Steger Illustrates Booklet

By Tamara Tucker

The artistic talents of Kim Steger, a LOHS art student, have been enlisted to draw the illustrations in a booklet on pregnancy and childbirth.

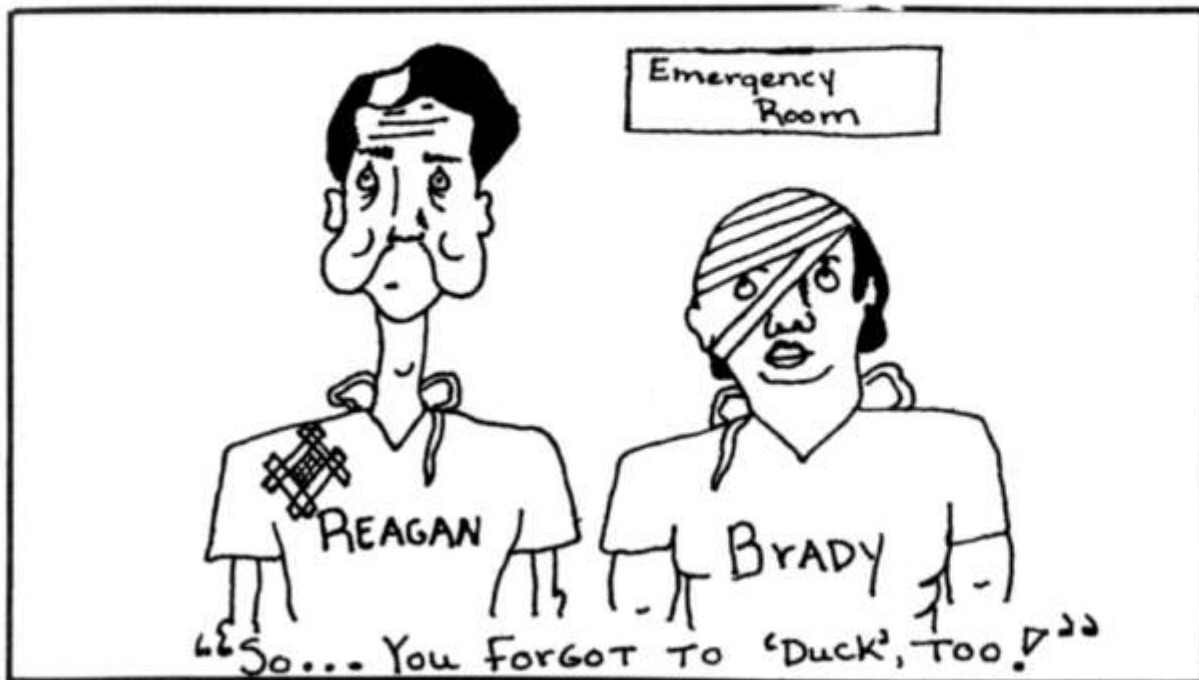

Doctor Laverne Brown, author of the booklet, learned of Kim's work through Kim's neighbor, Kay Holland. The booklet should be out in about six months and will be distributed to patients of Doctor Brown.

Kim, a junior who is in her third year of art at LOHS, commented that the drawings were mostly "pregnancy related...of exercises, parental care, and babies..."

Kim also commented that she looks forward to a future in art. She hopes someday to do portraits as well as illustrations for books and landscape pictures.

Gun Control: Yes or No?

By Marlie Spears

In view of the assassination attempt on President Reagan, the OAK K conducted an informal survey on the subject of gun control.

On March 30, 1981, six shots rang out, aimed at the President. The shots supposedly came from a gun in the possession of John Hinkley, Jr. Mr. Hinkley was standing in a crowd at an approximate distance of twelve feet from the President. This incident has raised several questions about gun control, and the security of the President. Here are the opinions of some of the students at Lone Oak on such subjects.

Do you favor or oppose gun control legislation? Why?

Stan Burch: Oppose. Every person in the United States should have the opportunity to own a handgun if they want it and if they don't choose to they should keep their mouths shut.

Lisa Hertter: I think I favor gun control to an extent. I think it should be harder for just anyone to have a gun, and then maybe it would lessen the percent of insane people or criminals using guns and cut the percent of crime, etc.

Carrie Kash: Favor. Because today people are handed anything

and everything. There should be a limit to what you can get your hands on.

Robert Lee: I oppose gun control as it violates the right to bear arms given by the Constitution. This right should be revoked in extreme cases.

Anita Sawyer: Favor, because too many people get crazy with guns.

Jenny Shaw: I oppose gun control because all it would control would be honest people who use guns for hunting or protection. Criminals usually don't buy guns by signing forms of the federal government. They get them illegally so gun control doesn't control them.

Betty Summers: I favor gun control, but it should be handled very carefully. I think everyone should be able to own guns for protection, but only with government permission and set rules.

Lori Turner: To some extent yes, but if you outlaw guns completely, the criminals will still get them if they want them. People get pot if they want it.

