November Positive Behavior News & Winners

November Behavior Data (per day)

MONTHLY PRIZE--

For October, Carson won and chose an iHome player for her Apple music devices. Ms. Poore was the teacher who gave her the winning Golden Ticket and will receive her choice of gift cards as well.

The month of November saw a drop in all areas of behavior compared to last November, a huge success as the semester is drawing to a close.

Major discipline referrals dropped from 5.2 to 3.76 per day, while the overall number of referrals per day dropped from 8.8 last year to 7.17 this year.

Each week, iTunes cards, Papa John's gift cards, Parker's Drive-In certificates, and City Rockers Pizza gift cards make up some of the prizes we give away for good behavior.

Early Christmas Challenge

During December, if LOHS stays above 96% daily attendance for the month, there will be a special Golden Ticket drawing on Dec 19.

Two lucky students will win flat screen TVs, and two will win Beats by Dr. Dre earphones.

Each day we will average up the numbers and let students know how close they are.

Lone Oak High Souvenir Book "Flashbacks"

Through a combined effort between the community, Lone Oak High School, and the Paducah Sun, LOHS is pleased to announce that the public will be able to purchase a LOHS commemorative book tracing the history of Lone Oak High School. Details available soon.

LOHS Students Named Teen of the Week

Two LOHS students were recently named as the Mid-Continent University Teen of the week and highlighted in the Paducah Sun newspaper. Alyssa Durbin (left) was honored as the October 22 Teen of the Week. Ashley Latham (right) was named for the week of November 19. Mid-Continent University will provide each student a \$2,500 annual scholarship to attend its university.

PLAN Night at LOHS

On November 26th, LOHS hosted PLAN Night in which students and parents were able to go over last year's scores. The PLAN Test relates directly to how well students will perform on the ACT Test they take during their Junior year.

Along with the pizza and great conversations that were taking place that night, Mr. Ceglinski (the McCracken County High School principal) was present and highlighted updates on the new school being built and also took questions from those that were present.

Christmas Around the World With the LOHS Foreign Language Club

On November 29, the LOHS Foreign Language Club, along with the classroom teachers of the classes, held the first Christmas Around the World showcase.

Shown here in order are the German table, French table, and the Spanish table. Each table exhibited authentic holiday foods and treats from their nations.

Student Safety Team-Sponsor Mr. Daniels

In November, the Student Safety Council traveled to Union County High School to do a site visit.

While they were in Union County, students were introduced to that school's student safety team. Together, both teams learned about safety in the

school setting and also shared knowledge each had gathered from previous drills. They also discussed various ways in which items are brought into buildings.

Before leaving, the LOHS team was able to be a part of the Union County High School student news show.

LOHS students pose with members of their student safety team counterparts at Union County High School.

VP of Peer Education: Kalen Parker

November Club News- FCCLA

We are having an exciting year in FCCLA (Family Career and Community Leaders of America). We are very proud to say that at LOHS,

we have 59 affiliated FCCLA students. We have been very busy. We hosted the Powder Puff Football Games for Breast Cancer Awareness and also helped organize the Unite to Read Night at Lone Oak Elementary.

LOHS has two Regional officers, Kayla Scheer and Kaitlyn Smith. They have demonstrated great leader-

ship qualities over the past four years and have done an amazing job leading our chapter and also Region 1 FCCLA.

This month we went to Indianapolis, Indiana for our National Cluster Meeting. It was a success. We learned valuable information to help us in becoming better leaders.

We are currently preparing for our STAR Events Projects. STAR Events (Students Taking Action with Recognition) are competitive events in which members are recognized for proficiency and achievement in chapter and individual projects, leadership skills, and career preparation.

STAR Events offer individual skill development and application of learning through the cooperative, individualized and competitive activities. We will compete at the regional level on January the 28th at Marshall County High School. We wish all our students the best!

We would like to give a shout out to all our FCCLA students for all the hard work they have put into our FCCLA chapter this year. In closing we would like to let all LOHS staff members know that on December the 12th, FCCLA will be having Christmas treats for all staff members. FCCLA would like to thank all of you for your hard work and dedication to LOHS.

November 2012 Attendance % By Grade:

9th:	95.04	Total:	95.12%
10th:	94.46		
11th:	95.41		
12th:	95.47		

November 2012 Attendance

2012 Veterans Day Ceremony at Lone Oak High School

On November 9th, Lone Oak High School and Hendron Lone Oak Elementary collaborated together to hold a Veterans Day ceremony. The ceremony was presided over by principals Matt Houser and Mark Buchanan, with Mr. Robby Dougherty as the event's guest speaker.

Lone Oak High School's choir and Hendron Lone Oak Elementary's 'Flashtastiks' provided musical arrangements during the ceremony. The American Legion Post 31 was also on hand to help present the flags at the beginning of the day as well. The ceremony ended with a moving moment as 'Taps' was played by Ms. Ronda King.
