Lone Oak Colonels Attend Quad State

Five Lone Oak High School band members attended the twenty-third annual Quad State band held on the campus of Murray State University December 7. Those attending were Debbie Hendricks, Ellen Goldsmith, Bruce Hayden, Kay Metcalf, and David LeDoux.

The band rehearsed in the morning and afternoon under the direction of Dr. Paul Shahan, a member of the music department's staff at MSU, and presented a concert that evening.

STUDENT TEACHERS at Lone Oak are, from left to right, Mr. James Solomon, Miss Linda Jones, Mr. Robert Johnston, and Mrs. Mary Morgan.

Four Student Teachers Give Opinions of LOHS

Have you noticed four new faces and wondered if they're students or teachers? Well, they're both. Meet the "student teachers."

This semester Lone Oak has four student teachers. They are Miss Linda Jones, Mrs. Mary Morgan, Mr. Robert Johnston, and Mr. James Solomon.

Miss Jones, who will graduate from Murray in June, is under the supervision of Mr. Ransdell. She is majoring in music. When

asked what she thought about Lone Oak she answered, "I think the students are great." Miss Jones is a graduate of Livingston Central High School. She wants to teach in McCracken County after graduation because she likes the system.

Mrs. Mary Morgan, an art major, is student teaching under Mrs. Floyd. Mrs. Morgan graduated from Kirkwood High in St. Louis and is now attending Murray. When asked how her first opinions on student teaching had changed she replied, "The kids haven't had as much experience in art as I had expected." After graduation Mrs. Morgan would like to teach somewhere around Murray.

Mr. Johnston is a student teacher in the biology department this semester. Mrs. Beckman is his supervising teacher. He is a graduate of Benton High School. Mr. Johnston is attending Murray and will graduate in January. He is a biology major and also has a minor in chemistry and political science. He plans to teach in a school in Bardstown after graduation. Mr. Johnston likes Lone Oak because the people are so friendly.

Santa Claus Visits "Senior Citizens" Christmas Dinner

Santa Claus paid his annual visit to the Senior Citizens' Night, which is sponsored every year by the Beta Club.

Mrs. Lura Bement received the \$25.00 savings bond for being the oldest guest at the party. Mrs. Bement didn't reveal her exact age, but she did say she was over 85. The dinner party, honoring some 80 community senior citizens and other distinguished visitors, was held on the evening of December 14 in the school cafeteria.

The members of the winning homeroom were treated to a coke party by Mr. Dexter. The "victory" party was held at ten o'clock today. Mr. Oliver and Mr. Parish, the art teachers at Lone Oak Middle School, served as judges. The judging took place on Friday, December 18. Each homeroom was eligible to enter the contest by decorating its door in any way.

The Principal Speaks

I wish everyone a very Merry Christmas and a Happy New Year, and hope that all spend a safe and happy holiday!

Glenn E. Dexter Will We Change?

The preceding generations have provided us with the richest and most powerful nation in the world. But they have also given us war, a population explosion, and almost insurmountable ecological problems. Soon these problems will be entirely in our hands. Will we be able to solve them?

We are the generation that shouts peace, the generation that protests destruction of the environment, and the generation that has caused more change in the world's social structure than any before us.

As we grow older and the world's responsibilities are shifted to us, shall we forget our liberal youth and fit the conservative, apathetic mold that has shaped our parents and be engulfed, perhaps even destroyed, by the problems we are facing?

What Do I Want?

Bruce Hayden

Now that the holiday season of giving and receiving is upon us, the students of Lone Oak High School have all prepared requests to Santa Claus.

Many students are requesting toys of old Saint Nick. Linda Ritchie expects "Baby Go Bye Bye in her Bumpety Buggy" under her tree, while Linda Freeman is hoping for a four foot tall giraffe.

Other students want real live toys. Debbie Turner wants to find a house full of boys on Christmas morn. Glenn Ridings wants a visit from Raquel Welch. Marsha Bacon wants a boyfriend in her stocking while Keith Watson wants a life-sized Francie doll.

