

New Students Warmly Welcomed From Schools Both Near and Far

There are many new students at Lone Oak this year and they came from all around.

Coming from Paducah-Tilghman High School, are sophomores, Jerry Perry and William Hayden; juniors, Billy Henderson, Tracey Henderson, Rebecca Starnes, and Gracie Hamilton.

Freshmen, James Powell, Terri Sullivan, Barbara Sullivan, and Emma McFall, and senior, Barbara Gunn came from Reidland. From Heath came sophomores, Keith Cline and Marcus Glisson. And from St. Mary came junior, Glenda Kaufman.

From some other surrounding schools, are junior, Jane Ann Ritchie and senior, Marcella Smith from Mayfield, and from Symsonia, freshman, Ken Easley.

Coming from St. Johns are freshmen, Wanda McNeil, Stephen Neihoff, John Rushing, and Jeanne Scheer. From Warren County High in Bowling Green, Kentucky, came freshman Dubra Walker. And freshman, Larry Pearson, came from Sharpe.

There were also some new students from junior high schools of the area. From Brazleton came freshmen, George Riley and Krista Collene, and sophomores, James Nelson, James Pearson, and Sherry Hayden. Sophomore Brenda Young came from Jetton Junior High School.

There are many states represented by our new students who transferred to Lone Oak. From Columbus, Mississippi, came sophomore, Mike Stubblefield and junior, Richard Stubblefield. Junior Fred Cuff and sophomore, George Cuff came from Thomas Jefferson High in Pittsburgh, Pennsylvania.

Coming from Fayetteville, North Carolina, are freshmen,

Karen Buie and sophomore, Charles Buie. From Missouri came Steve Young—a freshman from the Eugene Field School in St. Joseph—and junior, Gloria Blavin from Sikeston Senior High in Sikeston. From Indiana came freshman, Bruce Lawrence of Calumet Junior High in Gary and sophomore, Sherry Stewart of Central High in Evansville. Sophomore Martha Lynn Herl came from Pope County High in Golconda, Illinois. Coming all the way from Farrer Junior High in Provo, Utah, is sophomore Myles Harston and from Kectoughton High in Hampton, Virginia, is Marcia May.

Each year, new students add a lot to the growth and success of a school. These new students will be no exception and will be an important addition to LOHS.

MARVIS LISSO IN SEVERAL PLAYS IN AMPHITHEATER

LOHS has a professional actress enrolled! Marvis Lisso appeared in two plays at the Kenlake Amphitheatre during the summer season.

The two productions, "My Three Angles" and "George Washington Slept Here" played on Friday and Saturday nights from June 11 to September 2.

The plays were produced by Murray State University Drama Department, directed by Robert Johnston.

Marvis' other theatre appearances include Market House Theatre productions and the LOHS Junior play "Gentlemen Prefer Blondes." She is a senior this year.

Lone Oak's Band In Top 20 At International Lion's Parade

The Marching Kentucky Colonels of Lone Oak High School represented Kentucky well in the International Lions Club Parade in Chicago, Illinois, in July, 1967. 146 units were delegated to compete.

The band departed Lone Oak early July 4, after a prayer by Rev. Isaac McDonald for guidance and safety.

The buses were in Chicago in time to visit the Museum of Science and Industry before supper. The museum, located on Lake Front, is America's most attended museum. It averages over 3,000,000 visitors yearly.

Before retiring to the hotel, the students went for a ride on the subway. They bubbled with laughter and seemed to enjoy the ride. Many of the students thought the subway was the best part of the trip.

Usually, checking into a hotel is a simple task. This was not the case when 113 tired students suddenly realized they had nowhere to go.

Although reservations had been made with the Edgewater Beach Hotel, it was decided to be unfavorable. The hotel management had spread the students over several floors. Mr. Petty wanted all of the band together.

The band members gathered their luggage and walked across the street to the Tides Motel. Mr. Petty said, "The hotel management said they didn't think we'd do it—but we did."

