Senior, Kathy Ross Crowned Queen

Pretty and petite Miss Kathy Ross was elected 1972 Football Homecoming Queen. She was crowned by reigning queen, Karen Wilkens, November 3 at the Lone Oak-Christian County game.

Kathy is the daughter of Mr. and Mrs. Billie Ross and was escorted by senior football player, Richard Byrd. She is a varsity cheerleader this year and has served two years on the junior varsity squad. She is a member of the Physical Science Club. All Kathy could seem to say following the coronation ceremony was, "I'm so happy!"

Miss Kim Boren, queen candidate, is the daughter of Mr. and Mrs. W.O. Boren and was escorted by Bill McCaig. She is also a varsity cheerleader who has served two years on the junior varsity squad. She has been a band member for four years and is now banner carrier. Kim has been active in the Drama Club, Music Club, Physical Science Club, and Phi Alpha Delta sorority. She is on the Oak K staff.

Miss Cherry Lentz, queen candidate, is the daughter of Mr. and Mrs. Bill Lentz. She was escorted by Ricky Boyd. Cherry has been a member of the Art Club, Physical Science Club, and Phi Alpha Delta sorority. She is a reporter for the Oak K staff.

It was a very exciting and trying campaign for the three girls and their many supporters. Each candidate made a speech before the student body expressing her desire to represent Lone Oak as queen. Introductory speeches were made by Richard Byrd, Mark Feather, and Keith Toms. The Student Council sponsored the election which was held the following day.

Kathy received one dozen red roses and a charm bearing the inscription "LOHS 1972 Football Homecoming Queen." Kim and Cherry were each honored with a single long-stemmed red rose signifying their membership in the queen's court. They were also given a charm inscribed with

"LOHS football Attendant 72-73".

The junior attendant, Miss Betty Lowery, is the daughter of Mr. and Mrs. Walter Lowery. She was escorted by Ricky Winstead. Betty has been a member of the Art Club, Physical Science Club, and was reporter for her freshman class.

Miss Cindy Lee, sophomore attendant, is new at L.O.H.S. this year. She is the daughter of Mr. and Mrs. Clyde Lee and comes from Franklin, Wisconsin. Cindy is in the Pep Club and on Student Council. She was escorted by Kelly Don Hollowell.

Freshman attendant, Miss Kelly Shoulta, is the daughter of Mr. and Mrs. James Shoulta. She was escorted by Dwayne Byrd. Kelly is an active member of the Colonel Band and is a freshman cheerleader.

A dance following the game was held at the Cabana Club. Music was provided by "The Electrifying Flood and the Crusaders."

HOMECOMING ATTENDANTS--(l. to r.) Kim Boren, Senior; Cindy Lee, Sophomore; Kelly Shoulta, Freshman; Betty Lowery, Junior; and Cherry Lentz, Senior.

Owen Attends Rotary Meeting

Susan Owen was chosen by Mr. King as Junior Rotarian for month of November. She represented Lone Oak at the Nov. 8 meeting of the Paducah Rotary Club. The meeting was held at noon at the Cabana Club. When Susan was asked what she thought about the meeting she replied, "It was really neat. The business men of Paducah are really a wonderful group of people. It was quite an honor to represent Lone Oak at this meeting."

Susan, a senior this year, is the daughter of Mr. and Mrs. William C. Owen. Her classes include Chemistry, Home Economics, Journalism, and Band. She serves as editor of the Oak Leaves and is involved in the EPIC program in which she works at Albritton's Pharmacy. She was chosen to represent Lone Oak at the SPOKE meeting in Lexington.

Mr. McGroarty Teacher of the Month

McGroarty Is No. 1

Anthony McGroarty has been chosen as teacher of the month. He is the varsity football coach, and has been at this post for the past 2 years.

He is originally from Mamaqua, Pennsylvania. During high school he played football, baseball, basketball, and ran track. It seems our coach was an all around athlete.

After graduating, Mr. McGroarty served in the Navy for 4 years. Later he entered Indiana State University. He was a student there for 3 years where he participated in the Javalin throw and quite naturally, football. He finished his senior year at Murray State University and now holds a

B.S. and Masters degree in education.

Mr. McGroarty is married and his wife, Nancy, teaches P.E. at Lone Oak Elementary. They moved to Paducah in 1969, when he accepted his first position at Lone Oak as a General Science and Biology instructor.

Mr. McGroarty's favorite sports are hunting and fishing. He says he enjoys coaching because: "It presents a tremendous challenge to young men on the team. . . Great sacrifices must be made by the young men who participate in athletics. Not only is the athlete required to excel in the classroom, but he also must perform after regular school hours."

Andy Is Always Champion Student

Andy Champion has been chosen student of the month.

