School Days

The day begins as the students prepare themselves for another wonderful day at Lone Oak High School. While receiving a tardy slip, this student wonders if that extra 30 minutes sleep was worth the "third degree", especially after walking into 1st period with homework not completed.

However, being projected back to the 18th century with early American literature brings adventure and seems to start the day on an exciting note!

This path leads to a "munch" needed lunch break! Students hurry to the cafeteria in hopes that Mr. Rushing will not catch them cutting line.

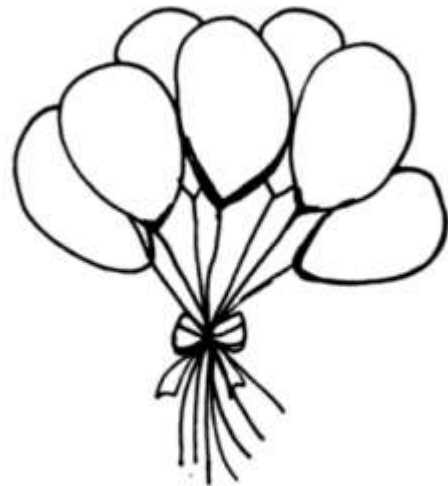

After gobbling the tasty (?) food, everyone congregates in the senior hall to share gossips, gripes, and anything else there is to discuss.

As the day finally ends, the students eagerly await the 2:30 bell that frees them from the confines of the campus. Everyone evacuates either by car, bus, or by bumming a ride from a friend.

After finishing the homework teachers load on them, the students display their school spirit at one of the home basketball games.

Senior Memories

The big year came
This was it,
Our time to shine
To make this one a hit.
College plans and fulfilling dreams,
Were all that mattered,
Or so it seems.
It is finally here,
The very last year.
Time to go out,
And face the real world.
Make Mom and Dad proud,
Of their "little boy and girl"

What about friends?
Will you lose touch?
Maybe so, maybe not.
But we will always remember,
We've been through so much.
There is more to high school,
Than test, teachers, and books,
More than being popular,
And having good looks.
It's a special bond,
Between people who care,
Something between everyone,
That no matter what, we would share.
All the laughter and all the tears,
Expressed throughout the last four
years.

CELEBRATE!

An Improving Season!

On July 23, we began our hot grueling practices. For three weeks we endured two practices a day preparing for the new season. Our team then attended camp at Kentucky Wesleyan College in Owensboro. After another week of practice, we were ready to play our first opponent, Ballard Co. We came off the Flash Field with a (18-0) victory. We then prepared ourselves diligently for the upcoming game against the Big Blue. We fought hard and held them to six points at halftime. Due to our having a smaller team and some of our key players getting injured, we lost to Tilghman (0-28). Our next game against Heath resulted in a loss (0-34). Calloway Co. was our next opponent. The Purple Flash lost (0-7) in a hard fought struggle between the two teams. Another hard fought game was against Marshall Co. The Purple Flash came off with a disappointing loss (8-12). The following week's game at Reidland was a victory for Lone Oak (21-15). The next week proved time to "celebrate" for it was the first time in our history that we had won against Hopkinsville (7-6). The long trip to Union Co. on a Saturday afternoon proved not to be favorable conditions and we lost (8-19). The last game of the season went out with a bang. Even though there was mud **everywhere** and incessant rain, the Purple Flash came home with a victory (24-8).

1986 FOOTBALL HOMECOMING

Football Homecoming was held on October 17, 1986, and it was a big success. The day started off with Coach McGroarty getting a surprise in his front yard, "Irene, The Homecoming Cow." Then News Beat 6 came to the pep rally to tape the cheerleaders, band, football team, and school in action, to be shown on the 6:00 News.

Everyone met at the football field around 7:15 to see who would be crowned "The 1986 Football Homecoming Queen." The cheerleaders, attendants, and candidates, with their escorts were introduced. Finally the moment arrived, Ronda Harding was elected as the year's Homecoming Queen.

Although the Flashes lost 14-34, much spirit was evident. After the game everyone rushed home to change and back to school for the dance. The theme for the dance was "True Colors" and the decorations included a variety of different colored streamers.

