Tammy Tinsley
Editor

All of us treasure the memories of our high school years. I hope this book will aid you in remembering your 1976 school year. As you strive to reach your goal in life, go forth with the same spirit and enthusiasm with which you have met the challenges of the past year. I would like to thank all of the people, especially Mr. Bill Farr and Mrs. Nancy White, for all the help they have given in putting together this annual.

Sandy Sisson
Assistant Editor

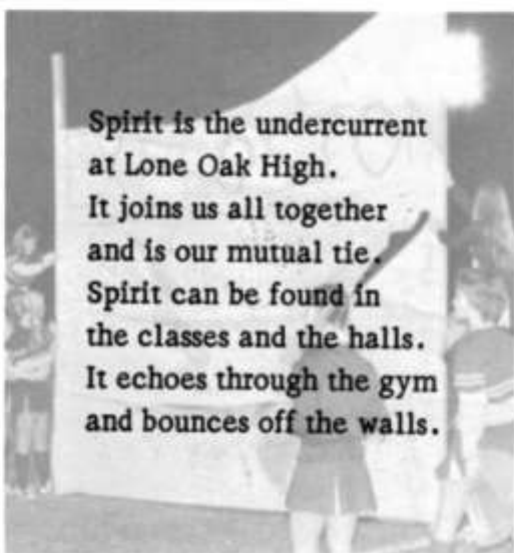

Everyone wants to have something to remind them of the days when they were in school. I hope that this year's 75-76 Oak Leaves fulfills all the memories and the happiness of "each" individual. My sincere thanks go to Mrs. White, journalism teacher, and to the Oak Leaves annual staff.

*The Oak Leaves Staff
Dedicated This Annual to*

Our Dedicated Teachers

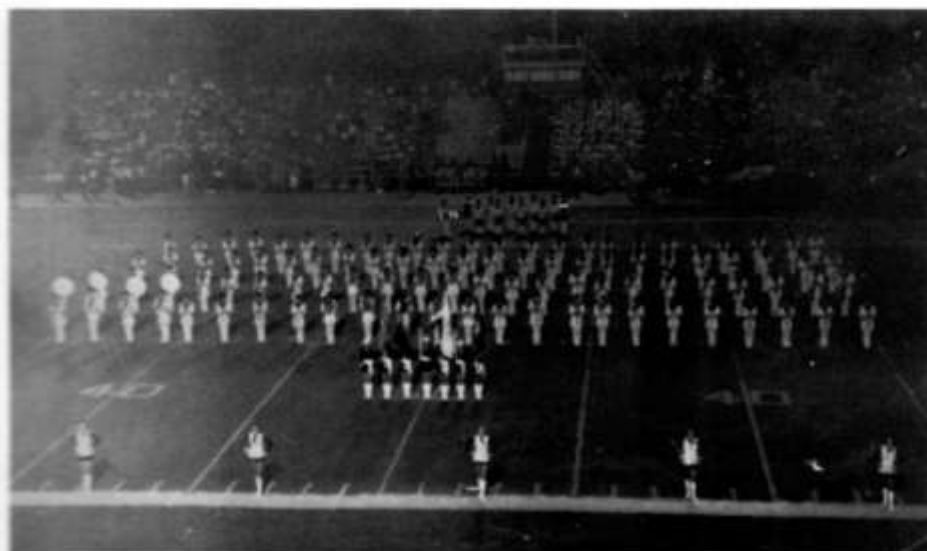

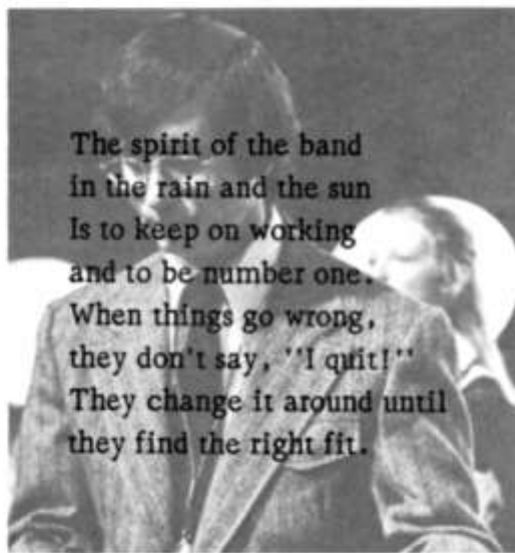

There are many kinds of spirit and all can be found,
By listening to the noise and by looking around.
People working together for one common goal -
To keep Lone Oak High at the top of the pole.

