We May Never Pass This Way
Again . . .

Life, so they say, is but a game; and they let it slip away. Love like the autumn sun should be dying, but it's only just begun.

Dedication

We, the Senior class of 1980, dedicate this yearbook to our parents whose love and understanding have helped us not only throughout our school days, but also in the other aspects of our lives.

We realize that in this small space we could never list all the things our parents have done for us, all the sacrifices made, and all the questions answered.

So to you, our wonderful parents, we say thank you so very, very much for everything, and we love you.

Senior
Class

1980

And all the secrets in the universe whisper in our ears.

And all the years will come and go, and take us up, always up.

We May Never Pass

In Loving Memory

Tammy Courtney

TAMMY

Why does one have to be taken away so early in life,
Many things we do not understand:
But Tammy had given Jesus her life,
And now before Him she stands.

Although we miss her so very much,
This had to be in God's perfect plan:
We must accept His will as such,
And never question His mighty hand.

Tammy was loved by many here on this old earth,
With her life many she did touch:
She will long be remembered, from the day of her birth,
By family, friends, and neighbors who loved her so much.

Now that Tammy's in heaven with Jesus forever,
She is far better off than we:
Because Tammy's been made perfect like Jesus forever,
Like us, again she will never be.

Tammy now sees and knows the splendor of Heaven,
O how wonderful it must be:
Praising God forever and ever,
O how wonderful it must be.

Flash Takes Thanksgiving Tournament

The Lone Oak Purple Flash began their basketball season with momentum. Paired with Carlisle County in the first round of the 15th Annual St. Mary Thanksgiving Tournament November 21-24, the Flash defeated the Comets in overtime, 46-45. In the semifinals, Lone Oak met the St. Mary Vikings, the host team. The Oakers emerged the victor 60-57. The final showdown clashed the Purple Flash against the Livingston Central Cardinals, the defending champions. At the end of regulation time, the score was tied 70-70. In the third overtime, due to senior Stan Shuemaker's game high 37 points, the Oakers won 82-79. This gave Lone Oak their 3rd title in the past 4 years.

On, On, Lone Oak High.
We've the right for the fight tonight.
Make that goal, or hit that line.
Every purple flash star will shine.
We'll fight, fight, fight for the true and
right.

As we roll to our goal varsity.
We will jump, pass, or run.
Till our battle is won
And we bring home a victory!

Inflation of the American Date

In present day economic strife, inflation eats away at the profits of \$3.10 an hour. Paying for clothes, food, and gasoline doesn't leave much money for dating or just cruising. Some students have invented ways to curb high prices — double-dating and going Dutch. The traditional date may well become an extravagance, rather than an expected occurrence.

In a recent poll of LOHS students, conducted by the OAK LEAVES staff, opinions were asked on various subjects. The overwhelming TV favorite of most students was "Saturday Night Live," while movie-goers chose "The Jerk," which played at the Paducah Cinema in December. Handsome Burt Reynolds, star of "Smokey and the Bandit" was chosen as the favorite actor, and Bo Derek, the overnight star of "10" drew favorite actress. In the field of politics as usual Western Kentucky residents plan to register as Democrats, and the incumbent President Jimmy Carter (D) carried 61% of the vote cast by seniors. Seniors as a majority are against a reinstatement of the draft. 70% of the 1980 class plans to attend college with 30% entering the field of medicine. Students enjoy cruising Burger Queen in their favorite car, a Z-28 Camaro. 80% of the student body at LOHS feel that they do not need stimulants, and 67% disapprove of legalizing marijuana. 59% of those polled, however, feel that the drinking age in Kentucky should be lowered to 18.

nor on many other materials in their natural state. Paper, on the other hand, lends itself perfectly to the many requirements of modern communications and packaging. And paper, as everyone knows, is made from wood. In a world that is rapidly depleting its natural resources, wood is one of the rare renewable resources. At Westvaco, we're insuring an ever growing supply of this basic natural resource through advanced forestry practices and sound land management programs. Our future depends on it.

My ancestors came over in a covered wagon and if you saw them, you would know why it was covered.

"Thank God it's Friday!"

Emergency Outhouse!!

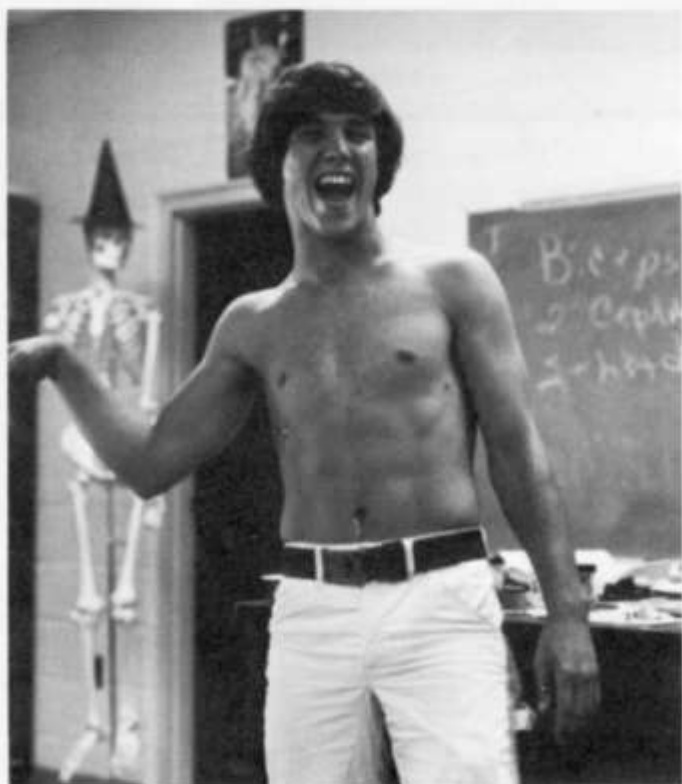

"A bird did what on my car?"

"The next person that tells me to break a leg . . ."

"I'd much rather be in Sex Ed."

Let's get down to the bare facts.

"I think I'm due for some Odor-Eaters."

"I'd tell you what I dreamed last night but I slept through most of it."

"Annual Steff Mascot"

Grin 'n bare it.

"Bull's-eye!"

"Only 99 more to go!"

"Smile, you're on 'Candid Annual'."

"I just hate that Burger Queen Song."

"Hello, Crisis and Information Center?"

"I think I'm a little early for the game."

"All right, who said I should sue my brains for non-support?"

"They're coming to take me away ha ha!"

"I'm on a seafood diet, everything I 'see' I eat."

"Joey, quit!!!"

"We told you it would break the camera!"

"I AM THE COOLEST!"

Four years — our senior year, a new decade. 1976 marked our beginning. We watched "Jimmy Who?" Carter become President Carter, and we watched ourselves grow. Our sophomore year exploded with pride and spirit as the Flashes beat Tieghman, our city rival to take the District Basketball Title. 1979, now in our junior year, we hoped the wait to be seniors would pass quickly. We wore our class rings as a symbol of superiority, and we looked back at our work on the Prom as we transformed the Civic Center into the Emerald City from "The Wiz." Our senior year — a new principal, Mr. Stephenson, who was most remembered as our jr. high principal. We began thinking of independence, college, and work, working on theme papers, and agonizing over calculus finals . . . leading toward graduation, May 20. Stumbling across the stage with diploma in hand, let us work to achieve, to contemplate opportunities, and to mark our ending. We begin again from this day.
