## Bambi Lynn Is Winner Of Expense Paid Trip To Mexico

Bambi Lynn did win an all expense paid trip to Mexico. She will make the trip this summer.

For the second consecutive year, Sophomore Bambi Lynn and Senior Keith Johnson have scored the highest in the state of Kentucky on the annual National Spanish Examination. Bambi placed top in the State in Spanish II, and Keith had the highest score on the Spanish III level.

The annual testing is conducted nationally as well as state-wide. Bambi's score was high enough to place her in the top one-percent nationally, which makes her eligible for competition for an all-expense paid summer trip to Mexico. Thousands of students throughout the U.S. take the test annually.

Students at LOHS traveled to Murray State University to take the test locally. Other area schools

competing were Heath, St. Mary's, Tilghman, Mayfield, and Murray.

# Looking Back,

## Just For A Moment

The curtain goes up, Scene I begins,  
With announcements which proudly proclaim,  
That a brand new baby has just arrived,  
They tell all about the new babies name.  
Scene 2, the baby learns to laugh,  
And then to walk and talk and play.  
You share many happy hours together,  
While the clock ticks the time away.

Scene 3, it's time to enter school,  
Meet their teacher, get their vaccination.  
P.T.A. begins, you meet their friends,  
And eye their work with great exclamation.  
You find it is hard to believe Scene 4,  
For you now have a teen in junior high.  
The birthdays, the colds, the toys and tears,  
They're gone, in the twinkling of an eye.

When the curtain rises again, you find,  
That high school has entered the scene.  
Studies are harder, dates are more often,  
Part-time jobs are squeezed in between.  
Then, there they are, walking on stage,  
The time for diplomas is here at last.  
For just a moment, your eyes become hazy,  
Just for a moment, you remember the past.

You know they have new ideas and new hopes,  
New problems, very frightening, very real.  
Yet there is no possible way for you,  
To really know just how or what they feel.  
Whatever mountains they may choose to climb,  
You somehow know that they'll make it someday,  
In their own way, in their own time.

We, as proud parents of a high school graduate this year, would like to dedicate this poem to all other parents of high school graduates.

## Junior Class

### Biology Club

On May 5 in the drenching rain, the Biology Club loaded the bus and headed for the Sewer Plant. Mr. Beckman took the club on a tour around the plant to show them how they filter the water for the wildlife. The club got soaking wet while standing on the filtration system. The club really appreciates Mr. Beckman showing them around the system even though they all caught pneumonia.

### Library Aids

On Thursday, May 13th, the library club had a picnic at Noble Park. Everyone brought a vegetable dish or a dessert. The meat and drinks were provided by Mrs. Helfer. Those who attended were Cindy Grimm, Randy Bassett, Carol Stom, David Stevens, Joanne Wheeler, Trina Walker, Beth Scheer, Kim Helfer, Cindy Smith, Susan Anderson, Dawn Evans, and sponsor Mrs. Helfer.

### Tri-Hi-Y

On club day, May 6th, the Tri-Hi-Y meeting was called to order by president Delane Nagel. A devotional, a treasure's report, and a review of the minutes were then presented. A report on the KYA trip to Louisville was given by Kim Helfer. It was planned to clean up the front of the school for graduation night. Plans for the Mother-Daughter banquet were completed. New officers for the 1976-77 year were then elected. They are: president: Kim Helfer, Vice President: Kara Kenyon, Secretary: Connie Sanders, Treasurer: Shelia Byrd, Chaplin: Dawn Evans, Parliamentarian: Lou Anne Smith, Historian: Rita Miller, Reporter: Trina Walker. After the closing ritual, the meeting was adjourned.

Wee Mike Felts run down the hall,  
Upstairs, down stairs, having a ball  
Rapping on the doors and starting to yell,  
Run and hide, Run and hide, Because here comes Mr. Mizell.

Hey Diddle, Diddle, Ricky Timmons with the Fiddle, and David Martin  
flew over the moon, Terry Harned laughed to see such a sport and then  
Billy Douglas started to swoon.

There is a Kim Morris, and what do you think?  
She lived upon nothing but victuals and drink.  
Victuals and drink were the chief of her diet,  
and yet this Kim Morris could never keep quiet.

Cheri and Chuck, Cheri and Chuck  
Since they started going steady they've had bad luck.

Little Miss Mittendorf sat on a tuffet  
eating her curds and whey;  
There came Mr. Behrendt and sat down beside her  
and frightened Miss Mittendorf away.

Little Boy Blue Come to Science;  
The pigs in Biology,  
The cats in Physiology.