During his years at Lone Oak High School he has served as class president his freshman, sophomore and junior years. He is an active member of the FCA and is now holding the office of vice-president.

Andy is an important member of the sports program at Lone Oak. He is on the basketball team and plays end for the football team. He has participated in the football program since it first started five years ago. This year he set a new record at Lone Oak by catching 48 passes, and was also 3rd in total scoring points.

Youth Movement

Whatever we may think of their dress, or their language, or their life style, youth has proved to be tremendously influential in changing social attitudes for the good.

... As a result of the youth movement, people have become more concerned about the quality of life, more willing to support social changes even though such changes are always painful to those who are comfortable with the status quo.

We all should try to help in the reduction of youth and adult alienation by giving youth credit to adults for listening and accepting some changes.

Understanding by youth and adults of each other, will help our community to be a better place to live, work, and play.

Mr. Bernie Behrendt

Do It Yourself

I believe that if you want anything done, do it yourself. What I mean is don't knock something if you're not willing to do something to make it better. It's not easy to please everybody. As a matter of fact it's impossible.

For instance, some people don't like day-light saving time and some people do. You might like coffee and I might like tea.

In the Bill of Rights everyone is guaranteed ten basic freedoms. Included in these are the freedoms of speech and the press. These two, as all freedoms we know, are on certain conditions. And they are that we do not infringe upon anyone else's right. Also that we do not in any way cause slander to the parties involved.

We, the staff, try to present the news in an impersonal manner. Our comments (editorials) on the different subjects are as we see them. If people's opinions did not differ, there would be no conflicts. How could there be? Everyone would be on the same plane of thinking. If this was so, we the people of this earth, would be as robots programmed in the exact same manner.

Sometimes when I feel I have to criticize something I stop and ask myself, "Can I do it any better?"

Pleas For School Tax Needed To Be Heard

Recently, two of my teachers expressed their concern over our present school situation and it was brought to my attention that I, a student, should also be concerned.

Our school suffered a great loss because of the fire which destroyed most of our school facilities. Unfortunately, there wasn't enough insurance to cover all the damage. A proposed tax of 12c per dollar for only 5 years was added to the current 13c tax. This would have helped cover the needs of schools in Heath, Reidland, and especially Lone Oak. The taxpayers, however, didn't see the need for the 12c tax and since it included the 13c tax, both were voted down. Now a desperate attempt will be made in December to continue just the 13c tax, which without it, the conditions of our schools would drop even more than they already have.

It was also stated that by 1988 our debt will have reached nearly 4 million dollars.

As I think about it more, I realize how much our present situation will involve the future students at Lone Oak, which could someday possibly include my own children. I can only hope there will be a school for them to attend. What can you do?

Students To Tour Europe

Europe Next Summer ... Carnaby Street-The Colosseum-a tiny bookstore in Paris' Latin Quarter. Visiting Europe is the way to get a personal "feel" for what our cultural heritage is all about. Today's Europe is a "classroom without walls," where learning inputs come from everywhere: new people, sounds, sights, and the Europeans' avant garde ideas about culture-and life.

A group of Lone Oak High School students is planning to discover Europe for themselves this coming summer. They are going on a five-week study and travel program which will take them to London, Paris, Rome, Switzerland, Austria, and Germany. The program is offered by ALSG (American Leadership Study Groups, of Worcester, Massachusetts), and Mrs. Debbie Barnett of the French Department is school coordinator and will be the teacher-counselor. Students participating in the program receive academic credit.

The ALSG program is part of an ongoing experiment in just how people learn about and respond to new contexts. tape cassettes, slides, cinema and portable video tape equipment are used extensively in the various cities the students visit. This "multi-media" program supplements a series of lectures and seminars with the cultural and historical foundations of Modern Europe. Students also go to plays, concerts, museums, beaches, and discotheques.

The cost for the summer study program is \$970, plane fare to New York not inclusive, to be paid in installments. Upon acceptance to the program, the student submits \$100; one-half of the remaining balance on Feb. 1, and the second half of the remaining on March 15, 1973. However, ALSG does have a time payment plan to increase the number of students who are financially able to participate. The ALSG charges a true annual rate of not over 12 per cent.

Tentative New York departure date is June 27, 1973. Students interested in joining the group to Europe next summer should contact Mrs. Debbie Barnett at Lone Oak High School (College Avenue) for further details.

Mrs. D. Barnett

Expression of Appreciation Due to Many Merchants

To all the mechants of Paducah, especially those who advertise in the Oak K:

When recently attending a Journalism seminar, I was surprised to find that most surrounding area schools newspapers lack the necessary revenue to produce their papers. This is due to little or no advertising, as this is their sole income.