The Tides Motel had an in-door pool and nearly everyone went for a swim. Earlier confusion made way for relaxed fun. Mr. Petty was pushed into the pool with his street clothes on.

After breakfast the next morning there was a final inspection before the buses were loaded for the parade. The band was amazed at the nationalities represented.

The parade seemed to end almost before it started. Lone Oak was rated in the top 20. Eighty-six bands were competing.

After supper and shopping, the band attended a teenage

LOHS Cheerleaders Attend Summer Clinic Win Five Blue Ribbons

In keen competition, LOHS cheerleaders won a total of twelve ribbons at the Jonesboro, Arkansas, cheerleading clinic in August.

The two squads earned four first places, six second places, and two third places.

For one week, three thousand cheerleaders followed a strenuous schedule learning new yells, skits, and pep meeting routines. They also attended pom-pom and tumbling classes. Planned recreation included bowling and swimming.

Faculty Sees New Faces As 9 Teachers Join Staff

There are nine new teachers on the Lone Oak faculty this year.

Lone Oak's history department has two new additions — Mr. Goodman and Mr. Ellis.

This summer Mr. Goodman served in the army at Fort Sam Houston in Texas. He graduated from Tilghman and went to PJC, Bethel, and Murray. He is presently teaching US history and world history. Hunting and fishing are his favorite sports and he is married. When asked his impression of Lone Oak he stated that he likes his classes and the school system.

"Loafing" is what Mr. Ellis did this summer but he made up for it by going to school. Mr. Ellis graduated from the University of Tennessee at Martin and is teaching history at Lone Oak. He is not married and his hobby is "everything." This is his first year of teaching. When asked how he liked it, he shrugged his shoulders and laughed, then said he was enjoying it very much.

Mrs. Pritchett and Mrs. Brugger joined the LOHS faculty in the English department.

Mrs. Pritchett is teaching Senior English and French this year. Mrs. Pritchett said she had "played all summer" and she "just loves it at Lone Oak." If she had more time she would like to play golf and paint. Her

husband's name is Charles and she has three children, Mark 14, Chuck 12, and Beth 7. This is her first year to teach.

Reading is one of Mrs. Brugger's favorite pastimes — which is logical because she is a Junior English teacher. Mrs. Brugger graduated from Southeast Missouri State and taught at Heath. This summer she loafed with her husband, Bill, and her son, Jeff, who is four. Mrs. Brugger thinks the students and teachers are nice and she is very impressed with LOHS.

Mr. Woodyard teaches biology and general science and worked in a pharmacy during the summer. He hails from Salem and attended Murray State University. Before coming to LOHS he taught at Livingston Central High School. He is to be married soon and his favorite sport is tennis. He is "highly impressed" with Lone Oak.

Mrs. Spangler traveled this summer with her husband, the Rev. Otto Spangler, to the Southern Baptist Convention in Miami. She is teaching algebra. She graduated from Carson Newman College in Jefferson City, Tennessee. She taught at Ballard before coming to Lone Oak and her hobby is art. She has three children, Chuckie 8, Victor 5, and Lisa 3. Mrs. Spangler said she

NINE MUSICIANS WILL PERFORM ON WPAD RADIO

Nine LOHS musicians will perform on WPAD radio Saturday morning, October 14, at ten past ten. They are: Tracy Morris, Pat Parker, Melissa Wilkins, Patty Legeay, Don Presley, Randy Hendon, Charles Lindsey, Kenny Garnett and Sammy Hargrove.

The program, entitled "Music Around the World", will contain vocal solos, trios and instrumental ensembles. The program is presented through the "Paducah Junior Matinee Music Club."

PAM SCHEER 'SPELLS' BIG KENTUCKY VICTORY

Pamela Scheer, represented Lone Oak and Kentucky recently in the National FBLA spelling contest. Not only did Pam and her team mates, Vicky Waits of Frankfort and Mary Vischoff of Louisville, represent Kentucky but they won the contest. The National Future Business Leaders of America Convention held in San Francisco, California on June 7-11 of this year was sponsored by the National Business Education Association.