Where's the boy who's s'posed to be in class;  
Gutting his pig,  
and skinning his cat?

Who'll tell on him? Not I;  
For if he's caught skipping, he's sure to "die".

Dale and Tracy had a fight,  
And how do you think they made it alright?  
Your guess is as good as mine,  
'Cause their together all the time!!!

The moment everyone waited for, the crowning of Prom King and Queen.

## LO Junior Class Sets Precedent

This year Lone Oak started a new thing at Prom. The Juniors and Seniors who paid their Prom fee elected a Senior boy and girl as King and Queen of Prom. The 1976 King and Queen of Prom was Tony Williams and Starr Vinson. The King and Queen was crowned by Kathy Steger and Dwain Blackman. The first runners-up were Sherry Turley and Keith Wilson. The second runners-up were Patti Templeton and Ricky Timmons. The King and Queen and their court danced a spotlight dance after the crowning to Corlor My World.

Starr Vinson is the daughter of Mr. and Mrs. T. L. Vinson, 3625 Brighton Cove. When she was asked how she felt about receiving the honor of queen; her reply was, "When I received the honor of Prom Queen, I was very excited. I have never received a greater honor. I hope I can prove myself worthy of this in the coming

years." She also added, "I felt this year's prom was great. Probably the best we have ever had. Everyone looked so fantastic. I hope all the proms in the future are as much fun as my senior prom for me. I feel there should be special thanks to all the juniors that helped in decorations. They looked Super!!!!

Tony Williams is the son of Mr. and Mrs. Leon Williams, Rt. 11 Highland Church Road. When asked how he felt about receiving the honor of King; his reply was, "I was honored and had absolutely no idea that I had a chance. Its one of the biggest things that has ever happened to me since I have been at Lone Oak. I would like to thank everyone that voted for me and whoever was responsible for the present." His final remarks were, "It was one of the greatest nights in my life. I'll never forget the cabin?? The best part of the night was dancing with Starr!!"

Prom King and Queen Starr Vinson and Tony Williams dance to the sound of Abraham Rush.

## Mr. Ransdell Is A Great Director

This month's teacher feature is on Mr. Ransdell. Mr. Ransdell is the band director here at Lone Oak and has been for several years. During these years directing the Kentucky Colonel band he has become well liked by all the students and teachers of Lone Oak High. He has also become well known through out the state. Governor Julian Carroll has named Mr. Ransdell as Kentucky's Ambassador of Good Will. Some of the honors that the

band has won while Mr. Ransdell has been there are International Grand Championship at Winnipeg, Canada, second place at the World's largest fish fry and first place at numerous street and field competition all over the United States. Mr. Ransdell's wife's name is Debby and he has a son,

Miles, age six. Mr. Ransdell will be leaving us, here at Lone Oak to move to Joliet, Illinois. He will be working at Princeton Industries which is a corporation that sells money making projects to schools.

A member of the band was asked what her opinion of Mr. Ransdell was and she replied, "He's a great director. He's an asset to all the phases of the music program at Lone Oak. He's versitile and takes pride in his work. I'm sure everybody will miss him."

## Band Performs At Fish Fry In Tennessee

Friday morning, April 3, the Lone Oak High School Band left for Paris, Tennessee, to participate in the Grand Parade of the Worlds Largest Fish Fry. Lone Oak received second place out of 9 bands in Class "A". At the parade there were 45 marching bands and 40 competing bands. Jackson Central Merry received first place in the parade.

During the procession of the parade the band played, "Battle Hymn of the Republic" ending the procession with our state song, "My Old Kentucky Home". The parade route was approximately 2 miles long. After the parade the band ate lunch and then had the opportunity to attend a carnival.

The results of the contest were given at the Band Directors Fish Dinner. The Trophy the band received at the contest can now be seen on top of the trophy case in the main hall.

All bands participating in the Worlds Largest Fish Fry performed very well and competition was stiff. Lone Oak was the only band representing Kentucky.

Kentucky Colonel Band Director, Mr. Ransdell.

## Memories Of A Well Known Band Director

By LuAnn Smith

Once upon a time there was a little band they tried hard, but they needed a helping hand.

The skies were gray as they worked so much, and they didn't get anywhere They just didn't have that special touch.

People started losing interest, because the little band never won, and losing just isn't any fun.

In '69 their leader decided to quit, he decided to give up the show, he told them he had tried more than they would every know.

The spirit was lacking it just wasn't there, the band members acted like they didn't even care.

Then one a miracle happened, and the ideal director came, and on that day they knew their band would never be the same.