I was proud to say that the generosity of Paducah merchants has made it possible for any students to explore the enriching and ever-changing field of Journalism. Thank You, Advertisers.

Pride Can Prove Itself

Should people have pride in themselves as individuals? Should a basketball team have pride as individuals? Should a school have pride in itself as an institution? Why not?

A basketball "team" cannot exist without the pride of its members, its coach, and its managers. A person cannot really be proud of himself if he is not proud of everything he is, does, and stands for. Therefore, a school, which is made up of people, cannot be proud without the pride of every individual and organization in it. Everyone, as an individual, has a certain amount of pride in himself. Is there any reason that we can't try to make ourselves better as students through taking more pride in ourselves? Pride can change the world. Pride can also change Lone Oak.

Susan Owen

Is He Dead Or Missing?

What do you think it would be like to be married to someone who was suddenly taken away for 6, 8, maybe even 10 years and you didn't even know if they were dead or alive?

There are hundreds of mothers, wives and children living like that right now. Their loved one went off to fight in a war that does not directly concern him and now their lives and homes have been ruined because of it.

Here are the facts. To this date there are 1783 POW-MIA's (prisoners of war or missing in action) being used as pawn in the war in Southeast Asia. 529 names have been released from Hanoi as being POW's, but that leaves 1254 MIA's that Hanoi will not release information on. Right now there are 389 POW's MIA's left from the Korean War.

Try to picture yourself living in a 20 foot pit for years, living in your waste, having your food, which consists of fish heads and clumps of rice, thrown to you as if you were an animal. Or how about living in a block cell, never seeing the light of day, only seeing the one guard that brings you enough to survive? Or maybe you could picture yourself living in a bamboo hut, hands and feet bound, going through Monsoon rains and temperatures reaching 120 degrees F and over. You probably think this is completely made up or all a dream. These facts came from a POW's wife who had not seen or heard from her husband in 6 years.

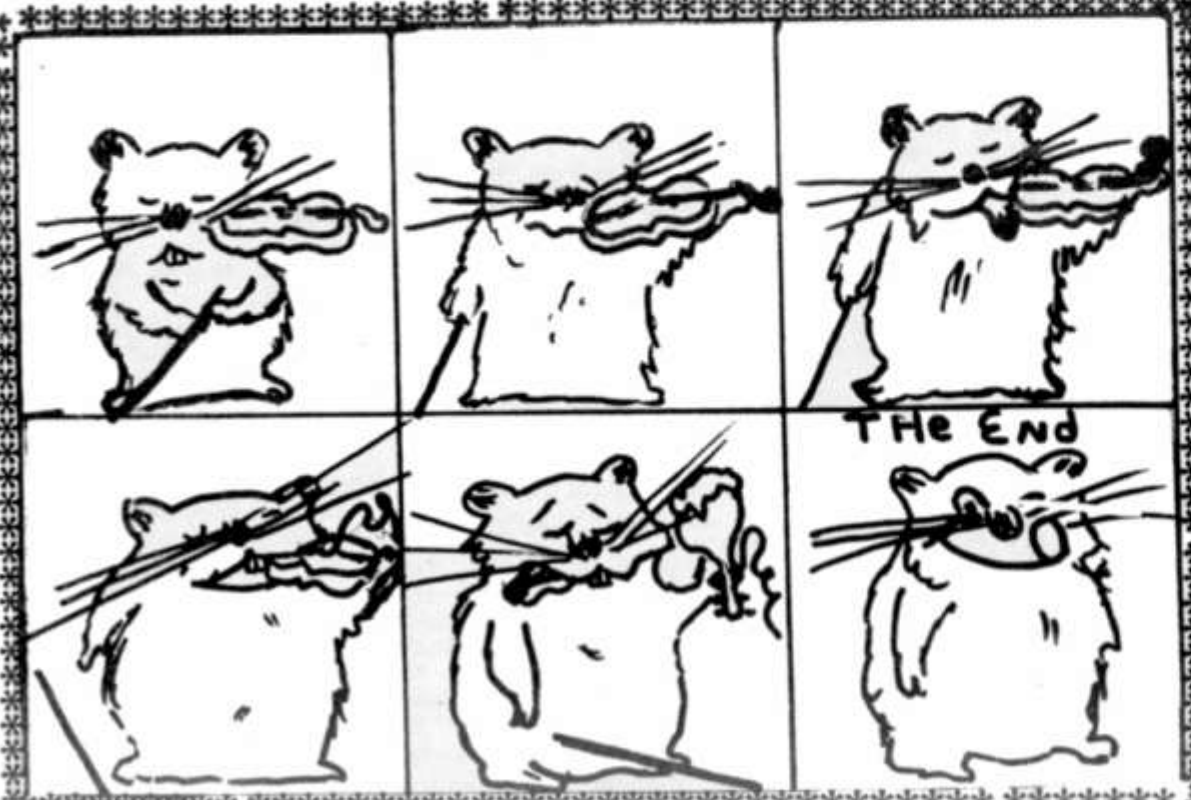

If you think this a national problem and you can't do anything about it, you are WRONG! There has been a group established, "Paducah Friends of POW's-MIA's" that is doing everything possible to make people in this area aware of what our fellow Americans are going through. This is a non-profit, non-political organization in which anyone over 12 years of age is more than welcome to join.