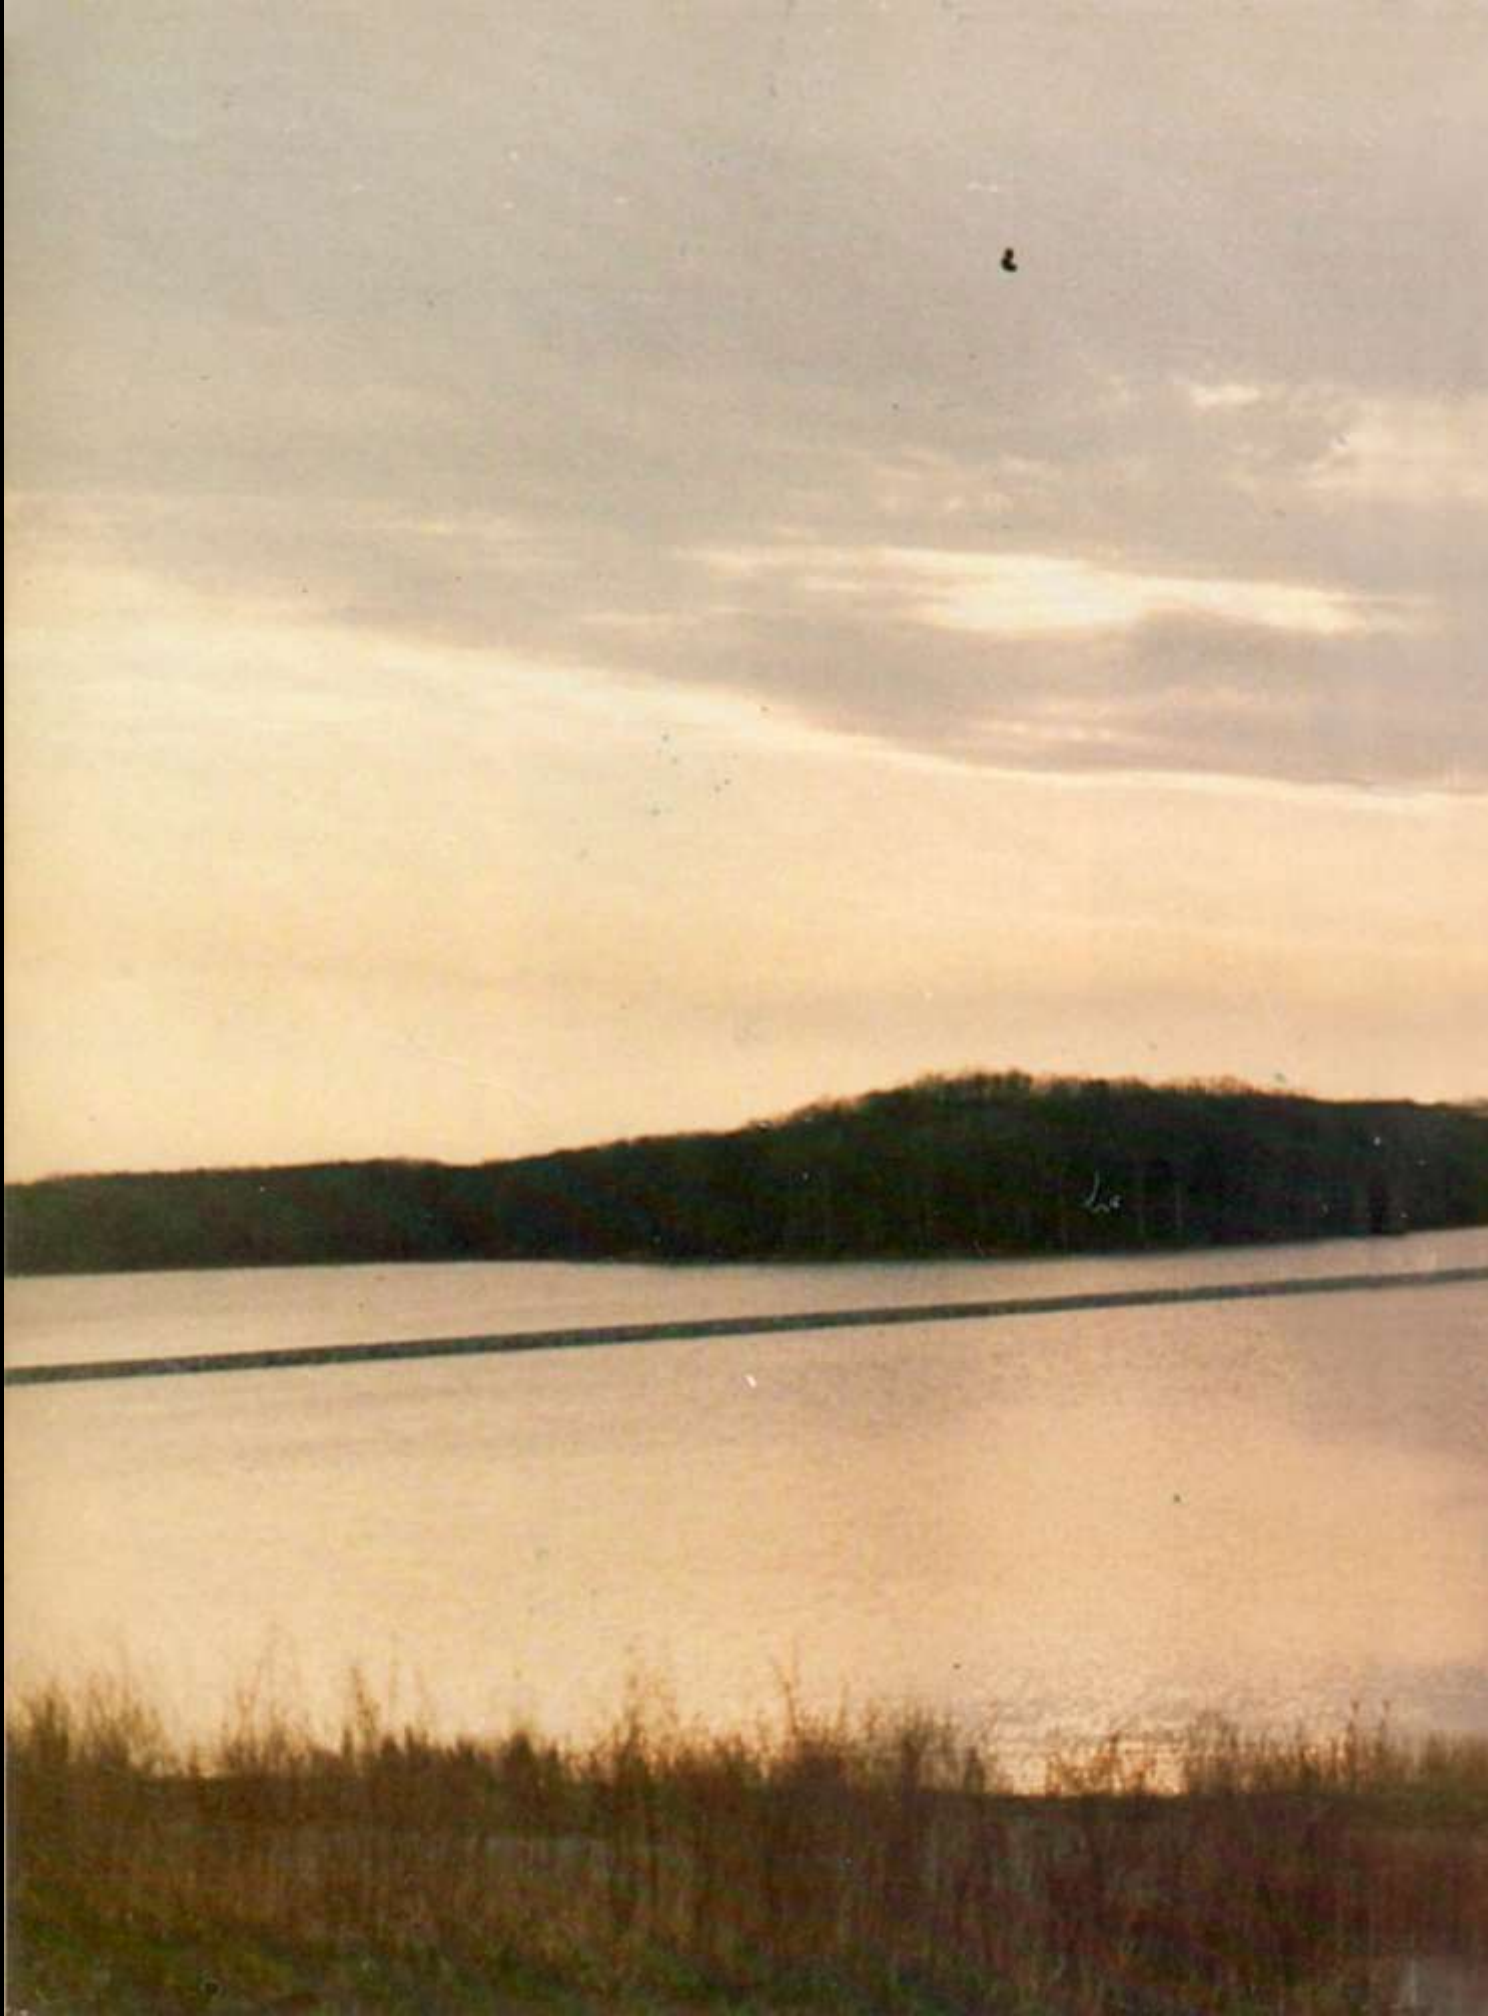

The spirit at a ballgame as
our team takes the field
Has started at a pep rally
with enthusiasm and zeal.
The team works hard and
we're very proud of them
As they play a good game
and push on to win.

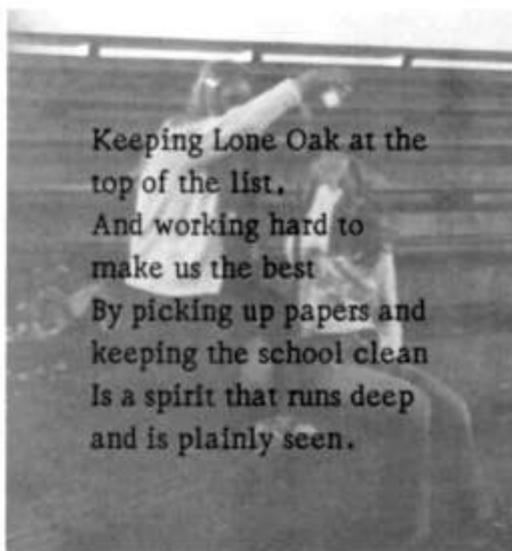

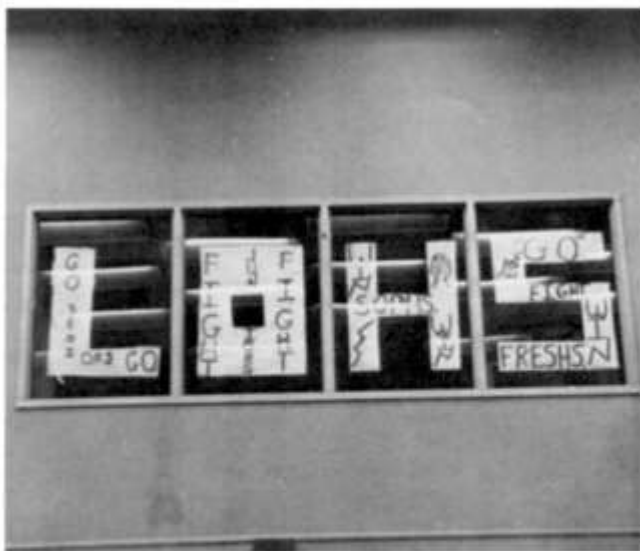

The spirit of sharing can
also be found -
Having fun with friends
and running around.
Remember the classes and
the times we've had,
Remember all that's happened,
both the good and the bad.

The spirit this year
is especially great,
Not only at Lone Oak
but in the United States -
For it's our bicentennial
and proud we should be
To be a part of this
country, so strong and free.

Spirit as we've said is
Lone Oak's life source
It's what has made us
one strong force.
All of these together
make Lone Oak what it is
A really great place -
that's what it is.

Memories you can't beat are:
Pinocchio and "Sally" - but
Most of all, classes we've cut
And the money we've won
Playing three-card-gut.
How great they are!

Memories you can't beat are:
The ACT's and the SAT's,
Making C's and getting B's,
Going to classes
And paying our fees.
How great they are!

Memories you can't beat are:
Being late to class
And not having a hall pass;
Drinking "Jack Daniels,"
And running out of gas.
How great they are!

. . . . Probably the best way to reach any goal is to have a good attitude. We sometimes think that wealth, good looks or popularity are the main ingredients for a happy life, but it is far better to have a good attitude. I know a good attitude never won a beauty contest or bought a new car, but a right attitude will supply the desire and motivation to live a happy, healthy successful life without hurting others in your conquest.