Also attending the convention were Miss Wylma Stewart and Mrs. Mary North. They spent a full week in San Francisco and toured various places, including Chinatown and the Golden Gate Bridge.

Summer Brings Variety Of Teacher Occupations

It was an exciting summer for a number of LOHS teachers. Mr. and Mrs. Douglas took a trip to the Southern Baptist Convention in Ridgecrest, North Carolina. Mr. and Mrs. James Adams turned carpenters this summer and worked on their new house. Mrs. Helfer had a dangerous summer. She was in Detroit, Michigan, during the riot.

Mrs. Brugger took a trip out of the United States to Canada to visit Expo '67. Mr. Wells and Mrs. Alderdice both took two-week vacations in sunny Florida.

Mrs. Goheen attended the Future Homemakers of America Leadership Conference. Mrs. North and Miss Stewart attended the National Future Business Leaders of America Conference in San Francisco, California. They toured Chinatown and saw the Golden Gate Bridge.

Mr. Doores was very busy this summer. He painted about thirty houses.

Mr. McKinney worked for the Lone Oak Recreation Department and also worked at his real estate business. Mr. Throgmorton worked very hard as a juvenile counselor. He also boasts the addition of a daughter to his family since school dismissed last spring.

The rest of the faculty was very busy at home, school, and their summer jobs.

All the way from Florida to Canada you could find a member of the LOHS faculty working, playing, and in school.

An Open Letter to the Students

Welcome Back — Students,

Where has the summer gone? This would be hard for most of us to answer. Hope all of you enjoyed the past summer. It's nice to have you back in school again, and we welcome all new students and teachers.

I have said many times you are lucky to live in America. You are very fortunate to live in the McCracken County School District and, most of all, the Lone Oak District in McCracken.

This is your school for the rest of your life. Enjoy the many great opportunities here for you. You must feel that it's your school and respect it at all times. Lone Oak High School must be the best and stay on top always.

I have spent many years in this school and school system since 1939, and I have seen it come from the bottom to the top. I love this school and what it has done for me, and I'm sure you do, also.

Let's make this the best school year you have ever had. I would like to offer these little challenges for now and for all through your life time:

1. Respect all people.
2. Take pride in good manners.
3. Do no harm to anyone.
4. Love your family, school and church.

Do these things now because they will mean so much to you later. Enjoy life, get interested in the good things of life, and you will have a wonderful life ahead of you. Life is much too short not to do these things.

If we can help any student at any time here at school, please feel free to ask for our help. We as teachers love to help others or we wouldn't be in this profession.

GLENN E. DEXTER

What Is Self-Respect?

Self-respect is confidence in one's own worth as a human being and a concern to maintain it. Self-respect isn't what others think of you but what you think of yourself. There are many things which can ruin your self-respect such as cheating on a test, stealing, or telling little "white" lies. You may not think too much of these things when you first do them, but they are always "skeletons" in the closet which can come back and haunt you. They are always things that you will regret when you stop and think. My advice is not to make any snap decisions — think through things and maybe you'll decide that it wasn't worth doing anyway.

The Day's Demand

God give us men! A time like this demands
 Strong minds, great hearts, true faith and ready hands;
 Men whom the lust of office does not kill;
 Men whom the spoils of office cannot buy;
 Men who possess opinions and a will;
 Men who have honor—men who will not lie;
 Men who can stand before a demagogue
 And damn his treacherous flattery without winking;
 Tall men, sun-crowned, who live above the fog
 In public duty and in private thinking;
 For while the rabble, with their thumb-worn creeds,
 Their large professions and their little deeds,
 Mingle in selfish strife, lo! Freedom weeps
 Wrong rules the land, and waiting Justice sleeps.

LOHS PRIDE

Pride is an inward feeling of comfort and self-accomplishment. How does this apply to the students of Lone Oak High School? If a school does not believe in itself, how can it expect others to have faith.