Kuna Delegates Head For Louisville

Choirs To Show They're The Best

The Lone Oak High School Choir and Swing Choir have a very busy schedule planned for the coming season.

The Swing Choir has performed at a back-to-school night for the P.T.A. and a Senior Citizens Thanksgiving dinner at the Jaycee Civic Center. Plans are being made for the Swing Choir to sing for the Senior Citizen's Christmas Party, given annually by the Beta Club.

The A'Capella Choir this year is composed of 70 voices which have already joined with the area schools to present a program of music in the 6th annual All-City County Chorus. The Choir is busily preparing for its Christmas concert which will be December 18.

Madrigals for the 1972-73 school year have been selected. They are: Soprano-Mary Jane Farmer, Linda Casey, Susan Shelton, and Debbie Elrod, alternates-Margie Elbon, Patti Boyd, Debbie Harris, and Debbie Duncan; Alto-Susie Cooper, Belinda Franklin, Michelle Qualls and Becky Bagwell, alternates-Kaye Reeder, Jeannie Crowell, Jan Dew, and Jennifer Ross; Tenor-Dennis Stuart, Mark Morris, Kevin Brooks, and Barry Hammonds; alternates-Geoff Nagel and Alan Box; Bass-Ronnie Beaton, Brent Young, Herschel Albritten, Jay Kaneta, alternate-John Denton.

Name: David Palmer
Grade: 11
Food: Fruit
Place: Boston
Song: Southern Man
Past time: Art
Saying: Heavy

Some members of the choir have also excelled in individual efforts. Nine students from Lone Oak were chosen to attend Quad-State. They are: Soprano-Mary Jane Farmer, Linda Casey and Debbie Elrod; Alto-Susie Cooper, Belinda Franklin, and Becky Bagwell; Tenor-Willy Hunt, Allan Box, and Barry Hammonds; and Bass-Brent Young, Ronnie Beaton and John Denton.

The annual auditions for All-State Choir have been held in Murray, with several Lone Oak High School Choral students being selected. They are: Soprano-Mary Jane Farmer, Linda Hughes, Linda Casey; Alto-Jeannie Crowell, Jennifer Ross; and Bass-Brent Young.

"We gonna study Algebee."

KUNA Delegates

November 16, 17 and 18, forty-five Lone Oak students will be attending KUNA in Louisville, Ky. Delegates from Tri-Hi-Y are Jean Vick, Donna Griffith, Terella Richardson, Carol Ann Lentz, Cindy Wilson, Pattie Boyd, Kim Clark, Jill Eddings, Julie Colbert, Nancy Carter, Jan Pearson, Susan Owen, Jani Rust, Jennifer Ross, Vicki Wilson, Judy O'Neal, Julia Reynolds, Jane Gillen, Joy Pearson, Len Ramage, Laura Carroll, Janet Hall, Julia Shelton, Vicki Powers, Karen Cole, Jayne Moore, Susan Scheffer, Tina Campbell, Naomi McLeod, Cindy Dunning, Patti Templeton, Diane Walker and Martha Ritchie.

The Hi-Y delegates are Barry Girten, Kent Beckman, Tony Hicks, Randy Mitchell, Gary Hearrell, Charlie Hughes, Randy Buchanan, Mark Chenault, Mark

Feather, Keith Duncan, Walter Bloomingburg, and Marty Carter. Sponsors for the two groups are Mrs. Helfer, Miss Baker, and Mr. Reber. Holding major offices to the council are Jayne Moore as president of the Security Council, and Kent Beckman as President of the Trusteeship Council. Jayne will be campaigning again this year for the office of the President of the General Assembly. Jan Pearson and Joy Pearson will also be serving on the council as the Parliamentarian and the Chaplain.

Representing Japan, the Hi Y will try to pass a proposal to prevent Terrorists hi-jacking. As representatives of the Philippines, the Tri-Hi-Y will try to pass a proposal to set up an International Adoption Placement Agency. The Oak K staff wishes these KUNA delegates "lot's of luck" on all their efforts.

