

LOHS Play To Be

## Pardon Me, Is This Planet Taken

"Pardon Me, Is This Planet Taken" is the next play to be presented May 2 and 3. The Thespian Society and Drama classes will sponsor it by special arrangement with the Dramatic Publishing Company. The play, written by John Jake and scored by Gilbert M. Martin, will take place in the Lone Oak High School gymnasium.

"Pardon Me..." is a take-off from "Star Trek" in which Captain Church and his crew set off to

chase space pirates. Through a series of very funny misadventures, Church's crew and the pirates meet on Linjafoon and encounter the Natives (a primitive tribe of space age aborigines). The occurrences that take place cause a war—almost! The war is almost caused by Zud Milla, the blue

faces' Helen of Troy, who marries Romeo without his knowledge. All this and more make for an evening of hilarity and fun.

Tryouts were held and the cast includes Tony Williams as Jamie Church, Arland Wynn as Admiral Pinkerton, Susan Scheer as Patricia Pinkerton, Glen Hendon as Wulffington, Philip Williford as Romeo, Judy Katzel as Wilma

Dale, Bobby Clark as Lt. Streak Rodgers, Lilliane Duch as Lt. Frok, Bruce Hopkins as Sumu,

Keith Wilson as Wolowity, Huey Anderson as the high Linjafoon, Jan Williams as Captain Colsech Carrothers, and Susan Anderson as Zud Milla. Student directors are Patty Robinson and Laura Spencer. Wendell and Terri Edwards are the pianists for the play.

Mrs. Norma Chenault

## Mrs. Chenault Is Student's Choice

As a result of her continuous activity in Drama, Mrs. Norma Chenault has been chosen Teacher-of-the-Month. Mrs. Chenault has taught at Lone Oak for seven years now, teaching Composition, Science Fiction, and Drama.

As a student in college, she was not an average person. Instead of graduating from just one college, she graduated from Freed-Hardeman College, Florida Christian College, and also Murray State University. Her majors were English and Education Communication.

Mrs. Chenault has many past times, no particular one. She enjoys eating, reading, sleeping, traveling, basketball, teaching, dancing, talking to friends, being with her family, and listening to records. Her favorite foods are steak, salad, and baked potatoes.

Mrs. Chenault says that she likes people to be honest with each other—it makes for fewer misunderstandings.

She has been very active in directing, and co-directing plays that are put on at Lone Oak in her past years, and plans to continue doing so. She co-directed "The Gift of Tenyin," and directed "A Game," which received a runner up award at Regional Contest. Now, she is busy directing a play, "Pardon Me, Is This Planet Taken?", which is an outer space comedy presented with music. She states that this will be an EXTRA big and challenging production for both her and the cast.

## Susan Walton Is Top Student

The faculty of Lone Oak High School has chosen Susan Walton as Student-of-the-Month. Susan is a sophomore and has attended Lone Oak schools for four years.

Susan is a very active student. She has participated in Pep Club, Tri-Hi-Y, Beta Club, and Student Council. As outside activities, Susan enjoys skating, swimming, and skiing.

As being part of the sophomore class, Susan was involved with the Basketball Homecoming dance. She contributed much of her spare time and effort preparing and decorating for the dance.

After she finishes high school, Susan plans to attend a business college and do clerical work.

Charles Pickering

## Charles Pickering Is Junior Rotarian

February presents Charles Pickering as Junior Rotarian. Charles' duties will be to attend Rotary meetings at Greif's Restaurant along with businessmen of the area.

Charles has attended Lone Oak schools for six years. He has played football all four of his high school years. His classes this year include D.E., Advanced Biology, College Preparatory English and Shop. Charles is a member of the Hi-Y Club.

## Music Students To Attend State Contest

On March 1, the Lone Oak Madrigals will be traveling to Murray for State Contest.

The Madrigals will present a song entitled "The Silver Swan." Several choir members will also be taking solos to Murray. They are: Mark Stephens, Jeff Hensen, Linda Hughes, Janie Parker, Jennifer Ross, Tonya LeShon,

Mary Jane Farmer, Linn Bearden, Larry Burrows and Arland Wynn.

Several band students are also taking solos and ensembles to Murray Saturday. These include: Lisa Read, flute solo; Lisa Read and Debbie Houchins, flute duet;

Maurice Jett, trumpet solo; Steve Purvis, alto saxophone solo, Phillip Read, trombone solo; Bruce Hopkins, oboe solo; and a brass choir.

The choir will also be traveling to Murray on March 22. They will be performing "Hodie," by William, and "Holy Radiant Light," by Gretchaninoff. The Boys Chorus will also be attending contest at this time.

## Two LOHS Students Attend All State Band

Lisa Barriger and Maurice Jett represented Lone Oak in the Kentucky All State Band, held in Cincinnati, Ohio, from February 5-8.

The two received this honor by auditioning at Mayfield. Tapes were made during the audition, and sent to Louisville to determine seating.

Maurice ranked second highest trumpet in the state of Kentucky, entitling him to occupy second chair in the All State band. Lisa

sat seventh chair in the band.

The pair left Paducah on February 5 around 9:00 a.m., accompanied by Mr. Robert Singleton, assistant band director at Lone Oak.

Practice sessions for the concert were held Wednesday night, Thursday, Friday and Saturday morning. The concert was held Saturday afternoon.

Maurice plans to attend All State Orchestra which will be held in Louisville during KEA.

A weary group of band students return home from Florida.

## Colonels Return From Competition In Florida

The Thomas A. Edison Pageant of Light is an annual event held in Fort Meyers on Edison's birthday. The band competition, which the Kentucky Colonel's participated in, was just one of many activities held during the celebration. The Colonel's, a precision drill unit, competed against ten other bands from around the United States, most of which were drum and bugle corps. The bands marched in

field competition, Thursday night, February 13, and a parade review Friday, February 14. The finale was the Parade of Lights held Saturday night, February 15.

Because of the Kentucky Colonel's past accumulation of honors, they were also invited to be one of six bands to compete in the Largo Golden Invitational at Largo, Florida. This competition took place on February 14.

The trip wasn't all work. Among other places, the Colonel's visited the Sanibel Island beach, and the Edison Mall.

The Colonel's left Fort Meyers around 7:30 Sunday morning. On their way home, the band stopped at Walt Disney World in Orlando, Florida. They arrived in Paducah around 12:30 Monday afternoon.

Lone Oak's Kentucky Colonel band recently returned from Fort Meyers, Florida, where they participated in the Thomas A. Edison Pageant of Light.

The band departed around 3:30 p.m. Monday, February 10, and arrived in Fort Meyers at 3 p.m. Tuesday.

## Three Named Merit Finalist

On February 10, 1975, the National Merit Scholarship Award was given. Lone Oak students receiving the honor were, Mike Cramer, grandson of O. O. Walters of Melber, Janwin Overstreet, daughter of Mr. and Mrs. Winfred Overstreet of Route 6, and Keith Feather, son of Mr. and Mrs. Arthur Feather of 289 Springwell.

