On December 6 the Lone Oak High School Marching Band took top honors at the Hopkinsville Christmas Parade. The parade, sponsored by the Hopkinsville Jaycees, is an annual appearance for the band. This is the first time Lone Oak has won the marching competition.

Upon returning home from the Hopkinsville parade, the band marched in Paducah's Christmas Parade. Despite the cold and the rain the band still lead the parade.

## Dr. Matheson Addresses Fifth Annual Sr. Citizens

The fifth annual Senior Citizens Night was held December 11 in the school cafeteria. Dr. R. G. Matheson was the guest speaker. The president of the Beta Club, Jeff Given, gave the welcoming address.

The guests were composed of citizens within the Lone Oak community 65 years or older. The guests and senior members of the Beta Club were served dinner by the rest of the club.

Entertainment consisted of the

Swing Choir singing four selections: "I Heard The Bells," "Little Star of Bethlehem," "Carol of the Bells" and "Christmas Day." Mr. Douglas also gave a performance on the banjo.

Santa Claus passed out gifts to all the guests. The gifts were donated by the merchants of the area.

The people in each event were: Karen Wilkins and Oteka Chenault in Poetry, David Witherington and Eddie Ellis in Debate, Gail Hall, Cindy Carter, Patti Williams and Jeannie Miller in Duet Acting, Jill Thompson and Vicki Stayton in Humorous Interpretation and Jenny Nirmaier and Lynne Mason in Prose.

## Busy Council Displays Worth

Your student council has been busy for the past month with Homecoming, Community Chest and the Telephone.

The Homecoming was a big success for the Student Council. It was carefully planned and the Student Council, Art Dept and Distributive Education Dept. worked hard for its results.

Donald Perry is heading the Community Chest drive. The drive is sponsored each year by the student council. The money collected is used for community projects.

The telephone in the Student Lounge is a concern of the Student Council's. Its use is hindered by the fact that the lounge is closed except for 45 minutes a day. Do you want the phone moved? If so let the Student Council know.

The Student Council is for you, but you must be for the Student Council.

## Potential Teachers Receive Experience

Learning to teach and teaching to learn is the motto of many student teachers. This semester Lone Oak has two student teachers from Murray University. They are Miss Copeland and Mrs. Hook.

Miss Copeland, who graduated from Murray in June of '69, is teaching under the supervision of Mrs. North. She is a business major and holds a minor in English.

"In college more pressure was placed on me. The students here don't pressure me too much, but they expect me to teach them what they need to know." Miss Copeland's opinion of the students is, "I like every one of them, they are really great to work with." After the completion of her student teaching she plans to teach

in the Paducah area if an opening is available. Her future academic plans include a Masters degree in business, which she will begin on in the fall. She resides in Paducah with her parents. She is a graduate of Paducah Tilghman.

Mrs. Hook is a student teacher in the Biology Department this semester. Mrs. Beckman is her supervising teacher. She is originally from Sacramento, Kentucky.

Mrs. Hook majored in Biology and minored in Chemistry and English. She will graduate at the end of January. She is planning to teach in the Paducah School System if a position is available in February. Actually she prefers to teach, rather than go back to school to work on her Masters degree. She stated that she had been in school ever since the fall of '66 and would like to rest awhile before completing her work at Murray.

Mrs. Hook was asked how student teaching differed from her original ideas about it. She replied, "I was honestly expecting a grouchy and strict supervisor, but thank goodness I got Mrs. Beckman, who is just wonderful." She also gave her opinion of the students. "Well, I haven't met one I don't like so far."

Mrs. Hook, and her husband Alan, live in West Paducah, near Heath.

The Boy's and Girl's Chorus will combine and sing "Jesus, Jesus, Rest Your Head," "De Glory Manger" and "Little Drummer Boy."

On December 11, the Swing Choir sang for the Senior Citizens Banquet. The Swing Choir also sang for the Candy Strippers Auxiliary Christmas program at the Western Baptist Hospital on December 15.

Christmas Day, on Channel 6, students representing the choirs from Heath, Lone Oak, Reidland and Tilghman will present a program of Christmas music.

The individual groups will perform one selection and then combine to present the "Hallelujah Chorus," "Fanfare For A Christmas Day" and "African Noel." The combined chorus will be under the direction of Mrs. Loretta Stackhouse from Paducah Tilgh-

man. Those participating from Lone Oak were selected from the Swing Choir. They are: Judy Box, Marsha Beaton, Cherry Dunning, Teresa Harned, Sonnie Hunt, Doris Kesterson, Brenda McIntosh, Jeanne Taylor, Sheila Buchanan, Pat Parker, Ellen Price, Kathy Runge and Diane Sawyer.

The group from Lone Oak will sing "Little Star On The Christmas Tree" by Thygerson. They will be accompanied by Kathy Hunt piano, and Robert Seay, drums.