Owen, Reeder New Editors

The 1973 Oak Leaves staff held its first meeting on October 12. Twenty-two enthusiastic students made plans for the forthcoming annual. The annual will be somewhat different and of course the best one Lone Oak will ever have.

Susan Owen was chosen as editor of the Oak Leaves. Working with her will be assistant editor Kaye Reeder. Serving as class editors will be Becky Bagwell, Amy Capizzano, Terri Tuberville, Nancy Carter, and Jayne Moore. Jan Pearson and John Denton will be keeping up with the sports happenings. Organizations editors are Belinda Franklin, Terrie Lynn, and Cindy Elliot. Laurie Wicker and Mark Feather will work on the activity pages. The advertising committee is made up of Debbie Elrod, Barbara Baker, and Debbie Duncan. Copy editors are Karen Moore and Patti Boyd. Patti also serves as Business Manager. Art work will be done by Debbie Harris and Judy Doyle. John Jones will be the assistant photographer.

Chenault's Cage

The Industrial Arts Department of Lone Oak High recently built a soundproof speech booth for Mrs. Chenault and the Speech Department. The booth is the first one of its kind in this area and is being put to maximum use.

The speech booth has several uses. Recording and replaying facilities are in the booth. They help the students to analyze their voice quality, diction, projection, and variation of pitch. The student may use the booth alone or with a speech instructor.

From the outside, the booth favors a brown box with a window. The inside is paneled with white soundproof sheet rock. With this description maybe everyone will know that the box in Mrs. Chenault's room is not really a cage they put her in after school, but a useful piece of equipment.

Middle School News

Boys Choir

The Lone Oak Middle School Boys Choir is looking forward to the best year yet. There are forty-four members, twenty-two seventh graders and twenty-two eighth graders.

Cheerleaders

On September 29, the cheerleaders were elected for the 1972-73 season. The seventh grade cheerleaders are: Nancy Carol Hollowell, Terri Ann Freeman, Resa Thompson. For the eighth grade: Pat Fleming, Kathy Herndon, Tracy Pleasant, and Susan Greeno. The first basketball game is Nov. 16 when they play St. Mary.

Beta Club

Mrs. Carr and Mr. Palmer are the sponsors for the Beta Club this year. The officers are Pres.-Debbie Turner; vice pres.-Kathy Waggoner; sec.-Joanie Sawyer; and treas.-Brent Dreher.

Who's Baby Face?

Our mystery person is a student of the senior class. She has spent four long years at Lone Oak since the ninth grade. Her favorite saying is "Oh For Sure!" When asked where her favorite place was, she said, "The Poor Farm." The food that she likes the most is shrimp.

The movie she liked best was "Wuthering Heights." As a secret ambition in life, our mystery person would like to be a computer programmer.

Look closely at the picture and read the clues over again.

Decide which senior you think it might be. When you've decided, write your name and grade along with your guess on a piece of paper. Turn it in to Mrs. Dempsey in the office before December 15.

Support Your Local P.T.A. L.B.L. Workshop

During the summer, nearly 200 teachers and faculty members from McCracken County schools attended three Land Between The Lakes Workshops at the T.V.A. Education Center to study curriculum development and make classes more relevant.

The workshops, with personnel from T.V.A., Murray, and the State Department of Education, concentrated on bringing environmental and career education into the classroom. The idea is to eliminate study by chapters or page assignments, and teach by a unit system, similar to the phase-selective English program now in effect. The first areas will be social studies, science, and English, followed later by math.

Teachers will start writing and using some curriculums this year, and will put some into effect next year.

Band To March In Christmas Parade

Our magnificent marching band will be in Hopkinsville this Saturday, November 18th. The Kentucky Colonels will be displaying their talents, and a little hard work, in the annual Christmas Parade.

Our band will compete in Class A. First place winners in each class will receive \$100 and a trophy. Lone Oak has come home with top honors the last 2 years they have participated in this parade.

We wish the band lots of luck, and we hope they will not break tradition.

contain state and national maps, but no county or city maps. Therefore, a map studies skills class will be introduced in the 4th grade, beginning with school, city and county maps, and then relating them to state, national, and world maps.

Example-In order to develop drivers' education programs to 100 per cent participation, 9th grade social studies classes will have a unit on "civic responsibility of the automobile driver." They will bring experts on all aspects of driving into the classroom to lecture—from the highway department, the license bureau, lawyers, police, judges, etc.

According to Dr. Stewart, "We never have total success, but we make a lot of progress."

Junior Rings

October 19 was a happy day for the Junior class! 235 Juniors gathered in the gym to order their SENIOR RINGS. There were many styles to choose from, but the majority got the traditional purple stone. The rings are made by Balfour Co. They have a tree with a flash running through them on one side and a traditional symbol on the other. The juniors happily await the arrival of their rings, but hopefully no one will get their hopes up too high, for the rings will probably not be here until April.