The students are chosen as semi-finalist by the score made on the PSAT/National Merit Test taken their junior year. The semi-finalist go on to take the SAT Test their senior year and the finalist are chosen by the score made on that test. The finalist are eligible for scholarship money.

Mr. Griffith stated that three finalist are the most he can ever remember Lone Oak having and that Lone Oak has more finalists this year than any other school in this area.

Dan Lufkin

# Work Ethic Revisited

(A founder of the investment banking concern of Donaldson, Lufkin and Jenrette, Inc., and a former governor of the New York Stock Exchange, Dan W. Lufkin was recently appointed Connecticut's first Commissioner of its new Department of Environmental Protection. He also serves as a trustee of the National Conference of Christians and Jews, and the National Council on Crime and Delinquency.)

We have heard a lot recently about the "work ethic." Making as it does of Puritanism, Calvinism, Sunday School maxims and a host of self-righteous aphorisms popular in a bygone era, it is not one of the most exciting phrases to describe a major motivation force of our society. In fact, it is down right out of style! But, whether we accept it or not, the "work ethic" will be as lively an issue in shaping our future as it has been in determining our past.

It became popular about twenty years ago to speak of America in the closing decades of the 20th century as a society of abundance. We envisioned our continent as a great wealth-producing machine into which we poured an inexhaustible supply of raw materials and from which we received an equally inexhaustible supply of the good things of life. The work week shortened. Because it all seemed so automatic, so effortless, both the meaning of work and its intrinsic value and contributions became blurred and confused—for a time.

Young people, especially, encouraged to believe that the gentle ruminations of Consciousness III would produce a fresher, greener nation, cosigned the work

ethic to the junk heap of Consciousness I, preferring instead to substitute other ethics less harsh, less competitive, and less demanding.

Now, today, our embattled society stands in the ruins of its cities, amidst the debasement of its natural heritage and listens to the great wealth-producing machine slowly clank to a halt. Looking for an easy solution, we seek some magic mechanic to get it operating in high gear again, to solve problems only vaguely understood. Surely there's a button to press or something or someone to kick. Sadly, the remedy seems to have escaped us; curiously, it is that musty old-fashioned phrase "work ethic" that may prove our salvation.

The work ethic implies, first of all, that there is meaningful work to be done. Surely all of us, whether on the conservative right or radical left, stuffed shirts or shirtless, can agree on this fact. In America today, there is more work to be done than people or wealth to do it. We have a continent to clean up and rebuild. There are cities to restore, resources to reclaim, raw materials to harvest more wisely and products to manufacture more safely and with greater care for the consequences of their distribution. A decade ago, we looked to the primitive emerging nations as the last great arena of the work ethic. Now we see that sophisticated, developed nations stand in even greater need and that without much hard, constructive effort, they will rapidly become the declining nations buried under their own excesses.

Having agreed on the need for work, the nature of the ethics

must be considered. Is it ethical to work in the profit system? Is work under such a system as ennobling as work in a "commune" or a "people's republic?" Here again I think that the answer is self-evident. We are, all of us, oriented to the profit motive. In all its forms, it is truly the goose that has laid the golden egg. For some the profit is money, for others, perquisites, for still others, it is an intangible set of values—society, not self-directed. But the glory of our pluralistic, multi-valued system is that there is ethic enough for everybody—just as there is work enough to go around.

Money profit will motivate many, thank heavens, enabling your enterprises to supply our needs, modernize, diversify, protect against pollution and play a more significant role in activities such as minority groups job training and urban rebuilding.

Social profit will motivate many others—enabling them to work constructively, lead creative, productive lives and still dedicate a portion of their efforts to the improvement of life in all its forms.

And spiritual profit will motivate still others as they work in fields where monetary compensation is not paramount but where the satisfaction of service to mankind is its own reward.

Whatever the medium, and I don't think the medium is overly important, hard, honest, creative work of all kinds will be needed if we as a society or as individuals are to have a future. Because there is so much to be done, there can be no free ride for the able, the strong, and the wise—not if we, our system and our way of life are to survive.

## A Job Worth Doing Is Worth Doing Well

He who does nothing, fails never, neither succeeds. He who tries much, succeeds much and fails, sometimes. The honor and personal satisfaction lies not in the success or failure, but in the trying. Wow! What heavy words; but they don't mean much, unless you think about them. What does it mean to try? In each individual case, it means exactly the same. Do your best. When you don't give a job or task your best shot, you cheat yourself. People can't do the same job at the same rate, but the job can get done; it just takes effort. It seems to me that a lot of people would rather make an excuse for their lack of effort or blame someone else for their mistake, than to do what is required of them. Take the case of the person who squeals out loud in the cafeteria, when asked shy, the answer was—a certain person said something to make me laugh. Blame someone else for what you do, is the case: accept no responsibility for your actions; It's not your fault. Wow! Those words are heavier words than the ones at the beginning. You have to accept the responsibility for what you do. In almost every case, you had the option to say "No." Nobody twists your arm and makes you do what you did. Part of growing up is being able to see what needs to be done and doing it, to the best of your ability. It's a lot of fun to try...Who knows, you might succeed. Success is like failure in one big respect; it becomes a habit.

Mr. Tommy Stephenson  
Principal, L. O. M. S.

## Second Lunch Hour Deprived

By Terry Brayboy

Students of the second lunch hour have been deprived of their choice of their noon-time meal. Sometimes juniors and seniors do not get a full lunch every day. On occasions the main course being served is sold out resulting in the juniors and seniors not getting what was originally planned for that day. To me personally this doesn't seem fair. I do not have a solution except maybe changing up every other day, having the freshmen and sophomores eat first one day and the juniors and seniors the next day. That is the only fair way.

## Should We Be All In One?

By Robert Raines

Recently a Paducah radio station raised the question: Do you think the McCracken schools should be consolidated into one county school? Both sides have very legitimate arguments. Included in the arguments are that more money would be left for better school facilities but still not enough to go around. True we would have better ball teams but just the best players could play and the plain ole red blooded American boy or girl wouldn't have a chance to participate in the extra curricular activities. We would like to know what you think about the subject and we will publish your signed comments.

## High School Sports On Their Way Out?

By Jerry Wallace

The economic crisis is now beginning to affect one of the most cherished school traditions—sports.

Many colleges across the country have had to cut back or altogether abandon their sports programs, and the trend is just now beginning in high schools.

Within the past month, sports have been cut out of the San Francisco Schools and most recently, the Springfield, Illinois School System.

This, of course, has left many fine athletes (boys and girls) with no place to turn but to the streets, which is obviously going to be another important side-effect of the economic situation.

