Oak Leaves '98

This digitally remastered edition of the 1998 Lone Oak High School Annual Oak Leaves is presented in tribute to the students and faculty of Lone Oak High School in Paducah, KY.

This document was reproduced from an original copy and presented in Portable Document Format (PDF) by the Lone Oak High School Alumni Association and LoneOakAlumni.Org for archival purposes and for the benefit of all LOHS Alumni.

Original Copyright remains with the Annual Staff of Lone Oak High School for the year in which it was published. This document may be freely copied and distributed so long as it remains unedited and with this notice intact.

A time to . . .

To Everything turn, turn, turn
There is a season turn, turn, turn
And a time for every purpose
under Heaven

A time to be born, a time to die
A time to plant, a time to reap
A time to kill, a time to heal
A time to laugh, a time to weep

A time to fill up, A time to break down
A time to dance, a time to mourn
A time to cast away stones
A time to gather stones together

A time of love, a time of hate
A time of war, a time of peace
A time you may embrace
A time to refrain from embracing

A time to gain, a time to lose
A time to rend, a time to sew
A time for love, a time for hate
A time for peace, I swear it's not too late

Seniors Kim Adams, Shannon Jarvis, Julie Stewart, and Jamie O'Hara enthusiastically smile for the camera while rejoicing at the thought of graduation.

Yes, the love runs deep here at Lone Oak High School. Junior Carrie Sisto affectionately presents junior Janie Toy with a beautiful friendship bracelet.

The faculty here at LOHS works hard to ensure that students receive the best education possible. After a long days work, Mrs.Reeves and Mrs.Harper "pucker up" and dream of thier husbands awaiting them at home.

Juniors Kim Smith and Tonya Stamper express their joy and relief after journeying up the "tricky" staircase in the front hall. This staircase not only keeps the student body on its toes, but spices up our usually mundane walk through the halls.

The 1997-98 school year has been one of rebirth for Lone Oak High School. With its newly completed modernized facilities, the school equips its students with tools that will enable them to succeed in the future.

With our award winning academic and sports teams, Lone Oak students are a step above the rest.

Honor Students

A Time to Reap . . .

These thirty-four seniors have achieved the status of honor students. This has come as a result of sowing seeds of hard work and dedication. These students have maintained a cumulative 3.5 grade point average over seven semesters. They are now reaping the rewards of four years of dedication. Congratulations!

As district and regional championships approached, Lone Oak students became filled with school spirit. Junior Tim Burrows figured it was about **TIME**. His painted face and attire showed his enthusiasm. From the floor, junior Ashley Canup and the Lone Oak cheerleaders pumped

up the crowd. Senior Sarah Warmack and friends showed their school spirit by dress-

ing up **FOR** the game. The crowd was all smiles after Lone Oak defeated their opponents. The basketball team got the

SPIRIT ball rolling at the pep-rally with a pie-eating contest.

*Although her time with us was short,
although her days were few,
when Jesus called his angel home
they all came into view.*

*Those memories so vivid,
the fun times that we shared,
they'll stay with us forever-
her smile, her eyes, her hair.*

*Through rivers of tears we said good-bye
to that angel from above
and thought of all she taught us
about friendship, life, and love.*

*Although her time with us was short,
although her days were few,
someday we'll see our angel again
for someday He'll call us too.*

SPORTS

A Time To Tee Off

“

“The journey from sophomore to senior on the Lone Oak golf team was one filled with many ups and downs (as is the nature of golf), but not excluding a number of memorable moments. By being associated with a group of golfers such as my teammates as well as my opponents, I was able to interact with many people linked by a passion for golf. Through this desire, I was able to perform in a competitive yet sportsmanlike manner support the success of fellow players, and enjoy the experience of playing demanding golf.”

Players and coaches put in many hours of practice preparing their teams for each competitive game. The work and success they accomplished throughout the season was appreciated by fans for the entire school.

Under the crushing weight of her comrade, junior **Josh Reeves**, junior **Callie Wexler** longs for those days of old when the men used to carry the load.

Senior cousins **Melody Roberts** and **Jeannie Richards** harmonize beautifully (it must be in the genes).

At the annual Christmas concert, the entire LOHS choir came together to celebrate the season in song.

Chamber Choir, 4th Row: **Shay Barnes, Ashley Canup, Whitney Nall, Janie Toy, Frances Owen, Elizabeth Rigdon, Jeannie Richards**. 3rd: **Stacey Briney, Zach Bishop, Josh Hawkins, Jonathan Light, Andrea Parker**. 2nd: **Beau Franklin, Anthony Lufkin, Josh Reid, Sara Ryan**. 1st: **Carrie Sisto, Josh Reeves, Josh Luscombe, Melody Roberts**. Not Pictured: **Michael Crouch, Natalie Ellis, Jon Cargill, Callie Wexler**.

After all that singing, Junior **Janie Toy** had to take a break. I wonder who the pillow is?

Check out that alto spirit!