The choirs as a whole are contributing \$50 to the new Lourdes hospital in memory of Mr. Herbert Mack, director and supervisor of last year's television Christmas program from Carbide, who died of a heart attack recently.

John Powell

## December Rotarian Powell Is Selected

If you have noticed John Powell walking a bit taller, or perhaps detected a small bit of swagger in his stride, it is not only because he is an outstanding member of the varsity basketball team, but also because he has been chosen as December's Junior Rotarian. This title is presented monthly to dedicated seniors who represent their school at the regular meetings of the Rotary Club. John Powell's schedule includes bookkeeping, physiology, biology, agriculture and English. After graduating from high school he plans to enter Paducah Community College. When questioned about his afternoon with the Rotary Club, John replied in his usual quiet and reassuring manner. "I had a real nice time, and really enjoyed myself."

# The Principal Speaks

Merry Christmas to everyone and happy holiday season. Be real careful during the holiday's and return safe. I wish all of you a very Happy New Year.

## Sex Education

Sex Education. People are afraid of it. Religious and emotional guidance is needed.

Opportunities should be given for us to discuss our ideas openly and frankly. We are now getting to the age where we decide our own morality. Today's times demand sex education training, but will our adults allow it?

Biologically we know all about reproduction. What we want is moral, religious and social guidance. Do you want your children to model their morals after today's societies beliefs? Kids today are afraid of a society they no longer understand. Do you realize that they are asking such questions as, Sex before marriage—is it wrong in every situation? Why are double standards accepted in society? Should social acceptance supercede health?

How volatile are teen-age emotions? Teens today need to understand that society is a controlled existence. Society demands control of violent emotions -- love, hate, freedom, sex and fear -- but how can these emotions be controlled?

The answer to these problems can be found at home. Discuss the problem of sex education with your parents. Let them help. Go to your church and form discussion groups. Present it to the school board, the health department or your favorite politician! Somewhere there must be someone who can help us. Someone is needed. Will he be supplied?

## Peace On Earth

'Peace on earth, good will to men,' this phrase is familiar to all of us. It is resounded across our country each Christmas in the songs of the season.

But let us take a closer look at this sentence. What does 'peace on earth' mean to us? To some it means peace within ones self or peace among the family. Most likely it is symbolic of warmth and closeness which we all feel toward one another at this time of year. It was originally said to mean peace among all nations, all races and all citizens.

If everyone could make their Christmas wish true and unending peace on earth, wouldn't life be more meaningful and happy for all? A complete end to all war, the relief of all hunger and the unity of all countries.

## 'Twas The Night Before Christmas

'Twas the night before Christmas  
And all through the stores,  
Thousands of shoppers  
Poured in by the scores.

With cries loud and desperate  
They screamed, "Where're the sleds?"  
They bought millions of toys  
For Jacks, Jills and Freds.

The husbands were frantic;  
Their moans filled the aisles--  
Confused and bewildered  
By sizes and styles.

The church clock struck ten;  
Store buzzers gave warning.  
Broke, weary shoppers  
Prepared for the morning.

'Tis the morn after Christmas,  
And all through the town,  
Are dissatisfied children--  
Each wearing a frown.

The toys are all broken;  
The house is a mess.  
Children are quarreling  
While parents take rest.

The Spirit is gone  
From Christmas; it's clear  
Just hope for the future  
And a Happy New Year!

## Frivolity Financed For Fabulous Fee

Patti Williams

Friends, are you pestered by frogs who rescue your golden baseballs from wells? Do they persist in asking to live in your house, eat your food, and sleep on your pillow?! Do something about it now! Turn one of those slimy frogs into a handsome (beautiful) prince (princess).

Impossible, you say? Well, the following incantation is guaranteed or your frog back, to transform any frog into Prince Charming (Sleeping Beauty). It has been handed down for five centuries in the family of Fletcher Fitzwell V and is now presented to you at no extra cost beyond the price of this newspaper.

First, feed fifty fluorescent firefly feet to five Finnish fang-fish on Friday the fifteenth. Fry all five fish in Fletcher's Formula Five and fasten flakes of fantasy to each fin. Fix the Finnish fish in a Fix-Fax Fish Frame.

Finish with the nearly-finished Finnish fish in the frame by fanning the frog frantically with forty fragile Phantom Food fragments fused in the Finnish fang-fish fat (failure to fish Finnish fish feathers from fang-fish fat will further frog's fantastic fibbing).

Finally, flour frog's face with Fletcher's Fine Flotsam and cry, "Fabulous Frog Flees Fearful Form!!!"

(If such ingredients as firefly feet, Finnish fang-fish, etc. are not available in your area, Fletcher's Flim-Flam, Inc. will send you a complete kit for the nominal fee of \$37.98.)