While it isn't in the definite plans (no one has mentioned it yet), we could conceivably be next in a long line of school systems to lose their sports programs. Everyone knows that the McCracken County Schools are hard-pressed for funds now, and it will probably get worse before it gets better.

So be proud of what we have here. Some of our peers in other parts of the country aren't so fortunate.

## Do You Know The Facts About Venereal Disease

(Editor's Note: This quiz on VD was taken from a recent issue of the Sun-Democrat, and appeared in Ann Landers column. The quiz originally appeared in the Washingtonian, school newspaper at Washington High School in Kansas City, Kansas.)

Here are some questions in the form of multiple choice on venereal disease. See how many you can answer correctly. The correct answers can be found at the end.

1. VD is transmitted by: (a) Sexual relations with an infected person, (b) Toilet seats, (c) Kissing.

2. If not treated, gonorrhea may turn into syphilis: (a) True, (b) False.

3. The largest number of reported cases of communicable diseases in the United States last year was: (a) Measles, (b) Chicken pox, (c) Gonorrhea, (d) Syphilis.

4. A person with VD will have: (a) Symptoms all the time, (b) Part of the time, (c) No symptoms, ever.

5. If you get syphilis and see a doctor he (or she) can: (a) Help you some but not cure you, (b) Cure you some of the time, (c) Cure you all of the time.

6. The symptoms of syphilis and gonorrhea are: (a) Usually painful, (b) Almost always noticeable, (c) Often hidden, (d) Almost always hidden.

7. If a man and woman both get gonorrhea: (a) The man will notice symptoms first, (b) The woman will notice symptoms first, (c) They will notice symptoms at the same time.

8. The symptoms of gonorrhea may be: (a) A sore on the sex parts, (b) Discharge from the sex parts, (c) A rash on the body.

9. The symptoms of syphilis may be: (a) A sore in the sex parts, (b) A rash on the body, (c) Sore throat, (d) All of the above.

10. Once you have had syphilis or gonorrhea you can catch it again: (a) Yes, (b) No, (c) Only gonorrhea, (d) Only syphilis.

11. If a pregnant woman has syphilis and it is not treated, her baby: (a) Will always be born with syphilis, (b) May be born with syphilis, (c) Will never be born with syphilis.

12. Venereal disease can be a serious problem: (a) Only to people who are careless, (b) Only to people who don't behave properly,

(c) Only to teenagers and young adults, (d) Anybody and everybody.

13. It is correct to say: (a) A "negative" blood test always means you don't have syphilis, (b) A "positive" blood test always means you do have syphilis, (c) If you have syphilis, sooner or later your blood test will be "positive".

14. VD education in the schools will: (a) Make young people curious and lead them to

experiment with sex, (b) Teach them that the disease can be cured and make them less careful about protecting themselves against it,

(c) Provide them with accurate information so they will know how to avoid the disease and emphasize the necessity of seeing a doctor if they should become infected.

The correct answers are as follows: 1. (a), 2. (b), 3. (c), 4. (b), 5. (c), 6. (c), 7. (a), 8. (b), 9. (d), 10. (a), 11. (b), 12. (d), 13. (c), 14. (c).

If anyone who read this test suspects he (or she) has VD, please go to the City or County Health Department for testing and free treatment. Your parents will not be notified.

## Dear Diary

**"We Went To Florida"**

3:30 P.M., Monday, February 10

Dear Diary,

Well, we're on our way. Mama came up especially to see us off. Isn't this exciting? I can hardly wait! It's all so unreal, like it's all a dream. The buses are pretty neat; some of their newer ones I think.

6:00 P.M.

We've stopped to have our "sack" supper. It seems as if everyone brought chicken. Boy, am I stuffed!

11:00 P.M.

So far we've passed through Nashville and Chattanooga. Everyone seems to have settled down for the night—except this dork behind me who keeps saying, "Boy, I wish I was sleepy!" It keeps waking me up! I wish there was more room down on the floor—that's the most comfortable place to sleep.

Tuesday, February 11

We passed through Atlanta sometime during the night, and traded bus drivers. We stopped in Ocala, Florida for breakfast at Davis Brothers Cafeteria. The food was good! We slowed down some since we hit the towns—traffic is pretty heavy. Everything is so green! I can hardly wait!

2:30 P.M.

We're here! The San Carlos Inn is so pretty—and look at that swimming pool. There's a spa, with mineral water pool—It's so neat!

**School Needs Our Support**

By Melanie Mathis

Please support your school. People support their school in baseball, basketball, and football but when it comes to giving money, they seem to go broke. Donna Parker ran for Queen of Hearts (supporting Lone Oak). This is not only supporting Lone Oak but the Heart Fund. Well, Lone Oak was in next to last place because no one gave hardly any money!

Soon the cheerleaders will be selling hats for \$1.00. Please help by buying a hat.

Some of the organizations are selling candy and having bake sales. All these things go to a worthy cause so please spend a little of your money to support your school.

**Juniors Are Put To Work**

The junior class for the first time was forced to use their brains by being tested on their over the past ten years and their intelligent quotient.

Sophomores, if you would like to be prepared you had better be brushing up on such categories as reading, vocabulary comprehension, language mechanics and expression, spelling, arithmetic computations and concepts, applications, study skills, reference materials, and graphic materials.

The juniors were out of class for a total of five hours which was split over three days. The tests taken in the cafeteria, were administered by the guidance counselors.

Later

After everyone got in their rooms, they put on their bathing suits and headed for the pool. The temperature's around 79 degrees. After dinner, everyone seemed to be watching "Sarah T." Right in the middle, Mr. Ransdell called a meeting to give us our curfew, and tell us a few other things. Everyone dashed back to their rooms as soon as it was over, to see the rest of the movie.

Wednesday, February 12

The schedule for our whole day was messed up. The field we were supposed to practice on didn't have any lines on it, and a few people had to go line it off. All of the rest of us had to console ourselves by sitting around the pool and laying out. Too bad! After lunch, we marched on a practice field—it was so hot! Everyone got sun-burned. We ate at a Morrisons Cafeteria for supper—seniors first!

Thursday, February 13

We went shopping at the Edison Mall this morning—it's a pretty nice place. Practice was held for the massed band show this afternoon—how I hate massed band shows! We had to stay at the stadium because supposedly, it wasn't going to be long until the field competition started. We had to stand for hours—and that's no exaggeration. The only good part was when we were playing through our songs—and kids from all the other bands were standing around staring at us. Some of the

chaperones said that they said things like, "They make us look sick!" It surely does make you feel proud! I had never seen so many flags in my life. All those other bands must be drum and bugle corps. When we put on our show—oh, it's too awful to talk about—I don't even want to think about it. When we got back to the motel, R. D. told us that even if we had put on a perfect show, we probably wouldn't have won, because we weren't a drum and bugle corps. He also said for us to think about the Largo invitation, and we would vote on it tomorrow.

