FLASHBACK

As we walk down the road of life,
We pause for a moment to reflect on what our life has been.
And what it is yet to be.
Our journey is just beginning, but no matter how far we go.
Or how old we grow,
We will always remember where we came from.

Nature's first green is gold,
Her hardest hue to hold.
Her early leaf's a flower;
But only so an hour.
Then leaf subsides to leaf.
So Eden sank to grief,
So dawn goes down to day.
Nothing gold can stay.

Cheerleading...

The Lone Oak Varsity Cheerleaders have just finished up their best season ever. The cheerleaders formed a competition squad consisting of the varsity squad members plus two junior varsity members.

The competition squad spent countless hours travelling to Murray State to learn a routine. When this was accomplished, the squad practiced about fifteen hours a week to perfect their routine. All the hard work paid off because the cheerleaders walked away with the regional title for the second year in a row. From there they went to the state competition and placed fifth, higher than Lone Oak has ever placed.

1. Amy Kelly is tossed high in the air as she is cradled. 2. The competition squad practices their winning routine. 3. The Varsity squad performs at a game. 4. Junior Varsity cheerleaders Leslie Sither and Jessica Fortney love to cheer.

Fifth in State