The contents of other Santa letters from Lone Oak included Marilyn Seay's requests for a Mark Feather voodoo doll. Scot Woodard wants a yacht. David Ashburn is hoping for an eight track tape player and Miss Jones wants Santa to pay for her car. Vickie Davis hopes to find an electric hair curler set with her name on it.

Other odd requests have come from the students and faculty of Lone Oak. Diana Winstead wants a better year than the one she had last year. Jeanne Taylor wants something round and silver that fits on the left ring finger. Linda Leek wants a chance to take flying lessons and Mr. Griffith wants an all day sucker in his stocking.

The band is hoping Santa Claus will make their Christmas a merry one by bringing them a trip up north.

Perfect Gifts

Christmas is a complex time of the year for many reasons. During this time, people are buying, sending, giving, and getting gifts. No matter how well behaved we may be, some of us always end up with gifts that do absolutely nothing for us.

One year an old eccentric friend of the family gave me what she called an "out of site" gift! two pairs of saddle oxfords and five pairs of bobby socks. Although the thought of wearing them made me ill, I graciously modeled her gift every time she came to my house. Fortunately, that wasn't very often, and most of the time the shoes stayed in the closet and the socks were used for dust cloths.

Another year my aunt, who lives in Arizona and hasn't seen me in a long time, gave me a two year subscription to "Humpty Dumpty." Naturally I was overjoyed and told everyone about my wonderful present. The reign of terror lasted two years. I constantly guarded the mailbox. Every time that Humpty Dumpty came I buried it in the backyard hoping that it would stay there, permanently.

Yes, it's that time of the year again. Many of us will probably get green dresses that we hate, shoes that are too small, and things we have outgrown. But as you wear that perfectly "adorable" puky green monstrosity, remember that it's not the gift but the thought that counts, then eat your heart out.

In Other Words

Carol Cruse

QUESTION OF THE MONTH: What does Christmas mean to you?

"Christmas means being with all my relatives, getting lots of presents, being able to get out of bed when I want to, and not having any shorthand to worry about. This is just what everyone thinks of Christmas. They don't look at it as it is a time to worship." Pam Grim, senior.

"So many people have the idea that all Christmas is, is getting and giving a little. This is true, but that is not the main purpose that Christmas was set up for. That's what it meant to me until a couple of years back when it really hit me what Christmas

is. To me, Christmas is celebrating the birth of a Savior, named Jesus Christ who was born in the little town of Bethlehem. In a simple way, that is Christmas to me." Danny Garnett, senior.

"Christmas is a pine tree fragrance, friends, love giving-all in front of a fireplace." Jill Clark, junior.

"I like everything about Christmas. I like all the gifts, all the singing, and the getting together of the people. I like the whole idea about Christmas." John James, junior.

"Christmas means joy, happiness, and presents!!!" Barbara Baldree, sophomore.

"It's giving to someone you love." Will Bever, sophomore.

"Christmas is a joyous thing that happens once a year. It's full of excitement, laughter, and fun." Ava Carter, freshmen.

"It's a day of much food." Gary Carter, freshmen.

Mr. Adams -- Work around the house and go out of town

Terry Gray -- I guess I'll work

Marcia Smith -- PARTY!!!

Mark Reno -- Sit around and play with all my toys

Susie Steinkamp -- Work and sleep

Ellen Goldsmith -- Go out of my mind.

Karen Baker, Tommy Hughes, and Patti Williams have been nominated for outstanding teenagers of America by Mr. Dexter. Requirements for this honor are high grades, achievements in other school activities, and recommendations by teachers and by the principal.

That's all for this year! May you have a very Merry Christmas and a Happy New Year! Please be careful over the holidays!

If you haven't been noticing the smell of pine in the air, poinsettias on the lights in the halls, and that huge decorated plant in the downstairs hall, the art classes are responsible. They have been decorating for Christmas and doing a fine job. Thanks, art department for helping to make the school a part of the Christmas spirit!