Friday, February 14

It's Valentine's Day. Some really neat people (like the Freaky Four) sent valentines to every room. After breakfast, we had a meeting to vote on going to Largo. I was against it, until I heard some of the arguments for going. Like someone said, it would give us a chance to prove to ourselves that we could do it. I voted yes. We practiced some on the street this morning. Right after lunch, we left for the parade competition. I think we did fantastic—so does everyone else, even one of the judges! Immediately following the parade, we changed on the buses, and left for Largo. It was a three-hour trip. The competition there seemed much better organized. We put on a very good show. We still didn't win anything (that drum and bugle corps business again, I think).

See DIARY [Page 7]

Band students seem to have fun at Disney World in Florida.

Students dress up for "50's Day" at LOMS.

**News From The Middle School****"50's Day"**

"50's Day," sponsored by the Lone Oak Middle School Tri-Hi-Y took place on February 7.

On this day, students of all grades dressed according to how people dressed in the 50's. They wore long skirts, bobby socks, oxfords, scarves, high pony-tails, necklaces, horn-rimmed glasses, etc.

An assembly, which was held at 1:00, was set aside for judging. Greta Hipp, who was chairman of the committee for organizing the day, acted as "Master of Ceremonies." Mr. Oliver and Mrs. Cole from the 8th grade, Mrs. Alderson from the 7th grade, Mrs. Hoffman from the 6th grade and Mrs. Doyle, the secretary from the office, acted as judges.

They chose Bruce Halstead, Scotty Thompson from the 8th grade, Dane Fulkerson and John Nichols from the 7th grade and Randy Bennett from the 6th grade as the boy finalists.

The girls chosen were Tammie Hicks, Belinda Riley, Nancy Williams, and Connie Miller from the 8th grade, and Kayla Gill from the 7th grade.

The judges then chose Tammie Hicks and John Nichols as best dressed for the "fifties."

WPSD-TV Channel 6, visited Lone Oak Middle School and made a video tape covering "50's Day." The tape was shown that evening on "People Beat."

**New Teacher**

Mr. Delbert Steele is replacing Mr. Richard Lain in the 8th grade U. S. History and speech department.

**Band News**

The Lone Oak Middle School Cadet band will have some people going to the Murray State solo and ensemble contest on March 1, 1975.

The whole Lone Oak Cadet band will be going to their Concert Contest sometime in the first week of April.

**Choir**

The boys' and girls' choirs of Lone Oak Middle School are planning a trip to Murray on Saturday, March 22, where they will be judged.

**Careers Exploration Day**

The Beta Club, with the help of Mr. Adams, is sponsoring a "Careers Exploration Day." Approximately 20 people, with varied occupations, will visit Lone Oak Middle School.

Each student will be able to make three selections which interest them from a list of many professions. Some of the professions include medicine, law, fine arts, science, education, engineering, and so forth.

**You Are Invited**

The Art Club of Lone Oak High School cordially invites you to join us in the exhibition and sale of your arts and crafts, April 5-6, in the LOHS gymnasium.

Professional area craftsmen will also attend to exhibit and sell. All types of art work will be accepted; we request the work be original. No judging will take place. Come show—and sell!

Please exhibit as a school unit. A \$4.00 admission fee will be charged each participating school. List number of pieces from your school which will be exhibited and/or sold. Be prepared to present this list to personnel at the door. Each piece should have a card attached printed with the following information:

1. Title of work
2. Name of student
3. Name of school
4. Medium
5. Priced amount or NFS (not for sale)

Should a sale be made, 10 per cent is required by the LOHS Art

Club. Sales will be finalized at a designated area of the gym. Proceeds will be handled at the end of each day. Sale record forms available. All material in the gym will be guarded Saturday night, April 5. However, the LOHS Art Club will not assume any responsibility for damage to or theft of any items. A representative should be provided from your school to be seated with its display at all times.

The gym will open at 8:00 a.m. Saturday, April 5. A reception committee will provide information. Show hours are Saturday, April 5, 10:00 a.m. to 6:00 p.m., Sunday, April 6, 12:00 a.m. to 6:00 p.m.

Admission to the public will be ten cents per person. Light refreshments will be available.

Please reply before March 15, to: Lone Oak High School Art Club, Lone Oak High School, College Avenue, Paducah, Kentucky 42001. We hope to see you and share ideas.

## Poetry Corner

I feel like a leaf in the fall of my years.  
I feel past my prime.  
I no longer belong here.

Will I wither up and blow away,  
And wander about all my days?

The wind is cold the ground is bare.  
I search and search.  
There's no one there.

Empty and lonely, I stop and then  
Tell myself, "There'll be someone."  
But when, oh, when?

Will I lie away and be forgotten,  
A moldy leaf, torn and rotten?

Maybe anew in spring I'll bloom, upon a lovely tree.  
Maybe I'll be born again.  
Oh, a dream for me.

P.K.

### The Night Has A Thousand Eyes

The night has a thousand eyes,  
And the day but one;  
Yet the light of the bright world dies  
With the dying sun.

The mind has a thousand eyes,  
And the heart but one;  
Yet the light of a whole life dies  
When love is done.

—Francis William Bourdillon

### Each a Part of All

There's a part o' the sun in an apple;  
There's part o' the moon in a rose;  
There's a part o' the flaming Pleiades  
In every leaf that grows.  
Out of the vast comes nearness;  
For the God whose love we sing  
Sends a little of His heaven  
To every living thing.

—Augustus Wright Bamberger

## DOLLS

Jamie Tolbert - wind her up and she giggles.

Glenn Hendon - wind him up and he walks through glass doors.

Michelle and Laura - wind them up and they end on the absentee list.

Tony Deluna - wind him up and he makes a basket.

Mrs. White - wind her up and she says SHHHH!

Terry Harned - wind him up and he buys a new car.

Alan Swinney - wind him up and he goes swabbie.

Shelby Austin - wind him up and he quacks.

Jamie Litty - wind her up and she eats, and eats, and eats.

Linda Just - wind her up and she talks.

Mr. Murphy - wind him up and he sings.

Tri-Hi-Y - wind them up and they start selling candy.

Teresa, Nancy, and Terrie - wind them up and they scream.

Band - wind them up and they yell Rhutabaga.

Haroldette and Len - wind them up and they jog.

Donny Gage - wind him up and he draws.

Randy Walls - wind him up and he stays out of trouble???

Susan Greeno - wind her up and she wears a new hat.

Nancy Etter - wind her up and she acts innocent.

Mark Hammonds - wind him up and he sleeps.

Phyllis Holloway - wind her up and she has a wreck.

Weiner Winstead - wind him up and he does as little as possible.

Charlie Pickering - wind him up and he cuts you down.

Basketball team - wind them up and we go to STATE!!

Mr. Sensing - wind him up and he woops!

Rocky Turley - wind him up and he runs out of film.

Mrs. Cooper - wind her up and she blows her nose.

