The ceremony began at 8:15 with Arland Wynn as Master of Ceremonies. The Kentucky Colonel Band played "Close To You" as cheerleaders, attendants, candidates, and escorts walked out on the field.

Enthusiastic supporters cheered when the M.C. said, "The 1974-75 Football Homecoming Queen is Miss Deanna Watson."

The new Queen received her crown and red roses from last year's queen, Linda Litty. Senior attendants, Sharon McMichael and Donna Parker, were each presented with a long-stemmed red rose.

Deanna's first reaction when she heard she was Queen was, "It's just like a dream." Deanna has been a cheerleader for four years. She was football attendant her freshman year. Homecoming Dance Provides Finale

"Circus" was the theme of the 1974-75 football homecoming dance this year. The dance was held on Friday, Oct. 18 lasting from 10:00 until 1:00 a.m.

The High School cafeteria which was the setting for the dance, was decorated with a variety of colored balloons hanging from the ceiling, animals in cages on the walls, and clowns and small animals as table arrangements.

The Student Council who sponsored the dance featured the band "Free Fall" who played a variety of music that seemed to fit everyone's taste.

The dance turned out to be very successful and said to be one of the better dances at Lone Oak.

The Paper staff would like to thank Mrs. Harris and the Student Council for a very enjoyable homecoming dance.

LOHS STUDENTS dance to music of "Freefall."

Craig Stubblefield Is Honored For His Dedication

CRAIG STUBBLEFIELD STUDENT OF THE MONTH

Craig Stubblefield, October's Student of the Month, is one of the many who is helping to return spirit and pride to Lone Oak High School. When asked what spirit is, Craig replied, "Showing that you care for your team." You couldn't ask for a better answer from someone who is school spirited and cares so much for his team. The football team recently showed that they cared for one of their most loyal fans by dedicating the victorious Reidland football game to Craig. The football team presented Craig with the game ball which was signed by the entire squad.

As you may guess, Craig's favorite pastime is watching sporting events, of which his favorite is football. In his spare time, Craig enjoys writing stories and sketching.

Craig's school day as a junior, consists of Science, Construction, Agriculture III, and English. Craig is also in the FFA club. After high school, Craig plans to further his education by attending college.

HERE, CRAIG HOLDS the Reidland game-ball, presented to him by football team.

Craig Is Recognized For Sportsmanship

Lone Oak has many loyal fans but the Lone Oak football team choose one fan who was more outstanding than others. Craig Stubblefield, a junior this year at Lone Oak was honored as "outstanding loyal fan at Lone Oak High School."

Craig was honored during the Heath pep rally with the gameball from the Reidland game. The ball in which held the signatures of all the team members was given to Craig because of the special effort he makes to come to all of the ballgames.

Charlie Hughes made the presentation and told how he felt that Craig should be honored because he was at all the games and he was always backing the Flash.

The Paper staff would like to thank the football team for recognizing this loyal fan and a special thanks to Craig for supporting our team.

Halloween Becomes Dangerous Holiday

By Terry Braboy

Halloween used to be a time for children to play harmless pranks, dress in various costumes, go trick-or-treating, or attend costume parties.

Now it has become a time for the kids to go around and play harmful pranks on whomever or whatever they see. They damage property and mess up people's yards and windows in any way that they can (they even steal people's pumpkins).

Now that it has become so dangerous to go out on Halloween, people have a tendency to keep their children home. Police have to patrol the streets until the curfew time has been reached, or even until hours after the curfew has ended. Some towns have totally abandoned Halloween.

It is a shame for people to forget what the real meaning of Halloween is, and what they are even celebrating it for.

School Spirit Keeps Growing

By Sherry Turley

Have you noticed the school spirit this year? If you haven't, you are one of the few people who haven't gotten involved.

Our school is better this year and so far our football team has done great! So we have a good reason to have school spirit.

Some schools claim they have school spirit but really all they have is spirit in their pep rallies. We have that too but our spirit extends from week to week. Signs plastering the wall and people really caring about the school.

Yes, our school spirit is great now but lets not stop with football. Lets support basketball, track, tennis, golf, baseball and any other sport or event that takes place in this school. Lets show the other schools that Lone Oak does have School Spirit!

Take Pride In Our School

By Joyce Wiersma

Have you noticed how nice and clean the school looks this year? Mr. Caddis and the other janitors have done a superb job at keeping the school in order.

But, if the janitors work so hard, why can't we do our share, too. Some days I will be walking down the halls and there will be paper thrown all over the floor. Maybe some of you people don't appreciate all of the work that goes on here after we have left, but can't you please show the courtesy of picking up after yourself and putting your trash in the trash can.