Miss Sloan's awfully pretty, isn't she Mr. Ransdell?

Does anyone really know where Secret Laughing No. 2 is?

Are you sure it's just life you're always so high on, Mrs. Chenault?

Surely, Croley, you're not as wild as you say you are.

Have you really been just "recuperating" all the time you've been absent, Byrd?

Could it be, Mr. Sensing, you skipped the teachers meeting suggesting 30 minutes of "Inde-

pendent Study?"

Tell us, Chris Shuemaker, how'd you score a slumber party with 30 girls?

Seems to be a virus spreading rapidly among senior girls, making them want to "date other people." Are the senior guys immune to this disease?

Mr. Hopper, did you honestly believe shaving your beard would make the girls stop starring?

Hey, Key, how'd you master that sexy Larry Reeves strut?

Edwin Clark, did you break your leg "falling out of" or "getting into" bed?

L.O. FFA Wins Honors

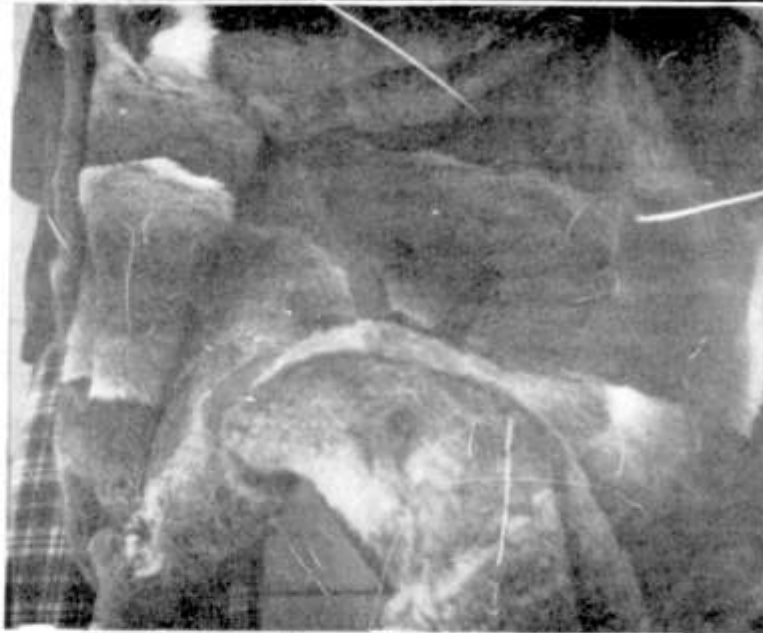

Five FFA members from Lone Oak High School FFA attended the National FFA Convention in Kansas City, Missouri.

The Meats Judging team, representing the State of Kentucky participated in the National Meats Judging and Identification contest. The team composed of Randy Otey, Donnie Wright and Phillip Bagwell received a Bronze rating, which is the second highest rating, in the National contest.

The Lone Oak Chapter received a "Silver Emblem" award, which was awarded to only 71 chapters in the Nation. Chapters earn the award on the basis of their activities in ten areas of chapter involvement prescribed by the

National FFA organization. The chapter's program of activities must include participation in: supervised agricultural experience programs; cooperation, community service; leadership development; conduct of meetings, earnings and savings, scholarship, recreation; public relations and State and National activities.

The application form is judged first by the State FFA Association. Lone Oak was one of the four chapters from Kentucky eligible to participate in the National Contest.

Mayor POW-MIA Week 1,2,3, Look And See

Paducah Friends of POW-MIA's and Mayor Dolly McNutt declared November 12 through 18 POW-MIA week in Paducah. On Friday November 17 there will be a four-hour prayer ritual at Broadway Methodist Church. The ritual will last from 4:00 PM until 8:00 PM. Any time during these four hours you are urged to come and say a prayer for our soldiers. At the end of the ritual there will be a silent candle light march down Broadway.

On the following Saturday, November 18, there will be a booth set up at Value Village and one at the old Peoples Bank on 3rd street. These booths will be giving away free information and selling POW bracelets. The public is invited and urged to participate. For further information contact David Watkins or Judy Doyle.

Critic's Corner

BEN-The rat that Willard trained returns to the screen with 3,999 friends to wreck havoc in a quiet town.

BUTTERFLIES ARE FREE- Meaningful adaptation of the Broadway hit comedy about a blind young man's bid for independence from a domineering mother.

FIDDLER ON THE ROOF- The record breaking musical about Tevye, a poor Jewish dairyman with five daughters in Czarist Russia.