## Ask Alice

Well girls, it's about time to start thinking about your spring wardrobe. But before you start buying anything, wouldn't you like to shape-up for that new outfit? Were you one of those unfortunate people who put on a few unnecessary pounds over the winter months? Well, if you want to get into last year's bikini or look great in a new one, you will have to take drastic action.

A good way to start your "rehabilitation" program is with an everyday exercise plan. To get your blood circulating in your veins, start your exercise program with 27 jumping jacks. Now that you're ready to go, do 10 push-ups, 25 sit-ups, 10 squat thrusts, 10 windmills, and 10 leg lifts. If you still have a little get-up-and-go, you might try running in place for one minute. It is advisable to start your exercise program at a slow rate and then work up to your

desired number of exercises. If you want to be successful, you will have to stay with your plan each and every day!

If matters come to worse, there is the old exercise called "push away" from the table. To be able to do this exercise, you must practice self-control. Eat plenty of the right foods, such as meats, vegetables, fruits, and milk. The main secret is to leave off the sweets. Eat plenty, but of the right things. Always leave the table hungry.

The out-of-doors girl will enjoy bicycling and jogging to help her get into shape for spring.

Whichever method you choose, diet or exercise, stick to it! You will get noticeable results, maybe even a whistle from an innocent bystander. Now that you're getting in shape for that new spring wardrobe, check out the styles for spring with "Ask Alice" next month.

## Can You Play The T. V. Title Game?

The following items are roles of things pertaining to school and the name of a TV show we feel fits it best. The shows contents have nothing to do with it just the title.

Counselor - "Human Dimension"  
School secretary - "Emergency!"  
Hall monitor - "Password"  
Bus driver - "Movin' On"  
Cafeteria staff - "Special of the Week"  
Truant officer - "Herald of Truth"  
Female students - "The Dating Game"  
Male student - "Beat the Clock"  
Principal - "Mission: Impossible"  
Biology class - New Zoo Revue

Misery is when everyone says you have a beautiful mother and you look like your father.

Misery is borrowing a dirty book from the public library and all the good pages are missing.

## "A Game" Wins Honors At MSU

Lone Oak's Thespian Troupe 2469 won second place in the Regional Drama Festival. "A Game" was the one act play presented by the troupe.

The festival was held at Murray State University on February 8. Jan Williams, Huey Anderson, Patti Templeton, and Susan Scheer were the actors. "A Game" was sponsored by Mrs. Norma Chenault.

Three members of the cast, Huey Anderson, Patti Templeton, and Susan Scheer, received special recognition by being selected to be in the regional All Star Play Cast. This is indeed an honor, as only six people were chosen to be in the cast.

Today is a bright and beautiful day only if you make it that way. —P.K.

Minds are like parachutes. They function only when open.

Learning to love and being loved; that's all there is to living.

Those who bring sunshine to the lives of others cannot keep it for themselves.

## March's Holiday Is A Tribute To The Irish

St. Patrick's Day is a many-sided holiday; a religious, political, and joyous affair, full of the pleasures of good fellowship and conviviality.

When and where the March 17 holiday was started is not known. Today it is celebrated wherever there are Irishmen or descendants of Irishmen. Of course, St. Patrick's Day celebrating is by no means limited to Irishmen. A contemporary American slogan declares, "Everybody's a little bit of Irish on St. Patrick's Day!" A growing number of people each year observe the occasion by sending special greetings to their relatives and friends.

It is customary to wear a shamrock on St. Patrick's Day. This custom was said to have begun when St. Patrick tried to teach his converts about the Trinity. He held up a shamrock explaining that the three leaves represented the Father, the Son, and the Holy Spirit, while the stem was the Godhead itself from which they proceeded. Scholars have discovered that the shamrock was initially used in ancient Celtic fertility rites. It represented a triad of goddesses and its green leaves were burned and the ashes sprinkled over the fields to promote growth.

St. Patrick's Day is a day of great thirst for the Irish. The bars and pubs are filled and the beer

flows green. According to one legend, St. Patrick taught his countrymen the art of distillation. Poteen, the one-time traditional drink of this day, was said by some to have been named for St. Patrick. In truth, however, St. Patrick and his followers kept a strict abstinence from alcohol. His celebrating compatriots of today can be said to be spiritual in a more earthly way, their spirits being more potable than prayerful.

In America, the first secular celebration of St. Patrick's Day appears to have been in 1737 by the Catholic Irish Society of Boston, which was founded that year "for the relief of the poor and indigent Irishmen reduced by sickness, shipwreck, old age or other infirmities."

The Friendly Sons of St. Patrick in Philadelphia celebrated the day in 1780, and 1784, the New York branch of that society was organized by Irish veterans of the Revolutionary War.

Today, in the United States, the holiday is observed almost everywhere. Irish societies hold their annual affairs. Businesses, factories, and schools take on a green hue as employees and students sport their shamrocks and green articles of clothing. Parades are staged in Philadelphia, Cleveland, Boston, Los Angeles, Savannah, Atlanta, and New York City.

### THESPIANS CLUB

The meeting was called to order. Minutes of the last meeting were read. The Troupe discussed buying sweaters for themselves and decided to get jackets instead. The Thespians were invited to see the Market House play, "How the Other Half Loves." They accepted the invitation and enjoyed the play very much. They recommend that everyone see the Market House plays. They would enjoy them. The cast for the Spring play was decided and is now posted outside Mrs. Chenault's room.

### PEP CLUB

The Pep Club held its monthly meeting on February 13, 1975. Plans for the District Tournament were discussed. The club will paint the chairs for the basketball teams

on a Saturday that will be announced. Those who wished to paint, signed up. The signs of each school's symbol will be hung in the gym during the district tournament will be painted by the Pep Club.

Pep Club will pay the Art Club \$5.00 per sign to paint them. They will use their own materials.

Mrs. Senter stated that the Pep Club needed to nominate a Queen Candidate for the Heart Fund Dance. She said the school who

raised the most money for the Heart Fund gets to crown their Queen candidate as the "Queen of Hearts." The Lone Oak High

School cheerleaders will collect money downtown on Friday, February 21. The Heart Fund dance will be held Saturday night, February 22, at the Jaycee Civic

Center. There will be a \$1.00 donation. The queen will be crowned at the dance. Nominees were: Judy O'Neal, Donna Parker, Tracy Pleasant, and Laura

Spencer. After voting, Donna Parker was elected to be Lone Oak's candidate to the contest. The cheerleaders urged the Pep Club to support them at the district tournament when they are in competition. If they win, they will advance to the regionals.

### FFA

The chapter held their last meeting on February 6, 1975. All officers were present, and there were 67 members at the meeting.

This year's winners in impromptu and public speaking are as follows: Beef, Mark Stevens; Swine, Steve Rutherford; Dairy, Jeff Slushmeyer; Horticulture, Ricky Farley. The public speaking was won by Tim Tilliotson and in the Freshman class the winner of the creed contest was William Matthews.