Day by day the band wanted less to hide, and slowly, but surely they found that Kentucky Colonel PRIDE!!!

At that time the Tilghman band was No. 1 but the new director said something had to be done.

The Murray Contest came, and the Colonels were ready to go, and when they hit the field people knew a great band had started to show.

The Band of Blue began to sweat as they watched the Colonels take their place, for they knew deep down inside, There was no way they could keep the Colonel pace.

Why, it was asked are they so good, someone replied, "They look and act like a marching band should!

And that night the little band knew, They had really proved themselves true.

Contest came and contests went but the Colonel machine went without a dent.

Then one day a dream came true, they didn't just prove themselves in America, but in Canada too.

The Kentucky Colonels was a name known well, As many champion bands met them and fell.

We don't need to look at others, the little band cried, They should look at us because we have PRIDE!

The band may not have realized it, but they had something else special too. You see, really good band directors are just too few!

But this little band had one one of the very best, When they were nobody they had really been blessed.

Then one day to be exact, April sixth Our leader told us he still loved us, but now his feelings were mixed.

Now we know for sure, that this spring concert will be his last, and every body will cry, as they look back on the past.

And as this great leader leaves us, he's left us with great memories as you can see.

But we all know there will never be another miracle, like the one that brought us like the one that brought us R.D.!!!

GREATEST!**

# Sick Tik Tick Skit

Son: Mom! That dinner's sure was good. Boy! I've eaten so much that I am full as a tick.  
 Dad: What do you mean full as a tick?  
 Son: Just exactly what I said, I've eaten so much I am bound to bust.  
 Dad: Oh well! That explains everything. Do you know what it means to be as full as a tick?  
 Son: No dad, I never gave it much thought.  
 Dad: Some suppose that the tick to which the simile alludes is the bedtick, the old-fashioned, flat, rectangular bag of cloth which was stuffed with feathers, straw, or the like to form a bed. It had to be full of course, or one might find one's poor bones resting on the floor. But the tick that is really meant is the disgusting, bloodsucking insect that buries its head into the flesh and becomes fat and blotted.  
 Son: Boy dad that is really something to know. I'm glad you told me all about it. Guess what dad, I'm as full as a mattress.

# Choir Earns Silver Medal In Washington

On May 14 at 11:00 p.m., the Lone Oak High School Choir left for Washington D. C. on two chartered Brooks buses. The trip followed the annual Spring Concert which was held at First Christian Church at 7:00 p.m.

Between the end of the concert and the time the students had to be at school for the trip they went home and changed clothes and brought their luggage to school. The buses pulled away from the parking lot at approximately 11:00 amid the best wishes of parents and friends.

Breakfast that morning was eaten at Knoxville, Tenn. at approximately 6:30 a.m. their time while they switched bus drivers. After breakfast the trip continued toward Washington. They traveled through the states of Tennessee and Virginia where much beautiful scenery was looked upon.

The arrival time in Washington on Saturday was 6:00 p.m. at the Macrot Twin Bridges Motel. Ten of the eleven choirs stayed in this motel during the festival. After checking in and changing clothes the choir members departed for a dance cruise on the Potomac River which lasted from 8:00 till 11:00.

Second morning breakfast was eaten at the motel in the Persian Room. After this they left for the Watter Reed Memorial Chapel at

Watter Reed Memorial Hospital. They sang "Wake Awake", "The Eyes of All Wait Upon Thee", and "Ava Maria" for the Catholic service. Adjudication was held at 7:00 p.m. Sunday night at the Lisner Auditorium at George Washington University. Three numbers were required to be sung during adjudication. The first was a warm-up number not judged, the second two were judged. One of them had to be by an American composer and the other had to come from a festival list. The warm-up number was "The Colors of Alone", the American composition was "I will Be As the Dew". Four Members of the Festival Committee judged the competition. After the adjudication the choir toured the Washington Monument.

Monday the choir members toured the Capital Building and sat in the gallery and watched sessions of the Senate and the House of Representatives. The Smithsonian Institute was traveled to next and was toured for an hour. After touring they traveled back to the motel to change for the Awards Banquet to be held at the motel in the Persian Room. Every member and charpeone was to come to this banquet to learn the results of the

festival. Only the participation awards and the highest award was presented at this time and the directors were instructed to pick up the judges comment sheets when they checked out of the motel. The highest awards were four silver medals presented to four different choirs. Our choir won one of these silver medals. The medal is to be sent to the choir in approximately one month after it has been made and engraved. A lighted tour of the Lincoln and Jefferson Memorials was then conducted after the banquet.