FRENZY- Hitchcock's greatest thriller about a sexual psychopath on the loose in London is a model of suspense, complex characterization, and wit.

KANSAS CITY BOMBER- Though the usual image of Raquel Welch is not that of a tough roller derby skater, she manages to be quite convincing in the title role. In between the violent skating sequences the movie flounders repetitive scenes illustrating Raquel's personal problems with her children, jealous teammates, and a mean, amorous boss.

STAND UP AND BE COUNTED- Slick comedy about Women's Lib manages to be very funny and very serious at the same time.

SUBURBAN HOUSEWIVES- Above average film about a woman journalist who reports, in eight vignettes, a story of suburban housewives.

Z.P.G.- A clinched view of life in a futuristic technological society that outlaws childbirth.

Under the Sign of

♏ Scorpio, (Oct. 24-Nov. 22) You will attract nice people and lucky happenings this month. Focus your energies on the one thing you want and you'll probably get it.

♉ Taurus, (April 21-May 21) You enjoy competition even if it involves your best friend. You argue and shout, but it's only temporary.

♊ Gemini, (May 22-June 21) You are more aware of other people this month and anything you can do to amuse or help them will be appreciated.

♋ Cancer, (June 22-July 23) This is a romantic period for you. It's possible that you'll meet a person whose life-style differs sharply from your own, but don't worry. Things will work out for you.

♌ Leo, (July 24-Aug. 23) Control your temper and don't let sudden impulses rule your actions.

♍ Virgo, (Aug. 24-Sept. 23) Someone is chasing you around and trying to get your attention. Keep yourself busy with money-making projects and possibly they'll cool off.

♎ Libra, (Sept. 24-Oct. 23) A strange speeded-up period begins for you. Use your common sense and everything will run smoothly.

♐ Sagittarius, (Nov. 23-Dec. 21) A friend may need you to help them solve a problem. Be understanding, but don't get too involved.

♑ Capricorn, (Dec. 22-Jan. 20) You have achieved many things you've wanted and your mind is overflowing with new ideas. Don't be afraid to experiment.

♒ Aquarius, (Jan. 21-Feb. 19) It's a month for mixed up happenings so prepare to take it slow. Keep involved with school work and concentrate on matters of importance.

♓ Pisces, (Feb. 20-Mar. 20) Your plans for this month are sure to work out, so don't let criticizing friends slow you down.

♈ Aries, (March 21-April 20) Don't make personal commitments this month. It is better to wait and see how things turn out. You may be surprised at your interest in someone else.

Teachers' Aids Help

Lone Oak has gotten two teacher's aids to join the faculty this year. They are Mrs. Suzanne Cumbee and Mrs. Marsha Brewer. We are very pleased to have someone to join in, in working and helping around our school.

Mrs. Cumbee is a graduate of Carlisle County High School and a 1971 college graduate of Murray State University. She was born June 7, 1949, and is originally from Arlington, Ky. Mrs. Cumbee has been a part of the faculty for a month. Some of her hobbies are reading and sewing.

When asked her opinion about Lone Oak and why she became a teacher's aid she said that it was a busy school, and everyone works

together and works for their school. She enjoys the work and there were no teaching jobs available.

Mrs. Marsha Brewer is a 1968 graduate from Heath High School and a 1972 college graduate from Murray State University. She was born on Feb. 19, 1950 and is from Heath. Since, Mrs. Brewer has been at Lone Oak for just a month, Her opinion when asked about Lone Oak was: "I like it. It seems like everybody is real friendly." The reason she became a teachers aid was because there wasn't any teaching jobs available. Her hobbies are swimming and cooking.

Journalists Attend Banquet

Five representatives from the Oak K staff attended a banquet held by the Paducah Sun-Democrat Thursday, October 19. Those attending were Robin Eastwood and Jane Gillen, Co-Editors; Bernice Jones, business manager; Jan Pearson, Advertising Manager; and Mrs. Debbie Barnett, advisor.

They toured the offices and production areas of the local newspaper and the WPSD-TV station. The Paducah Newspapers, Inc. sponsored a banquet at the Ramada Inn for the journalism advisors and students from nine area high schools. Mr. Preston Kennedy, managing editor, conducted a discussion on school newspapers policies, functions, revenue, and financial difficulties. Many interesting ideas were exchanged. Plans for a Journalism workshop for Western Kentucky schools were discussed.

Purple Flash Struck Down By Cardinals

Mayfield ran up a 30-point lead in the first 16 minutes of action and went on to upend the Flash 46-16. Lone Oak's attack was highlighted by the passing of sophomore Mark Edwards as Lone Oak gained 192 yards thru the air. Edward's main target was senior end Andy Champion.