The new road signs have been put at the outskirts of Lone Oak and the radio program has been set up with the other schools in the area and will be presented in the near future.

There are 21 members in the chapter that have attained the chapter farmer degree this year.

Jeff Slushmeyer and Jimmy Donaldson accompanied Tonya Leschon to the District meeting on January 29, where Tonya represented our chapter in the district sweetheart contest.

### FTA CLUB

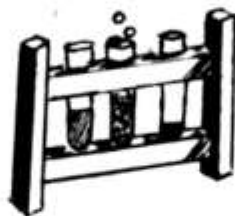

The Future Teachers of America Club has changed its name to Student Action for Education. With this name change is a change of image.

The members are discussing the role that education plays in our lives today and in the future. With change and technology developing so rapidly, education will also have to change. Today's students must begin to think about what kind of world they want their children to grow up in and what kind of role they want education to play in the new world. The Student Action for Education Club will begin these discussions at the March meeting. They are planning programs that will utilize outside speakers, field trips, and movies.

Anyone interested in participating in the Student Action for Education Club who is not now a member of any other club is cordially invited to attend the March meeting in Room D-204.

### PHYSICAL SCIENCE CLUB

Physical Science Club members began preparing their printed Circuit boards. Printed circuits are very small circuits with no break in them. They are planning on using the circuit boards to make transistor radios.

### DECA

The Region 1 DECA Conference was held February 10, 1975 at Murray State University. There were 24 students, Mr. Rushing and Mr. Herold that attended from Lone Oak.

Mark Edwards, president of the Lone Oak Chapter and Region 1 Reporter won "Boy Student of the Year for Region 1." This is one of the highest honors for a student in Distributive Education. He will compete in March for State Honors.

The Parliamentary Procedure Team from Lone Oak won 1st place. Members of the team are Kevin Casey, Ronnie Goode, Eric Ham, Dale Liles, Michelle Ritchie and Terella Richardson.

Starr Vinson won 3rd place in the DECA Sweetheart Contest. Kirk Dixon placed third in the Advertising Layout Contest and Mark Edwards won 2nd place with his Merchandise Information Manual on Diamonds.

Terella Richardson was elected Region 1 Parliamentarian. Students are now preparing for the State Career Development Conference to be held at the Galt House in Louisville.

### FHA

On December 3, the FHA club members met to elect the FHA sweetheart for the 1974-75 school year. Nominated were the following: Craig Stubblefield, Tom Sutton, Randy Wright, David Cavanah, and Ricky Farlee. Chosen was Tom Sutton with special recognition to Craig Stubblefield. Plans were discussed to have a bake sale for this month's activities.

### FBLA

The Lone Oak Chapter of the Future Business Leaders of America held their monthly meeting on Thursday, February 6, 1975 in the Business Room at 12:30 p.m., President Jane Shaffer presiding. Bev Keebler, Secretary, read the minutes and they were approved as read. Huey Anderson reported on the progress of the state FBLA scrapbook. He sent in pictures and other information to the State Historian to be entered in the state scrapbook.

The club sponsored four bakesales in the Business Department to raise money for the FBLA Scholarship Fund. A check for \$25 was sent to the State Treasurer.

Miss Ann Palermo, executive Secretary of the March of Dimes, was the guest speaker. Miss Palermo talked about nutrition, teens and healthy babies; drug problems with the youth; the community health problems; and the functions of the March of Dimes. She showed a film entitled, "Suddenly Life." The annual March of Dimes Walkathon is scheduled for Saturday, April 5.

Some calendar of events for FBLA are as follows:

February 9-15—FBLA Week  
April 3—Regional Conference, Murray  
April 24-26—State Conference  
June 19-21—National Conference

## DIARY (Cont. Page 3)

Saturday, February 15

We got back from Largo at 3:30 this morning. After our three-and-a-half-hour beauty sleep and breakfast, we went to the beach on Sanibel Island. It was really fun. The water was rather cold but not too bad, once you got used to it. We spent a lot of time looking for shells. Some others built a sand lady, and a few people even got buried in the sand! As soon as we got back, we had to get ready for the Parade of Lights. We were unit no. 70 in the parade—we had to wait for three hours. While we waited, we gave our "Rutabaga" yell, and sang and played a bunch of our songs. It was neat. The parade was about two miles long—and it was packed with people the whole day. We marched from the yacht harbor to the stadium. When we got to the stadium, we had to get ready for another massed band show (what a bore!!). We finally got back to the motel. We had to get our uniforms and hats loaded on the van. Fortunately most of my packing was already finished.

