'Voices' Takes First Place At Contest

On February 14, the drama department performed at Murray earning the title of first place in the region. The region includes 12 counties.

The cast performed "Voices", a play written by Richard Lortz.

The five character cast was as follows:

Tony Keeling	Robert
Melody Wyatt	Clara
Susan Anderson	Jessica
Jon Perdue	John
Teresa McNew	Mother

As a result of this performance, two members of the cast, Tony Keeling and Melody Wyatt, received the best actor and best actress awards. The All Star Cast Award was given to Susan Anderson and Teresa McNew. Over all, the play was rated with one superior and two excellents.

This was the first time that Lone Oak has won in 12 years. Also, Lone Oak brought home all the trophies and was the only school to receive a superior rating.

The cast prepared all the props and sound effects.

"Voices" will be performed in the student lounge, hopefully in the near future. As one member of the cast stated, "You have to see it to believe it."

DECA

Attends Conference

On March 11, 12 and 13th the Lone Oak DECA Chapter attended the annual state DECA Conference in Louisville. Those attending this meeting were: Patti Robinson, Patti Templeton, Kelly Shoulta, Terry Harned, Eddie Jarvis, Glenn Hendon, Dawn Mungle and Kim Houser as voting delegates. Alternate delegates were Ronny Millay, Dwayne Winstead, Jeff Shuemaker and Jerry Baucum.

Attending the conference as Region I DECA Sweetheart and running for state was Starr Vinson. Her escort was Jeff Shuemaker. The chaperones were Mr. Rushing and Mr. and Mrs. Herrold.

On Thursday the 13th a general meeting and the three major classes of tests were taken. The tests were Spelling, Advertising and Mathematics. On Friday the 14th there were general voting delegate meetings and displays of different competitive events. That evening there was a banquet which included the parade of sweethearts and several awards were given. Following the banquet was a dance featuring "Free Reign". On Saturday morning all the remaining awards were given and the meeting was adjourned.

During the stay all the regions in the State of Kentucky raised \$10,000 plus to pay for their room in the National DECA building in Washington, D.C.

Mr. Buddy Rushing served on the board of directors for the '76 DECA conference. Awards received were by Starr Vinson for "Outstanding Chapter Member."

He is an instructor of voice at Paducah Community College as well as choral director at Lone Oak.

In 1973 and '74, Mr. Murphy served as guest director of the McCracken Junior High School Choral Festival.

The Festival of the Nations is sponsored by International Festivals, Inc., a non-profit corporation formed to encourage and support high quality performance by non-professional American bands, choirs, and orchestras in music festivals held throughout the world.

The Lone Oak Choir will perform for adjudication at the T.C. Williams Auditorium. Judges for the performance will include Major Allen Crowell, director of the United States

Army Chorus; Capt. Barry Epperley, conductor of the United States Army Chamber Orchestra; Vito Mason, Profes-

sor of Music at the American University, Washington, D.C.; Dr. William Christ, associate dean of the Indiana University

School of Music; and Dr. James Fisher, consultant in music education for the Maryland State Department of Education.

While in Washington, the choir will also perform at the Walter Reed Hospital Forest Glen Chapel. The students will also attend a concert given by the United States Marine Band and tour the John F. Kennedy Center for the Performing Arts.

LO Choir To Participate At Festival Of Nations In Washington D.C.

The 68 member Lone Oak High School Choir has been invited to participate in the Festival of the Nations held in Washington, D.C. from May 15 to 18.

The choir, under the direction of George Murphy, presents several programs for local service organizations each year. At Christmas, the group presents its annual Candelight Concert.

In 1975 the choir received "superior" ratings while participating in the Six Flags Over Mid-America Choral Festival.

In the past, Lone Oak choirs have had the opportunity to work with several noted directors including Richard Condie of the Mormon Tabernacle Choir.

Each year Lone Oak High School sends students to the Kentucky All-State Chorus and the Quad-State Choral Festival held in Murray.

The director, Mr. Murphy, received his bachelor's and master's degrees in music education from Murray State University. He is a member of several organizations, including the Kentucky Music Educators Association, the American Choral Directors Association, and the Kentucky Education Association.

Mr. Murphy serves as a board member for the American Youth Symphony and Chorus, and as president of the Paducah-McCracken County Choral Directors Association.

Kathy Steger is crowned 1975-76 Basketball Homecoming Queen.

Kathy Steger Chosen As Lone Oak's Queen

It was Friday, February 27, and five girls at Lone Oak were all waiting for the big moment. The moment was the announcement of the 1975-76 Basketball Homecoming queen, and the announcement finally came. The master of ceremonies, Arland Winn, announced "The 1975-76 Basketball Homecoming Queen is Kathy Steger."

Kathy jumped for joy, she just couldn't believe it. Kathy a senior at Lone Oak this year has been involved in many activities, such as Beta Club, Pep Club, FBLA, Girl's Basketball, and many others. She is recently employed at Readmore in downtown

Paducah. Kathy was escorted by Dwain Blackman.

The four senior attendants were: Denise Colson, her escort Maurice Jett; Felicia Harris, escorted by Terry Harned; Terris Morris, her escort, Ricky Timmons; and Terella Richardson, escorted by Mike Walker.

Homecoming isn't just a game and queen but a dance also. This year's basketball Homecoming dance was another success. The students danced to the music of Jaraboga. The dance held in the school cafeteria was to the theme of the twenties. We would like to say "THANK YOU SOPHOMORE CLASS" for another fine dance.

Math Exam Given At Lone Oak High

The National Math Exam was given on Tuesday, March 9 in Mr. Bruce's room. Last year the test was given to advanced math and calculus students only. This year, however, the test was given to math students from all classes.