Linda Thomasson

It's Christmas time again. Commercialism everywhere. Prices too high, crowded streets, and people asking for donations on every street corner. What do they think I am? I'm not a money bag.

Christmas carolers singing the same old songs, year after year. It looks like they could learn new ones. Then there are the decorations. Tinsel, glitter and holly every where. And if you don't like the smell of pine, well you're out of luck.

Think of it. My employees are asking for time off. Well I told Bob Crachett, "No." Problems, problems, I'm going home for a peaceful night's sleep. Merry Christmas, Bah Humbug.

Mrs. Floyd

## Mrs. Floyd Chosen Teacher of Month

Mrs. Floyd joined the Lone Oak staff this year with a creative and ambitious drive. She has been chosen as OAK K's teacher of the month.

Heading the Art Department, she teaches beauty and expression to her students. Under her guidance the art department has decorated for Christmas, made the stage for homecoming, and helped decorate for the Sophomore Homecoming Dance. Her art students are responsible for the bulletin board in the downstairs hall. She sponsors the Art Club and is assistant sponsor for the Student Council.

Mrs. Floyd is Vice-President of the First District Art Education Association, and she has been asked to be a nominee for President of the Kentucky Art Education Association.

In addition to her teaching she has a full family life. Her husband, John, is superintendent of Ballard County Schools. They have five children, Randy, a junior at Ballard, Rebecca, a sophomore and Kevin is a Freshman. Rilla attends the seventh grade at Barlo and John Kerry is in the second grade.

Art is a satisfying part of Mrs. Floyd's life and she brings this satisfaction to her students.

It's Christmas time and among the hustle and bustle of the holiday season, many things are going on.

"The City of Bethlehem" is the name of the pavilion that was so beautifully decorated by the Special Education Class. The entire class participated in making the decorations.

The Madrigals participated in the fourth annual Christmas tree lighting ceremony at the county courthouse on December 3. The Madrigals attending were Doris Kesterson, Jane Dunbar, Marsha Beaton, Jeannie Taylor, Cherry Dunning, Judy Box and Kathy Hunt. Also attending were Tracey Morris, Jennie Barriger, Ellen Price, Dale Prince, David McMichael and Tommy Hughes.

Mrs. Floyd's fourth period class had an interesting guest speak to them. Suzy Harrison, a graduate of Lone Oak, spoke on print making and showed the class some of her work. Suzy is a student at the Academy of Art in Memphis.

Thanks to the student body for such a fine contribution to the Karen Mathis fund. Seventy dollars was collected in an assembly recently for Karen, a student at Benton High School. She will undergo a very serious kidney operation in a Denver hospital.

Every Monday night at 6:15 and 10:15 you can hear Jenna Hodges, Editor of the OAK K, on WDXR reporting the Lone Oak news.

David Hughes, Diane Sawyer, Dale Prince and Jeff Given represented Lone Oak at Quad State Band on December 8 at Murray State University.

Lone Oak's journalism staff held its annual Christmas banquet at Stacey's on December 15, 1969. The entire OAK K staff and advisor, Mrs. Miller were present. Also attending the festivities were Mr. and Mrs. Johnny Box, printers of the OAK K, Mr. Miller and Mr. Dexter.

After dinner, gag gifts were exchanged and carols were sung. Additional entertainment was provided by John Gillespie and his committee.

Don Perry, Jenna Hodges and John Ezzell have been named Outstanding Teenagers of America for 1970. They will compete with other Kentucky winners for the Governor's Trophy, awarded annually to the most outstanding teenager of each state. These winners will be eligible for one of the two National Outstanding Teenagers of America awards and scholarships, provided by the Outstanding Americans Foundation.

I wish all of my readers a safe and happy holiday!

# FLASHBACK

Our basketball season started November 18. Basketball has always been the most important sport at Lone Oak and is enjoyed by many spectators every season. So far this season, the crowd usually seen at our ball-games has not been as great or as enthusiastic.

The team is young, inexperienced and needs leadership on the court. It could also use a little support from their classmates.

Coach McKinney said, "I didn't expect us to win a lot of games before the Christmas Tournament. After a few wins and confidence is added to the team, we'll improve. The reason for our low record for the start of the season is a rough schedule." Four of the teams we've played are in the top seven in the region.

So far this year we've played:

	We	They
Calloway	55	71
Cuba	56	69
Symsonia	55	67
Carlisle	66	76
Heath	45	61

It seems Coach Norris is fulfilling his duty as coach of the 9th grade basketball team very well. The team has played four games and has been successful in

all of them. Louis Elliot with 33 points and Dennis Hobbs with 41, have been leading scorers so far. Richard Walters, Andy Champion and Larry Farlee have also been contributing their talents for the team effort of a perfect winning record.

The teams and scores played by the freshman team are:

	We	They
Cairo	48	38
Loves	49	40
St. Mary	45	34
Heath	27	10
