*"Look To This Day . . ."*

*We, the Oak Leaves staff, dedicate this yearbook to Mrs. Phyllis Jones for her interest and participation in school activities. It is our hope that this will show our appreciation of her sincere concern for the student body, especially the senior class.*

*As the theme of this year's annual, "Look To This Day . . .", suggests, we attempted to capture high school life as it is now. Happenings which seem common to us now will become cherished memories in the years to come. The work involved in capturing these memories has made us realize the many advantages given to Lone Oak High School students. We'd like to thank the Oak Leaves staff, Mr. Bill Farr, Curtis and Mays, and Mrs. Janice Foster for their hard work.*

*Greta and Susan*

*Look To This Day,  
For it is Life,  
The very Life of Life.*

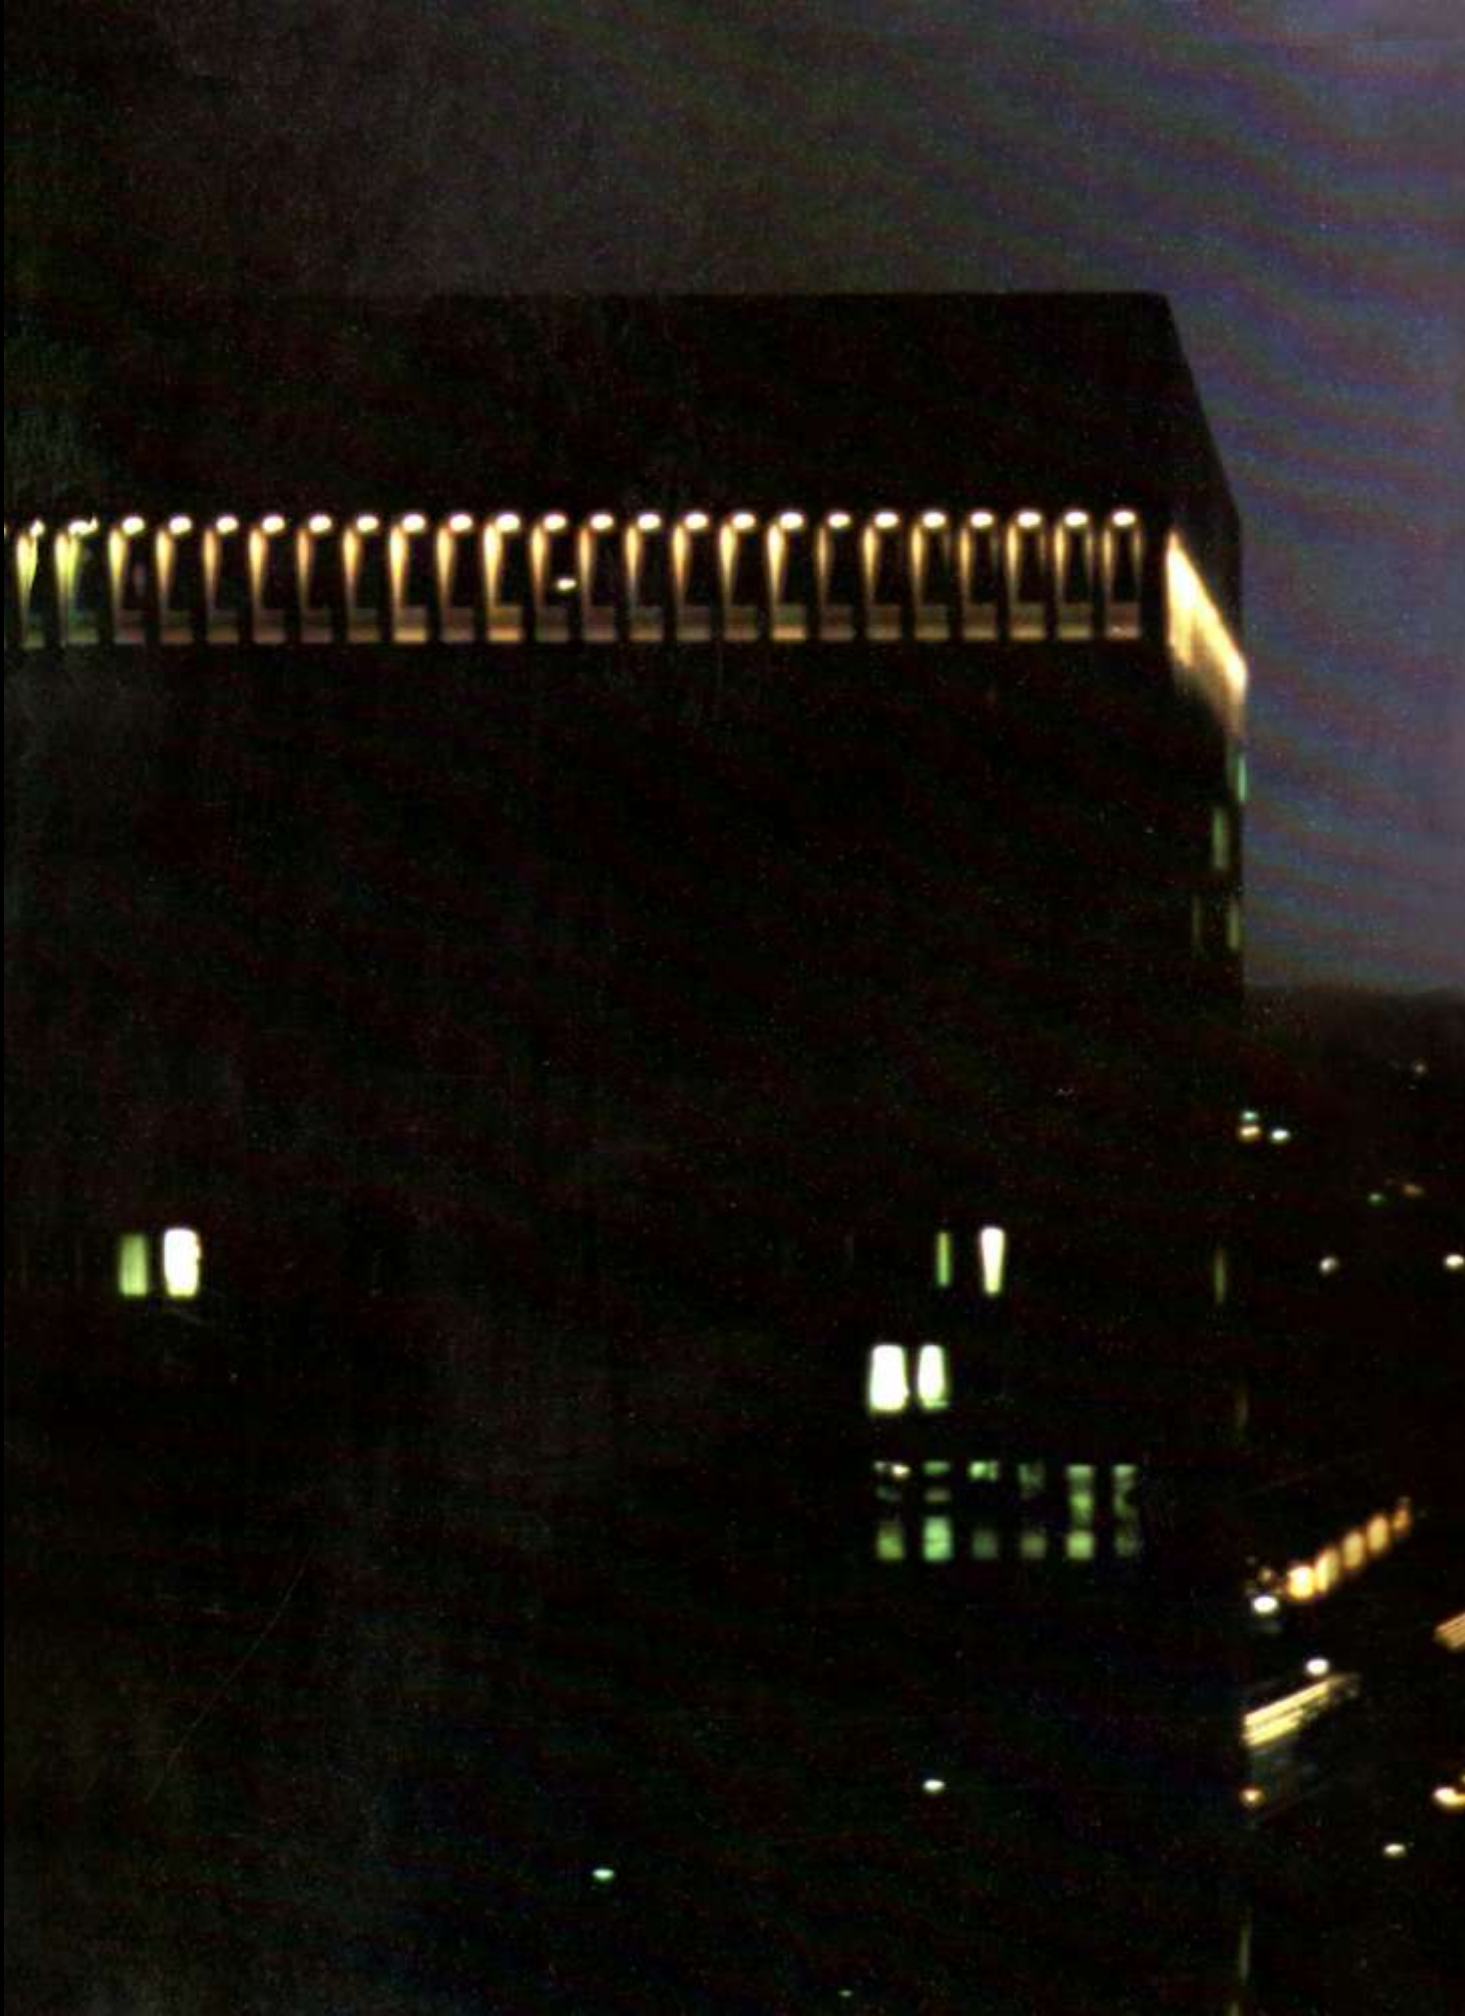

*In its brief course  
lie all the Verities  
and Realities of  
your  
existence;*

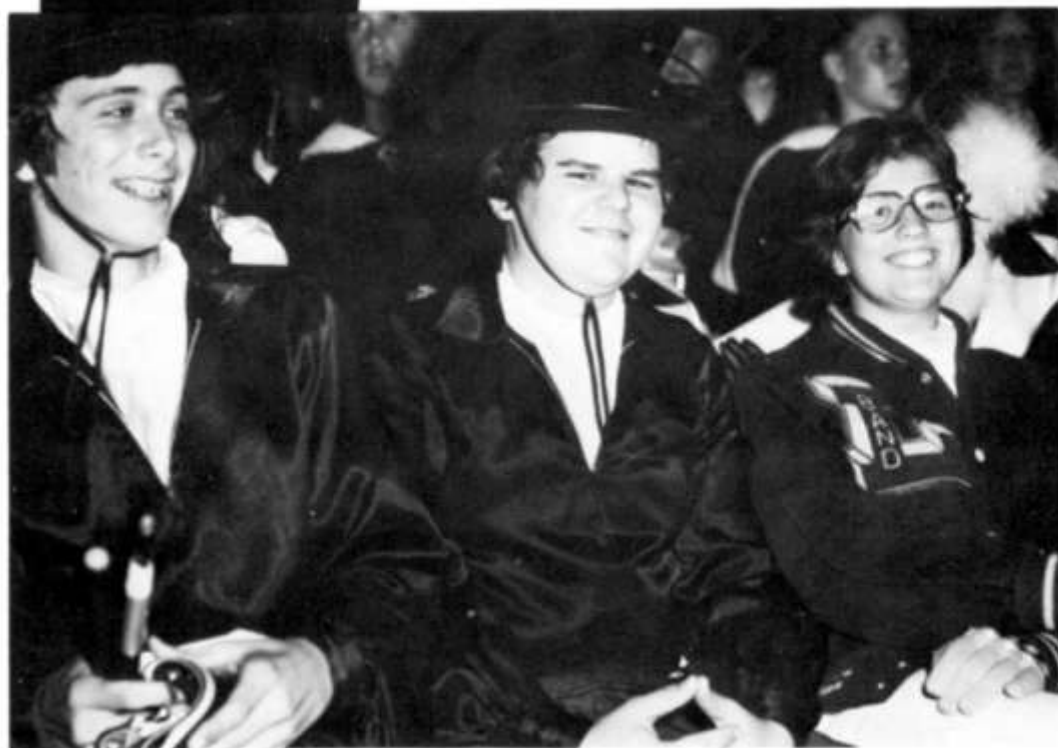

*The Bliss of  
Growth,  
The Glory of  
Action,  
The Splendor of  
Beauty;*

*For Yesterday is but a  
Dream,  
And Tomorrow is only a  
Vision;*

*But today well-lived  
Makes every Yesterday  
a dream of Happiness,  
And every Tomorrow  
a Vision of Hope.*

*Look well therefore  
to this Day!*

## The Class of '79

The produce of the 70's generation, the senior class of 1979 must be the leaders of the next generations. Whatever the future, these are the memories that will be theirs to keep for all time.