Clean Up

By Melanie Mathis

Has anyone been in the student lounge lately? From the looks of it everyone went down there and had a party. Then left it for someone else to clean.

There are drink cans laying on all the tables. The tables are a mess. No one cleans them it seems. People leave their paper and stuff down there. No one cares what it looks like.

It would help a lot if when people finished eating or drinking they would take their mess and throw it away. There are trash cans down there!

If everyone doesn't do their part we may not have a student lounge for long.

Band Needs Support

By Debra Drury

Our school has plenty of spirit for the football team this year, but what about the band? The Lone Oak Kentucky Colonel Band is doing many different things this year, and they need to have school support just as much as the football team.

In order for the band to go on any trips, contests, or parades they have to raise money. The first place they try is at school and in Lone Oak. If you don't support them, they can't do as many things as they plan. When the band goes on a trip, they go to win trophies and receive superior ratings, but also they represent Lone Oak High School.

The band members and Mr. Ransdell work long hours on shows and parades so that your school can be represented. When they get a superior rating or receive a trophy they are happy and proud, so why aren't you?

They need support!!!!!!

Did You Know?

In My Treehouse

I sat in my treehouse and laughed today,
Laughed at the wind while he blew away.
He yelled at the treetops and lashed at the limbs,
And I just sat there and laughed at him.
He grabbed the leaves and hurled them down.
First violently, then softly, they fluttered to the ground.
He whipped his fingers and pulled my hair,
Throwing it helter-skelter here and there.
On and on he thrashed about, Raging, shrieking, and giving a shout.
But slowly, yet surely, he tried of course,
And suddenly realized he'd yelled himself hoarse.

Is There Really A Great Pumpkin

Everyone is entitled to their own opinion, right? That's why the "Oak K" is starting a feature which will be called "Opinion Line." Each month, the news staff will take a poll on a pertinent question or issue of the day. This first poll will be "just for fun," and deals with the highly important question:

Do you believe in the Great Pumpkin?
yes 45%
no 33%
undecided 22%

A few people commented on the poll when they were questioned. Some favorable comments made include: "I'm just a kid at heart"-Lisa Summers. "Yes, I truly believe, for he visited me last year"-Jennifer Ross. "I believe because the Easter Bunny told me to."-Tim Ross.

The one really unfavorable comment received came from Debbie McGary-"Why should I believe, he's never done anything for me."

The news staff feels that if one doesn't believe in the Great Pumpkin can there be any hope for Santa Claus?

Some Teachers Show Prejudice In Discipline Given To Students

By Ken Herndon

A complaint desperately needs to be registered against a very small percentage of the teaching staff concerning the barbaric and sometimes "purposely" ruthless manner used to call down and many time "put down" students in the halls as well as the rest of the school grounds. These teachers sometimes go far out of their way to ridicule some students, while only mildly speaking to others.

These people, (though few in number) seem to actually take pride in voicing "personel" abuses to certain members of the student body both on and off the school campus. Although the majority of the faculty members here at Lone Oak are by far good, responsible people that deserve our (the students) respect, and get it in most cases, there are a few (two or three in particular) that have in my opinion, as well as many other students, gone overboard.

While I fully agree with the enforcement of rules and regulations I do not and cannot agree with the appalling way that some of them are being carried out.

It seems that these few faculty members persist to pick on a few while letting others go untouched and free from any regulations placed on other students. If these strict rules must be enforced, then let all who attend this school abide by them and not just a few.

Four Journalism Students Attend Workshop At SIU

On Saturday, October 5th, four students from the journalism department attended a workshop at S.I.U. in Carbondale, Illinois.

Those students attending were Penny Day and Tammy Tinsley from the annual staff, and Barry Hammons and Janwin Overstreet of the newspaper staff. Mrs. White, sponsor, also attended.

The purpose of the workshop was basically to learn new and different methods in newspaper writing, and yearbook production. Some classes of special interest to the Lone Oak students were those on finance, in-depth news writing, and layout and design. The workshop also gave the students a better understanding of organization difficulties, and helped them realize that they weren't the only school with problems.

Time of departure was 6:45 a.m. After arriving at S.I.U., everyone had to register, and then attend an orientation meeting. The group then broke up into classes. After an hour's break for lunch, they had several afternoon sessions to attend before the day was over. The group returned to Paducah at approximately 5:30 p.m.