Tuesday they checked out of the motel and toured the John F. Kennedy Center of Performing Arts. They met Representative Carol Hubbard and talked with him after the tour. A concert in Alexandria, Virginia at Market Square at 12:00 noon was cancelled because of rain. A tour of Fort Meyer, Arlington Cemetary, tomb of the unknown soldier and John F. Kennedy's Grave followed. A shopping trip at Tyson's International Shopping Mall was conducted for an hour and a half for the students.

They spent Tuesday night at the Holiday Inn South at Charlottesville, Virginia and toured Monticello, Thomas Jefferson's Home, Wednesday morning. Arrival in Paducah was at 1:00 a.m.!!!!

## Three Students Plan To Attend 1976 Boy's State

Lone Oak is sending three candidates to the 1976 Bluegrass Boy's State. Every year the American Legion sponsors Boy's State which trains boys in the fundamentals of good citizenship and governmental operation. This years candidates are Phil Foster, Tim Tillotson, and Arland Wynn. Candidates are third year high school students and they are chosen on leadership, scholarship, and school participation.

When the candidates arrive they will be split up into two imaginary political parties: Nationalist and Federalists. They will be broken up into eight imaginary cities and into four counties, (each composed of two cities). On the city, county, and state levels, elections are held and each elected official serves on that position. The boys have time for recreation and there is city competitions in various sports.

This year Bluegrass Boy's State will be held in Richmond, Kentucky on the campus of Eastern Kentucky University. It will run from June 5 through June 11. Congratulations go to the candidates.

Nancy Adams, First Region FHS President for 1976-77.

## Caron Sills Is Race Winner

On April 28, 1976, the Big Wheels were rolling in the LOHS gym. The race consisted of three heats. The first heat was a girl's heat. Caron Sills was the winner of the girl's heat. There were two boy's heats. They were won by Jeff Thompson and Dale Murphy. Next came the teacher's heat. The teachers raced in chairs with wheels, instead of Big Wheels. The winner was Mr. Willoughby. After the teachers race, all the winners raced against each other for a prize of \$25. The grand champion was Caron Sills. After the contest, volunteers were asked to come down and race for fun.

# Lone Oak Holds Their First Home Track Meet

Lone Oak High School held its first home track meet during this current school year. According to Coach McGroarty, "it would not have been possible without the hard work and dedication of many of the track team members."

The first home track meet was held on March 30. Lone Oak entertained Reidland and the Lady Oakers were victorious. The boys track team finished close behind Reidland. Outstanding performers in that meet were Terris Anne Morris and Susanne Piercy for the girls and John and Tom Nichols along with Tim Tillotson for the boys.

Coach McGroarty was very complimentary of the seventh and eighth grade members of the track team. Julie McCown is a seventh grader and runs the hurdles. John Nichols, Jeff Reeves, Ricky Murphy, Rod Yewell, Tommy Freeman, are all eighth graders.

This track is unique in the fact that it is grass. According to our coaches, "it prevents injuries from falls and shin-splints, a common dread of tracksters." Our track team feels that running and jumping on the grass is truly a delight. One would have to travel very far to see another track like ours at Lone Oak.

Top performers for the girls along with Morris and Piercy are: Charlene Reeves, Sandy Gillespie, Lynda Duncan, Tracy Jones, Julee McCown, Valerie Burgen, Michele Howard, Waian Dixon, Kathy Clark, Cheryl Holmes, Julia Covert. These girls are headed by Coach Phyllis Jones.

Members of the boys track team along with Tillotson and John and Tom Nichols are Scott Spahr, Jerry Babb, Mike Murphy, Rick Murphy, Jeff Reeves, Stan Jones, Larry Robinson, Larry Hagood, Monty Lambert, Paul Barnhill, Fred Watkins, Rod

Yewell, Mickey Watson, Ricky Thompson, Tony Deluna, David Wrinkle, and are headed by Mr. Tony McGroarty.

"In an age when cars, car insurance, and finding a job seem to take precedent over school functions; it is a pleasure to work with a group of students who think enough of their school to devote their time and energy to make it a better place. There were smashed fingers, bruised knees, and late hours to get Lone Oak's first track laid down," says Coach McGroarty.

Those who worked so diligently are: Charlene Reeves, Susanne Piercy, Terris Anne Morris, Julia Covert, Julee McCown, Kathy Clark, Lynda Duncan, Michele Howard, Waian Dixon, Mike Murphy, Ricky Thompson, Scott Spahr, Terry Quinlan, Rod Yewell, John Nichols, Jeff Reeves, Rick Murphy, Larry Robinson, and Jerry Babb.