The word "pride" can be broken down. Loyalty, individualism, and faith are three major parts of being proud. To be proud is to have all three traits.

Lone Oak is only as good as the students think it is. The student body must be intensely loyal. How can half the school be proud and half not care? If an outsider hears only one student say something against Lone Oak, he assumes no one cares.

Lone Oak must be set apart. There is no pride where there is no individualism. Something special must set the school above all the rest or the school becomes a mere statistic.

Any organization has individuals with different ideas. When these ideas clash, problems arise. This is to be expected. The difference between a "poor" school and a "First-rate" one is the way in which problems are handled. Faith and pride make a school or break it.

Lone Oak has always had a proud tradition. It has had problems and will continue to have more, but these problems will be solved as they arise.

Being proud is feeling secure. If the high school is well run and active, the students are more likely to be at ease and small problems in life can better be faced.

Pride is vital to all schools. In order for Lone Oak to be considered a first class school, the student body must be proud of themselves as individuals and as a student body! This is not being conceited. Accomplishments can be achieved only if the students think they can surpass their goals. To say "I'll try but I don't think I can," is to assure certain failure. But to say, "I believe we can do it—together," shows pride in accomplishment—as a smoothly working unit and as individuals.

Mr. Robinson Will Be Missed

There are many new faces at Lone Oak this year but one that was here for 21 years is gone.

Mr. John Robinson retired as principal of Lone Oak at the close of the 1967 school year.

No man has left such a great impression on Lone Oak as he. His policy of "being the best" is found in our basketball team, the art and math departments and the Beta Club with which he was closely associated.

He will be missed.

The Making Of A Man

When Johnny was six years old he was with his father when they were caught speeding. His father handed the officer a five-dollar bill with his driver's license. "It's O.K. Son," his father said as he drove off. "Everybody does it."

When he was eight, he was permitted at a family council presided over by Uncle George, to hear the surest means to shave points off the income tax return. "It's O.K., Kid," his uncle said. "Everybody does it."

When he was nine, his mother took him to his first theatre production. The box office man couldn't find any seats until his mother discovered an extra two

dollars in her purse. "It's O.K. Son," she said. "Everybody does it."

When he was 12, he broke his glasses on the way to school. His Aunt Francine persuaded the insurance company that they had been stolen and collected \$27. "It's O.K., Kid," she said. "Everybody does it."

When he was 15, he made right guard on the high school football team. His coach showed him how to block and at the same time grab the opposing end by the shirt so the official couldn't see it. "It's O.K., Kid," the coach said. "Everybody does it."

When he was 16, he took his first summer job at the market. His assignment was to put over-ripe tomatoes in the bottom of the boxes and good ones on top

New Lounge Is Available To Students

This year the students have a new facility available during their lunch period. Mr. Dexter has had the old typing and storage rooms transformed into a student lounge. It is designed to give students a place to mingle after lunch.

Following are some opinions about the student lounge.

Linda Gillespie (Junior) I think that the new student lounge is a good idea. It does get a little crowded at times, but it is nice to have some place like that to go after lunch. When it gets cold and this is the only place we have to go during lunch, I think some place else will have to be opened.

Debbie McDougal (Freshman) I like the student lounge because it is a place where you can sit down, talk, and relax after all of your morning classes.

Alan Flake (Senior) Well, about the student lounge — I think it is a very good idea, but there is some doubt about how long we'll have it. Although nothing has happened yet, it may be taken away if something should happen. Let's keep things cool and quiet and we'll keep the student lounge, but get in trouble because of it and well, don't get caught!

Mrs. Linda Adams (teacher) I think the student lounge is a good idea because it gives the students a place to go. I think it is a good start and hope that we can continue to improve it so that all the students can profit from it.

dance at the Conrad Hilton Hotel. Hundreds of other band students were there. The dance was the climax of the trip.

Before leaving Chicago, the band went to the top of the Prudential Building to see the city at night from its tallest building.