LOHS Gets Involved With Spirit

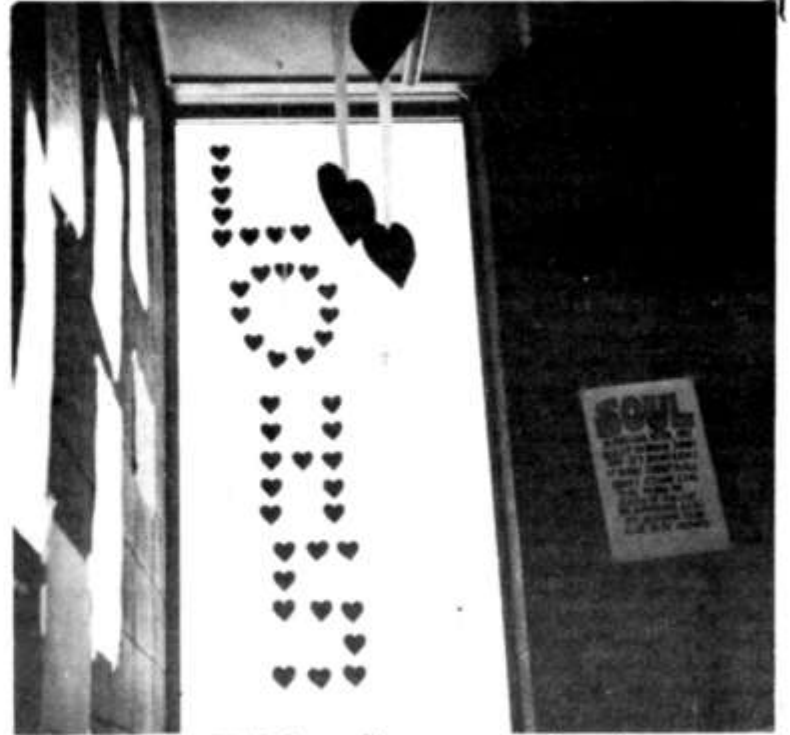

TEACHERS RAISE spirit at big pep rally.

School Is Decorated For Spirit Week

For the first time in Lone Oak's history, the Purple Flash sponsored a spirit week. The judges of the homeroom's were Coaches McGroarty, Fusco and Mizell.

Spirit Week started on Oct. 9 and lasted one week. The purpose of this special week was to decorate each homeroom and help cheer the football team on to the winning victory of the coming week.

The winner of this contest was the SPIRITED homeroom of Mrs. Brugger. Thirty dollars was given to this homeroom by the Pep Club to use as they wish. They are planning a trip to the Pizza Hut sometime in the coming week.

MRS. BRUGGER'S door and room capture the prize.

Bonfire Shows School Spirit

Cheers roared and so did the fire at the bonfire on October 10 at 7:00. The bonfire was the second one this year and this one was even better than the last one.

Cheerleaders cheered, fans yelled, the band played and the football team dressed in the purple jerseys, watched and listened getting siked up for the Heath ballgame.

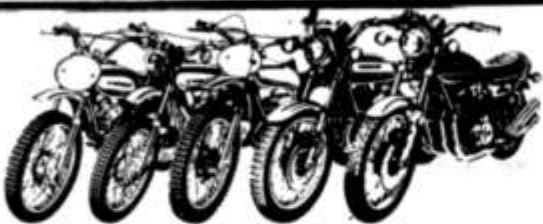

The bonfire was held directly after the Freshman football game and there were plenty of students and parents there to back the Purple Flash. As the fire got higher so did the spirit. And the Purple Flash was raring to go to beat the Heath Pirates the following night. The bonfire was a success and so was the game because now we are the County Football Champs.

1975 Yearbooks Are Now On Sale

The Annual Staff would like to announce that the 1975 Lone Oak High School Yearbooks are now on sale for \$8.50. This is 50 cents cheaper than last years. Three different options are open to all who purchase a yearbook. They are: (1) an annual may be bought for the original price of \$8.50, (2) they (the annuals) may be ordered with one of two extras (engraved name or a plastic cover), (3) one ordered with the engraved name and the plastic cover is only \$9.50.

A new addition to the yearbooks this year, the engraved name not only personalizes the annual, but keep anyone from "taking it" off one's hands when one isn't looking.

The annual sales thus far have been slow, but promise to pick up as the deadline draws near. About 250 yearbooks have been sold as of now, but that number should double or possibly triple before the sales end. Yearbooks are being sold as of now in homerooms by individuals or may be purchased in Mrs. White's homeroom; room D-101.