Not only can choir director Mrs. Durham magically grow flowers on a dry-erase board, she seems to have a green thumb for growing singers as well.

“

I like choir, but sometimes all that singing makes my jaw hurt.

1. Junior **Bryan Garner** shows off his shaved head. 2. It was time to keep pushing as Senoir Band Captain "**Big Dave**" Carmichael eats his favorite peanut butter. 3. Junior **Elizabeth Rigdon**, field commander, conducted the band, hoping to have another great run.

Change...

They stood, arms locked and breath held. Many times before they had stood at attention, ready to burst with joy or tears. But this was it; their final competition. The Kentucky Colonels were at State. Despite the fact that this year was to be their worst, it turned out to be the best season Lone Oak has had in years. Although they didn't place in Kentucky's top four, they achieved their goals, and helped Lone Oak become known for its excellence in marching band. Somehow they pulled together, gave their all, and pushed their way through to the top. Their well deserved and earned title?

Students at Lone Oak show their school spirit!

As the lazy days of summer ended and the working days of school rolled around,

students prepared themselves for another challenging year.

STUDENTS PUT THEIR MINDS TO WORK, SEARCHING FOR WAYS TO BECOME THE BEST.

From freshman to seniors, each person visualized his/her success and began to excel in many school activities.

Outside of the classrooms, there were times

TO SHOW SCHOOL SPIRIT. STUDENTS GATHERED

together cheering for our teams, supporting each other.

Who says school can't be fun?

The marching band gets excited at football games. To motivate them, there was always "Big Chief" peanut butter. Band members are often caught yelling, "Let's do it for the Big Chief!"

Seniors **Grant Gagnon** and **Vince Carter** decided to cheer Lone Oak on by dressing up for the occasion.

What do you have to say about school spirit?

Charlie Stevenson, senior
"School Spirit is when we unite as one to support the O Town Squad and bleed purple and gold together."

Frances Owen, junior

"When I sat in the middle of the band section at a football game, I screamed so much I lost my voice, but it was a blast."

Lindsay Culp, sophomore

"My way of showing school spirit is having a Honkey-Tonkin' time!"

Kim Fesmire, freshman

"Basketball games are much more fun when the crowd gets into them!"

Ashley Grimm, senior

"Win or lose, we still had a great time goofing off at the games!"

"I have told you this so that you will have peace by being united to me. The world will make you suffer. But be brave! I have defeated the world!"

John 16:33

Blessed are those that mourn
for they will be comforted
Matthew 5:4

For I am the Lord your God,
who takes hold of your right hand
and says to you, Do not fear, I
will help you. Isaiah 41:13

And I heard a loud voice from the throne saying,
Now the dwelling of God is with men and he will
live with them. They will be his people and God himself
will be with them and be their God. He will wipe every
tear from their eyes. There will be no more death or
mourning or crying or pain, for the old order of things
has passed away. Revelation 21:3-4

Sleeping may remain for a short
but waking comes at the morning
John 11:25

Truth does not change

On December 1, 1997, tragedy struck at Heath High School, shocking the surrounding community and the world. The citizens of Paducah were united in their pain and came together to offer love and support to one another. Time has passed, but scars shall be everpresent on the hearts of all who were affected. We at Lone Oak pay tribute to the victims of this crime, the lives that they led, and the cause to which they were lost.

A Graduate's Prayer

Father, I have knowledge
 So will you show me now
 How to use it wisely,
 And find a way somehow
 To make the world I live in
 A little better place....
 And make life with its problems
 A bit easier to face-
 Grant me faith and courage
 And put purpose in my days-
 And show me how to serve Thee
 In the most effective ways
 So all my education,
 My knowledge and my skill,
 May find their true fulfillment
 As I learn to do Thy Will
 And may I ever be aware
 in everything I do.
 That knowledge comes from learning-
 And wisdom comes from You.

*For I know the plans
 I have for you,
 declares the Lord....
 plans to give you hope
 and a future....
 You will seek me
 and find me
 when you seek me
 with all your heart.*

What a year! It has been nine long months of training, writing, designing, revising, editing, proofing, and having fun as the staff has produced a bigger, bolder, and better than ever EOHHS Oak Leaves yearbook. It has also been a year of new beginnings as the book was published in a new school using new desktop publishing software and new computers all under the supervision of our first year advisor, Ellen Sweatt. Memories of ad sales, always hectic yearbook distribution, our year long process of learning new software (we still do not know some things), fighting over computer time, frantic calls to the technical support line, last second trips to Gene Boaz, filling sixteen more pages than ever has been attempted, dealing with construction, and just being apart of the 97-98 staff will stay with us for years to come. We would like to give special thanks to Wayne Rushing at Jostens for handling our never-ending questions and problems, Gene Boaz Photography, Wallpaper for Less, Mr. Adams, Mr. Rushing, and all the office staff. We would especially like to give special thanks to our advisor, Ms. Sweatt, who has helped make our yearbook the very best.