Should the general public be allowed to stand near the President during public appearances? Why?

Stan Burch: No, because of 'sicks' like John Hinkley Jr. You

never know when they are going to fall off the edge.

Lisa Hertter: No. For the same reason that the President got shot. If the crowd is back there is less range for someone to shoot from, and less chance of hitting him.

Khoury League to Sponsor Concert

By Debbie O'Daniel

Mickey Gilley, Johnny Lee, and the Urban Cowboy Band will appear at the Murray State University stadium on May 3. The concert will start at 3:00 p.m.

Lee has the hit singles "Picking Up Strangers," "Looking For Love," and "One In A Million." Appearing with him will be Mickey Gilley, owner of Gilley's in Texas. Gilley's latest hit singles include: "True Love Ways," and "That's All That Matters."

Tickets are \$9.50 for general admission and \$11.50 for reserved seats. They may be purchased at Jean's, Gatlin's, or from any member of the league's fund raising committee. They are also available from Lisa Jones or Debbie O'Daniel.

Calendar Extended

The McCracken County School Board has extended the 1980-1981 school year by three days. The closing date has been moved from May 25 to May 28, for students.

"We have had no complaints about the extension," said Assistant Superintendent Tilford Underwood. "Many families plan vacations for KEA week and welcome the added three days." Seniors will also be released three days later than scheduled.

The reason for the change was to provide for a full week for spring vacation. Since the county had used all of its snow days, it did not have them to fall back on. So, to have a full KEA week, the days have to be made up at the end of the year.

Adams Leaves L.O.H.S.

Mr. Wallace Adams spent his last day at Lone Oak High School Friday, April 4, 1981. Mr. Adams is running for Sheriff of McCracken County and has left his assistant principal's job to campaign for office.

Mr. Adams has been at Lone Oak since 1961. "I've enjoyed being here," he stated. "It has not all been good times, for example the two fires, but I like the people I've worked with and for."

If Mr. Adams should not get elected to the office of sheriff, he plans to come back to LOHS for he's on a temporary leave of absence only.

Mr. Adams says, "I won't exactly be leaving, just going on to new experiences."

Mr. Adams resides at Route 6, Clinton Road, with his wife Peggy. The election in which Mr. Adams is running is to be May 26, 1981.

Meet the Students

By Donna Groves

This is your roving reporter with Meet the Students, the newspaper column that asks you, the student, controversial questions about the world around you.

Do you agree with the theory that man evolved from a lower form of animals? Why or why not?

Karen Beals: No, if we did, then why aren't there people who are still evolving from animals?

Darryl Harris: Yes, because some people do resemble animals.

Laurie King: No, I believe God created the earth and the people like it says in Genesis.

Greg Thompson: I believe we could have but I really believe that God just said, "You're there" and we were here.

Miki York: No, God created man in his own image and I don't think God will look like an ape.

If you were diagnosed as having triskaidekaphobia, how would you react?

Jim Adams: I'd pray!

Susan Edwards: If it was catching, I'd give it to everyone else!

Shannon Fuller: I'd say, "Oh, No! What is it?"

Laurie King: I would laugh!

Clif McNeely: I would run for a dictionary.

Bryan Sanderson: I'd panic.

Deidra Shaffer: I think I would faint!

Kym Yarbrough: I would rob a bank and go out and spend all the money I could and have a wild time before I died!

Miki York: I'd ask, "How long do I have to live?"

*Triskaidekaphobia is the fear of the number 13.

Lisa Thompson Chosen Model

By Lisa Vasseur

Junior Lisa Thompson was chosen recently to represent Lone Oak High School on the Jean's Fashion Board. One junior girl from each of twelve area high schools was chosen to be a member of the fashion board.

Saturday, March 7, Lisa and two other board members modeled at Jean's in the store front window and on the floor. They modeled prom dresses and spring and summer sportswear. Many fashions from different brand names were displayed such as Izod, Cheeno, and Jordache.

To be chosen as a member of the Jean's Fashion Board several points were considered by the judges, such as one's scholastic grade point average, interest in modeling, and involvement in

their school.

Girls on the fashion board also do radio advertisements and participate in modeling shows, and perform many services for charity. In the future, more fashion shows will be presented at Paducah Mall and various other places. It is a possibility that the board will do television advertisements.

According to Lisa anyone who is on the Jean's Fashion Board gets much experience if they plan to go into the modeling field as a career. She also stated that it broadens one's outlook on fashion. A fashion board member can learn about designers and are also able to work with other girls from other schools.

Baseball Update

By Andy Elbon

The Lone Oak Purple Flash baseball team opened up their season this month. Thus far their record is 6 and 9.

BROOKPORT 4 LONE OAK 3

The Purple Flash opened their season, March 28, with a doubleheader at Brookport. After Brookport jumped out to an early 4-0 lead, Lone Oak's Wes Hagan and David Dodd sparked a sixth inning three-run rally. But the Oakers could not put any runs across in the seventh and lost to Brookport, 4-3. Rod Mohler was the losing pitcher, despite giving up only three hits and striking out ten.