By the time the buses arrived in Lone Oak on July 6th, the students were glad to be home. They would always remember the trip and the fun as a major highlight in their high school years. For the most part, however, the Marching Kentucky Colonels had had enough of traveling. For a few short hours, home looked good.

Flip at the Zip

We are told to "flip at the ZIP in RC Cola". We are reminded to add the ZIP code to all our mail—(don't forget the fact that packages won't go anywhere anymore without the ZIP code.)

We are constantly warned to "add ZIP" to our lives, our breakfasts, our diets, our dress, and our automobiles.

Can you feature a day at school with all the ZIP? The day begins—you ZIP to the school bus stop and you've just missed the bus. You ZIP to the garage and beg your father to give you a lift to school. He ZIPs a smile onto his rushed, weary face and mumbles something that might resemble "Gettinthen."

The next ZIP takes you right into the office to get the excuse that will ZIP you back into class. UnZIP your notebook and ZIP through that math problem you worked on until three A.M.

ZIP to English, to music, to science, to study hall, to P.E. (or health, if you're lucky) with a quick little ZIP through that ZIPPY lunch line sometime around noon.

If you have the energy to ZIP out to that bus on time, you are

A 'BAND' IS A BAND

Webster gives the definition of band as "A group of people united for a common purpose." He must have had Lone Oak in mind. Each of our six bands has a different purpose.

If you are just now learning the difference between a note and a rest, perhaps Beginning Band is best for you. This band establishes a sound foundation in the fundamentals.

Cadet Band is offered for those students wishing to further their study of instrumental music. It also prepares the student for Concert Band.

The Concert and Marching Bands are for those young musicians interested in music as a fine art. The concentration is on interpretation and performance.

This year, Concert Band has three transfer students—George Cuff, Tricia Dew, and Billy Henderson. They bring the total number of band students to 302.

Marching Band will compete on September 30, in the Banana Festival in Fulton. On October 14, the band will represent Lone Oak at the State Marching Contest in Murray, Kentucky. October 21, the band will take part in the Blue Grass Marching Contest in Mayfield, Kentucky.

When asked about this year's band program Mr. Petty said, "We have more potential than ever before. We should have a fine year."

LOJHS would like to recognize the Junior Beta Club for the white wrought iron sign purchased last year for the school, and Mr. Oliver's '66-'67 Eighth Grade Homeroom for the pictures they bought for the hall. Mr. King is holding tryouts for the Junior High Basketball

team so they will be ready for their first game on November 13, 1967.

The girls are showing a lot of enthusiasm for the cheerleading squad. On September 25, there were 105 girls trying out for cheerleader.

A note from the hearts of the LOJHS teachers:

"We are proud of the students we have and those we have had. We wish them great success and will always have their welfare at heart."

SENIORS RECEIVE SPEECH AWARDS AT UK INSTITUTE

Four Lone Oak seniors walked away with honors at the close of University of Kentucky's Speech Institute.

They competed with top students from several other states. Sessions began July 6 and ended July 22.

Gayle Doyle received the best actress award, Pam Groben won second in the poetry competition, and Charles Lindsey and Doug Myers entered the quarter finals in debate.

11 Students Represent LOHS At Kentucky Boys'-Girls' State

Ten boys represented LOHS at Kentucky Boys' State at Eastern State University June 4-10. They were: Keith Hodges, Tommy Fielder, Jerry Beyer, Mark Pierce, Charles Lindsey, Bill Lentz, Doug Myers, Larry Shelton, Mike Hardy, and Bill Parks. Every LOHS boy was elected to a city office or held a seat in either the House of Representatives or the Senate.

This week included instructions in both city and county government, speeches by political leaders, political rallies, voting for the state officials and a "mock trial".

Patty Legeay represented LOHS at Kentucky Girls' State at Transylvania College in Lexington June 19-23.

Patty was appointed Chaplain of the House of Representatives and presented two devotionals at the mock-session of the House of

Representatives in Frankfort. She also received one of the ten outstanding citizenship medals awarded by the counselors on the closing day.

