

# OAK LEAVES

# Class of 74

This digitally remastered edition of the 1974 Lone Oak High School Annual ***Oak Leaves*** is presented in tribute to the students and faculty of Lone Oak High School in Paducah, KY.

This document was reproduced from an original copy and presented in Portable Document Format (PDF) by the **Lone Oak High School Alumni Association** and [LoneOakAlumni.Org](http://LoneOakAlumni.Org) for archival purposes and for the benefit of all LOHS Alumni.

Original Copyright remains with the Annual Staff of Lone Oak High School for the year in which it was published. This document may be freely copied and distributed so long as it remains unedited and with this notice intact.

A black and white photograph of a brick building's entrance. The entrance features a double glass door with a transom window above it. Two dark, vertical columns are positioned on either side of the door. The ground in front of the door is covered in snow. The text "Oak Leaves", "Lone Oak High School", and "Lone Oak Kentucky" is overlaid in a white, cursive font on the lower part of the image.

*Oak Leaves*  
*Lone Oak High School*  
*Lone Oak Kentucky*

*This year the 1974 Oak Leaves is  
dedicated to Mr. Bernie Behrendt,*

*for the time and trouble he has  
taken to help not only the Oak  
Leaves Staff but the entire school.*

If I Could  
Save Time  
In A Bottle.

*The first thing  
that I'd like to do  
is to save every day  
'til eternity passes away*

*If I could make days last forever  
If words could make wishes come true  
I'd save every day like a treasure*

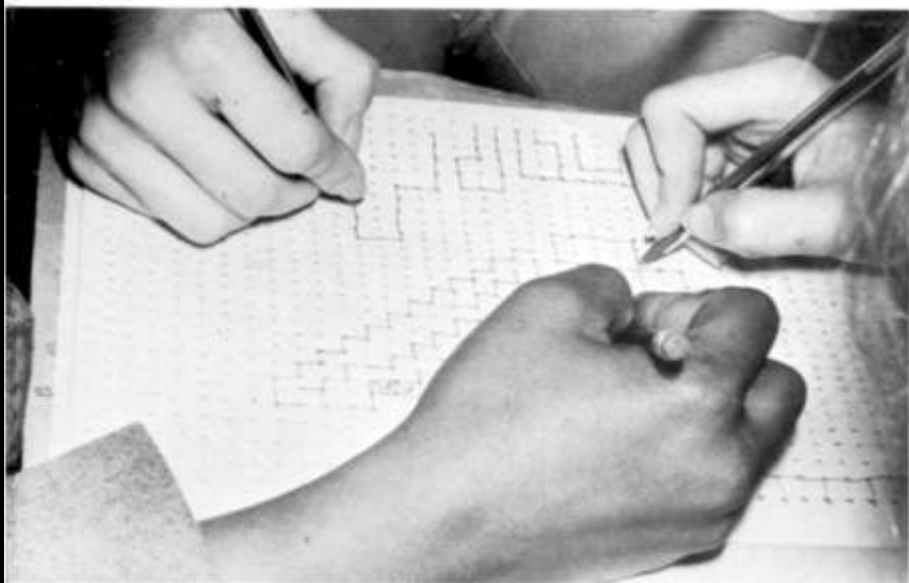

*But there never seems  
to be enough time*

*to do the things  
you want to do  
once you find them*

*If I had a box just for wishes  
or dreams that had never come true —*

*The box would be empty except for the memory of how they were answered by you.*

In  
Memory  
Of . . .

Renita Dabney

Mark Mullen

God made the lovely sunshine . . . and  
the blossoms on the trees . . . The  
rainbows and the starlight . . . and the  
gentle spring time breeze . . . God gave  
the earth its beauty . . . and as a final  
touch . . . He blessed our lives by  
giving us . . . those who meant so  
much.

## Our Special Thanks Go to . . .

To Gene Boaz, and his whole crew, Charlene, Keith, Linda, Randy and Mary without them this whole thing wouldn't have been possible. They are the best kind of friends to have.

To Mr. and Mrs. J. H. Wicker for AGAIN lending their home to the Annual Staff and all its mess for one year.

To Mr. Bill Farr and Tommy Parsons who will probably be forever faithful.

To Mrs. Boyd for her 4 a.m. appointments, and advice.

To the Faculty and Staff for not complaining too much about our disrupting class.

And last to Weaks for all his leaky WDXR pens . . .

The End
