathy Bass, Eighth Grade.

### Band Earns Twelfth Trophy Sixty Members

Only a month of school has gone by and the band program is well on its way. After just three days of school the band participated in the Labor Day Parade in Metropolis, Illinois. The band was presented with a trophy for their participation in the parade; this trophy was added to the eleven other trophies and awards which the band has brought home. These awards range from the Scout-O-Rama parades in Paducah to the Inaugural Parade in Washington, D. C.

The band has a full schedule this year, and with a lot of hard work they will bring more honors to our school. The band participated in the Banana Festival on October 2nd in Fulton. On October 9th they will go to Bowling Green, Kentucky, to compete in the Kentucky State Marching Contest.

The climax of the marching season will come October 30th when the band goes to Mayfield, Kentucky, to compete in the Bluegrass Marching Contest. Our band placed second last year and stands a fine chance of doing an excellent job this year.

The band, just as the ball club, performs better with support from the student body. We urge every student and teacher to go to Mayfield, October 30th, and support our band in the Bluegrass Marching Contest.

### **FHA Members** Attend Conference

The officers of Lone Oak Future Homemakers of America attended the Kentucky Lake District Leadership Training Conference at Mayfield High School.

Each officer was trained in ways of fulfilling her duties and responsiblities for the year of 1965-66.

The theme of this conference was "Training Builders for F. H. A." The following attended: Rosalie Edwards, Diana Whiteside, Paulette Layman, Janice Kidd, Bonnie Garrigus, Jan Medley, Sylvia Nace, Linda Carpenter, and Sandra Wilson. Also attending were Mrs. Goheen and Mrs. Logan, advisers.