Flash Win Trophy With 27-0 Romp

Beautiful! A beautiful night; a beautiful game; and most important of all: a beautiful trophy. That sums up the 27-0 Purple Flash win over their county rivals, the Heath Pirates October 11.

It was the first football trophy ever for Lone Oak, let alone their first County Championship!

It took the major portion of the first quarter for either team to mount a scoring drive. Then, late in the opening stanza, the Oaker attack began to click. Starting at the Pirate 40 yard line, the Flash marched 60 yards in eight plays to score. It was after a crucial

"face-mask" penalty on the Bucs that Senior running back Curtis Hamilton took the ball 19 yards around left end to put the Flash on top, 6-0. Jarvis' attempt at the extra point sailed to the right of the goalposts, however.

After both teams' offenses failed, Heath regained possession again at their 29 yard line. Then came what turned out to be the key play of the contest. Heath's Clarence Johnson took a screen pass from Quarterback Fletcher and found daylight down the left side. Just when it appeared his long jaunt would knot the score,

Charles Pickering caught him from behind at the Lone Oak 13 yard line. Still, Heath had their best scoring chance of the game. But, as had been the case many times this year, "the tough got going when the going got tough," allowing the Bucs only four yards in four plays.

Then, after the Flash offense couldn't mount a drive, the Pirates took over again. On the first play from scrimmage after the punt return, Mike Farrell picked off a Fletcher pass and ran it back to the Heath 44. Six plays later, Curtis Hamilton darted in from the six. After a Jarvis conversion, the

Flash had taken their halftime lead, 13-0.

Two plays after the second half kickoff, Kenneth Reeves broke loose for a brilliant 66-yard touchdown run to increase the Oaker margin to 19-0. Jarvis' extra point kick padded the lead once more.

After the Pirates were held deep in their own territory, the Flash took over with intentions of stretching their lead even more. They did just that. After eight plays, including two big runs by Edwards, Kelly Don Hollowell "put the icing on the cake" with a

three-yard run for a touchdown. Jarvis' extra point gave the Flash their final margin of victory, 27-0.

Heath threatened twice in the fourth quarter, but the Oaker defense stiffened each time, maintaining their second straight shutout.

The win set the Purple Flash slate at 5-2 and dropped the Bucs below .500 (3-4). Charles Pickering received "Player of the Week" accolades for his key contributions.

REEVES BREAKS LOOSE for gain in Lone Oak-Reidland game.

Flash Bury The Greyhounds 51-0

In a happening that more resembled the "Little Big Horn Massacre" than a football game, the Lone Oak Purple Flash buried the Reidland Greyhounds beneath their home field, 51-0.

The win upped the Flash record to 4-2 and kept alive their chances for the County Championship. Reidland's record dropped to 1-4 with the loss.

The momentum swung to the Oaker's side only seconds into the game. Kelly Don Hollowell intercepted a Greyhound aerial in Reidland territory. Although they failed to score on the following succession of plays, the Flash defense held the Greyhounds and handed the pigskin to the Lone Oak offense at the Reidland 35.

Following an incomplete pass, Edwards rolled left and tossed a 35-yard touchdown pass to Charles Pickering, putting the Oakers on the scoreboard. The extra point attempt failed, but, to say the least, it was of little importance.

The Lone Oak defense (which, incidentally, kept Reidland from advancing past the Flash 31 the entire game) stopped the Greyhounds cold, forcing a punt.

The Flash took over at their own 17 yard line and marched 83 yards in eight plays to score again. The drive was capped by a 35-yard sprint by Junior running back Kenneth Reeves. Jarvis booted the extra point squarely through the uprights, giving the Flash a 13-0 advantage.

The Oakers broke the game open in the second quarter. An interception by Mike Stephens set up another scoring drive, highlighted by a 21-yard pass from Edwards to Pickering. That put the ball at the Greyhound 5 and Kenny Reeves took it in from there for his second touchdown of the game. The extra point by Jarvis was good again, giving Lone Oak a whopping 20-0 lead. But, there was more to come.

After stopping Reidland again,

the Flash offense took over with Jimmy Champion at quarterback. On a second-and-nine situation, Champion rifled a 37-yard touchdown pass to Tony Deluna. The subsequent extra point clicked the scoreboard to 27-0.

On Reidland's first play from scrimmage after the following kickoff, the quarterback was sacked and Senior tackle Mike Hampton picked up the dropped ball and raced 20 yards for yet another score. That ended the first half, with Lone Oak owning a seemingly insurmountable 34-0 lead. Stranger things have happened in regard to comebacks, but they weren't to happen tonight.

