## *Swing Choir*

During 1970-71, Lone Oak's Swing Choir sang their way into new popularity and great success. New costumes, numerous instruments, and the popular music of today brought great excitement and fun to the choir year. The Swing Choir sang for many school functions plus civic organizations and political rallies. A year full of rehearsals and practicing was brought to a close with the staging of SOUNDS OF SPRING '71.

# Sounds Of Spring '71

Senior Girls sing, "Maybe It's You!!"

Men of '71 sing to the melody of "I Think I'm Going Out of My Head,"

Karen and Kathy give melodious message found in "Rhapsody in Blue."

A simple, but elegant setting for today's romantic selections.

## *A Cappella And Madrigals*

The Lone Oak High School A Cappella Choir is a 68 voice choir under the direction of Mr. George R. Murphy. This spring the choir received a superior rating from all three judges at the Choral Festival at Murray.