LONE OAK 15 BROOKPORT 0

Junior Brian Stevens opened his '81 season in grand fashion, allowing no batters to reach first base in a 15-0 drubbing of Brookport. The game was the second game of the March 28 doubleheader. Stevens' perfect game was the first in the history of LOHS baseball.

LONE OAK 2 LIVINGSTON 1

Lone Oak played Livingston Central March 30 and pulled out a close 2-1 victory. The Oakers scored the winning run in the seventh inning. Senior Bud Calhoun reached first after Livingston's pitcher dropped a pop-up. After a walk and a single loaded the bases, sophomore Jeff Conkwright knocked a single to bring home Calhoun with the winning run. Junior pitcher Roger Estes scattered five hits

and struck out three.

BALLARD 11 LONE OAK 2

The Ballard Bombers defeated Lone Oak 11-2 on March 31. Lone Oak scored in the second and third innings. In the second, two walks and a single loaded the bases, then Ballard walked senior Mark Bagwell to force home Bud Calhoun. In the third, Wes Hagan singled and was later driven home by a single from senior Tim Hart.

LONE OAK 18 METROPOLIS 2

The Oakers had little trouble putting away Metropolis on April 1, trouncing them 18-2. Lone Oak smacked out 14 hits in defeating the Trojans. Senior Wes Hagan was the winning pitcher, scattering four hits and striking out five.

LONE OAK 5 CAIRO 2

Lone Oak added another notch to the win column by defeating Cairo 5-2. Sophomore Kevin Wheatley and senior Tim Hart were the big guns for Lone Oak, rapping out two hits and scoring one run each. Sophomore Kevin Shannon went the distance for the Purple Flash, giving up only two hits and striking out six.

REIDLAND 10 LONE OAK 8

The Reidland Greyhounds put away the Flash 10-8 on April 3. The lead was tossed back and forth throughout the game until Reidland pulled out a four-point lead in the top of the seventh. Lone Oak could only put across two runs in the home half of the

seventh and fell in defeat. Junior Greg Raney had three hits for Lone Oak, including a last inning home run.

TILGHMAN 5 LONE OAK 3

Lone Oak met the Tilghman Tornadoes April 6 and was defeated 7-2. The Oakers' runs came in the first and seventh innings. In the first inning, sophomore Josh Moore reached base on an outfielder's error and was later driven home by senior Wes Hagan. In the seventh, it was Hagan again, hitting a double and then being driven home by junior Greg Raney. Junior Roger Estes took the loss for Lone Oak.

METROPOLIS 12 LONE OAK 0

Lone Oak ran into trouble April 7 against the Metropolis Trojans. Out to avenge an earlier loss, Metropolis was able to hold the Flash to just one hit. Sophomore Kevin Shannon was the losing pitcher.

REIDLAND 14 LONE OAK 6

The Reidland Greyhounds defeated Lone Oak for the second time April 8 by a score of 14-6. The Oakers started the game with a bang, putting four runs across in the first inning, but they only scored two more runs for the rest of the game. Reidland took the lead away in the fourth and poured six more runs across in the fifth and sixth innings to

win.

LONE OAK 6 BROOKPORT 2

Junior Greg Raney's fifth inning grand slam powered the Purple Flash past Brookport 6-2 on April 9. Raney's home run was the second of this year. Sophomore Kevin Shannon took the win for Lone Oak.

LONE OAK 13 BALLARD 5

Lone Oak began the McCracken County Tournament on April 10 with a 13-5 defeat of the Ballard Bombers. The score was tied 5-5 after seven innings, but the Lone Oak offense exploded for eight runs in the first extra inning and won the game. Wes Hagan was the winning pitcher.

TILGHMAN 7 LONE OAK 2

After their defeat of Ballard, the Purple Flash advanced to the second round of the tournament, but was defeated by Tilghman 5-3. Tilghman held only a 3-2 lead until the seventh inning when they put across two more runs to widen the lead to 5-2. Lone Oak could only put across one more run in the bottom of the seventh and lost the game.

MARSHALL COUNTY 5 LONE OAK 0

The Marshall County Marshals shut out the Oakers 5-0 on April 14. The game was played at Marshall County. The first three innings resulted in a scoreless

deadlock, but then Marshall County scored five runs in the fourth and fifth innings for a five run lead that was never touched. Seniors Wes Hagan and David Dodd had two singles each for Lone Oak, while junior Brian Stevens struck out five in taking the loss.

BALLARD 7 LONE OAK 4

Lone Oak fell in defeat to the Ballard Bombers on April 15 by a score of 7-4. Lone Oak had a 4-3 lead after the fourth, powered by junior Brent Hurst's two RBI's and one run. In the sixth, Lone Oak allowed three runners to reach base on errors by the infield. All three runners scored, along with another run later in the inning. Kevin Shannon took the loss for Lone Oak.