The Art Club held a Christmas bazaar at the Guthrie Building on December 12. The bazaar was held from 9:00 a.m. to 5:00 p.m. and items were submitted by the Art Club and the art classes to be sold.

The basketball season is now in full swing and many people are wondering what the Lone Oak Purple Flash of 1970-71 will do. After the first seven games the Flash is 4-3. Last year at the same time, the Flash was 0-7. So there does seem to be some improvement.

The Flash, which has been ranked eighth in the latest poll, has been playing good basketball, but not as good as they could play with better fan support. For instance, last Tuesday night against the Benton Indians the Flash trailed by 6 points with only 43 seconds left on the clock. But the fans wouldn't let the team give up. With a couple of clutch shots by senior guard Larry Knott, the Flash closed the gap to two and could have won it but Larry missed his foul shot. Still the fact remains that the crowd yelled louder than any bunch of fans in previous history. Yet

Choir Hosts

(Continued from page 1.)

The A Cappella held its annual Christmas candlelight concert on December 21, in the gymnasium. The program contained the traditional candlelight processional and recessional. Several yuletide numbers were performed. A mixed chorus also sang numbers in the program.

The results of the All-State chorus tryouts are back, and the chosen members are: Sopranos-Sue Ann West and Alda Sherron, Alto-Diane Sawyer, Basses-Steve Anderson, Robert Deboe, and John James. These people will attend this year's All State Chorus to be held in Louisville on February 11-13.

there were only about 300 student fans at the game, only 300. Those 300 fans gave more to that team and themselves than 600 fans that would have just sat there thinking it was all over.

But what would have happened if 600 screaming fans had been there instead of 300? They're approximately 920 students at Lone Oak this year and yet only one third has shown up at the home games. Through the last few years Lone Oak has had some pretty good teams but this team has the potential of going a long way.

The Flash has height this year that it hasn't had in the past. Hatchett is 6 foot 4 at center. Goode is 6 foot 3 at forward. Dave Edwards is 6 feet at another forward and he can jump with the best of them. Larry Knott has shown that he can and will hit that basket from long range on the floor. Chris Naas has shown that he can be a great shooter also.

This is a team that can go all the way, but it won't without your support. The Flash have been ranked number 8, let's get behind them and watch them get number 1.

LONE OAK WINS JAMBOREE

Lone Oak outscored all other teams including Paducah Tilghman to take honors in the annual first region jamboree. Four players shared honors in the one quarter action against Fulton County. Goode, Hatchett, and Knott each got 7. Edwards got 4 and Naas got 1. Fulton County could only come up with 15 as the Flash got 26 to win the game.

FLASH STRIKES PIRATES

After being behind 29-28 at half Lone Oak got going to beat Heath 61-54. Walter Hatchett, big man for the Flash got 18, Goode and Edwards got 13 apiece and Knott got 10 to round out double figure scoring for the Flash. Jerry Throgmorton put in 18 in a losing fight for the Pirates.

ST. MARY NIPS FLASH

Lone Oak lost in the Thanksgiving tournament to host St. Mary in a hard-fought first round game. St. Mary won in the last three seconds by one point. Larry Knott got 18 points to pace the Flash. Edwards got 17, Hatchett 10, Goode 8, and Naas 1. Mark Glover led St. Mary with 21 points.

BENTON BEATS OUT FLASH

Lone Oak fought hard, but came up short after an overtime period and lost 72-70 to Benton. Larry Knott got 26 points to pace the Flash. Edwards got 14, Hatchett 13, Goode 7, Hobbs 6 and Naas put in 4 to round out the Flash. Benton's Davis got an amazing 44 points to take game honors.

WALTER HATCHETT shoots for 2 points as the Flash takes on Farmington. Lone Oak won 80-36.

(Continued from page 1.)

Mr. Solomon is a graduate of Tilghman and is now attending Murray. He will graduate in January. He is a history major and has a minor in political science and education.