Sunday, February 16

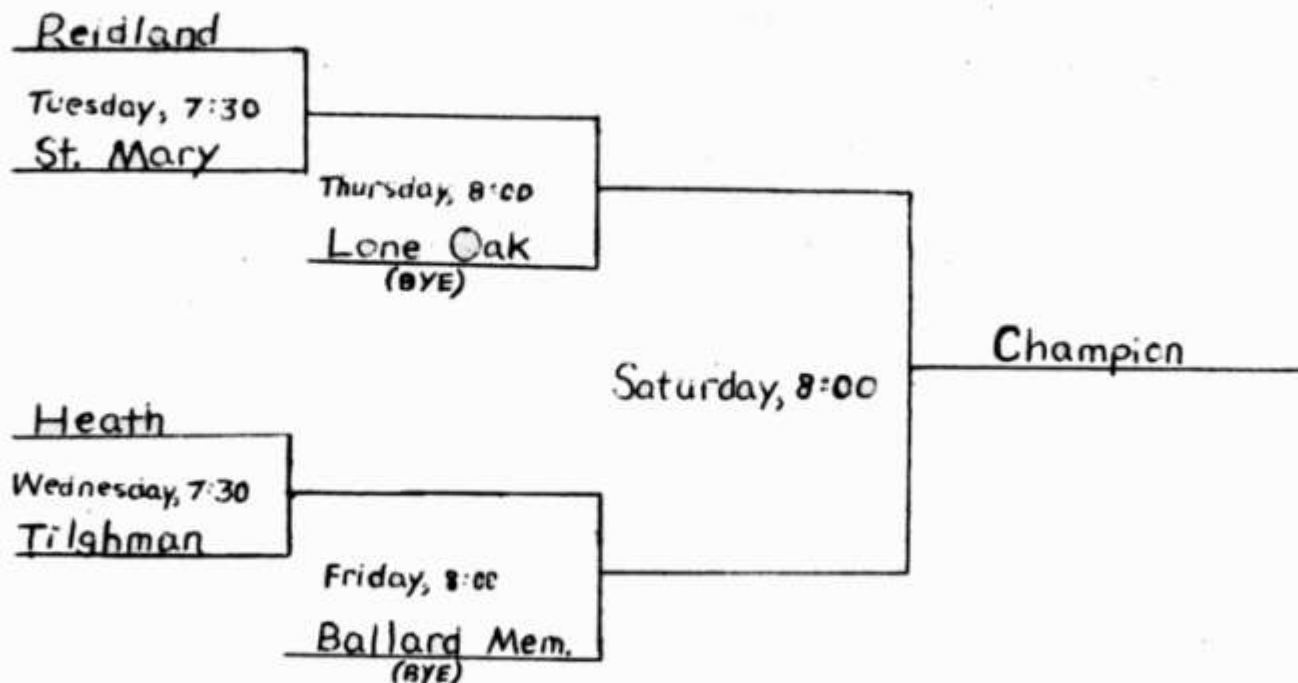

We got up early—5:00! We left immediately after breakfast to go to Disney World. On the way, we stopped at the Orange Ring, a place that sells fruit. It gave everyone a chance to get Florida oranges and grapefruit. We arrived at Walt Disney World around 11:00. We rode the monorail inside. The whole place is so neat! Once inside, we saw very few other members of the band—maybe twenty in all. That was weird! We didn't get to see it all—it's so big. We spent most of our time on Main Street U.S.A., Fantasyland, and Liberty Square. We didn't even get inside Adventureland! I had my picture made with Pluto. Isn't that neat? We had to leave at 5:30. Boy, were my feet killing me!

Monday, February 17

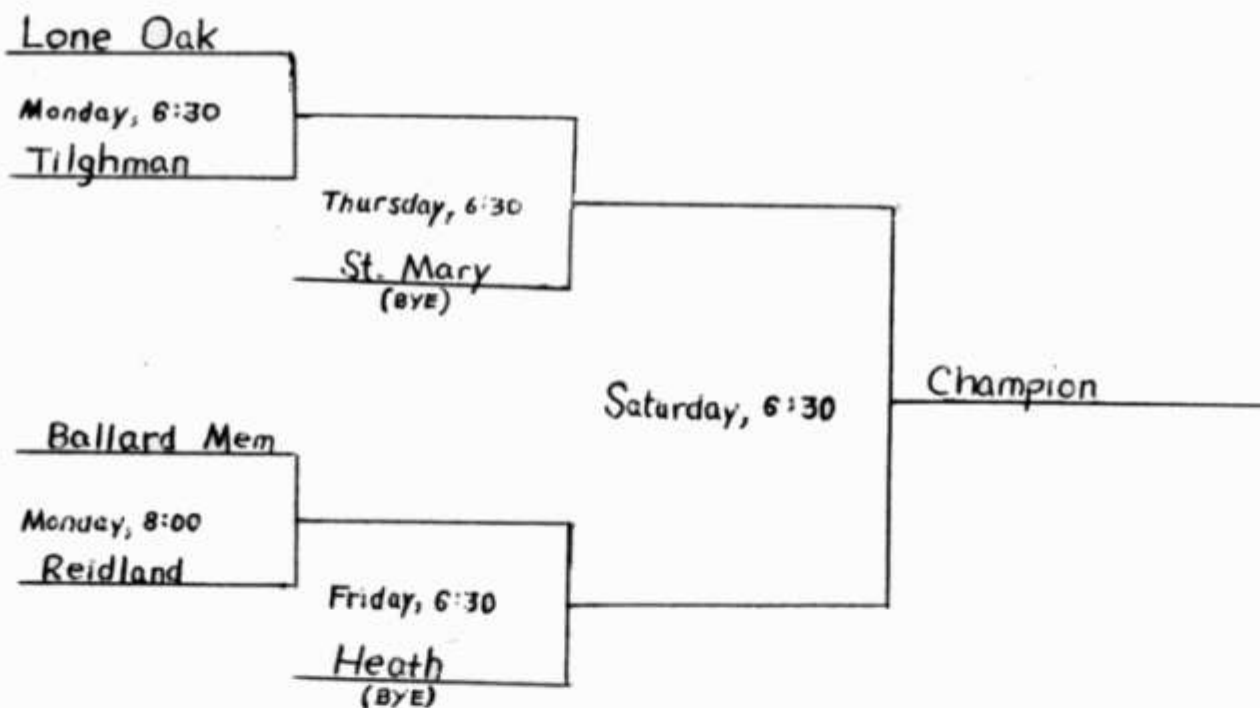

The bus trip home wasn't too bad. We ate breakfast at some strange cafeteria in Chattanooga. I felt sick on the bus—tired of riding, I guess. I'm glad we're back, but our arrival was rather depressing. The weather is really a change. I want to go back!

# District Tournament Will Be Played at Lone Oak Mar. 3-8

Lone Oak basketball fans have never had much to yell about as far as post-season play is concerned, and more specifically, have never had the opportunity to follow their "boys" to the Sweet Sixteen State Tournament. Could this be the year?

It's certainly not out of the question. This year's boys' team, probably the best here since the '65-'66 squad, rates a good chance of getting out of the region.

But first—the District Tournament. This year's Second District tourney will be staged here at Lone Oak March 3-8 and will also feature girls' tournament action.

It seems to many people that we here at Lone Oak have been "snake-bitten" in recent drawings for the Tournament. That could, of course, just be an alibi for what has been generally unsuccessful

tournament performances over the past decade.

This year's pairings, drawn February 9, obviously favor regional kingpin Paducah Tilghman, but Purple Flash rooters can't be overly disappointed with their placement in the upper bracket bye. The Oakers are scheduled to play the winner of the Reidland-St. Mary game which will kick off the boys' action Tuesday night at 7:30. Lone Oak will play the winner of that contest Thursday night at 8:00.

In lower bracket action, Heath will meet Tilghman Wednesday night, and Ballard Memorial will play that game's victor Friday night.

The outlook for the girls' team and their followers is not near as bright. The Lady Flash will meet Paducah Tilghman at 6:30 Monday

night, and if they can spring the upset which they are certainly capable of doing, will face St. Mary on Thursday night in semi-final

action. It might be pointed out, however, that the Lady Flash are improving with every game, and the Lady Tornado are currently in a tailspin.

The girls championship will precede the Boys' title tilt on Saturday night, March 8.

Admission prices will be \$2 for adults, and \$1 for students each night. Each school will receive 400 student tickets and 200 adult tickets for pre-game sales for each night it plays; or, if both boys' and girls' teams from the same school play on the same night, the ticket allotment will be doubled.

## Oakers 82 Cards 71

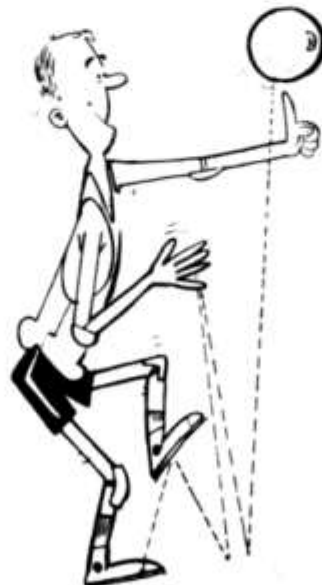

A 13-2 Purple Flash blitz in an overtime period lifted the streaking Oakers to an 82-71 victory over fifth district foe Livingston Central.