Lone Oak marched to paydirt the first time they had the ova with Edwards connecting with junior ace Scott Dreher for the score. Lone Oak's second T.D came on a hookup to Champion Danny Walker led the defenses with 12 tackles.

Trigg County Overtakes L.O.

A talented pack of Trigg County Wildcats roared to a 53-6 victory over a squad of Lone Oak Purple Flash Friday night, October 13.

The game opened with host Purple Flash kicking to the visitors from Cadiz. The Wildcats were only able to move the ball two yards on the next three plays and were forced to punt to Lone Oak.

Coach McGroarty's team took over on its own 20 yard liune after the Wildcat punt rolled into the end zone. The Purple Flash offense could not move the ball against the solid Trigg Co. Line and returned the ball to Trigg Co. on a fourth and 12 punt.

Buddy Martin recovered the ball two plays later when Ronnie Diggs of Cadiz fumbled the ball.

The first half scoring ended when White intercepted a pass by Brad Edwards on the forty yard line. At the end of the half Trigg Co. was ahead 28-0.

The Purple Machine returned the kickoff to start the second half, but lost the ball on its own 27.

All looked dim for the Oakers when Johnson of Trigg threw a pass to Fitzwater also of Trigg Co. was intercepted by Mike Stephens, Lone Oak sophomore. Stephens, with the help of some fine blocks by his teammates, put Lone Oak on the scoreboard with 6:19.

The game ended with a big victory for the Trigg Co. Wildcats with a final score of 53-6 over Lone Oak.

Good Luck Basketball Team

SENIOR FOOTBALL PLAYERS--(l. to r.) Keith Tomes, Randy Wiersma, Buddy Martin, Larry Reeves, Charlie Robertson, Pete Longton, Edwin Clark, Andy Champion.

Gridders Reach Finale

Completing a long hard season the Senior Football players say good-by to High School Football. Although their last year wasn't a great year they still have a lot to be proud of.

The seniors this year are the ones who have paved the way for Lone Oak Football. They not only worked hard on the football field at practice, but during their Freshman and Sophomore years they put up bleachers, lights, and raised money for the team. They learned how to play football the hard way.

So say thank-you to the Seniors this year who have spent more than their share building Lone Oak Football. They are the pioneers of Lone Oak Football and they should be remembered with respect and admiration.

Flash Demolish

Equality In Opener

Lone Oak Purple Flash started out their basketball season with an overwhelming victory over Equality, Illinois Cardinals. The contest was never in doubt as the Oakers out classed the Cardinals throughout the entire game. The starting lineup for the Purple Flash was: Wayne Elliott, Donald Page, Mike Menter, Ronnie Goode, and Mark Morris.

Dennis Hobbs scored the first basket in the game in only seconds after it began. At the end of the first quarter the score was 22-14 in favor of Lone Oak. As the team left the court at half time the score was 44-24. Due to the great enthusiasm and spirit of the student body the defeat over the Cardinals was one by a convincing margin of 96-51.

Coach Norris commented that the thing that impressed him most was the hustle of the team. He said we only made three turnovers in the whole game, but Equality wasn't a very strong team.

The high scorers of the night were Hobbs, Elliott, and Page. Hobbs had 20 points of which 13 were rebounds. Elliott scored 17 and Page came out with 16.

Lone Oak halted by Caldwell County.

Caldwell Narrowly Escapes The Purple Flash's Grip

Caldwell County used the good arm of Joe Villies and the speed of running back Fred Gray to win a Class AA victory against the Purple Flash Friday, Oct. 20.

All of Caldwell's touchdowns were set up with the Gray-Villines combination. Halfback Kenny Boaz scored another Tiger touchdown.

Lone Oak trailing at the half 12-0 made their first attack when

quarterback Mark Edwards hit Ricky Winstead for 16 yards. The touchdown was made by fullback Randy Wiersma.

Lone Oak lost their chance to tie the game when a fumble was recovered by the Tigers in the end zone for a touchback. Another drive for Lone Oak was halted by another fumble. When the gun sounded Lone Oak trailed 4-6.

Runners Qualify Cross Country

Speedsters Will Ed Beyer and Mike Hayden finished in the top ten at the annual regional cross country meet, Oct. 21, qualifying them for a berth in the state meet. Beyer captured 4th finishing the 2 mile course in 10:31. Hayden finish 8th.

In the state meet one week later Beyer nailed down 77th place and Hayden nabbed 89th place in a field of over 250 top runners.

Two weeks prior to the regional meet Beyer finished a grueling 26 1/2 mile race at Jackson Tenn. in just over 3 hours. This was good enough for a first place finish in the 17 and under category. Quite an accomplishment!