Varsity Summary

The Lady Flash started out the season with only freshman, sophomores, and one senior, but in the end proved to be very successful. The record 9-15 doesn't describe the teamwork and effort they achieved throughout the season. They successfully defeated the Lady Tornadoes twice and split the record with Heath, Reidland, St. Mary, and Carlisle. The Lady Flash then came through a Homecoming victory against Fulton City. they then put a stop to Livingston and Fulton Co. The team's experience and ability grew throughout the year along with their leadership and pride. Overall, they had a successful and memorable season.

The 1986-87 Boys Varsity basketball team proved to be one of the most successful teams ever at Lone Oak High School. Even with the record 8-18 the team accomplished something that had not been done in seven long years. The team earned a trip to the Regional Competition held at Murray State University.

The Flash drew Reidland for the first game at the district tournament. The victory over the Hounds was Lone Oak's ticket to the Regionals. Tilghman was the final opponent and Lone oak took second place in the district.

On March 12, 1987 Lone Oak played Graves County a great game but came up short. The season ended on a sad note at this game but was still a successful season and will be remembered with pride for years to come.

QUEENS

Basketball Homecoming was held on February 20, 1987, and it had a few unusual events. The spirit of the event began early with the first "Homecoming Week." Such days in the week were purple and gold day and slob day.

During the pep rally on Friday, the candidates and attendants were recognized and some members of the student body participated in a few skits. The guys had a "sexy legs" contest, with Mark Allen the winner. The girls staged an arm wrestling contest. The outcome of this skit was a tie between Jana Poat and Angela Beach.

That night the gym was packed with fans to see the game and who would be crowned queen. Finally, the moment arrived, "The 1987 Homecoming Queen" was a tie? Ginny Shaffer and Kim Norris were both crowned as queen. Both teams won against Fulton County by a wide margin.

The dance was a success with Corn Dog productions providing the music and Gene Boaz Photography taking photos. The theme was "These Are The Times To Remember" and they definitely were during Homecoming '87.

Ginny receives her bouquet from Yolanda.

PROM 1987

Prom '87 was held on April 25 at the Jaycee Civic Center. It was believed to be one of the best proms yet. As the Civic Center was being transformed into a clear sky scene with hot air balloons everywhere, the guys rushed from one appointment to another picking up the flowers and tuxedos, while the girls were getting their hair and make-up done.

Along with all this excitement came the special prom-time dinner. Patti's on the Peir, The Pines, and Whaler's Catch were among many restaurants serving Lone Oak prom-goers.

The theme, "In the Air Tonight," really caught on quick. Everyone danced and sang to the music of CP-1. They were a huge success receiving rave reviews. Some people chose to cool off with punch and have a cookie at the refreshment table.

Lots of enthusiasm filled the air, especially after the coronation ceremony of Bryan Womack and Stephanie Carney, King and Queen of Prom 1987. This was followed by the annual garter ceremony.

At last the evening came to a closing, but the memories of Prom '87 will last forever for those who attended.

Graduation '87

"Acorns to Oak Trees"

*Four years ago
time seemed not so fast
Now I stand here as a senior
looking back at the memories past.
It seems as if only weeks ago
I too was a "greenhorn" in the ninth grade
Walking through those front doors
in hope to learn a skill or trade.
As the weeks turned into months
and the months into years
I soon realized, that we all
suffered from the same fears
The fears of our last day
when we too would be on our own.
In hope of supporting
a family and a home.
But as one we become,
walking in stride.
And through Mr Stephenson
we all learned that certian "Pride."
And through those doors
as seniors we shall all leave.
Sprouting from "Acorns"
into bold "Oak Trees."*

There is more to our Forest than just trees

Photo By Chip Grafe

These eight week old eaglets in their nest on Westvaco's property underscores our long-standing commitment to the concept of wise multiple use management of our lands.

Westvaco is protecting this nest on land which is also producing a steady supply of wood for our mill at Wickliffe and other uses while providing for abundant wildlife, watershed protection and aesthetic values.

That's why Westvaco is committed to advanced forestry practices and sound multiple use land management programs. As your neighbor, we thought you'd like to know.

YOU CAN'T DO BETTER THAN
Kmart[®]
the Saving Place[®]

This is the time that we “celebrate” our high school years. As students, we “celebrate” the victories, close friends, and good times. As seniors, we “celebrate” the promises our future brings. As editors, we would like to thank our advertisers, Gene Boaz Photography, Mr. Stephenson, and Bill Farr for their support and cooperation. We would like to extend a special thanks to this year’s annual staff and our sponsor, Janice Foster, for her love and guidance.