Kenneth Reeves knotted the score at 69-69 with a fifteen footer just before the buzzer to send the contest into overtime.

Ronnie Goode scored 8 of his game high 29 points to key the Flash spurt in the extra period.

Early, it appeared as if Lone Oak would easily roll to their fifteenth win, but the Cardinals cut into the lead little by little and almost pulled the big upset.

Four others besides Goode finished in double figures for Lone Oak: Deluna, 14; Casey, 12; Reeves, 10; and Edwards, 10. Buchanan and Smithmier had 4 and 3 respectively to round out the scoring.

## Tilghman Girls Defeat Lady Flash, 63-39

Most teams who score the first 17 points of the game come out on top at the game's end. That case held true January 31 when the Tilghman Lady Tornado defeated the Flash girls 63-39.

The 17-0 lead gained by Tilghman did not upset the Lady Flash to a great extent, apparently. The determined Lone Oak quint fought back to within eight at 27-19 and trailed 31-19 at halftime.

The Ladies in Blue outpointed the Lone Oak girls 13-5 in the third stanza and increased their lead to an irreversible 43-24. Julie Buchanan highlighted her team's play in the final quarter as she tallied 11 of Lone Oak's 15 points.

Kathy Herndon paced the effort with 15. Julie Buchanan followed closely with 14. All with 2 points were: Sherry Turley, Kara Kenyon, Susan Courtney, Missy Farrell, and Alice Williams.

## Flash Buck Rough Riders

Senior forward, Ronnie Goode sacked 40 points in a triumph over the Symsonia Rough Riders, Valentines day. Tony Deluna hit 18 points and took 10 rebounds

from the boards. The Flash hit 33 of 56 field goal attempts. They hit 22 of 26 from the free throw line. Lone Oak is 15-4 and is ranked fourth in the region.

## Herndon and Farrell Spark Lady Flash

Kathy Herndon and Missy Farrell led the Lady Flash to a resounding 39-18 win over the Heath girls squad. Kathy connected for 14, most coming on baskets under the goal, while Missy Farrell, hitting from long-range, finished with 11 markers.

The real story of the game was the defense displayed by both teams, particularly that of the Lady Flash. The Lady Pirates failed to score the first four minutes of the contest, and had only two points to show for the entire first stanza, which Lone Oak took 9-2.

The second canto proved to be Heath's best. They were outpointed by only 7-6 as the Lady Flash took a 16-8 lead into the dressing room at halftime.

Miss Farrell canned six points in the third stanza, which saw the Oakers gain a 28-12 advantage. Kathy Herndon tallied five in the final quarter as Lone Oak widened their margin to 21 at the game's end.

Others scoring for the victorious Lone Oak girls were: Julie Buchanan, 5; Lenora Brooks, 4; Susan Courtney, 2; Terry Burton, 2; and Alice Williams, 1.

## Lady Lakers Rally, Upend Lady Flash

Lone Oak's Lady Flash, playing without the services of star forward Kathy Herndon, succumbed to the Lady Lakers of Calloway County, 37-36.

Lone Oak led 35-28 at the third quarter horn before the roof caved in. Calloway outpointed the Oakers 9-1 in the final stanza to pick up their third win of the season.

Julie Buchanan paced the Flash with 15 markers. Rounding out the scoring were: Farrell, 6; Courtney, 5; Brooks, 5; and Williams, 3.

The loss set the Lone Oak slate at 6-8.

## Flash Defeat Pirates 70-53

SPORTS [Heath Boys]

A fabulous third quarter performance by the Lone Oak Purple Flash brought the curtain down on the Heath Pirates in a game eventually won by the Oakers 70-53. The pesky Pirates matched point-for-point with the fifth-ranked Lone Oak quint in the first half, and shared a 30-30 deadlock at the halftime intermission.

The Purple Flash quickly proved their supremacy in the third stanza. Tony Deluna sank a bucket a minute into the quarter to give the Flash a lead they never relinquished. Ronnie Goode, who finished with a game-high 30 points, bucketed eight points in an Oaker surge which produced a 53-37 lead at the third quarter horn.

The smaller Bucs could get no closer than 13 points the remainder of the game, as the Powerful Flash rolled to their fourteenth win of the season, against only four losses.

Following Goode's 30 in the scoring column for the Purple Flash were Deluna with 19, Casey with 10, Smithmier with 4, Edwards with 3, and Buchanan and Reeves with 2 each.

## Blue Avenges Earlier Loss With 74-59 Win

Tilghman's Blue Tornado thwarted a strong Oaker bid for a second straight upset with a 74-59 victory. The game, played in the Tilghman gymnasium, was not as close as the final score would indicate. The upset-minded Flash trailed by only three at the close of the third stanza. The Bluemen rolled up the first eight points of the fourth stanza, however, and were never threatened again.

Lone Oak's largest lead of the game occurred late in the first stanza, after a three-point play by Ronnie Goode gave the Oakers a 13-9 advantage. Tilghman came back to knot the score at 15-15 at the first quarter horn.

The second quarter, as well, was pretty much a standoff, with the Tornado maintaining a slim 31-29

lead at intermission.

Star forward Ronnie Goode picked up his fourth foul early in the third canto. That didn't adversely affect the Purple Flash performance as the Oakers continued to hang close with the tenth-ranked (in the state) Tornado.

Tilghman lived up to their billing in the last stanza, as they pulled out to a commanding 60-49 margin a few minutes into the quarter, and coasted to yet another win in their very successful '74-'75 campaign.

Kevin Casey paced the Flash with 17. Tony Deluna was next with 14. Ronnie Goode eventually fouled out and wound up with only 10. Others scoring were: Buchanan, 8; Reeves, 6; and Smithmier, 4.

## Tourney Test

If Ronnie Goode scored 40 points at Symsonia, put a G in the first blank.

If Joanne Haley is student teaching under Mr. Mizell, put a C in the seventh blank.

If Lone Oak has won 16 basketball games thus far this year, put O's in the second, third, tenth, and thirteenth blanks.

If the football team had a winning record this year, put a D in the fourth blank.

If Kim Thomas was the 1975 Basketball Queen, put L's in the fifth and ninth blanks.

If the Lone Oak gymnasium can seat at least 1000 people, put an N in the eleventh blank.

If Mr. Hopper is the Freshman basketball coach, put a K in the eighth and fifteenth blanks.

If Deanna was this year's Football queen, put an A in the fourteenth blank.

If the Second District Tournament is being played here next week, put an E in the twelfth blank.

If Mr. Sensing got "burned" first period last Wednesday, put a U in the sixth blank.

----- / ----- / ----- / -----