Connie Miller, Kim Stiles, Shari Murphy, (above) and Greta Hipp display sign language commonly used in Journalism.

Advanced Biology seniors gather around the Biology Christmas tree.

"Here's To The Class  
Of '79!!!"

Robert Primeau, Charles McGuire, junior Dane Fulkerson, Daryl Hobbs, John Rinella, Jay Jeffrey, and junior Scott Hartig "toast" the senior class.

*I did a favor yesterday  
A kindly little deed.*

*And then I called to all the world  
to stop and look and heed.*

*They stopped and looked and flattered me  
In words I could not trust*

*And when the world had gone away  
My good deed turned to dust.*

Where is everybody going?

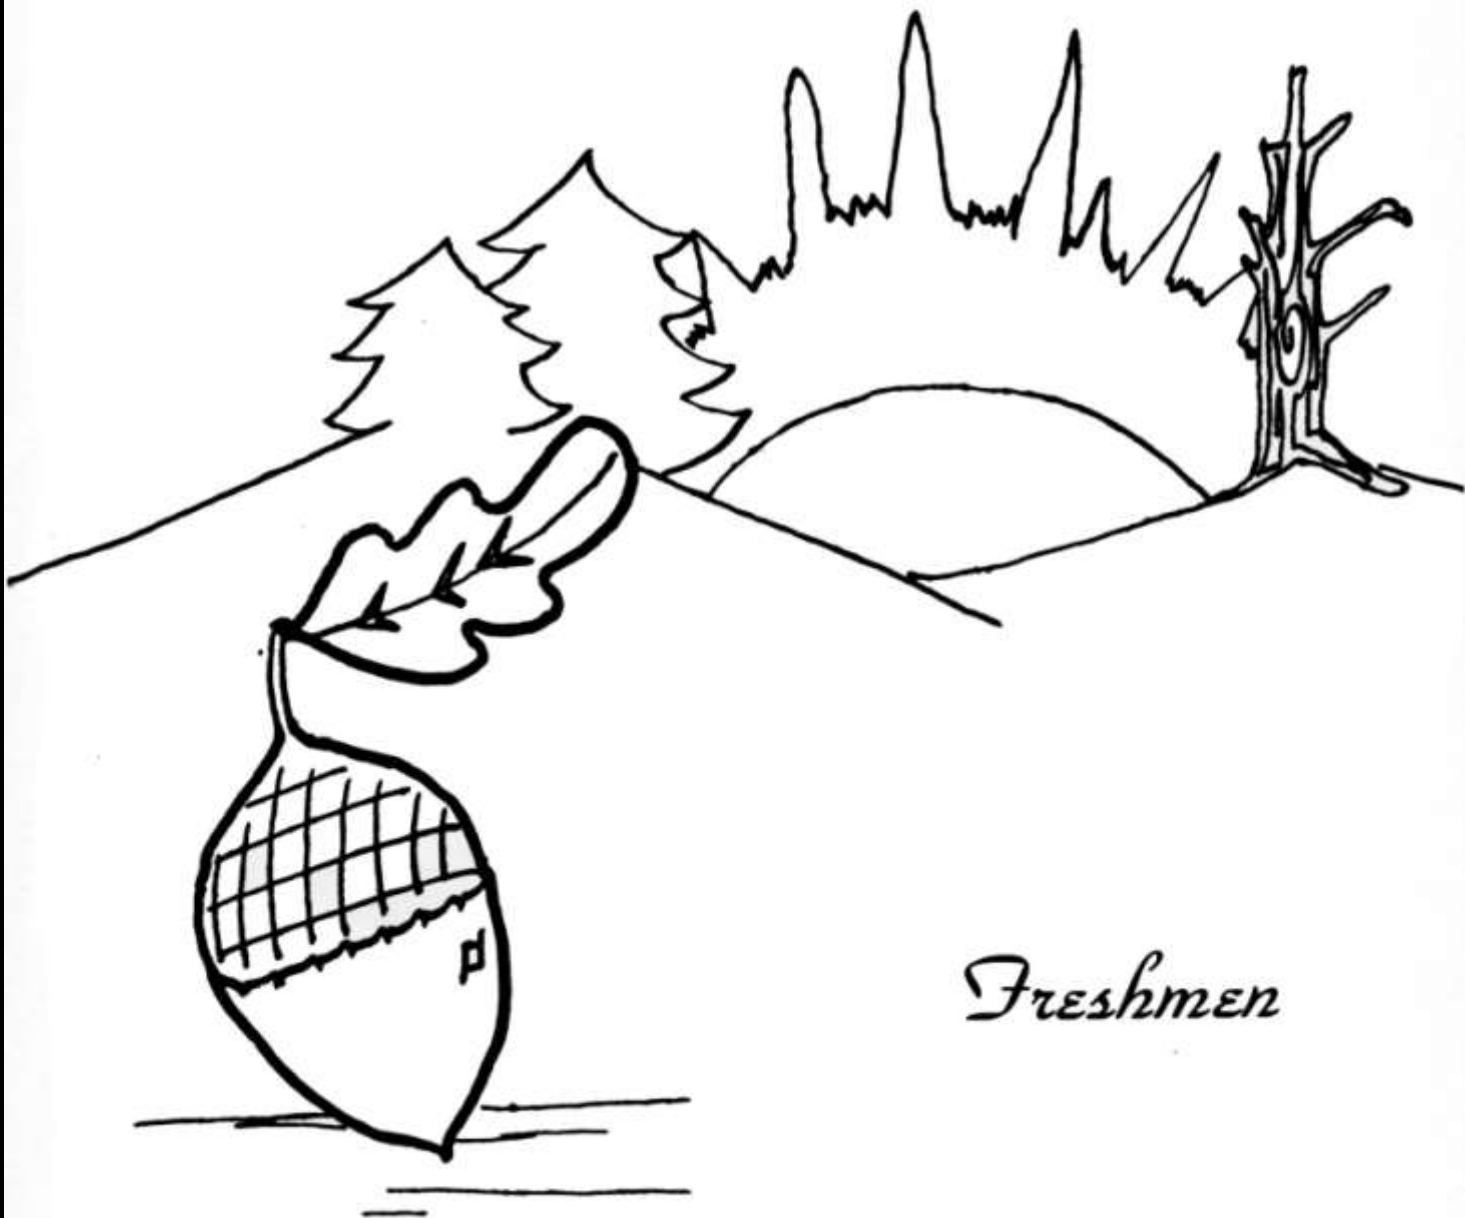

Now what was I looking for?

Can biology really be that fun?

## Coaches

This year has been a challenge for Lone Oak girls' basketball. The challenge was one of pride. The team did not give up at any time.

The greatest assets the girls had was their willingness to work hard and their desire to win.

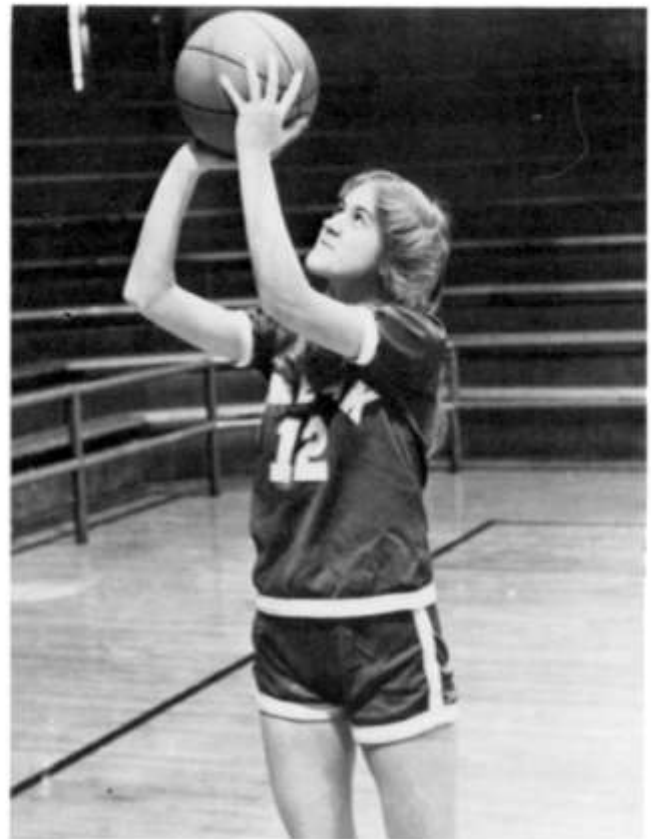

The major improvements we would like to see next year is more support from the students, teachers, and the community. We also hope to bring Lone Oak girls' basketball the recognition it deserves.

We have had a good year and are looking forward to next year.