Each student that attended either Girls' or Boys' State was selected by the school faculty and sponsored by a local business.

Boys' State is made possible by the American Legion and Girls' State by the American Legion Auxillary. The two weeks are designed to teach teenagers about their government by actual participation.

Through the summer months Lone Oak acquired a new varsity coach. Mr. Albert Norris, coming from Ballard Memorial, will take over the Lone Oak 'B' team.

It seems that the senior players this year will click right together. At the beginning of practice the four seniors seemed to be "Johnny-on-the-spot." In their shooting ability Kerry Via and Val Moore were right together. At speed and agility, Dale Smith seems to be the one. With rebounds, Keith Hodges is doing a swell job.

The rest of the team is not far behind. Chances for starter posts this year are many — at

a far better ZIPPER than can be bought at Singer Sewing Center! This is supposed to be the ACTION generation! There is just one little problem. No one has time to think, see, or feel!—So "ZIP me no ZIPPERS" and let me slow down!

I'd like to settle for a "bubbly" soft drink, a diet that "works", a dress or suit that "looks sharp", and an automobile that "runs well."

If I change my mind, I'll ZIP to the nearest doctor for something to slow down the "FLIP ZIP TRIPS!"

Can you carry a tune, play an instrument, or do you just enjoy listening to music? The Music Club wants you! Mr. Petty and Mr. Throgmorton are the sponsors.

Are you one of Lone Oak's many honor students? Then join the Beta Club and meet the challenge that awaits you there. Mrs. Nagel, Mr. Rudolph, and Mr. Wells sponsor the Senior Beta Club. Mr. James Adams sponsors the Junior Beta Club.

Is math, physics or biology your favorite subject? Each of these subjects has a club of its own.

If none of these clubs interest you, don't lose hope! You can join the Citizenship Club. This is an educational club with interesting speakers for each meeting.

Decided yet? Then go! Join the club of your choice! And don't forget, you won't get much out of it, if you don't put much into it!

Speech and Writing Contests Available To LOHS Students

There are several national speech and composition contests open to students in high school. One of them is the speech contest for boys sponsored by the Optimists Clubs each year.

Another is sponsored by the Veterans of Foreign Wars and its Ladies Auxiliary. It is a radio broadcasting contest. The contestant writes his own speech, tape-records it, and submits it for judging. The subject for 1967-68 is "Freedom's Challenge". This contest is open to sophomores, juniors, and seniors.

Information on any speech contest can be obtained from Mrs. Miller — room 203. Information for composition contests can usually be obtained from any English teacher.

Two LOHS Teams End '66-'67 In District and Regional Tourneys

The Lone Oak baseball team won their way to the district tournament semi-finals last spring. In their first game Lone Oak trounced Reidland thirteen to three, with Raymond Green pitching for the Flash.

Heath rallied in the seventh inning and gained the lead from the Oakers. Randy Hendon, pitching for Lone Oak, allowed three runs to be scored while the Flash scored two.

Tilghman won the tournament by defeating Heath in the finals. Tilghman then advanced to the regionals.

The seasonal record was won-10, lost-5.

where they would show. "It's O.K., Kid," the manager said. "Everybody does it."

When he was 18, Johnny and a neighbor applied for a college scholarship. Johnny was a marginal student. His neighbor was in the upper three per cent of his class, but he couldn't play right guard. Johnny got the scholarship. "It's O.K.," they told him. "Everybody does it."

When he was 19, he was approached by an upper classman who offered the test answers for three dollars: "It's O.K., Kid," he said. "Everybody does it."

Johnny was caught and sent home in disgrace. "How could you do this to your mother and me," his father said, "You never learned anything like this at home." His aunt and uncle also were shocked.

Representing LOHS in the singles competition were Steve Baker and Danny Sullenger. The doubles team included Rickey Tabor and David Baker. In the singles competition Sullenger was defeated in the first round while Baker lost out in his second round to the eventual winner. Tabor and Baker were also defeated in their second round after winning the first.