The defenses held each other in check throughout the third quarter, with neither team scoring.

but, early in the fourth quarter, Bill Towers recovered a fumble at the Reidland 27, and three plays later the Champion-Deluna Combination clicked again, good for 25 yards and a touchdown. The extra point gave the Oakers a 41-0 lead.

Only minutes later, Eddie Jarvis booted a 35-yard field goal to widen the margin three more.

Edwards resumed his quarterback duties and engineered a 58 yard scoring drive, capped by a two-yard run by Kelly Don Hollowell. The extra point finally ended the scoring for the Flash. The defense protected their shutout and sent hundreds of Purple Flash fans home happy.

A balanced Oaker rushing attack gained 250 yards for the game, while Edwards and Champion combined for 174 yards in the air.

The stingy Purple Flash defense held the Greyhounds to 126 total yards. Mike Hampton, an important part of the defense, was named "Player of the Week" for his efforts.

Lone Oak Grads Doing Well At Area Colleges

Congratulations are due to several ex-Lone Oak athletes who are contributing their various talents to the colleges and universities in this area.

Bobby Winkles, who left Lone Oak after the ninth grade, is now seeing considerable action with the University of Kentucky football Wildcats. Winkle was All-State at his school in Oak Ridge, Tennessee before receiving a football scholarship to attend UK.

Steve Dreher, who played basketball here at LOHS and PCC, is now shooting baskets for Southwestern College in Memphis,

Tennessee. He went there on a Leadership grant.

The LOHS quarterback for several years in the early stages of the football program, David Stephens, is on the football squad at Murray State.

Will Ed Beyer, a 1973 graduate, received a track scholarship to David Lipscomb College in Nashville and is doing his thing as well as ever there.

Playing basketball at South-eastern Illinois College in Harrisburg is the second in the line of basketball-playing Dreheres, Scott Dreher.

Billy Bob Clark, a star of last

year's football team, is knocking heads at Maryville College in Maryville, Tenn.

Mike Woodard, the playmaking guard on last years roundball team, is playing basketball for Coach Smithmier "just down the road" at PCC.

Alan Sanders, an outstanding hurler on the '73-'74 baseball team, will be fanning opposing batters for Lambuth College of Jackson, Tennessee. Alan received a baseball scholarship to attend there.

In addition, Steve Keeling and Danny Walker are playing baseball at PCC.

SENIOR PLAYERS present Championship Trophy to Mr. Behrendt.

Marshall County Ends Flash Winning Streak

On September 27, the Lone Oak Purple Flash fought to the finish but time just ran out, and the Flashes were defeated by the score of 12-10.

The Marshalls started early, scoring on a 20-yard pass with 10:21 to go in the first period. Both teams failed to score in the second quarter and the Marshalls led 6-0 at halftime. The Purple Flash put their first score on the board with 5:35 left in the third period when tackle Charlie Hughes sacked in on Marshalls men in their own end zone for a safety. Then, with 1:52 showing on the clock, the Marshalls recovered a Lone Oak fumble on the Oakers' 38 yard line. The Marshalls scored another touchdown but the conversion

failed, leaving the score at the end of the third quarter 12-2, Marshalls leading.

Lone Oak started clicking early in the final quarter when quarterback Mark Edwards hit split end Charles Pickering in the end zone from 17 yards out, for the Flashes' first touchdown. Then Jimmy Champion took it across for the two-point conversion, putting the Flash only two points behind the Marshalls with just a little over seven minutes to play. Then with 1:01 left in the game, Edwards connected on a 50-yard pass to Kenny Reeves, taking the Flashes to the Marshalls 27. The Flash worked it down to the nine yard line, but the clock ran out before they could score.

Colonels Beat Flash 27-8

Lone Oak's Football Homecoming was marred by a 27-8 loss to Christian County Friday night. During Pregame ceremonies, Deanna Watson was crowned 1974-75 Football Homecoming Queen. After a scoreless first period, the Colonels made a touchdown on a four yard run by McCombs. Lone Oak grabbed an 8-7 advantage, which was their only lead of the game, when Kenneth Reeves scored from three yards out. Jimmy Champion ran for the extra two points. Minutes before the end of the first half, McCombs tore away from a tough Lone Oak defense, and scored on an eighteen yard run. He scored the extra two just as the half ended. The Colonels third and last touchdown was wrapped up by McCombs on a four yard run as Christian County rolled in their fifth win of the season against three losses. Reeves, who was named "Player of the Week", lead the Flash totalling 147 yards rushing. Our Quarterback duo, Mark Edwards and Jimmy Champion, combined for a total of ninety-two yards.