Blake Ross scored the highest from Lone Oak with a score of 52. This was the second year that Blake has placed first. Last year his score was 57. Keith Johnson and Maurice Jett were tied for second. This is the second year that Keith has placed second in the scoring.

The test is not an achievement test. But it is an attempt by the sponsoring groups to identify outstanding math students in America. Mr. Bruce, Mr. King, and Mr. Heflin supervised the taking of the test.

Leading scores last year were better than they were this year. Last year Lone Oak rated second in Western Kentucky and fifteenth in the state. Ratings are based on the results of the top three scores from each school. Ratings for this year have not come in yet.

The highest score you can make on the exam is 150. But Mr. Bruce explained that is a student could score 80 they would probably receive national recognition.

One comment Mr. Bruce made is that every student, after he decides what field of study he wants to pursue, should check with his guidance counselor to find out what math courses he will need to take while in high school.

Some of the sponsors for the exam are the Mathematical Association of America, the Society of Actuaries, and Mu Alpha Theta.

...AND GROWING STRONGER!

Flash Takes Second In District Tourney Heads To Regionals

Flash Defeat Bombers Flash Head Off Pirates Flash Fall To Tornado Flash Drops Regional To Murray Tigers

The Lone Oak Purple Flash started the District Tournament out with a convincing 80-64 win over Ballard Memorial. The game was played at the Reidland gymnasium on March 2.

The second quarter was very much like the first. Lone Oak had no problem with the Bombers. The halftime score was 31-26 in favor of the Purple Flash.

In the third quarter, Ballard made a charge at the Flash. The Bombers took the lead by one point several times in the quarter. At the end of three quarters, the score stood 50-45 in favor of Lone Oak.

The fourth quarter proved to be too much for the Bombers. The Flash outscored Ballard 30-19 in the quarter to roar to an 80-64 victory. In the quarter, Lone Oak connected on 12 of 15 free throws.

Tony DeLuna led the Purple Flash with 25 followed by Robert Charlet with 15. Keith Montgomery and Jimmy Houser poured in 12 and 14 respectively. Barry Tidwell had 8 and Jimmy Champion added 6.

The win was the 12th for the Purple Flash which made up for an earlier Ballard win, 72-70, on December 9.

On March 4, 1976, the Lone Oak Purple Flash did exactly what the date said. With a brilliant outside shooting display, the Flash "marched forth" to claim their 13th victory of the season and a berth in the First Region Tournament.

In the first quarter, Lone Oak outscored Heath 9-7 and from there on, had little problem containing them.

The second and third quarters were almost instant replays of the first. Lone Oak outscored Heath by 2-4 points in each quarter.

In the fourth quarter, the Flash came out red hot. Lone Oak had an outside shooting display that actually was unbelievable. It was this great shooting that helped the Flash outscore the Pirates 19-11 in the quarter and produce the 58-46 win.

Jimmy Champion lead the Flash with 22 points. Tony DeLuna had 18. Keith Montgomery, Jimmy Houser, and Bob Charlet each added 6. Greg Jett was high scorer for Heath with 15. Lone Oak's record for the season now stands at 13 wins and 11 losses.

In the final game of the Second District Tournament, the Paducah Tilghman Tornado overpowered the upset-minded Purple Flash by a score of 77-57. The game took place on March 6 at Reidland.

At the end of the first quarter, the Tornado lead 21-16. The quarter was actually closer than the score indicates.

The second quarter proved to be too much for Lone Oak. Tilghman outscored the Flash 18-8 to jump to a 39-24 halftime lead.

The second half was almost even. Tilghman outscored Lone Oak 38-32 but the Flash could never make up for the second quarter. The final score was 77-57 in favor of Tilghman.

Leading the Purple Flash was junior Tony DeLuna with 26 points. Dwain Blackman and Jimmy Champion had 9 and 8 respectively. Keith Montgomery, Robert Charlet, and Jimmy Houser each had 4. Barry Tidwell added 2.

On March 9, the Murray High Tigers defeated the Lone Oak Purple Flash by the score of 69-58. The game was the first of the 1976 First Region Tournament. The game was played at the Murray State University fieldhouse before 6,500 fans.

In the first quarter, Lone Oak came out red hot but by the end of the period had fallen behind 16-13. The second quarter was much like the first. Neither team could build up a big lead. The score at halftime was 32-30 in favor of Murray High.

The third quarter, at the beginning, seemed very good for Lone Oak. The Flash was playing well and things were looking good for them. After being forced to call time out, Murray High put the pressure to the Flash. Before the Flash could act, Murray High had erased the lead and was on top. The Tigers built up a lead and the Flash was never able to catch up. The score at the end of three quarters was 48-41 in favor of the Tigers.

In the fourth quarter, Murray High held on to their lead. With 1:42 remaining in the game, Lone Oak put on an all court press but it did not seem to hurt the Tiger offense. The final score was 69-58 in favor of Murray High.

Tony DeLuna led the Flash with

15 points. Jimmy Houser had 11 and Keith Montgomery had 11. Jimmy Champion cashed in 10 and Robert Charlet had 7. Dwain Blackman added 2.

The loss ended the 1975-76 Basketball season for the Flash. Lone Oak finished the season with a 13-13 record for an even .500 mark.

Lady's Final Quarter Rally Too Late For District Victory

The Lady Flash's slow start in the first quarter caused their biggest defeat of the season. The Oakers lost the tip at the beginning of the game and finished the first period with the score 18-2 in favor of the tornados.

Although the score was 34-15 at the half the Oakers came out the third quarter fired up and ready to go. With the scoring and rebounding of Kathy Herndon and Terri Burton, the aggressive defense of Sherry Turley and Lenora Brooks, the Flash out scored Tilghman thirteen points.
